## Will Governor Include Relief of State Employees?

**G**OVERNOR Thomas E. Dewey intends to call a special session of the State Legislature to enact legislation this month for improving waterfront labor conditions in NYC, and possibly other purposes, and should certainly include in the agenda additional funds to finance upward adjustment of State employees' salaries.

The Governor's own advisers have told him that inequities exist in the State salary structure, hence the need for improvement requires no argument.

Jesse B. McFarland, president of the Civil Service Employees Association, in a letter to the Governor, dated April 29, asked for inclusion of additional upward re-allocation funds. The Association is hopefully awaiting a reply. It seeks to have the necessary remedy applied in the present fiscal year.

The board of directors of the Association unanimously backed the project, the Association membership is solidly in favor of it, the Governor's own aides see the need for a remedy, hence the benefit should not be withheld.

Will the Governor lend his powerful support to this deserved end?

## Suit to Free State Workers from Tax Argued in U. S. Court

ALBANY, June 15 — Argument in the case of the Civil Service Employees Association against the Federal Government, in which a court order is sought for refunds from the U. S. for income tax on maintenance furnished to State employees, was argued before Judge Stephen W. Brennan in the U. S. District Court.

The representative claimants are Dr. Oscar K. Diamond, supervising psychiatrist, Willard State Hospital, and Charles and Anna Bruen, housefather and house-mother, State Training School for Boys, Warwick, all three Association members. They contend that as the employees are required by their employer to live on the premises where they work, such residence is for the convenience of the employer, which, under the general rule applying to U. S. income tax, renders such maintenance non-taxable.

### Claimants' Stand Supported

No tax on such maintenance was imposed until an Internal Revenue Bureau ruling in 1948 held that thereafter the tax would be

charged. The excuse given was that maintenance had been made a part of State pay by statute. The plaintiffs declare that the inclusion of maintenance in figuring pay was simply a bookkeeping method of resolving inequities which had arisen in State pay, was a State matter purely, and that Federal law cannot be amended by State law.

J. K. Lasser, in his book on income taxes, has pointed out the contradiction in the Internal Revenue Bureau's stand, in that it taxes maintenance in one case (State employees) and not in others, though both groups work under equal conditions imposed by the employer, and H. J. Bernard stated the same conclusion in his book, "How To Save Money on Your Income Tax."

Lieutenant Governor Frank C. Moore in a letter to the Treasury Department, written when he was State Comptroller, protested the taxation as unjust discrimination.

### Means Money to 5,000

About 5,000 State employees, mostly in the Department of Mental Hygiene, are affected directly, and to date it is estimated that about a million dollars in paid taxes are involved already.

Appearing for the claimants were John T. DeGraff, counsel to the Civil Service Employees Association, and Mortimer M. Kassell, counsel to the State Tax Department. Commissioner Kassell was retained by the Association as special counsel. Fred J. Newland, special assistant to Attorney General Herbert Brownell Jr., appeared for the Federal Government.

The case involves not indirectly a large number, impossible to esti-

mate, of employees in other States. Many rulings have been made by the Treasury Department in relation to employees similarly situated in other States but the present suit is the only test case that is pending, and decision will determine the liabilities of the employees in other States.

Most of the material facts were stipulated by the U. S. Attorney and Commissioner Kassell. Two taxpayers and Mrs. Bruen testified that they were compelled to live on the grounds. Dr. Diamond, testified he lived in a building which otherwise housed male patients and inferentially that he would not have chosen such a place to live, particularly since he is raising two young daughters. Mr. and Mrs. Bruen testified that they were required to live in a cottage with 32 delinquent boys who had been committed by court order, and that they owned their own home in Blooming Grove, 13 miles from Warwick.

Commissioner Kassell pointed out to Judge Brennan that this was a test case and involved all of the civil service employees who were under the Feld-Hamilton Law, and that it was discriminatory to tax the maintenance of such employees while not taxing maintenance furnished to non-State employees.

It was Commissioner Kassell's position that the change which occurred in 1943 in the method of computing the salaries of institutional employees was merely a bookkeeping device. In other words, before the changeover such employees received, say, \$4,000 in cash and maintenance. After the changeover they received \$5,000 less \$1,000 maintenance, leaving the same cash salary of \$4,000.

Judge Brennan reserved decision on the refund suit. If the claimants win, they and fellow-workers would be spared future maintenance tax.

## Dr. Wenzl Re-Elected Capital Conference Head

ALBANY, June 15 — Dr. Theodore C. Wenzl, of the State Education Department, was reelected to his third term as head of the Capital District Conference, CSEA, at a dinner meeting at Crooked Lake.

Reelected also were Mrs. Esther Wenger, of Social Welfare, secretary; and Margaret Mahoney, Public Service Commission, treasurer.

Dr. William Seigal, Health Department, was elected vice chairman.

Guests of honor were CSEA President Jesse B. McFarland, Secretary Charlotte Clapper, and Executive Secretary Joseph Lochner.

Also at the head table were Assemblyman Thomas Brown, of Rensselaer County, and Dr. David

M. Schneider, Social Welfare, former chairman of the Conference.

A nominating committee had proposed a slate of candidates consisting of the incumbents with

at least one opposition name for each office.

Robert Carouthers, John Flaudreau, James Hatch and George Place of the Education Department gave quartet vocals.

## Dr. Howard Honored by Marcy Group

MARCY, June 15 — Dr. John A. Howard, clinical director at Marcy State Hospital, appointed for a one-year term as a State medical examiner, was honored recently at a testimonial in Trinkaus Manor by 212 employees of Marcy and Ulica State Hospitals and Rome State School.

Dr. Howard will serve as an examiner until May 31, 1954 under the appointment by Dr. Newton Bigelow, Commissioner of Mental Hygiene.

A matched set of luggage, a gold wrist watch and band, a pocket secretary wallet and a daily devotional missal were presented Dr. Howard on behalf of the employees.

Charles Methe, chief safety supervisor at Marcy, was toastmaster. Mrs. Gladys Burke and Mrs. Mary Buck were co-chairmen.

Antoinette Schwob, of Psychiatric Institute, NYC, was one of the prize-winners in the second annual art show of the Metropolitan Conference, Civil Service Employees Association. She is receiving her award as she stands before her primitive type oil painting that gained recognition. The show, at Riverside Museum, NYC, ends Friday, June 19.

## Day's Leave Asked as July 4 Make-Good

ALBANY, June 15 — A request that State employees be granted holiday leave of one day, because July 4 falls on a Saturday, was made to the State Civil Service Commission by Jesse B. McFarland, president, Civil Service Employees Association.

A similar request was made in regard to Memorial Day, which also fell on a Saturday, but the requested leave was not granted.

Mr. McFarland pointed out that the present rules provide that State employees shall be granted all legal holidays. When such a holiday falls on a Sunday it is celebrated the next day. As two holidays fall on Saturday this year, the employees' holiday leave would be less by two days, for unless the request is granted, the employees would be spending the holiday on their own time.

When State employees shifted to the five-day week, in general they worked 45 minutes a week longer than previously.

In institutions the work week is from 40 to 48 hours. In private industry holiday leave was granted for May 30, by giving employees the previous day off with pay, and a July 3 day off already has been promised in many instances.

# 1,100 Permanent State Employees Face Loss of Jobs

Industrial Commissioner Edward Corsi, protesting a proposed cut in the Federal appropriation for unemployment insurance systems and employment services, wrote to Senators Herbert H. Lehman and Irving M. Ives and the 43 Representatives from New York State that if the proposal succeeds, 1,100 permanent employees of New York State will lose their jobs.

The Eisenhower Administration requested \$213,600,000. The proposed cut is \$26,300,000.

