## Dear Class of '15 Graduates, Families and Friends:

Spring Commencement Weekend is a momentous occasion for our graduates as well as their families and friends. It represents a culmination of the perseverance and commitment our graduates have demonstrated in mastering a course of study, and is also a confirmation of the personal and intellectual growth they have achieved as members of a vibrant campus community. It also provides an opportunity for the entire UAlbany family to share our mutual pride in our students' achievement while honoring the time, resources and energy our faculty, families and friends have invested in their success.

Throughout their academic journey, our graduates have been surrounded by faculty who possess a profound commitment to teaching, and whose research and scholarship address today's most important issues. UAlbany graduates have accomplished great things through classroom study, research, internship, and volunteer opportunities. At the University at Albany, our goal is to put "The World Within Reach." Today, we stand before students whose worldviews have been enriched during their time on our culturally and intellectually diverse campus.

The Class of '15 joins the ranks of the University's more than 165,000 alumni who are having an impact both close to home and around the globe. In the coming years, society will benefit from our graduates' contributions to science, education, social work, health care, business, public policy and numerous other fields. The University at Albany family looks forward to witnessing their future accomplishments and discoveries.

We sincerely hope that Spring Commencement Weekend is a meaningful and memorable experience, and that you will carry fond memories of the University at Albany with you for years to come. Congratulations and Go Great Danes!

### Barbara Smith

#### Special Community Projects Coordinator, City of Albany

**B**arbara Smith is the Special Community Projects Coordinator for the City of Albany. The first to hold this position, she implements the city's Equity Agenda established by Mayor Kathy Sheehan in 2014. Ms. Smith's work focuses upon increasing empowerment and opportunity especially in neighborhoods that have been historically marginalized because of racial, economic, and social inequality.

Albany's Equity Agenda continues work Ms. Smith did as a member of Albany's Common Council from 2006 to 2013. Ms. Smith led the effort to bring the nationally recognized anti-violence initiative, SNUG/CeaseFire, to Albany. She is a founding member of Albany Promise, a consortium of education, community, and business leaders who are committed to improving educational outcomes for Albany's children.

Ms. Smith's involvement in local government has evolved from her lifelong participation in movements for social justice. As an author, activist, and independent scholar she has played a groundbreaking role in opening up a national cultural and political dialogue about the intersections of race, class, sexuality, and gender. She was among the first to define an African American women's literary tradition and to build Black women's studies and Black feminism in the United States.

Ms. Smith edited three major collections about Black women including *All the Women Are White, All the Blacks Are Men, But Some of Us Are Brave: Black Women's Studies* (with Gloria T. Hull and Patricia Bell Scott in 1982); and *Home Girls: A Black Feminist Anthology* in 1983. In 1984 she co-authored *Yours in Struggle: Three Feminist Perspectives on Anti-Semitism and Racism*. In 1988 she was the general editor of *The*

*Reader's Companion to U.S. Women's History* with Wilma Mankiller, Gwendolyn Mink, Marysa Navarro, and Gloria Steinem. A collection of her essays, *The Truth That Never Hurts: Writings on Race, Gender, and Freedom* was published in 1998. *Ain't Gonna Let Nobody Turn Me Around: Forty Years of Movement Building with Barbara Smith*, edited by Alethia Jones and Virginia Eubanks, was published in 2014.

Ms. Smith was cofounder and publisher of Kitchen Table: Women of Color Press, the first U. S. publisher for women of color.

Ms. Smith has appeared in a number of documentaries, including the 2013 PBS film "Makers: Women Who Make America." She has received numerous awards, and in 2005 she was nominated for the Nobel Peace Prize.

Ms. Smith received her Bachelors' in English and Sociology from Mount Holyoke College and her Masters in English from the University of Pittsburgh. Since 2010, Ms. Smith has been a Public Service Professor at the University at Albany's School of Social Welfare.

