GYM EXHIBITION WELL ATTENDED

Held This Year in State Armory

The Gym Exhibition given last Saturday evening in the State Armory was a success in every sense of the word. Great credit is due to Mr. Maroney, Miss Bennett and Miss Card, who have had charge of the P. E. department this year. The program began with marching tactics by the Sophomores and Freshmen. The next number was a wand and dumb-bell drill. This drill was made very effective by arranging the dumb-bells and wands in alternate rows. Two folk dances, "Varsauvienne," and "7 Jumps," by the Freshmen and Sophomores were well received. An Indian club drill followed the dances. Perhaps the most enjoyable event on the program was the military tactics by sixteen girls. Jesse Darling, '21, acted as top sergeant, and Ellen Donohue, '20, and Nellie Parkhurst, '21, were corporals. The girls showed quick response to the commands, and their march was highly commendable.

Following this was an athletic Larn dance by the Sophomores. The next number was apparatus work. The work done on the parallel bars by the women and on the long horse by the men showed evidences of much practice. Aesthetic dancing by the Juniors followed. The Juniors executed two dances, "The Colors" and a "Mazurka," very gracefully. The last number on the program, judging from the attitude of the audience, was the most appreciated. The first part of this number was a messenger snake relay race between Frosh and Soph women. The class of '21 was victorious. The obstacle relay, in which the men participated, was especially funny.

The instructors of the P. E. department are to be congratulated upon the work done by the different classes. The co-operation of both students and instructors made the carefully planned program go off without a hitch.

TALK ON LAND ARMY

Mrs. Gavit Will Speak in Assembly

At Student Assembly to-morrow morning, Mrs. Joseph Gavit of National Headquarters, will give a short talk on the "Women's Land Army." This ought to prove to be a topic of interest to the women of State College because so many were engaged in Land Army work last year.

DR. BRUBACHER TO SPEAK

Dr. Brubacher will make the annual address next Wednesday at the Skidmore School of Art, Saratoga Springs. His speech will be on "Woman's Interests."

INTERSORORITY BALL HELD AT THE TEN EYCK

LIEUT. IRVING GOEWAY VISITS COLLEGE

Recently Returned from Italy

Lieutenant Irving Goewey, of the class of eighteen, visited College Monday morning. Lieutenant Goewey has returned from active service on the Italian front, where he officered the U. S. infantrymen along the Piave.

At College three years ago he was the popular "Irv" Goewey. His class spirit was of the highest variety, and he carried his loyalty with him into varsity work. He was a half-back on his class football team; was a trackman, a hockey man, a sphere tosser in the national game. As a basketball worker he was the best man State had in his time, considering the number of field baskets he tossed. While he played in the circle when necessary, the rooters saw him most frequently as forward. At the close of the season "Irv" was

SPRING CONCERT

On Wednesday evening, May 7, a concert was given in the College auditorium by the class in music, under the supervision of Professor Belding. The following program was rendered: Quartette, Misses Keller, Waterhouse, Dr. Thompson and Professor Douglass; group songs, ladies' chorus; vocal solo, Miss Mary Whish; quartette, Misses Keller, Waterhouse, Dr. Thompson and Professor Douglass. The last number was a cycle of old Scottish melodies sung by Miss Keller, Miss Waterhouse, Dr. Thompson and Professor Kirtland.

CONSUMERS' LEAGUE PARTY

To Be Given in the Gym

Have you noticed the clever poster on the bulletin board in the upper hall announcing a Costume Party to be given by the Consumers' League? The poster itself is enough to induce the most staid member of the league to dress up in some fancy costume, and spend a delightful evening. The poster says the party is to be to-morrow night, May 9, from eight until eleven o'clock, in the College gym.

STUDENT ASSEMBLY

Professor Chiera Discusses Italian Question

We have been very fortunate of late in hearing representatives of different countries give us their views of the questions which are interesting the whole world. The week before last it was a Frenchman, Felix Bertaux, who spoke on "Civics and Morals of France." Last Friday Professor Edward Chiera, a representative of Italy, from the University of Pennsylvania, spoke about Italy's receiving Fiume.

He brought out the fact that Fiume is absolutely Italian and has remained so during the war, despite the fact that all the villages around it are Slovak. The question is, "Shall they give the truly Italian part of Fiume to the others because the surrounding villages are Slovak, or shall it remain Italian?" He gave the history of the city to the present day, the history of its people, and the surrounding villages in contrast.