"If the action finally is allowed to stand," Commissioner Corsi wrote in identical letters, "not only will 1,100 permanent State employees face dismissal but also it will mean tens of millions of dollars in benefits improperly paid and untold millions in taxes uncollected, hundreds of thousands of New York State citizens denied service in their applications for employment, and the virtual elimination of vocational counselling of handicapped persons, including veterans, young people and older workers having difficulty in finding employment at all.

**Charges Strait-Jacketing**  
"Progressive States, such as New York, and other industrial areas are strait-jacketed through program-cutting such as this. Federal action of this kind hampers New York which wants and needs a progressive and efficient employment and unemployment insurance service for its many large industrial areas. When New York receives Federal grants, the use of the money is subject to careful scrutiny and prior approval of the State Budget Director.

"Employers have paid for and expect a first class and efficient service. The administration, industry and labor in this State all

join to demand adequate financing."

An attempt by Representative Jacob Javits (R-N.Y.) to have the fund restored before passage of bill was beaten by a five-vote margin. Senate action may throw the issue back into the House.

## \$10,104 Job Open in Los Angeles

The Los Angeles County Civil Service Commission is looking for some one to fill the job of chief of the recruitment division at \$8,550, \$9,060, \$9,564 or \$10,104. These are the five steps of the pay grade, any one of which may be obtained by the successful candidate, depending on his or her training and experience.

There are 50 departments, 27,000 employees, and 1,400 classes of positions under the jurisdiction of the Commission.

College graduation is required. In addition, applicants must have three years' experience as chief assistant of a central agency serving employees in a population of at least 10,000, or the same experience length as chief of a division of a central agency serving a population of at least 20,000. Graduate study may be substituted for one year of experience.

The last day for receipt of filled-out applications is Friday, July 10.

Apply by air mail, and include air-mail stamped and self-addressed envelope, to Los Angeles County Civil Service Commission, 501 North Main Street, Los Angeles, Calif.

## Social Welfare, Albany

**WALTER HART**, of Troy, senior clerk in the Bureau of Office Administration, was graduated from Siena College with a Bachelor of Arts degree in sociology. Walter deserves much credit, for this accomplishment followed several years of attendance at night classes.

Anne Kilmartin, of the Bureau of Accounting, recently attended the St. Lawrence University commencement exercises. Her nephew, Martin Condon, of Albany, was a member of the graduating class. Commissioner Robert T. Lansdale received an honorary degree of Doctor of Laws at the same commencement.

Dr. Herbert R. Brown, Jr., son of Herbert Brown, director of the Bureau of Vocational Rehabilitation of the Blind, was graduated June 5 from the Albany Medical College with the degree of Doctor of Medicine. June 6 he and Mary Lou Bressler, of Westmere, were married at St. Paul's Episcopal Church, Albany. Dr. and Mrs. Brown are on a trip to Virgin's Beach and they will live in Elmira when they return. Dr. Brown will train at Arnot Ogden Hospital in Elmira. He is a graduate of Milne school and Williams college. Mrs. Brown, a graduate of Bayside High school, has been with the department of audit and control.

Jane Lockwood, daughter of Mrs. Jessie Lockwood, of the Bureau of Vocational Rehabilitation, was graduated from Albany Academy with cum laude honors. She has been accorded a state scholarship and also one to Vassar College.

## Metropolitan Armories

AN EXECUTIVE MEETING was held in the 71st Infantry Armory June 10. Among those present were J. DeLisi, president; F. Gonsalves, vice president; H. Clark, executive secretary; J. Brown, recording secretary; J. Cassidy and J. Broitman.

The date for the next regular

meeting was set for June 18 at the 102nd Medical Regiment, 56 West 66th Street, NYC.

Mr. DeLisi attended the meeting of the Metropolitan Conference and reported on it to the board. He also appointed a delegation to represent the chapter at the annual meeting of the Conference to be held at Jones Beach on June 27. The delegates will be F. Gonsalves, F. Wallace, W. Maher and J. DeLisi.

Committees appointed included legislative, publicity, membership, welfare and entertainment. Committee members will be announced at the June 18 meeting.

It is with the deepest we report the death of Peter A. McConville, superintendent of the 107th Infantry Armory. Mr. McConville was one of our most ardent members. Notices have been mailed to all Armories.

A notice to all non-members has been sent out by the membership committee. The notice states:

"The Armory Employees chapter is trying to obtain for you a standing among the many thousands of State employees. They are striving to make your position more secure, with greater compensation and eventually one highly considered. Ask your delegate to tell you about the low-cost group insurance offered to members of the Association and the many other benefits you will derive. Besides you will have a voice in helping to present your own legislation. All these opportunities are offered to paid-up members.

"At the Conference of Armory Employees dinner, we were honored by the presence of the chief of staff to the Governor, Maj. Gen. Karl F. Hausauer; the Adjutant General of the State of New York, Brig. Gen. William H. Kelly; Maj. Gen. Branden A. Burns, Commander James T. Baldwin, N.Y. Naval Militia, Colonel Charles Stevenson, Col. A. D. Reutershan, Col. N. S. Carey, Maj. J. R. Middlebrookes, and many more with whom you should be well acquainted.

"This is your top echelon; you cannot go any higher, they are the governing body in control of our rules and regulations. And

from their own remarks they are going to exert their efforts in our behalf both through the legislature and by administrative measures to help alleviate our present inhibitions.

"The one drawback to our path of accomplishment is the fact that we are carrying too many non-members on a free ride when every employee should be more than willing to help advance our present status. See your Armory representative now. The sooner we attain 100 per cent membership the sooner we will gain the proper recognition."

## Gratwick

ALL OF THE EMPLOYEES at Roswell Park were saddened by the death of Stanley Warner, assistant cancer biologist at the Experimental Station in Springville. Mr. Warner will be missed for his friendly greetings on his weekly visits to the hospital and for the work he has done in maintaining our experimental animal colony.

Mr. Warner was born in Antrim, N.H., in 1897. In 1920 he was graduated from Brown university and in 1931 received his master's degree at Harvard.

To Mrs. Warner all of us extend our sympathy.

Others to whom we extend sympathy are Dr. Herbert Traenkle, Frances Dubnar, and Mrs. Minerva Brennan, who all mourn the loss of their fathers.

Congratulations are in order to Mr. and Mrs. Joe Krastner on their recent marriage. We wish them all happiness.

Following are the newly elected officers of Gratwick chapter: Augusta M. Speno, president; Alverna Baumler, vice president; Dolores Matiacio, secretary; Ray Boller, treasurer; Mrs. Anna Aungst, delegate; Charlotte Bettinger, alternate.

The departmental representatives and alternates of the chapter are: Housekeeping, M. Harmen and Margaret Smering; Maintenance, F. Minklein and W. Henderson; Research, D. Woernley and B. Kress; Medical Records, M. Janis and V. Hughes; Dietary, E. Baker and M. Murphy; Business Office, G. Romyak and W. Intihar; Physics-Pathology-Chemistry, H. Langerman and H. Glotz; Dispensary, E. McFadden and E. Gentner; Laundry, C. McCauley and C. Bettinger; High Power X-Ray, V. Rozek and S. Dwinski; Nursing-Cary Building, V. Grove and M. Roth; Nursing-Simpson Building, M. Render and H. Gustafson.

## Taxation and Finance, Albany

NEW OFFICERS were elected at a meeting of the Tax chapter, CSEA. They are Bernard Schmahl, president; Leonard F. Requa, Jr., 1st vice president; Mary Master-son, 2nd vice president; Vincent P. Molineaux, 3rd vice president; Libby Hawron, secretary; C. Alexander Hover, treasurer; and Arnold Wise, Florence Winter, Frances X. Maloney, Charles P. Stricos and Harry Kennedy, delegates.