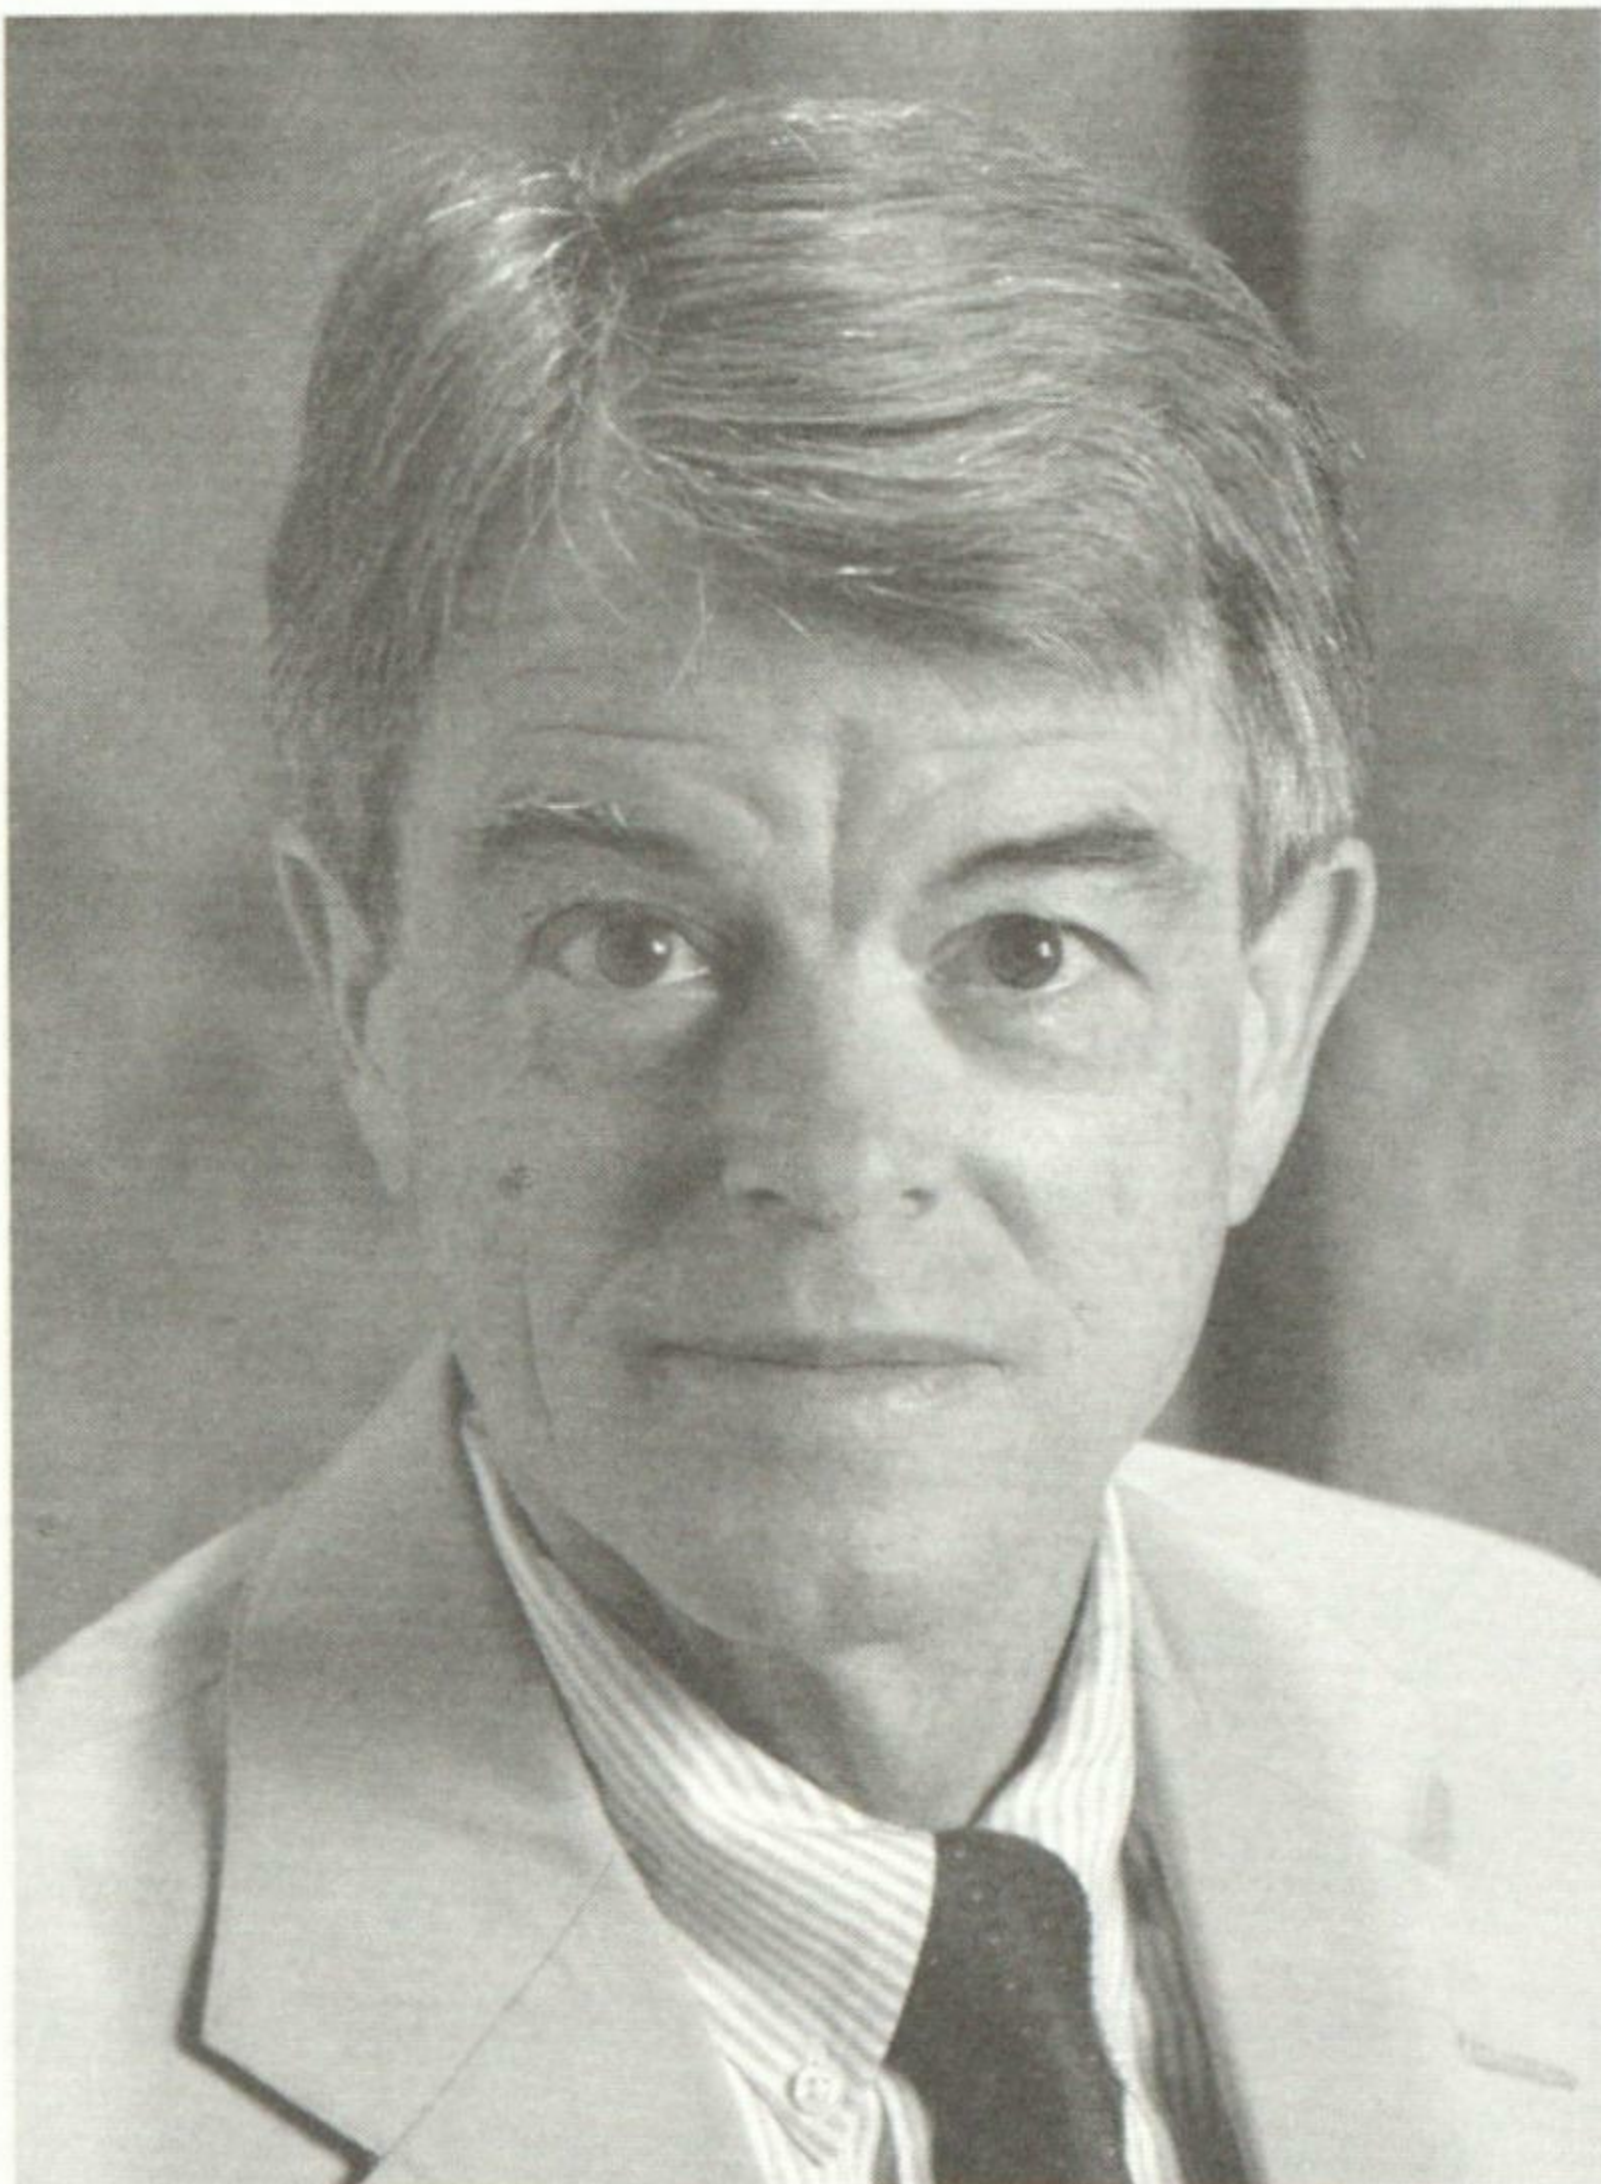

The University at Albany hosts over 19,000 graduates, family, and friends throughout Commencement Weekend.

# THE EVAN R. COLLINS AWARD

## THE GRADUATE CEREMONY

In recognition of distinguished service and devotion to the University at Albany by members of the faculty.

