The Institute of International Education has recently announced the list of fellowships and scholarships for study abroad under its auspices during 1950-51, according to Dr. Edward P. Shaw, Professor of French.

The awards will include fellowships for graduate study in Switzerland, Italian Government Fellowships, French Government Fellowships and Assistantships, Netherlands Government Fellowships, selected scholarships for study in Great Britain, particularly during the summer of 1950, and awards covering round-trip transportation to Latin America, offered by Pan American World Airways System.

Dr. Shaw states that these grants are in no way connected with those offered under the Fulbright Act. Most of the awards are for graduate students or those who expect to receive a degree in June.

Anyone desirous of further details should contact Dr. Shaw, in Room 12, Richardson, at once, since the closing date for the filing of completed applications is, in most cases, March 1.

### Capital Campus

The first world premier and an event of great theatrical importance in Albany, is the presentation of a new play, "Congressional Baby," by Eileen Tighe, at the Playhouse, opening Tuesday, February 28 for two weeks prior to its Broadway opening. The play will be produced by Malcolm Aiterbury and directed by Eddie Dowling.

One of the leading roles will be played by the distinguished young actress, Nina Poch, star of stage and screen. The male lead will be played by Neil Fitzgerald, whose stage appearances have included "Without Love" and "Ten Little Indians."

There will be no change in prices for this attraction, so why not take advantage of the special student rates?

Now for some listening news. Capital Campus, a Radio Council sponsored program heard every Wednesday at 10:15 p.m. on station WROW, will feature the Language Department on their next program. Sound boring? Far from it. The script-writers, Joseph Persico, Norman Sandberg, and Harold Smith promise us something different in the realm of languages.

### Rivalry Again . . .

(Continued from Page 2, Column 2) here, or a sports event there, will not solve the problem. It has thus far.

Regardless of what is done, however, I still think that the less complaining that the Sophomores and the freshmen do (this year or any year) and the more action that they take on any constructive criticisms will net some profitable results. If you're too busy to work on the problem then forget about it. But it would be a good idea for everyone to quit doing a lot of aimless complaining about it.

### Magazine Features Short Story Contest

### Faculty Footnotes

Open houses are a tradition with the group houses on campus but last week two mysterious persons took the initiative to visit Psi Gamma and Sayles Annex, strictly unofficially. However, the visitor to Sayles Annex fared better than the one at Psi Gamma since he did not meet any opposition. The boys were acquiring their education at the time and since they have blind faith in humanity the front door is never locked. When inventory was taken after the robbery, a cameo ring, valued at \$70, an electric clock, and \$17 in cash were among the missing. The intruder also tried his hand at safe-cracking (on a very small scale of course) and removed \$10 from a locked cedar box after totally demolishing the lock.

At Psi Gamma the intruder met Mary Calandra '50, and made off with \$8 before her screams drove him away.

### '50 Formulates Plans For Ball, Graduation

A Senior Class meeting was held yesterday, according to Herbert Ginsberg, Vice-President, who acted as chairman. The discussion included arrangements for the Senior Ball and plans to move the graduation exercises from Page Hall to another building, which could accommodate a greater number of guests. This year, as in former years, the outgoing class is making an effort to enable themselves to invite more than two persons to the graduation. Harold Vaughn has been appointed chairman of this project.

Due to the graduation of William Lyons, the Class of '50 must elect a new president to fill the position. Today nominations will be called for in assembly. The campaign speeches are scheduled to be given in the next assembly, and the following week, the class will go to a vote, according to Ginsberg.

A limited supply of Freshman Handbooks is available to second semester freshmen and transfer students.

Any students wishing to obtain one of these books may do so in the office of the Dean of Women, according to Evelyn Wolfe '51, Editor.

Delhi Aggies Swamp Junior Varsity; Koch Nets 42; Varsity Meets Scobie Tops Victory With 30 Points Paces Myskania Oneonta State To League Lead

After a three week lay off the Junior Varsity basketball team traveled to Delhi Wednesday to tackle the Delhi Aggies.

The Aggies were sparked by Paul Scobie who scored 18 of his 30 points in the first quarter. Scobie hit on an extremely high percentage of his shots and undoubtedly had a "hot" hand.

The scoring started after 31 seconds of play when Widanika fouled Art Goldin and Goldin made the free shot. However Scobie gave the lead to Delhi ten seconds later on a hook shot and except for a moment in the second quarter, the Aggies weren't pressed too hard.

The Chi Sigma Theta and Sayles Hall girls clashed on the basketball court Saturday and played a game of 15-6 respectively.

Myskania crushed Emag Moor with a score of 56-22. Audrey Koch led the former team with 20 points and Dee Webber sank 18. Nevelzer playing for Emag Moor had 10 points to her credit.