## Rome State School

MRS. CLARA CANFIELD of Rome State School attended the coronation of Queen Elizabeth and will continue her travels on the Continent.

A farewell party was held June 11 for Mrs. Dorothy L. Brown, head of social service. She will spend summers on Cape Cod and winters in Florida. The chapter wishes her the best of luck.

Dr. Margarette Rogler gave

birth to a daughter last week. Mrs. Jane Swarek Kozick had a boy recently. Congratulations.

The employees' club will hold its annual clambake in August, date to be announced. This is the highlight of the club's yearly doings. Plan on being present.

**Romantic Tradition.** Betsy Von Furstenberg, star of stage and TV, enjoys entertaining by candlelight. But she's glad she doesn't have to depend on candles for everyday illumination as New Yorkers did 300 years ago. Today, one 100-watt bulb gives 13 times as much light as Betsy's candles . . . and Con Edison's electricity costs so little that any family can use lots of light.

The Rev. John J. Dougherty, of the Immaculate Seminary, Darlington, N. J. speaks to 200 members of the Dongan Guild at the annual First-Friday-in-June dinner at Whyte's Restaurant, NYC. On the right, the Rev. Bernard J. Fleming, of Cardinal Hayes High School, moderator of the Guild since 1940. Catherine C. Hafele, of the Workmen's Compensation Board, Guild president, is at left.

# Dongan Guild Eligibility Now Is Statewide

The Dongan Guild, whose membership had been restricted to Catholic New York State employees working in the NYC area since the founding in 1939, is now open to all Catholic State employees.

The announcement was made at the annual First-Friday-in-June dinner by President Catherine C. Hafele, Workmen's Compensation Board. The dinner was served at Whyte's Restaurant, NYC.

The Guild fosters high religious, social and ethical ideals and renders aid in spiritual and temporal necessities.

Miss Hafele revealed that the statewide expansion of the Guild is provided for in the revised con-

stitution approved at a special meeting June 1. Any group of 12 or more Catholic employees of the State may apply for a charter.

The constitutional revision committee was headed by William Seidl, State Insurance Fund. The other members were Commissioner James Amadei, Workmen's Compensation Board; Evangeline O'Brien and Patrick J. Ricci, Division of Employment; Daniel Farnam, Social Welfare, and Frances Smith, Banking.

Full information concerning the establishment of a chapter may be obtained from Miss Hafele, 55 Franklin Street, New York 13, N. Y., or from Edith May, secretary, Division of Employment, 1440 Broadway, New York 18,

## 58 Capped As Nurses At Utica

Fifty-eight student nurses received caps and insignias to mark their first step toward becoming registered nurses at candlelight services in Hutchings Hall, Utica State Hospital.

There were 57 young women who received caps and one man who received a chevron. Following the capping, each student lit a taper from a replica of the Florence Nightingale lamp, in the candle lighting ceremony.

Dr. Bascom B. Young, Director of Utica State Hospital presided and Miss Jessie Shea was organist for the processional and recessional.

Dr. Hugh S. Gregory, retired Director of Binghamton State Hospital, was principal speaker. He told the students of the need for resourcefulness in nursing and stressed its humanitarian service. He said a nurse cannot watch the clock for the end of her work but must put personal sacrifice first in her profession.

Miss Marion R. Hazard, R.N., educational supervisor at the Central School of Nursing, gave the introduction to the class. Caps were presented to the Students by Miss Edna W. Conway, R.N., principal of the School of Nursing, Marcy; Miss Agnes A. Pitkunas, R.N., director of nursing at Faxton Hospital; Mrs. Bella M. Oriole, R.N., director of clinical instruction at St. Lukes-Memorial Hospital, Miss Katherine J. Beck, R.N., acting principal of the school of nursing, Utica State Hospital.

The candlelight ceremony was led by Mrs. Flora M. Jones, R.N., assistant to the educational supervisor at the Central School of Nursing. The entire class of students joined to sing "Follow The Gleam."

There were 20 students from Faxton, 19 from Utica Memorial, 6 from Marcy and 13 from Utica State Hospital.

## An Open Mind Marks NYC Reclassification

THE first of the series of questionnaires dealing with NYC job titles, duties, pay and working conditions, distributed last week to organizations and City departments, is an encouraging example of desire to be guided strictly by facts.

The NYC Civil Service Commission no doubt would have preferred to have been assigned the reclassification and pay study that Giffenhagen and Associates were hired to do, just as the Budget Director's office would have gladly undertaken the task itself. Yet, there is no note of antagonism toward the Giffenhagen report; quite to the contrary. Mayor Vincent R. Impellitteri himself asked the Commission to adopt such parts of the Giffenhagen report as prove worth-while.

No doubt the Commission will receive a great deal of conflicting opinion and recommendations, and Sidney M. Stern, who heads the new Classification Bureau, will deserve the commiseration that some of his associates extended to him when he was appointed. Such penalties go with any large undertaking in our complex society. But more important is the fact that the first questionnaire, dealing with the engineering and architectural service, approaches a ticklish problem with an open mind and a frank appeal for help.

The start is promising. May the finish be equally so.

## Dewey Picks 32 for Training

ALBANY, June 15 — Governor Thomas E. Dewey last week announced the list of six women and 26 men who will join public administration interns in training sessions in public administration, budgeting and the like.

The trainees, nominated by their State department heads, include: Salvatore Anastasio, Brooklyn; Margaret C. Brown, Slingerlands; Walter H. Bulson, Water-vliet; Carl E. Burmaster, Fort Johnson; Harold L. Canepi, Scho-dack Center; James C. Cardany, Troy; Irene C. Chicolne, Water-vliet; George W. Cooper, Albany; John A. Daley, Albany; William W. Dennin, Menands; Howard Dorfman, Brooklyn; Helen K. Everson, Albany; Rendel H. Fus-sell, Glenmont; Peter Geleta, Cohoes; Jack Horn, Albany; Eleanor M. Leikham, Albany; Al-fred F. Lyng, Watertown; Felix J. Mastrangelo, Albany; William J. Murray, Saratoga Springs; Walter Olenyk, Albany; John E. Patterson, Lockport; Arthur Paw-owski, Buffalo; Thomas P. Perry, Troy; Anita M. Rioux, Cohoes; Joseph Rivin, Brooklyn; Donald E. Ryan, Delmar; Carol M. Standish, Albany; John D. TenHagen, Roch-ester; James H. Terry, Albany; Vito M. Ternullo, Coxsackie; Don-ald P. Tatanor, Albany; James B. Webster, Albany.

## Committee to Offer Argument for Pay Increases

ALBANY, June 15 — Informa-tion about reallocation of statisti-cal-clerical titles in State service is being compiled by a committee of the Civil Service Employees Association, and will be presented to the Division of Classification and Compensation, State Depart-ment of Civil Service, it was de-cided at a meeting last week.

Serge Souto, principal statistical clerk in the DE, NYC, has been assisting the committee in its re-search work. Persons in the metro-politan area who have pertinent material are urged to communicate with Mr. Souto.

Charles R. Culyer, CSEA field representative in the NYC area, may also be consulted.

Those attending the meeting were John Wolff, committee chair-man; Edna Willmott, Thomas Holmes, Dorothy Honeywell, Ken-neth Hart, Wilson Sumner, John Kope, Charles Ablett, Margaret Willi and Henry Galpin.

