1961 MID-ATLANTIC

MODEL

GENERAL

ASSEMBLY

It is our contention that those students having an active interest in the United Nations represent the vital core of leaders in American youth, and it is they who will be directing the international affairs of the United States in the not-so-distant future. Therefore, it can be nothing short of urgent necessity that these young people be given early opportunity to develop the international perspective and intimate familiarity with the machinery of the United Nations so essential to the discharge of this heavy responsibility.

We consider that the Mid-Atlantic Model General Assembly offers just such an opportunity in its program of student participation in United Nations functions, and the benefits arising therefrom. Students who participate in the committee meetings and plenary sessions of the Model General Assembly gain an intense appreciation of differing national interests, and the difficulties arising from attempts to resolve issues raised by these interests in the United Nations. Of equal importance are those benefits which might best be described as intangibles — the experiences gained in the lively exchange of ideas and interests, and the challenge of articulate expression of one's own reasoning processes.

With this purpose in mind, therefore, we extend to you an invitation to actively participate in the stimulating activities of the 1961 Model General Assembly.

The Collegiate Council for the United Nations is pleased to announce the 34th Annual Mid-Atlantic Model United Nations General Assembly to be held in the Commodore Hotel and United Nations Headquarters, New York City on March 24, 25 and 26.

This invitation invites each college or university to send 6 voting delegates, alternates and one faculty advisor. You are requested to complete and return the attached registration form before 21 December, 1960. It is most important that you state the size of your delegation.

There will be a registration fee of \$40.00 per college and a fee of \$15.00 per delegate. The fee for Faculty Advisors accompanying delegations will be \$5.00. Payment of the registration fee or a \$25.00 deposit is required when registration forms are returned.

Assignments of countries will be made by the MGA Secretariat on the basis of registration postal dates and past performance. To insure proper preparation and receipt of MGA materials you are asked to meet the 21 December, 1960, registration deadline.

Support Castro For Model UN

The Cuban delegation denouncing "Yankee imperialism" at the UN is worthy of news. It is when Albany State is crying these words and assuming the guise of Fidel Castro's revolutionary government. This was the scene March 24-26, at the 1961 Mid-Atlantic Model General Assembly in New York City.

This conference is an annual activity of the Collegiate Council for the United Nations. It is attended by delegates from more than fifty colleges and universities in the mid-Atlantic area. Each school assumes the role of one member nation. The purpose of the conference is to create a model of the UN General Assembly and its six committees, with each college representing a particular country.

Many delegations received briefings on Friday afternoon from a representative of their assigned nation's mission to the UN. Due to the sudden death of the Cuban ambassador to the UN, however, the Albany State delegation was unable to meet with a representative.

Naturally, we feel that such a position is not only an honor, but indicates the regard that the members of this committee have for your ability in such a role.

It is hoped that you will be able to accept this responsible position, and a post card is enclosed for your use in notifying this office of your decision. We kindly ask that you return the card at your earliest convenience. Thank you.

Enclosed please find a brief statement on the duties of your position, a brochure which states the schedule of events and agenda items, and the bibliography. We think that these materials will serve you in your preparation.

Realizing that it would benefit us all to meet together and discuss our roles, you are invited to join a dinner meeting on Friday evening at 5:15. The dinner will be held at Ferdi's Restaurant, across the street from the United Nations, 765 United Nations Plaza. The importance of this meeting cannot be over stressed and we urge you to make every effort to attend.

I look forward to meeting you at the dinner meeting, if not before.

Most sincerely,