The final score was 78-58 with Scobie taking all honors as the game's outstanding player. Burns' 12 was tops for State. Owen and Goldin each hit for 11.

Tonight the Oneonta "Red Dragons" invade Page Hall for a return engagement. Oneonta won the first game, 62-54, but they had to come from behind to do it.

The "Red Dragons" are the only undefeated college basketball team in New York State. They boast a 15-0 record. The team's offensive average has been over 72 points a game; the high score was 116 points against Genesee last Friday.

Coach Hal Chase's team has already accepted a bid to play in the first annual Optimist Club Basketball tourney at Utica on the 8th and 9th of March.

State Averages Willimantic Loss; New Haven Downs State, 52-38

Saturday night State avenged an early season loss to Willimantic by a one-point margin. The "Peds" squeezed through a 47-46 victory which was a turning of the tables; their first contest of the year going to Willimantic, 71-70.

State blew a half-time lead of 19-6 in New Haven led 36-33 at the third quarter horn. New Haven's defense was tightened in the final quarter and State was able to garner only one hoop.

With the score tied at 45-45 the home team put in a foul shot to take the lead and possession of the ball. The Peds grabbed the ball and headed for their hoop.

In the last twenty seconds Warden took a shot; a Willimantic player tapped the net; and the ref gave State two points, giving the lead over to State: 47-46.

Bowlers Drop Siena Finale; Lose 2nd Place

McDonald's 196-559 Paces State's Squad, Schott Hits Siena 216

In their final meeting of the season, Siena eliminated the State Varsity bowling team as a possible contender for first place in the Intercollegiate league.

The Statesmen provided plenty of competition, but an onrush of strikes by the Siena keepers in the latter frames of each game sewed up the three-game set for the Indians.

It was no poor bowling that defeated the Statesmen, but streaks of red-hot Indian fire. Don McDonald racked up a beautiful total of 559 for his three-game effort including such games as 196, 177 and 196.

For first place, as they dropped two games to the lowly Pharmacists. This defeat may prove costly to the pennant hopes of the Engineers.

Law forfeited their match with ABC; in fact, Law has withdrawn from the league for the remainder of the season. This move automatically cancelled all of their postponed matches and their three remaining matches of the schedule.

WAA Bowling Lead As intramural bowling continues its league play, Gamma Kappa Phi still retains its first place position.

In the games which took place before exams, Psi Gamma took two from Newman with scores of 672-608, 494-410. The first of the two games was an exciting race up to the last two frames.

That same afternoon, Newman took a game from Phi Delta, 461-498 and lost the second by a score of 497-359.

Because of the Commuters' forfeit, Kappa Delta also added two games to its win column. Psi Gamma and Western played a relatively close match. Psi Gamma took the first game, the total pins adding to 560-514. Western retaliated with a clearcut win in the second game, 571-497.

Exams are over! Life is back to normal and winter sports have begun again. WAA's program will extend until the Easter vacation. Did you know that WAA has skis that anyone can borrow, or that credit is given for skating? This year we have both snow and ice, and this is a good opportunity to have some fun and earn credit at the same time. All of these hours can be supervised so you can take the skills as far as Canada if you want. Combined with MAA, the Tumbling and Fencing clubs are continuing. What could be a better way to gain agility and poise? Ping-pong and swimming are also continuing. Surely you can find an evening a week to spend on some recreation!

By JANE COOK  
Want some cigarettes? Free cigarettes? Statistics prove that free cigarettes appeal to more people than any other kind. Well, here's your big chance to get some, and with good luck and brains, you can't miss.

First of all, there's the Chesterfield Telephone Quiz Contest. Next Monday night I'm going to pick at random from the Directory five people to call. They will be asked the Chesterfield question of the week, "Who was the only President of the United States, who was a bachelor?" If the first person called answers the question correctly, he will receive two packs of Chesterfields. If he happens to miss it, and the second person called gives the right answer, he will receive four packs. If none of the five people called answers the question correctly, the ten packs will be added to the next week's contest. It's as simple as all that. So if the phone rings on Monday night between 6:45 p. m. and 7:15 p. m., put on your thinking cap. It may be "Chesterfield's Calling."

Seen the little red box with ABC on it down by the Commons? It's for your empty Chesterfield wrappers. No, it's not the latest in waste baskets, it's all part of the Chesterfield "Happy Birthday Contest." Each of twelve weeks has been designated as a month of the year. This week is for all April birthdays, and any student whose birthday falls in April is eligible for this week's contest. Just write your name and address on the back of an empty Chesterfield wrapper and drop it in the box. On Monday at 9:30 a. m. a name will be drawn from the box, and the winner will receive a "Happy Birthday" carton of Chesterfields. The January, February and March contests have been run in the past three weeks, so it's too late for anyone with birthdays then. Incidentally, Bob Donnelly '52, won the January contest, Bill Taylor '53, the February contest, and George Waldbillig '51, March. So let's have everyone saving wrappers, and dropping them in the little red box by the Commons. It may be your week to win!