## CIVIL SERVICE

# NEWS Letter

AMENDMENT of the Social Security Law, whereby members of public employee retirement systems, and those employees eligible to such membership, might be brought under Social Security addition-ally, is off until next year. Congress will await the report of the committee headed by H. Elliot Kaplan, former New York State Deputy Comptroller, who's been granted additional time to give his roundup of all Federal retirement systems.

Meanwhile, much interest is being shown by public employees in "integration" not now possible under the Federal law, but which would be permitted if the amendment is enacted.

The amendment would provide that public employees could vote by "pension groups" whether to come under Social Security addition-ally, or stay out of it entirely. For instance, policemen, firemen and teachers would be separate pension groups, and a two-thirds vote would be necessary for SS coverage to apply. Employees who want the extra coverage say there's no reason why they should be prevented from getting it, if the law will permit it, especially as groups that want to stay out may stay out.

One rub would be whether the employer—State or local govern-ment, and even the Federal Government—would want to chip in for the extra cost.

One plan being discussed in New York State is to have ready an opportunity for employees to get greater benefits by "integration," at no extra cost, or the same benefits as now, at less cost.

DIFFERENCES of opinion in Congress on terms of repeal of the Thomas amendment, relating to annual leave, make it advisable for U.S. employees to take this summer the leave earned during the previous calendar year, lest they lose leave. How much accumula-tion to permit is the chief point of argument. As the Thomas amend-ment now stands, opposition to it is nearly unanimous . . . About 6,000 first, second and third class postmasters covered into civil service are to be "covered out" by the Eisenhower Administration, which will call for real competitive exams to fill the posts.

FACT that a loophole in the U.S. Civil Service Retirement Law permits non-citizens to draw pensions has stirred resentment in Congress. One of the recommendations of the committee headed by H. Elliot Kaplan, former New York State Deputy Comptroller, is expected to require citizenship. Some retired U.S. employees now live behind the Iron Curtain, but the U.S. has stopped sending them their retirement checks.

The latest addition to the ranks of publishers of newspapers in upstate New York is Roger Tubby, former White House press secretary.

NYC Fire Commissioner Jacob Grumet has written to Mayor Vincent Impellitteri opposing a council bill to compel retirement of the department's uniformed force and aides at 63.

# The Rules About Age In Civil Service Tests

By H. J. BERNARD

The upper age latitude allowed by the various branches of gov-ernment, in applications for jobs, has made such employment ex-tremely popular with those in the middle and older age brackets. For instance, in NYC, one may be appointed, unless there is a specific statute, or resolution of the Mu-nicipal Civil Service Commission, to the contrary, if he or she is up to 70 years old. In some NYC in-stances, age beyond 70 is permis-sible.

In the State government the age limits parallel those in NYC.

In the Federal government, the former age 62 limit has been raised to 70, with no change in the status acquired on appointment, while persons over 70 may be ap-pointed only on a temporary basis, not to exceed one year, although the appointment is renewable.

### Wide Latitude Usual

Few age limits are established by specific statute. For instance, in NYC age 29 is the maximum for patrolman (P.D.), fireman, (F.D.), and policewoman (P.D.), while for probation officer (for which par-ticular exam applications are now being received) the maximum is 55.

These ages are set by in the Ad-ministrative Code, except for the probation officer job, where the Code of Criminal Procedure estab-lishes the age limits. The mini-mum appointment age in any of these cases, and in most others, is 21, but that doesn't stop persons who are younger from applying and competing. Also, in some in-stances, the Commission sets an appointment age lower than 21. But the Commission's discretion

ceases where age limits are set by specific statute.

### Retirement Law

With these exceptions, the maxi-mum age is determined by the Re-tirement Law. Such is true also for permanent positions in the Federal Government. In Federal Service only permanent employ-ees may become members of the U. S. Civil Service Retirement System; the other U. S. employees come under Social Security, which has no effect on hiring age.

The critical age in regard to re-tirement is the one at which one must retire, unless granted per-mission to continue on.

In NYC this age, 70, remains the maximum retention age, as in New York State, and in U.S. jobs continuance to 70 also has been made permissible. In the U. S., State and NYC, provisional hiring is permitted beyond 70.

The maximum age of 70 in the State and NYC applies to all those required to become members of the retirement system. In NYC, for instance, this group consists only of competitive and labor class employees. Provisionals, exempt class employees, and all in the un-classified service, like elected offi-cials and employees of judiciary and legislature, not being required to become members of the retire-ment system, may be hired or elected to take office, regardless of maximum age.

### Minimum Age

The minimum age in New York State is 18, for hiring purposes, which makes it possible to hire anybody at age 18, unless some higher minimum age is specifically established by statute or by Civil Service Commission resolution,

which has the force and effect of law.

When a Commission sets age limits in its own discretion, it does so usually for jobs that require agility or other strenuous physical effort. Such jobs would be as la-borer, skilled tradesman, or as a member of the operating person-nel of the Board of Transporta-tion. The age limits would be set forth in the official exam require-ments issued by the Commission.

### Working Papers

In general, the minimum age is that determined by the necessity of getting working papers, covered by the Education Law. If one is 18 or under, papers are required, whether or not one is a high school graduate. However, high school graduation generally en-titles one to working papers, and obtaining such papers, if one is 18 or under and a high school gradu-ate, becomes a formality.

Veterans and some others may deduct from their maximum age the length of time spent in speci-fied military services, time for time, and if the result is equal to or less than the maximum age, the applicant is not barred for age reasons. There is no concession as to minimum age.

Persons who were on quasi-military duty, as defined in the Civil Service law, such as Red Cross and Merchant Marine, may make the deduction as described, as may armed forces veterans, whether disabled or non-disabled. However, in any instance, the al-lowable age deduction does not guarantee that one will pass the test, especially on the ground of physical or mental incapacity to do the job. This is something in-

## Top Internal Revenue Jobs to Be Filled by Open-Competitive Tests

WASHINGTON, June 15 — The announcement by the Bureau of Internal Revenue that the Bureau will fill top revenue positions by open-competitive exams drew immediate praise from Philip Young, Chairman of the U. S. Civil Service Commission. The Commission is speeding arrangements to conduct the first group of ex-aminations.

The policy, announced by Com-missioner of Internal Revenue T. Coleman Andrews, applies to pres-ent and future vacancies in the positions of District Commissioner, Director, and Assistant Director of Internal Revenue. In the past, Mr. Young pointed out, all the District Commissioner and Assistant Director posts and a majority of the Director of In-ternal Revenue jobs were filled by promotion or re-assignment of career Bureau officials who met the qualifications standards. "The difference in the approach now taken by the Bureau," Mr. Young stated, "is that the ap-pointing officer will have the bene-fit of a direct comparison of the relative qualifications of all com-petitors."

## Schedule for Police, Fire And Sanitationman Tests

The following is the tentative schedule for the NYC patrolman, fireman, sanitationman, and trackman exams:

Exam	Medical Test	Physical Test
Patrolman	Starts early Aug.	Sept. 15 Starts
Fireman	Completed	Now being held
Sanitationman	Now on; ends June 22	June 26-Aug. 7
Trackman	Starts Oct. 15	Late Oct. or early Nov.

dependent of age. Difficulties arise mostly in re-gard to disabled veterans. While admissible regardless of any up-per age limits, provided they can cope with the duties of the posi-tion, a veteran cannot get any preference in New York unless he passes the exam. Section 21 of the State Civil Service Law provides that a vet-eran, whether disabled or not, may apply, regardless of age, if no age limits are specifically set by sta-tute. But he must still pass the exam, including any medical or physical test. It sometimes hap-pens that the very disability on which a veteran relies for veteran preference causes him to be dis-qualified from the test for in-capacity to perform the duties.