### Randall T. Craig, Ph.D.

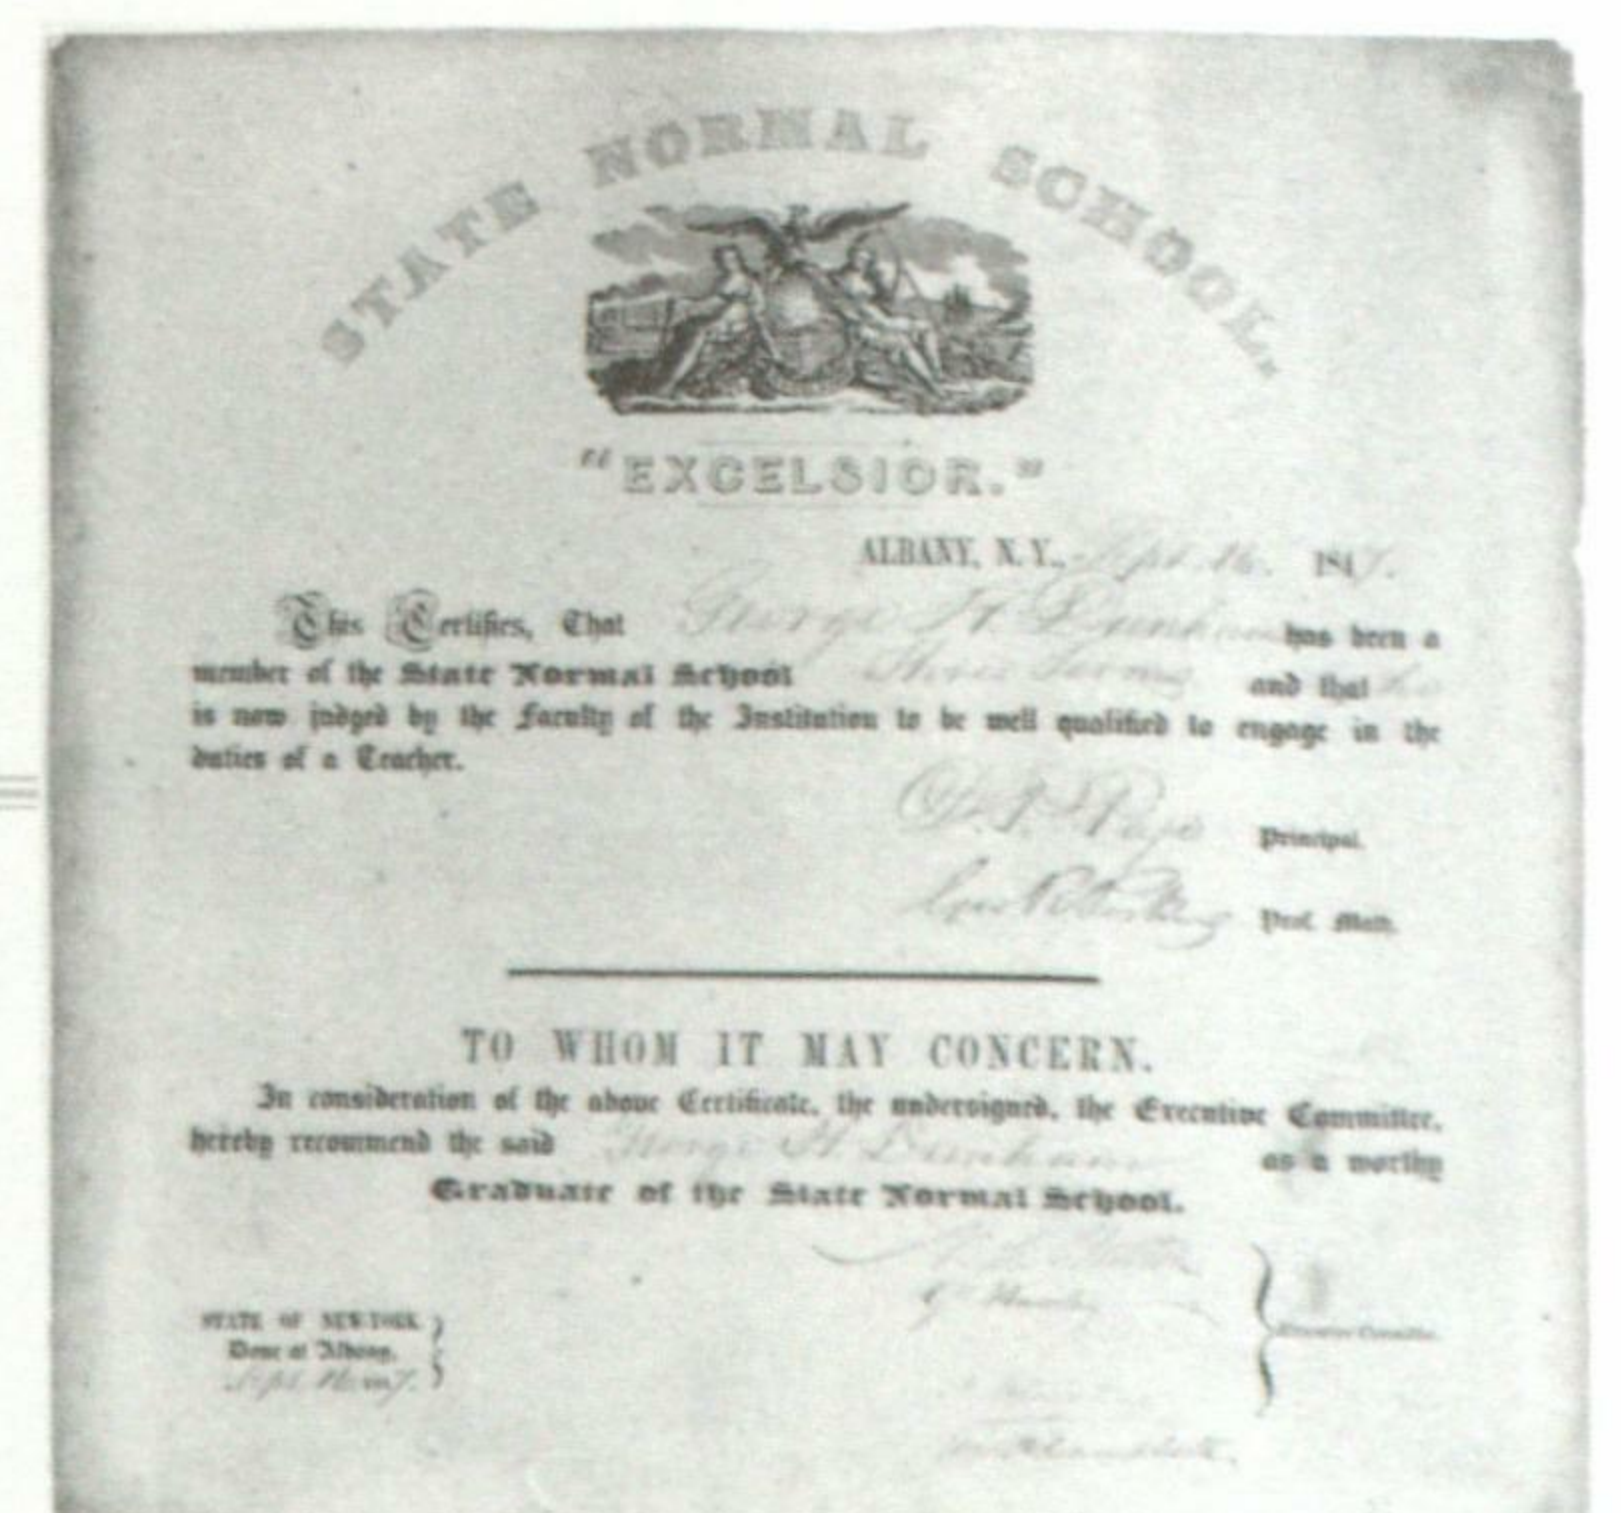

**R**andall Craig is a Professor of English, having joined the faculty after receiving his Ph.D. from the University of Wisconsin in 1981. He specializes in narrative literature and theory with a concentration in the Victorian period. His publications include several monographs in these fields, including: *The Tragicomic Novel: Studies in a Fictional Mode from Meredith to Joyce* (1989), *Promising Language: Betrothal in Victorian Law and Fiction* (2000), and *The Narratives of Caroline Norton* (2009).

In addition to having been privileged to teach several generations of UAlbany graduates and undergraduates, he is especially proud of his long-standing service in community literacy and education programs, especially at the Center for Disability Services and more recently in the Greene Correctional Facility.

He has received both the University Award for Excellence in Academic Service and the Chancellor's Award for Excellence in Faculty Service and is pleased to be able to thank the colleagues who have supported these honors.

Professor Craig is grateful to the University at Albany for many reasons, but no more so than for its having conferred three degrees upon his wife, Jane Patterson Craig '74, '80, '84, who shares in this award in many, many ways.

A copy of the University's oldest existing diploma. Issued to George H. Dunham '47 and signed by the first Executive Committee (Board of Trustees).

# ACADEMIC HERALDRY

The caps, gowns, and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp and drafty 12th-century castles and halls of learning. The gowns for the bachelor's degree, earned after undergraduate study, have long, pointed sleeves and are designed to be worn closed.

