Student Misery Finds Company

Amid pleasant conversation and precarious balancing of cups, the food was quickly absorbed by the faculty and the students. The cloud of smoke did not interfere with the good fellowship that prevaded the

Faculty, Students Rivalry Debate Will Highlight SA Assembly

"Resolved: that Moscow Mules should be tried for subversive activity" will be the topic under consideration in the rivalry debate today in assembly. The Sophomores will argue against this resolution; the freshmen will argue in favor of it.

In addition to the assembly agenda, Student Council at its meeting Wednesday evening also considered a poll sponsored by Inter-Collegiate Association. The poll concerns the possibility of organizing all the state teachers' colleges into a basketball league.

Sophomores and freshmen will be competing for two rivalry points in the assembly debate. Representing the Sophomores will be Beverly Winer and Marvin Chernoff. Robert Coan, Robert Lundergan, and Betty Miller will represent the freshmen by arguing the positive side of the