# Employee Activities

## Employment, NYC

**TWO WEEKS AGO** the news that Joyce Mimeo daughter of Jessie Geronimus, LO 331, successfully recorded "You're A Dream" and "Two of a Kind" for Rialto Records, appeared in this column. Later Anthony Bucalo, C.E. of LO 536, asked Marie Doyle if the staff of LO 415 would like to hear the recordings of two songs he had composed. You guessed! The same "You're A Dream" and "Two of a Kind!" The pay-off, however, was that the composer had no idea that his singer was the daughter of a member of Division staff and CSEA member. Immediate and cordial telephone introductions followed.

Frank Zemlick's son Frank Jr. received an appointment to the Naval Academy but was in danger of losing out because of a minor dental fault. Frank's Congressional sponsor suggested requesting a personal hearing at Annapolis. Wallace Abadie generously donated both his car and his driving services. After consultation with the medical and Academy authorities, everything was straightened out and — Frank is in! Father works in LO 415.

Gertrude Carr reports that the IAPES dinner was very successful. She and her committee feel that much credit is due to Mr. Schindler, manager of the Hotel New Yorker Coffee shop, who was responsible for excellent planning and service. Definite plans are under way for the Employment chapter committee on re-classification to meet with its "opposite number" committee of the senior interviewer and interviewers' association soon.

Among the early vacationers is Fred Gilson, supervisor of Section 713. Look for him on any Long Island golf course.

### Party to J. E. Lees

The secret about all those mysterious doings around the administrative section of LO 713 is now out. A surprise birthday party for J. E. Lees, administrative assistant. Roma Solar, manager of LO 710, acted as hostess to Mrs. Lees, who was invited to the festivities. The staff presented Mr. Lees with a decorative birthday cake, as well as home-made cookies supplied by personnel. P. Langway, assistant office manager, acted as toastmaster and all present voted the occasion a complete success. Among the many other guests were Ann Nicholson, supervisor of the telephone room; Rose Cosgrove, Miss Bennings, Florence Furnage, Grace Braithwaite, Promotion Unit; Mr. Hauptman, Mrs. Coleman, Miss Mulligan, Mr. Beriman, Jean Viola, Dorothy Midler, L. Rosenthal, Joan Went, Minnie Blackman, Esther Luchansky, Allen Pope, Helen Biggs, Tessie Coyle and Ann Scythhoe.

Manager Marjorie Grant acted as hostess at a farewell party for Barney Bogart, who, though not officially connected with the Employment Service, has represented the Welfare Department for more than seven years.

### Convention Delegates

The contingent that left for the IAPES Milwaukee Convention from the Needle Trades Office included Alice Weiss, Dorothy Miro, Gertrude Carr and James Brandon. Marie Doyle, manager of the shipbuilding office, will join this

## Willowbrook State School

**MRS. CATHERINE F. WELT**, president, conducted a meeting of the Willowbrook chapter. Sixty members attended.

Reports of the committees were given and the nomination committee presented the slate of officers for the election to be held on Thursday, Jun 18. The slate: Val Falco and Al Hart for president; Frank Packard, vice president; Fred Carroll and Irene Hillis, treasurer, and Pat Premo, secretary.

The ballot box for election will be at the Community Store and the poll will be open from 7:30 a.m. in the morning until 5:30 p.m.

Charles R. Culyer, resident field representative, CSEA, spoke at the meeting on the chapter's responsibility in the association's programs throughout the year. He pointed out how every member could participate in shaping the policy of the Association's board of directors, and urged more discussion of employee problems at the chapter level.

Allen DeLaney of Ter Bush & Powell spoke on the new improved accident and sickness policy provided by the association.

## Nassau County

**NASSAU CHAPTER** members are busy these days arranging for the fifth anniversary banquet to be held Thursday, June 25, at South Shore Terrace, Sunrise Highway at Merrick, L. I. George Uhl, president of the chapter plans to hold the installation of officers during the dinner with introductions of invited guests. The banquet committee is headed by Arthur Kaufmann, chairman, with members, George J. Goldman, C. Wesley Williams, William H. Errett, Ludwig Metz, William H. Weifert, Mrs. Stella Hackett and Mrs. Margaret Gibbons.

The chapter at its last meeting discussed old age and survivor's insurance as it applied to public employees in Nassau county. President Uhl was instructed to write a request to County Executive A. Holly Patterson on this subject, asking that the Chapter be given the opportunity to discuss the matter with him, the

Board of Supervisors or another County representative.

**North Hempstead Unit**  
The organization meeting of the unit was attended by 75 members with Charles K. Culyer, resident field representative of the Association, conducting. A constitution and by-laws were adopted. This is the third unit of civil employees recently organized as a part of Nassau chapter. Election of officers was held and officers are Christian J. Smith, president; Frank Schottler, first vice president; Edward Pickardo, second vice president; George Seifto, third vice president; Martin Darcy, secretary; Russell Case, treasurer; and Michael Chester, sergeant at arms.

Members of the board of directors will be named at the next meeting of the unit. Efforts are now being made to increase the membership from other groups of town employees. Benjamin R. Pompa, of the Oyster Bay unit and recently elected a vice president of Nassau chapter, also attended the meeting.

**Oyster Bay Unit**  
Members of the board of directors were elected at a recent meeting of the unit, conducted by James O'Toole, president. The board members are Harry Menschke, Michael Barone, Jr., Vincent Esposito, Steve Charka, Cosmo Sardi, George Warner, Jr., and Thomas Halloran. New members of the board of directors of the Nassau chapter from this unit are James O'Toole, Sid Rigby and Lucas Balich, Sr.

A grievance committee was also appointed, Richard Kershaw, chairman; Harry Menschke and William Ronaldo.

The officers and board of directors will meet as necessary during the next two months to discuss unfinished business as the next regular unit meeting will be in September.

**Levittown Schools Unit**  
The first unit accepted into membership of Nassau chapter, representing non-teaching school employees, is the Union Free School District No. 5, comprising the public schools in Levittown. Through the leadership of C. Wesley Williams, a custodian in the school system, who is also a vice president of the chapter, organization meetings were held and Frank Fusans was elected president of the unit. With the growth of the school district and opening of three new schools, the non-teaching staff will number about 300 employees. With the cooperation of Mrs. Eleanor Brownell,

supervising principal, meetings were held with the school board concerning salary increases. Charles R. Culyer, resident field representative, appeared before the Board to discuss retirement coverage.

This school district is the first in New York State to take steps to provide old age and survivor's insurance coverage for the non-teaching staff. Official action was taken at the budget meeting last month. The membership of the unit is increasing steadily and the officers hope it will become the largest representing school employees in Nassau county.

## Kings Park State Hospital

**BEST WISHES** to Kathryn Morse, of social service, who recently left Kings Park State Hospital to be married.

Dr. Dorothy Weigert is enjoying her vacation in the Virgin Islands.

Welcome to Dr. Abraham Weinstein, who recently joined the hospital staff.

Art Server and Frank Campbell are in the hospital. They would enjoy seeing some of their friends.

Mrs. Amy Fitzgerald, Minna Stein and Agnes Dolan are also in the hospital.

## Steuben

**THE ANNUAL DINNER** meeting, election and installation of officers of the Steuben County chapter, CSEA, was held at the Baron Steuben Hotel. Mrs. Perry Johnson was installed as president. Other officers are George Crippen, 1st vice president; William Lusk, 2nd vice president; Glenn Hawkins, 3rd vice president; Louise Savage, 4th vice president, and Charles Kehler, treasurer. Merle Wheaton, E. Dixon Curtis and George Deuerlein are directors. Mrs. Johnson will be delegate to State meetings. She succeeds Merle Wheaton of Cohocton, who had been president for the past year.