He tried to show that Italy is not the sordid nation which she is accused of being. To show that this question of Fiume is one of intense study, he said:

"You are an idealistic people, and yet President Wilson himself says that he will starve the Italians. Is this in accordance with your principles? Is it money or death?"

"This question of Fiume will be narrowed down to President Wilson's decision. If we are to have a League of Nations, let it be a strong union. Let us get hold of Fiume. We want it for the same reason that your President says we shouldn't have it! Please look at the League in another light. Is it fair?"

"Italy has sacrificed herself in the Great War, and she is just as ready to sacrifice more for her principles of liberty."

NOTICE!

If anyone has a copy of Vol. III, No. 2, of the "News" will he please bring it to the office, as that is the only number needed to complete the file to be bound.

FIRST DRAMATIC ART ASSOCIATION CONCERT

Miss Futterer Reads "Pygmalion"

On Tuesday evening, May 6th, the Dramatics and Art Association presented Miss Agnes Futterer in George Bernard Shaw's "Pygmalion."

In presenting the play as a reading, Miss Futterer was given many opportunities to demonstrate her versatility. The several characters assumed during the five acts were at each appearance vivid and real.

The play which is a satire on the social life of the rich upper class in England, gives rise to many humorous situations. Prof. Henry Higgins and Eliza Doolittle, the product of his creation, are the two characters about which the entire play is built.

The Association is very enthusiastic over this, the first of their series of presentations, and State College is assured of many excellent programs in the coming year.

EDITORIALS

THE OLD AND THE NEW

With this issue of the "State College News" the new Board of Editors takes office for the remainder of the year, and for the year 1919-20. The publication of the big issue will close the term of office of the outgoing senior board.

The Seniors who are leaving behind the work of the "News" to the newly-elected Juniors, wish to thank the student body for the hearty support and assistance given to us during the year. We have tried to make the "News" worthy of our great college, and if our efforts have succeeded, it is because the student body has stood by us.

In addition, we wish to bespeak the same spirit of cooperation for the new board of editors. Through constant and excellent labor throughout the year these people have won their new position on the board. Strict records have been kept, and positions were awarded according to merit. The College is indeed fortunate to have in charge of its student publication such loyal and splendidly equipped people. The College must and will support the new board.

Welcome, New Board! Success to you! Student Body, we say again "Thank you" then adios!

The '19 Members of the Board of Editors.

A THOUGHT

"Isn't it a grand and glorious feeling?" We're almost there, all of us. Frosh won't be so verdant, Sophs will have attained the right to be called upperclassmen, Juniors will be grand old Seniors doing practice teaching, and the class of 1919 will have become history. Isn't it tragic, in a way? The assumption of new responsibilities, the divinity of heretofore hidden secrets, the achievement of supposedly impossible problems—all these coming to pass in just a few weeks. Things have fairly flown along this year; perhaps, on account of the first semester, perhaps, on account of world affairs of huge dimensions which are rushing along with such strides, or maybe our appreciation of every-

day occurrences has increased its velocity.

Soon it will be Moving-Up Day, then finals, then Commencement, a brief respite, and we return to our chosen labors again; to the making of new friends, we hope. We shall miss 1919 and the faculty members who are not to return. To them we shall extend all good wishes for the best of success, and to those who are entering we shall tender a hearty welcome. Thus we meet, forget, and renew friendships as we pass along life's highway.

SENIOR BALL

The biggest event of this big year will undoubtedly be the Senior Ball to be held June 16th in the State Armory. It is not to be formal. Elaborate decorations are being planned. Thirty pieces of music will constitute the orchestra and bids are to be only \$3.50!

This is the first time a class affair has been held outside of college, and unless it is a big success in every way it will be the last. Therefore every State College student, graduate or undergraduate, is bound by all ties of loyalty to his Alma Mater to sign up. (There are to be fifteen boxes for the faculty and the different college organizations.) If this affair is a distinct success it is very probable that all big dances in the future will be held outside of college.

MUSIC CLUB

An important business meeting of the Music Club will be held on Monday, May 12, at four o'clock, in the auditorium. All members are requested to be present, as there will be election of officers for next year.

SPANISH CLUB

At the meeting on Wednesday, May 7, the principal feature was a talk by Adalene Hall, '20, on "Modern Spanish Novelists," which topic, by the way, is not as "dry" as it sounds. It was pointed out that Spanish literature is flourishing to-day in the hands of a number of skillful writers—deep thinkers, all—who are earnestly striving to free Spain from the intellectual and social stagnation into which she has declined. The three leading novelists—Galdos, Valdés and Ibáñez—were treated in turn, and an attempt was made to give something of the spirit of their work.