The holder of the master's degree wears a gown with an oblong sleeve open at the wrist. The sleeve base hangs down, and the rear part of its oblong shape is worn square cut. The gown may be worn open or closed. An alternate and older master's gown is also permissible. The gown is always worn open, has a long sleeve, which is square and closed at the end, and has a slit near the forearm.

Gowns for the doctoral degree may also be worn open or closed, but they carry broad velvet panels down the front and three velvet bars on the full, round, open sleeves. The velvet trimming may be either in black or the color distinctive to the field of learning to which the degree pertains.

At the University at Albany, academic gowns for bachelor's and master's degree candidates are black. Doctoral recipients wear purple gowns, characteristic of our institution's colors.

Academic protocol allows trustees, presidents, and marshals of higher education institutions to wear gowns which are especially designed and colored. The president of the University at Albany wears a black and royal purple gown bearing four horizontal royal purple bars with gold braiding on the sleeves. The marshals' gowns at UAlbany are navy blue with gold accents.

Caps may be of serge, broadcloth, or, for the doctoral outfit only, of velvet. The tassel is black or the color appropriate to subject, except the doctoral cap may have a tassel of gold or bullion.

It is the hood that gives color and real meaning to the academic costume. The hoods of the master's degree recipients are a black shell made of material to match the gown and use the institutional colors. UAlbany's institutional colors are royal purple and gold. The doctoral hood, which uses the same institutional colors, is larger and of a different style, having a flat panel at the

back. The hood is bordered with velvet of the proper width to indicate the degree and of the color signifying the field of learning to which the degree pertains.