Guest speakers at the dinner, attended by nearly 100 persons, were Assemblyman John D. Young of Corning and Ernest Conlon, field representative of the Association.

Guests of honor were chairman of the Board of Supervisors and Mrs. Herman J. Bates of Troupsberg, and State Senator and Mrs. Harry K. Morton of Hornell.

Music was provided by Mrs. Joseph Clancy and Mrs. Robert A.

Johnson, both of Corning. The invocation was given by the Rev. Lorimer Crippen of the First Baptist Church at Corning.

## AT LAST! SCIENCE SHOWS YOU HOW TO...

# Stop Headlight Glare! Actually See After Dark!

DO YOU DRIVE YOUR CAR AFTER DARK? Do you know that 4 out of 5 fatal smash-ups are caused at night... to SAFE, careful drivers who are trapped... blinded... and killed by the headlights of another man's car?

Here is the first full story of how you can completely avoid that blinding headlight glare... avoid those night driving accidents... how you can actually drive at night with almost full daylight safety!

How many times this month have you been completely blinded by the headlights of another car? How many times have you been blinded when you were driving 30-40-50-miles an hour... when you were in the middle of a dangerous intersection... when you were turning a sharp curve or corner? Yes, how many times this month have you been forced to trust your life—and the lives of your family—to a driver who doesn't even have the sense to dim his headlights?

### These Accidents Can Be Avoided

Do you know that now you can avoid all these risks? Do you know that during the last five years over 70,000 drivers have found a new way to protect themselves against this headlight blindness? That these drivers have tested and proved an optical instrument that actually makes the brightest headlights as easy to take as dims! Here is that amazing story:

Five years ago, three of the country's top optical experts decided to tackle this problem of headlight glare. They immediately discovered that all of the common remedies were either useless or actually dangerous. These experts discovered that there was only one sure way to protect yourself against this blinding night glare—a piece of optically colored glass worn by you, yourself—that filters out the glare from these headlights in exactly the same way that a pair of sunglasses filters out the glare of the sun.

These experts discovered that scientists had developed such a glass—that many of the leading automobile manufacturers, such as Buick, Cadillac, Oldsmobile, Lincoln and Chrysler—were equipping their special deluxe models with special glare-resistant windshields. However, the cost of this glass on these special cars was necessarily \$20-\$50.

To avoid these costs these experts took this special glare-resistant glass and built it into a pair of Night Driving Glasses that could be worn by any driver. Since they eliminated all rays of glare, the experts called them RAYEX Night Driving Glasses. Here are some of the amazing results they discovered when they tested them.

### This Is How Night Driving Should Be

1. WITH THESE RAYEX Night Driving GLASSES, you can look directly into the brightest headlights. You will see the headlights as pale amber discs—but you will

not see the glare. You could pass an entire line of fifty cars, and not even squint.

2. WITH THESE RAYEX Night Driving GLASSES your eyes will be protected against any intrusion of glare. They will not have to adjust themselves to constant flashes of light. You will actually be able to see better... clearer... and farther with them on than you could see without them. You will see dark objects more quickly. You will react more quickly to the pedestrian who darts out of a side street... to the dark bumps in the road that ruin your tires.

3. SINCE THESE RAYEX Night Driving GLASSES PROTECT YOUR EYES AGAINST STRAIN, you will not suffer from dangerous night driving headaches. You will be able to drive as much as 400 miles in a single night without feeling the slightest strain. You will not be tired after short rides. And, above all, tired, strained eyes will not cause you to fall asleep at the wheel. You may make even the longest trips with absolute confidence. ORDER TODAY! Use coupon below!

### Proven By Over 70,000 Drivers

Before these glasses were advertised in this paper, they were distributed to over 70,000 drivers... volunteers who tested them under every possible sort of night driving condition. Here are the actual reactions of these drivers—their own, unsolicited experiences with these glasses. Perhaps they will help solve your night driving problems.

#### DO YOU EVER DRIVE ON THE OPEN HIGHWAY?

"On my trip to Denver last week, I most have passed at least 50 cars. Not one dimmed down his lights. If I hadn't had your glasses, I would have had to pull over to the shoulder, and wait till they passed by. As it was, I didn't even squint."—Mr. F. M. F., Brenton, Wash.

#### DO CHILDREN RIDE IN YOUR CAR?

"I drive my little girl home from a country school during the twilight hours. I was always afraid—either of the blinding lights from the other cars at that hour—or of hitting one of the other little girls in the streets. Now, thank God, I know I can see them. I wouldn't take \$100 for these glasses."—Mrs. L. G., Forest Hills, New York.

#### DO YOU GET NIGHT-DRIVING SLEEPINESS?

"Drove 112 miles after midnight without the slightest strain. Never felt so relaxed and confident in my life. Thanks."—Mr. D. F., San Antonio, Texas.

#### DO YOU HAVE WEAR EYES?

"My husband has a cataract on his left eye and could never enjoy driving before

## PROVE IT YOURSELF! MAKE THIS CONVINCING "LIGHT-BULB" TEST

When your RAYEX NIGHT GLASSES arrive put them on. Look directly into the strongest electric light in your home. You see the light... the glare is gone! Then test them again in your car. Look at street lights, headlights, under every sort of difficult night driving condition. If they do not do

GONE FOREVER! Blinding Headlight Glare—the number one cause of traffic accidents in New York today! Read this amazing story of how science conquered this "one unpreventable" accident!

He thinks your glasses are wonderful—sure they're also good for protection against the sun."—Mrs. L. K., Elizabeth, North Dakota. (NOTE: We do not recommend the use of these glasses as sun glasses. They are as different as night and day. They have only one purpose—to protect you after dark.)

And here is the one fact that all of these drivers agreed upon... this is the way they would affect your night driving.

The very first moment you put on RAYEX Night Driving Glasses you enter into an entirely new world of night driving. There is no more blinding glare. Instead, the headlights of every car... every street light... every window you pass, are a soft amber yellow.

You'll notice immediately, that you are more relaxed... more confident about your driving, because you can actually see better and farther. Test these glasses against the first two or three cars you pass. Prove to yourself that you can see their lights... but there is no blinding glare. After that you will be able to totally disregard the headlights of any car coming toward you on the highway. You will be able to sit back and relax—enjoy your night driving as much as you do in the day.

### Mr. Car Owner Study These Pictures

See if You Can Spot the HIDDEN ACCIDENT in Each of Them... Before It Could Happen to You!

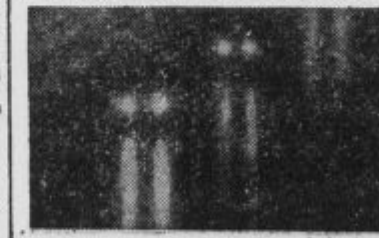

WHAT YOU SEE WITHOUT PROTECTION FOR YOUR EYES

Glaring headlights completely blind you... set you up for an accident.

Can you see the pedestrians stepping out of the grey shadows of this dark street?

Fog... snow... sleet... all hide oncoming cars... till they're right on top of you.

WHAT YOU WOULD SEE WITH RAYEX NIGHT GLASSES

RAYEX eliminates blinding glare... you see lights only as pale amber discs.

RAYEX cuts out grey shadows... makes black objects stand out sharper, clearer.

With RAYEX you see through fog glare with almost perfect daylight vision.

# Sample Questions to Help One Pass Exams

A sample test in spatial relations, published in the May 26 issue of *The LEADER*, showed as the standard a cube, with each of three sides bearing either a large or small cross or an underscored triangle. Fig. 1 is reproduced this week. There are four marked cubes, lettered A, B, C and D. The question is, Which one of the four represents the standard in a different position?