During the business meeting nominations were made for next year's officers. Elections will take place on May 21. Think hard in the meantime, and be all ready to vote at the next meeting!

MATHEMATICS CLUB

At a meeting of the club yesterday afternoon papers were presented on the lives of Sir Isaac Newton, Leibnitz and Napier, by Lillian Smith, '19, Isabel Wolfanger, '19, and Helen Teuscher, '19. Nominations for officers for 1919-20 also took place.

MISS MARCUS GIVES INFORMAL TALK

Speaks About Russian Schools

The English 20 class which meets at 12:15 on Tuesday and Thursday, had the pleasure of lis-

tening to a short, informal talk on Russian schools last Thursday by Miss Mary A. Marcus. Miss Marcus is a Russian, and she has been in this country five and a-half years. Considering this brief time, Miss Marcus speaks English very well. At present she is observing in State College English classes for the purpose of perfecting her English. Miss Marcus, who is planning to enter the Johns Hopkins Memorial Hospital to study medicine, has been doing war work in the medical corps.

KAPPA DELTA RHO

Kappa Delta Rho started to "come back" Saturday evening, April the twenty-sixth. The members who remained at State or have returned from service have been working steadily for the future success of the fraternity. The Annual Banquet, a pre-war custom, was held Saturday evening in the College cafeteria. Twenty-three cleverly worded cards notified twenty-three hungry KDR where they might find the tools of war—and eat. One faculty member was present, Dr. Hastings.

W. Earle Sutherland, president of '19, acted as toastmaster, and called upon Dr. Hastings for an impromptu toast. Brother "Bobby" Burns, longest time brother of Gamma present, was called upon and responded with "The Past"; the younger men were carried back to the old days of O'Connell, Cooper and Hohaus. "Ed" Springmann, '20, brought their thoughts back to "The Present," and pointed out our success, our failings and our work. "Marty" Barry, '21, called all in his Irish imagination to picture the days to come when the rest of us will be out, and the men to follow will talk of the days of Sutherland, Burns and the Townsend boys. Bill Doyle then entertained the fellows with an account of his overseas experiences. George Gordon, '18, is recovering from a serious illness in a Red Cross hospital in France. George expects to be back in the United States very soon.

Dewitt Townsend is rapidly nearing the end of his course of training for an officer of the Marine Corps. In his last letter he promised to come up to State as soon as he gets permission to wear leather leggings.

"Bob" Elliott spent Easter vacation with Paul Manville at the latter's home in North Tonawanda. While there they visited Lieut. Woodward (of the State S. A. T. C.), whose home is in Lockport.

Donald Tower, '19, Kenneth Holben, '20, and Jack Carson, U. S. N., spent several days with Ed. Springmann during the vacation. "Dick" O'Brien was also a guest.

Ensign Cassius J. Logan, '19, "Cash" of the old days, spent several hours at College Friday morning.

"Bobby" Burns spent part of Easter week with Larry McMahon, at his home in Utica.

Private "Bill" Doyle is home from a long period of overseas service. He is more fortunate in this respect than his brother, Walter, who is still in service overseas.

Manville, '19, Sutherland, '19, and Baker, '21, have entered upon a mild form of training leading to intensified system. Two are preparing to try positions as representatives at the Eastern Intercollegiate Athletic Association meet, to be held this spring at Springfield, Mass.

The National Convention of Kap-

pa Delta Rho will soon be held at Delta's Chapter house at Colgate. The convention will extend for several days and will be a very important one. It is the first held since the declaration of war, all chapters being cut down to five or ten members during the war period. It will be attended by members from Alpha, Beta, Gamma and Delta.

Jack Carson, '20, of Brooklyn Navy Yard, was in town over the week-end to attend the Inter-Sorority Ball.

New officers for next year assumed their places at the last meeting.

Gerald Curtin, '19, and Van Lobdell, '20, will be Gamma's delegates to the National Convention, held at Delta Chapter, Colgate University, May 8-9.

Ensign C. J. Logan, ex-'19, returned to duty last Sunday morning.

HOME ECONOMICS

The Home Economics Department held a party in the gym Friday evening, April 25th. Each class gave original stunts following a "stunt" by the faculty, which was uproariously received and voted the best of all. Although the Junior stunt resembled it in character, the substance was entirely different, thereby not detracting from either. As guests of honor were Miss Pierce, Mrs. Robert De Forest, Mrs. Kimble, Mrs. Keesor and Miss Frear.

