the formalities of the receiving line had been gone through.

An informal "welcome" talk was given the Freshmen by Miss Caroline Lipes, President of the Y. W. C. A. After this all gathered near the stairs for a sing, the Freshmen giving a fine new song as a beginning. The sing was admirably led by Miss Elizabeth Archibald whose enthusiasan carried everyone with her, even those ried everyone with her, even those who professed to have no singing abilities

STUDENT ASSEMBLY

Student Assembly last Friday morning was in charge of Myskania. After the "Alma Mater" was sung, Miss Waterhouse announced that Captain Fred Swindlehurst of the Canadian Army will speak at Student Assembly Friday morning of this week. Miss Waterhouse informed us, with much enthusiasm, that "Capt. Swindlehurst has been gassed and ought to be a very interesting speaker!" (If" gassing" has that effect on people, we hope that all our speakers of the future will be "gassed.")

gassed.")
Following this enlightening bit of Following this enlightening bit of news, a speaker, familiar to us all and one of the strongest backers for State College athletics, was introduced. Prof. Risley began his short, snappy speech by displaying a five dollar bill to his audience. He said, "money talks. Let money do the talking. CAPT. SWINDLEHURST TO SPEAK FRIDAY

At Student Assembly this Friday Captain Fred, Swindlehurst will be the speaker. Capt. Swindlehurst is a native Canadian, but was before his enlistment, a clergyman at Palenville, just below Albany. He was in the treuches two years, and was gassed during the July offensive just before the taking of Bapaume. He was sent home for recuperation. His headquarters at present are at Palenville. He will speak on his experiences "over there," and will give a few hints as to what the money we are investto what the money we are invest-ing in the Fourth Liberty Loan will be used for.

CHEMISTRY CLUB

For the information and benefit of science students, there follows a brief account of the Chemistry Club—its aim and rules.

Chemistry Club was organized in December, 1912, and has the distinction of being the third oldest club in College, being preceded by Promethean, which is the oldest, and by College Club with a few days margin. It began with twenty charter members and has incharter members and has in-

creased to an approximate average of fifty members a year.

The present requirements for membership are the attainment of passing grade in one course in chemistry and a sufficient interest manifested by the student for con-tinuance in a more advanced course. Students taking chemistry 1 and

Students taking chemistry 1 and who desire to become eligible for membership, may do so by presenting original papers before the club. Initiation of new members is held at the beginning of the college year and is usually followed by a dance or social evening.

Meetings are held every other

Meetings are held every other week throughout the college year. The program includes a paper given by some member followed by an open discussion. At

Lyra Waterhouse Acting Senior President

W. E. Sutherland to Remain in Office as Honorary President

At a meeting of the Senior Class, held on Thursday of last week for the purpose of nominating a Senior President, it was voted to retain W. Earle Sutherland as honorary president during his absence while in the service of the United States Marine Corps. The constitution provides that a new president shall be elected in case of the resignation or disqualification of the executive officer. Since Mr. Sutherland has neither resigned nor become disqualified, and since his absence is

temporary, depending on the length of the war, the vice-president, Lyra Waterhouse, will become acting

president.

Miss Waterhouse is a young woman of splendid qualities, great ability and tact. She is a leader in social affairs, an active Y. W. C. A. member, has written a numof Myskania and Psi Gamma so-rority, '19 is to be congratulated on having such an able executive officer.