It is axiomatic that the solution will be a cube that has three sides marked, and the designs must be identical with those on the standard. Look at D. Since that has a black ball at the intersection of the arms of a cross, D is certainly not the answer. But A, B and C, with the same designs as the standard, are all possibilities.

The standard has to be shifted, to produce design and sequence found in A, B or C.

Consider the turning of a cube all the way round, to bring it back to where it started, as one complete turn. Then to shift, say, either a front elevation to bring it on top, or a side elevation to do likewise, would require one-quarter turn. Try A. Tumble it backwards one-quarter turn. That brings the small cross at top. Now the triangle is at right, with underscoring at bottom. A quarter-turn clockwise will bring the triangle to the front elevation. The large cross that became hidden, because at rear, in the first tumble, now moves into position, as in A. Hence the correct answer is A.

The explanation that produces that answer was given in the May 26 issue, but the answer itself was given as B. B could not be correct, because if the standard were tumbled forward a quarter turn, to bring the large cross to the front, the triangle would be at right, with underscoring on top, the small cross would disappear, and it would stay out of sight as long as the large cross remained at front, no matter what other turns are made.

Referring to the May 26 issue: 4. Look for a solution in the same four designs, A, B, C, and D in Fig. 3, but use the new pieces in Q4. Suppose you just close the gap between the two pieces. You now have an oblong. But there is no oblong in any of the four optional answers. So that's wrong. Suppose next you use a common base for the two pieces. The long sides won't do, because there'd be no matching answer pattern. Try the short sides. Put the two short sides side by side, and use equal elevation. Now we have a solid black triangle.

Answer, B.

Percentage problems are common in civil service exams, and anybody who took the test for promotion to clerk, grade 4, NYC, might work out an arithmetic problem, if he desires to find out his score in Part I.

The exam was held under the old rule that 69 plus any fraction percentage is the substantial equivalent of the required 70 percent pass mark. So—

In Part I, A, consisting of multiple choice questions, multiply each correct answer by the number 1.

## Examiner, Education, Among 10 New Tests Ordered

The NYC Civil Service Commission recently took the first step toward holding 10 more exams when it ordered these to be conducted:

### OPEN-COMPETITIVE

- Assistant director of group work and recreation.
- Field project supervisor (group work and recreation).
- Foreman of laborers, grade 3.
- Junior assessor.
- Plumber's helper.
- Senior street club worker.
- Supervising street club worker.
- Examiner (Board of Education).

### PROMOTION

- Assistant electrical engineer (railroad signals), Transportation.
- Clerk of court, grade 4, Domestic Relations Court.

When the requirements are decided, and the application dates set or estimated, these facts will be promptly published in *The LEADER*.

## Retreat Set For June 19-21

The fourteenth annual retreat for men of the Manhattan Borough President's Office will be held from June 19 to June 21 at Mount Pleasant, Staten Island, in conjunction with the 42nd consecutive retreat of the John H. Beetha Memorial Group. Monsignor Joseph A. Nelson, pastor of St. Andrew's Roman Catholic Church, is spiritual director of the Guild. Charles Lagattuta is promoter of the retreat.

Last week saw three of the six staffers in the Travel Bureau, Department of Commerce, receiving degrees at college commencement exercises. Philip Florman, editorial director of the bureau, received his Master's Degree in English at Siena College, and Maurice Schwadron, a senior editorial clerk in the same office, was awarded his Bachelor of Arts degree from the same stage. Darwin Benedict, a senior publicity agent, received his Master in Public Administration degree from Syracuse University. Commerce will hold its departmental picnic June 22 at Crooked Lake Hotel. A women vs men basketball game and a tentatively planned Gay Nineties bathing beauty contest, are on the agenda.

1 + 0 = 2

The term of the office of a village treasurer is two official years, even though it is incorrectly fixed at one year by the village board, according to an informal opinion given by Attorney General Nathaniel L. Goldstein.

## Ray-X Glasses Again Obtainable

Ray-X glasses are again obtainable by readers of the *Civil Service LEADER*, through the *LEADER*'s premium plan. Numerous requests have come to the circulation department, asking for a renewal of the special offer on the purchase of Ray-X glasses.

These specially developed glasses are designed to take the glare out of headlights of approaching cars. They were widely acclaimed by *LEADER* readers when they were first offered last year.

Ray-X glasses are obtainable by readers of *The LEADER*. Two special coupons and \$2.00, plus 10 cents for postage and handling are required. See page 9.

FIG. 1

In Part I, B, there were 30 questions originally, but one was stricken out, leaving 29, so multiply each correct answer by 1.1.

Add the two results of Part IA and Part IB. Divide by 76. Multiply by 80, for 80 was the weight assigned to Part I.

Part II, consisting of an essay, which the candidate can hardly evaluate himself, requires multiplying the rating by 20, the weight of this part.

Add the results of Parts I and II, and divide by 100.

For Part I, if at least 69.1 was attained, the candidate survived. If 69 or less was the earned score, he was out of the exam. But if he survived Part I he'd have to be up to scratch also in Part II to pass.

### Familiar Ground

The operation is thus in line with arithmetic study material that appeared in *The LEADER*, issue of April 21. The solution invokes that branch of arithmetic called ratio, to determine if a candidate passed:

**Question—**A written test is given in four parts. The overall pass mark is 65 percent. There is no minimum pass mark required in any separate part. Each part is separately weighted. I = 4, II = 3, III = 2 and IV = 1. The candidate scores these percentages: I =

In WITNESS WHEREOF, we have caused the seal of the Surrogate's Court of the said County of New York to be hereunto affixed.

Witness, Hon. GEORGE FRANK BENTHALER, a Surrogate of our said County of New York, the 18th day of May, 1953.  
PHILIP A. DONAHUE,  
Clerk of the Surrogate's Court.

60: II = 65; III = 70; IV = 72. What was his weighted average score, and did he pass?

**Answer—**Add the weights, 4 + 3 + 2 + 1 = 10.

Add the separate products of the weights and the scores:

- Part I — 4 x 60 = 240.
- Part II — 3 x 65 = 195.
- Part III — 2 x 70 = 140.
- Part IV — 1 x 72 = 72.

Total ..... 647.  
The clue is the number 647. Divide it by the sum of the weights (10). Answer 64.7. The candidate failed.

# Fire Hours 42 a Week; Police Next

The uniformed force of the NYC Fire Department is on a 42-hour week, and the Police Department force will be in the same position by July 1.

The new fire hours, reduced from about 45, went into effect at 12:01 Tuesday, June 16 for 11 divisions. The three other divisions had been placed previously on the lesser work-week.

The reduction follows a plan of Mayor Vincent R. Impellitteri to approach the 40-hour week in City departments by steps. At present a date for 40 hours has been indefinitely deferred, for financial reasons, but employee groups are working hard to have that date set speedily, and have it an early one.

Fire Commissioner Jacob Grumet is trying to get approval for 200 more fireman appointments July 15, and 40 promotions to lieutenant.

# U. S. Seeks Stenos and Typists

An exam for stenographers and typists for the defense agencies in the Metropolitan area has been opened by James E. Rossell, director of the New York Office of the U.S. Civil Service Commission.

The jobs are open to persons more than 17 years of age. Blind persons who can hear will be accepted, for jobs involving machine transcribing duties.

No experience or education is required. However, a written exam including a general test, and typing and shorthand tests, will be given. Required dictation speed is 80 words a minute.