Mrs. Peterson, with Madalena Andrae and Jane Schmitzler, made a very interesting trip to New York during Easter holidays, to study salesmanship, alteration and designing in the large department stores of the city. They also visited clothing design shops. Several trades were found for girls who had had special clothing training in a college.

Dorothy Bachelor and Harriet Church have been elected to teach foods and clothing in Middletown, N. Y.

Fannie Plusch has secured a position to teach clothing in Ridgefield Park, N. J.

Several alumnae have recently visited College. Miss Amy Rextrew, teaching at Glens Falls; Miss Helen Endres, teaching at Bremsstead School, Bolton Landing, Lake George; Miss Lillian Bussy, teaching at East Syracuse; Miss Marion Bailly, teaching in Waterford; Miss Agnes Moore, teaching at Geneseo Normal, have been among the guests.

Miss Wilson's sister, Mrs. Robt. De Forest, of Bridgeport, Conn., spent a few days in Albany last week.

Omicron Nu has received announcement of the marriage of Miss Dorothy McCabe of Greenville, N. Y., to Mr. Anson Wright Gibson.

In the "Extension Service News" was an article concerning the work of Miss Louise Golberg, '18, at Syracuse, N. Y. Miss Golberg is engaged in home demonstration work, and her duties include being foster mother to Mary St. Anrelo, an Italian girl of seventeen years, who is trying to carry out her mother's dying wish to keep the family together. There are ten children and a father who is in very ill health. Thru home demonstrations Mary has learned to use commercial patterns and the cooking of simple nourishing foods. There are many opportunities for such work in the home demonstration field.

Benlah Hunt is going to teach homemaking in the Millbrook Me-

morial High school next year. This summer she is going to act as advisor for the Girl Scouts at Lower Twin Lake, Central Valley.

A meeting of Newman Club was held Monday. The business was the nomination of officers. A list of the candidates will be posted on the bulletin board during the week, and the election will take place in the rotunda Friday. Don't forget to vote!

After nominations, Father Dunne gave a very interesting lecture on "Spiritism." He presented the historical background of the movement, starting with the Babylonians and tracing the course to the Spiritism of to-day. He stated the attitude of the Catholic church on the subject, and showed how consistent its stand has been.

HOW ABOUT A FRESHMAN SING?

Since College is so near over and Moving-Up Day is coming so soon, it will be only a short time that we are still Freshmen. Don't you think we should get together and have a good sing? It is an established fact that we are all excellent singers and don't need any practise at all to be able to drown out the entire College, but it would be rather pleasant to meet and have a good time singing.

The Juniors and Sophomores have both had their sings and we can't fall far out of the right path if we follow closely in their footsteps as all good children should. '22.

He is speedy, cool, and clean. With Goewey in his old shoes and State jersey, we can hope for a better our growing reputation in collegiate circles.

MILDRED McEWAN BELIEVED DROWNED
Popular 1918 Girl Thought To Be Victim of Accident

State College was shocked Monday to hear that Miss Mildred Lippert McEwan is believed to be drowned. Up to the time of going to press no news of the finding of bodies leads authorities to think that Miss McEwan is drowned. Accompanied by a young lieutenant, Miss McEwan started on a canoe trip up Otsego Lake last Saturday. Late that afternoon an overturned canoe, later identified as her own, was found drifting on the lake. Subsequent investigation located the place where the two young people had landed and started to prepare lunch. It is believed that aeroplane manoeuvres over the lake induced Miss McEwan and her companion to paddle out on the lake in order better to watch the aeroplanes, and that the canoe overturned. Although Miss McEwan was a good swimmer, the cold water doubtless crippled her attempts to save herself. Miss McEwan will be remembered by all upperclassmen as "Billie." She was graduated last June and during her four years here was considered extremely brilliant and popular. She was one of the founders of the "State College News," and one of its Senior editors last year.

SMILES

Before the Battle, Mother
It was just before the big battle, and the general was making a speech to his men.
"Comrades," he said, "will you fight or will you run?"
"We will," they fiercely answered.
"You will what?" asked the general.
"We will not," was the answering roar.
"I knew you would," replied the general, calmly.

"Your work will be to clean my boots, buttons, belt, and so forth, shave me, see to my horse, which you must groom thoroughly, and clean the equipment. After that you go to your hut, help to serve the breakfast, and after breakfast lend a hand washing up. At eight o'clock you go on parade and drill till twelve o'clock."
"Excuse me, sir," broke in the recruit, "is there anyone else in the army besides me?"