If more than one degree is held, the gown and hood of the highest degree are worn. Holders of several doctoral degrees may make a choice of hood for any particular occasion. The colors indicative of the various fields of learning are as follows:

- Arts (Liberal Arts), Humanities, Letters (Literature): *White*
- Commerce; Accountancy, Business: *Drab*
- Communication Studies: *Silver Gray*
- Economics: *Copper*
- Education: *Light Blue*
- Environmental Studies: *Russet*
- Fine Arts: *Brown*
- Journalism: *Crimson*
- Library Science, Information Management: *Lemon Yellow*
- Music: *Pink*
- Philosophy: *Dark Blue*
- Public Administration, Public Policy: *Peacock Blue*
- Public Health: *Salmon Pink*
- Social Science, Natural Science: *Golden Yellow*
- Social Work: *Citron*

Graduating students at UAlbany wear tassels of the color representing their field of study. Honors graduates of the baccalaureate program also wear honor medallions.

**Candidates for degrees are listed as of April 13, 2015.** No changes in status could be made after this date. Honors for May degree candidates were computed using the cumulative grade point average as of this date and a projection that the student will have earned 56 or more credits at UAlbany, of which a minimum of 40 credits are A-E graded. Official honor status will be recalculated when spring term grades are recorded and will appear on the diploma.

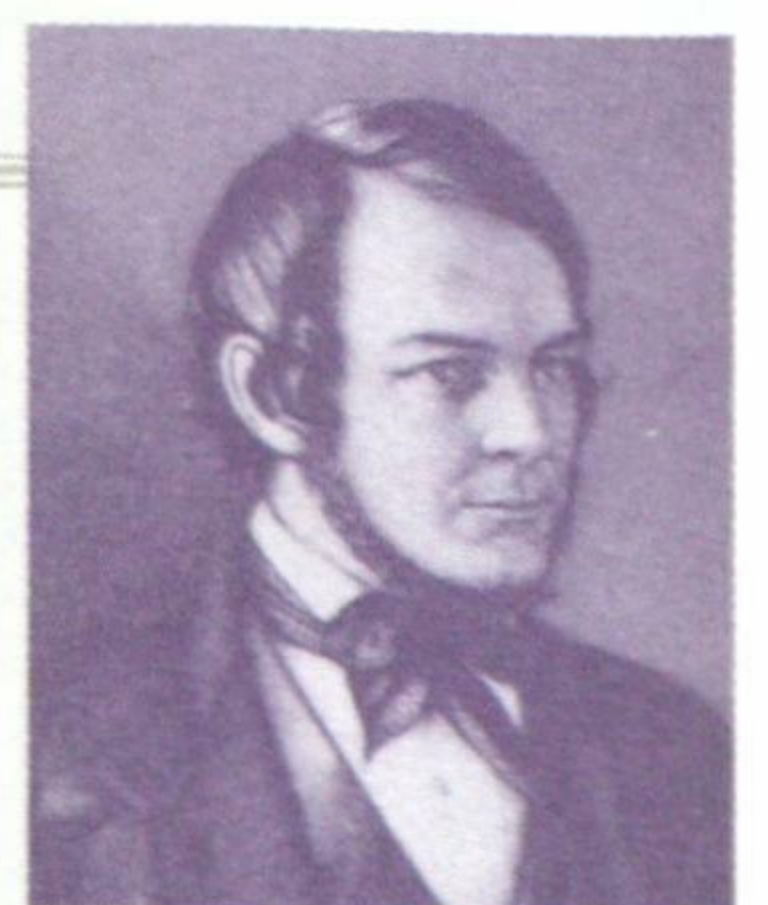

\*\*\*Summa Cum Laude: signifies a cumulative grade-point average of 3.75 or above

\*\*Magna Cum Laude: signifies a cumulative grade-point average of 3.50-3.74

\*Cum Laude: signifies a cumulative grade-point average of 3.25-3.49

Legislation establishing Albany's Normal School as New York's first public institution of higher learning was passed in 1844. For nearly 50 years, the Normal School provided a two-year education to students from across the state. David Perkins Page served the Normal School's first principal.

# MINERVA

Since the University at Albany's beginnings as the New York State Normal College, Minerva, the Roman goddess of wisdom, has been the institution's enduring symbol.

The figure of Minerva and the Latin motto, *Sapientia et sua et docendi causa* ("Wisdom, both for its own sake and for the sake of teaching") have appeared on the University seal since about 1913. Today, Minerva, wearing her distinctive helmet, continues to symbolize the University's proud past and long-standing reputation for educational excellence.

- UAlbany's seven-foot-plus white plaster statue of Minerva was purchased in 1888.
- While there is no official record of where she came from, remembrances have it that the statue was purchased with funds from a \$1 student fee collected for make-up exams.
- The Minerva statue was originally located at 88 Willett St. in Albany when the University was the New York State Normal College. In 1906, when a devastating fire broke out in the college's administrative offices, a brave custodian, Charles Wurtham, rescued the statue from the burning building.
- Minerva assumed her new home in the rotunda of Draper Hall when UAlbany was the State College for Teachers. For more than six decades, she was a popular meeting place for students. "Meetcha at Minnie" was a favorite phrase and her photograph appeared frequently in UAlbany yearbooks.

