## COOREH．TE W ITH TE．．CHMTS

Is it necessary for you to compete with the noise of the drills while you are in class？is you have probably fourd out it is very hard to concentrate on your subjects．Why not co－operate with the tuacher and keep quiet at least while the outsiac racket is going on？ This noise will be going on for months． If you learn to lgnore it now，it will． be much easier for you to pass when the tests come around．

At present，it is a little dif－ ficult to put jour mind on your worix， but your attention will be required be－ fore anythins may be eccomplished．

This is important whether you think so or not．If you care to pass this month，next month，or perhaps this year， you had hettor calm down．

## FRIENDIY RIVGLRY

Theta Nu and Adelphoi are more im－ portant in school activities then they have been for yearso Last Saturday night their friendly rivalry wes e most importm ant item of ixtserest in Gym night．

By the way，Gym nitht was pretty swell this year，wasnit its Weid inke to see the girls and boys combine to stage a real succuss like this every year．The gread march was a very impres－ sive and pleasing start for the evening and the Theta Nursdelphoi game left evm eryone with an excited and keyed－up feel－ 1ng．

Theta Nu＇s swimming meet is a step in the right direction all the boys in the school are invited to participate in this meet．The wabery gut－together ought to promote a more friendly spirit among： the boys．It should also pave the wey to more rivalries of this kind．

The students aro heady to help you put verious affuirs like this over，boyso It would holp both your societies and your school if you would try to keep something of this kind in progress often．

## LUST CELIL

Tomorrow night，students，is the last call of the basketball season。 It＇s our last game，and what a game itill beo It？s with Phillip Schuyler which has defeated us once before this season．This time we hope to teke them．

Perhaps our team hesn＇t done so well this year compared to other years． However，wait till you can compare next year＇s team with this yeer＇s．with this yearis experience and practice we should be able to＂trim＂anyone。 The team this yeer，if it hed not lost four gemes by one point would be doing better than breaking even。

Even though the teem hes had hard luck with its opponents，it eertainly hasn＇t with you MInites，You＇ve been fuithful from start to finish and don＇t think you＇re not cppreoiateds you erad She boys heed your presence，and the cheerleaders are thrakful for $1 t$ ．

So here ${ }^{2}$ s three cheers for the faithful Miluites，and wo｀ll soo you tomosrow eveningo

Len: "I don't knowo I lit it ell right a minute ago."

Strange motorist: "Is it very far to the next towno" Emory Bo: Well, it seems further then it is, but it cin't.

The quill scribbles out:
"Egad, is that trein behind time?" "No, ites behind the engine, sir."

The Hoot बwl hoots out with:

JUNIORS BEAT SENIORS 11-7
IN ANNUAL BASKET BALL GANE
Last Saturday evening at the annual gym Night the Senior Girl's team played the Junior girl's team for the basketball hampionship cup. It was a fast , exiting amo, the score being $4-2$ at the end of he first half, in fevor of the juniors. in the second half the game speeded up and onded with a score of ll-7 in faver of the Juniorse Elizabeth Simmons was the high scorore for the Juniors with 9 points and Barbera snox for the seniors with 4 pnints.

[^0]THE COMIENTATOR
Milne certainly saw some swell basm ket ball last week-end with the Ravena game Friday night and the Theta Nu-Adelpho1 game Saturday.

All these weoks I've been talking about M5lne losing the last half of every gane, and then last Friday we loct the first half and won the second. Mine's triumpi over Revena 1915. was incised a surprise. It started out with Milne looking like five year olds and Ravena like a college team. Old lady Juck changed however, when coach Ryen sent the Junior Varsity zack up to the lockers to put their suits on. The Varsity must have been afraid that the $J_{0} V_{0}$ 's wo ld come in and win the gume because they started in to play like wildmen in the last quarter.

By far the better game was the Theta Nu - Adelphoi first annual basket bull game. Theta Nu in blue end white flashed out with a quick leud and held it ull the way through. Adelphoi was close behind tying the score twice, until the last few minutes when Thete Nu sunk another shot making it $a$ total of $22-18$. Bob Taft was high scorer for Theta Nu. with 11 points, and Sipperley was high scorer for Adelphoi with 11 points.

The frame showed real sportsmanship and it w.ss a credit to both societies, und to millne. It is the kind of rivelry that builds charicter nd good will toward your fellow classmen.

Theta Nu will receive a silver trophy to be presented on society day.