## English Students Gather For First 'Major' Evening

"She died after the beautiful snow melted, And they buried her under the slush."

So Dr. Shields McIlwaine welcomed a gathering of English faculty and majors Wednesday night in the Lounge, who had waded through to the first of English Evenings.

The address of the evening was given by Dr. Harry W. Hastings, Professor Emeritus of English, who gave his concept of "How One Becomes An English Major." He included anecdotes and a George Ade fable to point out that it is personal experience rather than set courses that determines one's major.

Refreshments were served by the ladies of the faculty.

A student committee to work on more such evenings was formed, consisting of Arline Belkin, Grad, Donald Jalbert '50, Fred Knoerzer '51, and Joan Tatum '52.

## Sororities To Terminate Rushing With Traditional Formal Dinners

### Fair Offers 'Mucho' Food, Coconuts, Trip To Planets

Potter started the festivities with a lovely bunch of coconuts, "Mickey Finns" and "Besame Mucho." Their talents extended to taking in the most money for the night.

The Refreshment situation was capably handled by Beta Zeta's Chinese Tea Garden, The Religious Clubs Booth (who strung all of those peanuts), IGC's Pizza a la Italiana, The Biergarten, and many many other places for similar purposes.

Did you take Pierce Hall's trip to the planets? If so, you probably helped to make their receipts the second highest of the night.

The entertainment, food and novelties removed the whole evening from a "fair" category.

Traditional at State are the Sorority Buffet Suppers and Formal Dinners which will highlight this weekend. According to Margaret Hosking '50, President of Inter-Sorority Council, all Buffet Suppers will be held tonight from 6 to 9 p. m. The Formal Dinners are scheduled for tomorrow from 10:30 p. m., with the exception of that of Chi Sigma Theta, which will be held from 6:30 to 10:30 p. m.

A jail theme, "The Big House," will be featured by Kappa Delta for their Buffet Supper. The Formal Dinner theme will be "Cinderella's Enchanted Evening."

General Co-Chairmen are Margaret Vonada and Barbara Smith, Seniors.

Psi Gamma Offers "Aloha"  
Psi Gamma's theme for their Buffet Supper is "Aloha." Audrey Weller '51, is the General Chairman of the Formal Weekend. General Chairman of the Buffet Supper is Margaret Petersen '51, with Marianne Cioppa '51, the General Chairman of Formal Dinner. The theme for the Formal Dinner will be "The Roaring Twenties."

Chi Sigma's Buffet will center around a "Roman Hotel Scene" under the direction of Ruth Breen '51. Their Formal Dinner will be held at the Ten Eyck Hotel. A night club theme will prevail.

If a man is to receive bids he was notified yesterday through student mail. This bid must be picked up this morning in the auditorium between the hours of 9 a. m. and 12:35 p. m. Bids must be returned Monday between the same hours to the table in the auditorium, where representatives of each of the fraternities will be located. Failure to pick up or return a bid excludes a man from joining a fraternity until next semester.

Previously, freshmen were bid over Thanksgiving recess but this system proved inadequate. By extending the rush period until the last week in February, the freshmen have a much better chance to become acquainted with the upperclassmen and the various fraternities. Men entering school in February are eligible to receive bids in November of the same year, but are ineligible until they have been on campus the required one semester.

Co-Chairmen of Phi Delta's Formal Weekend are Joan Whitcraft and Marilyn Allen, Juniors. The "Old West" theme will highlight (Continued on Page 4, Column 1)

Inter-Fraternity Council will issue bids today to eligible men, according to James Warden '51, President of Inter-Fraternity Council. All non-fraternity men who have attended State for at least one semester are eligible to receive bids from the four fraternities.

## Confetti, Bubbles, Music, Queen To Grace Junior Mardi Gras

By VIRGINIA ADAMS  
Don't get excited—this is not a masquerade ball, though the annual Mardi Gras in New Orleans does feature masquerade. They also promise that seven people will not be killed and two hundred people will not be injured.

Masks—dancing ladies—confetti—balloons throughout the halls depict the gala pageantry for the Mardi Gras dance Friday, March 3, which is the highlight of Junior Weekend. That bubblermaker over the Commons door (through the courtesy of Eve Wolfe and her committee) with his cascade of rainbow colored bubbles is reminding you to—Come! Come!