- In January 1962, UAlbany's Minerva achieved national fame when an article about the teacher's college appeared in an issue of the *Saturday Review* and she was pictured on the cover.
- In 1966, as a gift to the University, the senior Class of 1967 moved the statue from the downtown campus to the new main campus and paid for her refurbishment. The Class named themselves the "Guardians of Minerva."
- In 1987 Minerva was rededicated and today graces the lobby of the Science Library.

To reclaim its reputation as a pioneer and dominant institution of learning in a competitive and evolving school system in New York State, the Normal School established a new mission. Re-branded as the New York State Normal College in 1890, emphasis was placed on the development of new curricula, faculty and the recruitment of students to prepare secondary school teachers.

By 1962, the College had earned national distinction. In that same year, the State University of New York system of higher education underwent a rapid expansion in response to rising needs. The College joined the system as one of four University Centers, and became a broad-based public research institution. Evan R. Collins, president from 1949 to 1969, led this transformation, complete with a new campus uptown.

Modern architect Edward Durrell Stone designed the uptown campus on what was once the Albany Country Club. Purportedly the largest single academic construction ever undertaken, it was estimated that the project used over 270,000 cubic yards of concrete and fifty miles of copper tubing. It was rumored that if the 500 architectural drawings were put end to end they would reach for a half mile. Albany Mayor Erastus Corning II and Gov. Nelson Rockefeller (center) view Stone's model of the uptown campus in 1962.

Pierre the Ped-guin served as Albany's mascot until 1967. Kathy Earle '67 won the Mascot Nickname contest in 1965 with her entry of the Great Dane, which she argued had "size, strength, character, courage, speed, stamina and is also an amiable and dependable creature."

Bob Ford, upon his retirement in 2013, served as head coach of UAlbany's football team for 43 years and saw 264 career victories, garnering four Northeast Conference Coach of the Year honors and leading the Great Danes to six NEC titles. Coach Ford built the UAlbany program from the ground up, taking the Danes from a club team to an NCAA Division I FCS contender. His legacy will be forever honored at the new home of the Great Danes, Bob Ford Field, which opened in 2013.

# CLASS GIFT CONTRIBUTIONS

The 2015 Class Gift supports UAlbany Unite, an interactive student group video contest. Students created videos about their clubs or organizations and posted them to the UAlbany Unite web site. Students, parents, alumni, faculty and staff viewed the videos and made donations in support of their favorite groups. Over \$10,000 will also be awarded, thanks to our generous sponsors: The University at Albany Foundation, UAlbany Fund, Alumni Association, Student Association, President Robert J. Jones, The University at Albany Foundation President George R. Hearst III, and Vice President for Development Fardin Sanai. To view the videos and make a donation, please visit [www.albany.edu/unite](http://www.albany.edu/unite). Contributions listed as of April 14, 2015.

# ALMA MATER

College of the Empire State  
Mother of an army great,  
Thou the molder of our fate,  
Thee we sing today.  
Thine the hand we clasp so strong,  
Holding tho' the years be long,  
Thou the burden of our song,  
Thee we sing today.

Ways of pleasantness are thine,  
Leading where in wisdom's shrine,  
Joy and cheer, and hope divine,  
Ever dwell for aye.  
Thine the voice whose call we hear,  
Thine the hand which holds us near,  
Thine the heart, so true, so dear,  
Cherished, loved alway.

Wisdom's duty heeds thy call,  
Ever in Minerva's thrall,  
Pass the torch from one to all,  
Guide each destiny.  
'Neath the Purple and the Gold,  
Let thy history unfold,  
Sons and daughters, young and old,  
Hail to Albany.

The University at Albany may edit and repackage my physical likeness and sound as recorded this day into any existing format or one devised in the future. I will not seek any claim on the University at Albany or anyone else with whom it contracted over the use of my physical likeness and sound recorded this day or for any other projects that grow out of it. This means, among other things, that I will not sue for invasion of privacy, right of publicity or any other right connected with the use of my physical likeness and sound recorded this day or any other projects that grow out of it. I intend for this to be a blanket release for the University at Albany and anyone else it may deal with in order to broadcast, promote or distribute the images and sound recorded this day or any projects that grow out of it.*
