

and means for an increase of the regular appropriation to \$20,000, and a special appropriation for a reference library.

The committee then adjourned.

February, 12th, 1883.

The Executive Committee of the Normal School met at 10 A.M. in the office of the President. Present: Supt. Gurnow, Dr. Mosher, Mr. Murray, Mr. McKewen and Mr. Draper.

✓ Mr. Frank Wright, architect, and  
 ✓ Mr. J. E. Jones, plumber, were present by request for the purpose of explaining the necessary repairs in the buildings and drains. Mr. Wright made a report in writing which was received and orders to be placed on file.

It was ordered that repairs be at once made in the drain connecting with the adjoining Cooper house on State Street, under

the supervision of the Architect.

The committee then adjourned to meet on the care of the chairman for further consultation on the condition of the building.

February 26th, 1883

The Executive Committee of the Normal School met at 71 Hawk St. at 8:30 P.M. Present: Dr. Mosher, Mr. Murray and Mr. Draper. Dr. Mosher presided.

President Waterbury was present by invitation. The subject of the repairs required for the building and the wants of the school were discussed. On motion, Mr. Draper in behalf of the Committee was authorized to lay before the Committee on Ways and Means the wants of the school and ask first for \$2,000 for repairs <sup>or</sup> and \$3,500 for a reference library; also ask for the appointment of a special committee to examine the
