Act III — Seniors

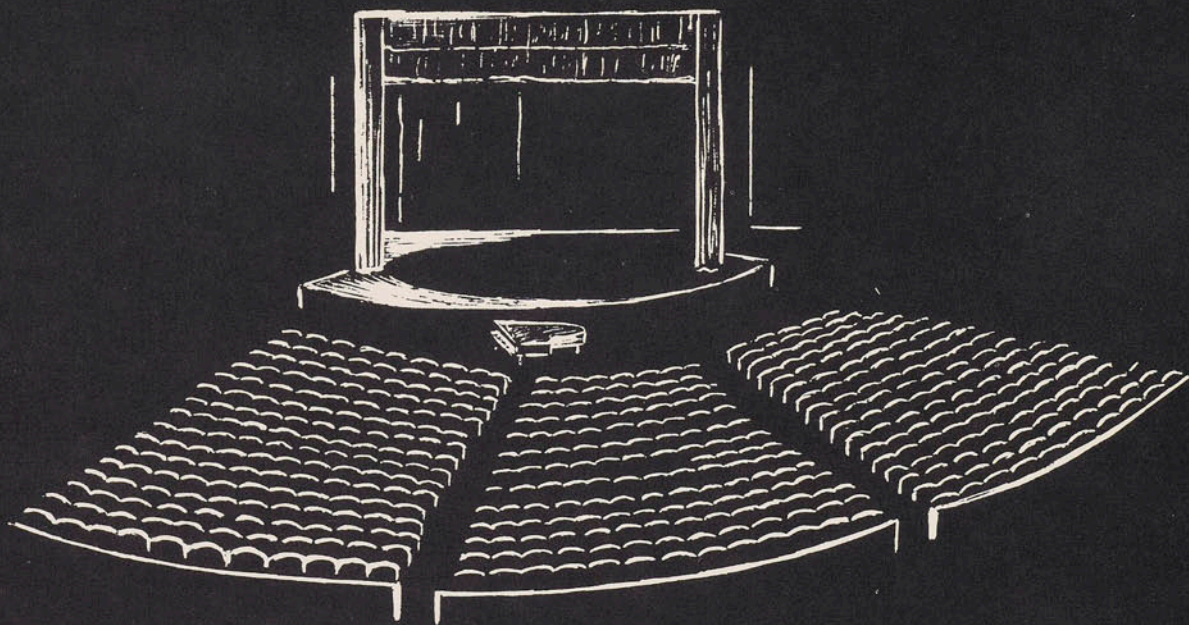

We of the class of 1961 dedicate this yearbook to Miss Anita Dunn. In the words of Alexander Pope, she has truly been "guide, philosopher, and friend." We deem it a great privilege to present Bricks and Ivy 1961 to her.

We acknowledge and appreciate Dr. Theodore Fos-sieck's unfailing direction of our education.

“As I walked through the corridors of my new school and stared at the new faces, I began to wonder: ‘Who are they? What are they like?’

“After two weeks everything seemed more familiar. I knew some of the girls’ names. There was plump Patty, jovial Sue, and conceited Joan.

“Now once again the math bell rang and the class ended. I had a feeling something was going to happen.

“It was wonderful and as I watched her glowing face, I knew I had found a friend.”