Salaries range from \$2,750 to start, for stenographers and \$2,500 for typists. Applications may be obtained at the Second U.S. Civil Service Region, Federal Building, 641 Washington, NYC.

## Rochester State Hospital

DR. CHRISTOPHER TERRANCE, director of Rochester State Hospital, recently returned from California where he attended convention of the American Psychiatric Association at the Hotel Statler, Los Angeles.

The Conference of State Hospital Libraries was held at Rochester State. Marion Vedder, institutional library consultant of the Educational Department, Albany, presided. "Library Reports" and "Volunteers in Libraries" were discussed. Luncheon was served in the employees' cafeteria.

The stork made several stops, and the following have sons: William O'Conner, social service; and Virginia Bracht, head nurse, Livingston Building. Girls were born to Terry Della Rosa and Frank Annunziata of the recreation department. Congratulations.

Recent vacationers include Louise Brown, a trip to Florida; Catherine Colvin, to Detroit, and Laura McCarthy, and Evelyn Crowley, a week in NYC.

Laura Stonegraber and Marion Muntz visited Poughkeepsie State Hospital, Wassaic State Hospital and Harlem Valley State Hospital.

The following employees have been ill: Charles Leidy, Martin Tubbs, Leo LeClair, Bernard Duprey, George Russell, Lucille Foster and Ruth Snook. Emma Spencer sustained a hand injury, but is on the job. Alice Albro is recovering from an injury. LaVera Archibald, Virginia Preston and George Stevens underwent surgery. Howard Rappleye is recovering from surgery at Bath Veterans' Hospital. Roger Bailey of the T. B. Service is at Iola, and gaining; make it another 7 lbs., Roger!

The Chapter sends best wishes to Evelyn Crowley on her retirement. New employees include Mr. and Mrs. Edward Wilson, George Angelista and Mary Johnston.

The following were elected as Chapter officers for the ensuing year: President, Claude E. Rowell; vice-president, William Rossiter; secretary, Helen Sager; treasurer, Marie Henry; delegate to president, John McDonald; 2nd dele-

gate, Archie Graham, and alternate, Charles Milbrook.

Executive committee: Attendants, female, Ann Thomson and Margaret Hopkins; attendant, male, Leo Lamphron and Ted Garneau; nurses, female, Clara Thompson; nurses, male, Roy Eligh; kitchen, dining rooms, housekeepers, Arthur Lalonde; administration, office employees, Joseph Hoagland; police, garage, farm, grounds, Donald Sager; laundry, Charles Gaffney; physicians, Dr. Reynolds; storehouse, bakery, butcher, clothing room, Harold Shea; social service, Joseph Francati; industrial shop, sewing room, Janie McNeil; OT, PT, training school, Edna McNair; maintenance, carpenter shop, roofers, painters, Olin Lane; power house, plumbers, steamfitters, electric shop, Mike Pembroke; lab, dentist, pharmacy, X-ray, photographers, barbers, beauticians, William Scudder.

Dorothy Vogt and Jane Regan were tellers. A total of 366 ballots were cast. John J. Conway, CSEA regional attorney, installed the officers. Mr. Conway also gave a talk. Thomas Canty, representative of Ter Bush and Powell, discussed the new insurance. Mr. Canty is now canvassing the hospital for new policy members. Anyone wishing to contact him may do so by calling Mr. Rowell.

Refreshments were served after the meeting.

The following committees were appointed: auditing, Joseph Hoagland; legislative, John McDonald; social, Edna McNair and Janie McNeil; publicity, Iris Jackson; membership, William Rossiter, and publishing, Harold Page.

The following will aid the membership chairman: Janie McNeil, Ruth Baker, Beatrice Lyness, Aliene Chapman, Monroe Building; Laura Stonegraber, OT and RT; Betty Rossiter, Iola Stevens, Genesee Building; Mary Guest, Ward 21; Edward Chamberlain, Ward 28; Archie Graham, Howard Farmsworth, Bruce McLaren, Livingston Building; Jerry Esterheldt, Leo Lamphron, Willard Weiss, Howard Male; Eva May Wrestling, Arthur Lalonde, kitchen, dining rooms, housekeepers; Clara Thompson, Winifred Haddon, Howard Female; Roy Eligh, William Rossiter, Orleans Male; Elizabeth Heagney, Margaret Ashby, Orleans Female; Olin Lane, Edward Brennan, Harold Westling, George Boehm, outside group; Claude Rowell, Marie Henry, Rita Donovan, office-store; John McDonald, Gardiner Mildfelt, at-large.

The committee planning the fifth annual picnic consists of:

Edward Brennan, chairman; William Rossiter, Howard Farmsworth, Charles Coe, Aliene Chapman, Beatrix Lyness, Edward Chamberlain, James Robb, Marion Muntz, Iris Jackson, Thomas Holleran, Martin Attridge, Arthur Lalonde, Leo Lamphron, John Johnson and James Surridge. This committee met on May 26th.

The following committees were appointed: Vice Chairman, William Rossiter; soliciting committee, Martin Attridge, Allaine Chapman, William Rossiter, Iris Jackson; ticket committee, Edna McNair and James Surridge; sports committee, Frank Barnish, Frank Annunziata, Edward Brennan; purchasing committee, Claude Rowell, William Rossiter; publicity committee, Marion Muntz.

The committee voted to put on the picnic and to prepare all the food. Other persons will be asked to help at a later date. Those wishing to help should contact Edward Brennan. The picnic will be held at Mendon Ponds, East-West Cabin, on July 21. Keep the date open.

The membership drive for new members is progressing well, and is near last year's total membership. Prizes for the new member contest are: First, \$12; Second, \$8; Third, \$4.

Mrs. Elizabeth Heagney, supervisor in the Orleans Building, is active in Association activities and especially in the membership drive. She has attained a 96.6 average in her service. Congratulations! Her service has the best membership in the hospital, with the Orleans Male. In addition, Leo Lamphron is doing a very good job in the Howard Male. Looks like the other members of the membership committee will have to watch their step or Leo will trim them on percentage.

Condolences to Harold and Leo Lamphron, whose father passed away May 21.

# Public Voting on Best Art Show Exhibit

The second annual art show of the Metropolitan Conference, Civil Service Employees Association, being held at the Riverside Museum, NYC, closes on Friday, June 19. The committee in charge (from left) consists of Leon Sandman, Julia Steinbaker, Edith Fruchthender, Henry Sherwin, chairman; Helen C. Peterson and Philip Wexler, all pictured. Clyde H. Morris, Kenneth D. Valentine, Elizabeth McSweeney and Charles R. Culyer also are on the committee.

The public is voting at the second annual art show of the Metropolitan Conference, Civil Service Employees Association, to determine its own choice of the best exhibit in the whole show. A jury of expert judges made its own choice. It was a sculpture by Mrs. Claudia Gilbert, of the Employment Service, who was awarded a \$50 bond.

and merit awards in five separate groups: oils, ceramics, black and white, sculpture and water colors. The names of the winners were published in last week's LEADER.

Herman Journer won a merit certificate for an oil painting exhibit. His name was inadvertently omitted from the list published last week.

The show ends on Friday, June 19. It is being held at the River-

side Museum, 103rd Street and Riverside Drive, NYC.

Exhibitors in the show must pick up their exhibits on Saturday, June 20, between 1 and 5 P.M.

### Attractive Program

A program, 6 x 9 inches, is being distributed to all who attend. It contains a message of welcome, describes the work and organization of the Conference, and thanks the museum, Mrs. Nettie Horch

John F. Powers in an atmosphere of abstract art. Mr. Powers, 1st vice president, CSEA, opened the art show.

and the jury of experts for splendid cooperation. The program contains the names of all exhibitors, classified groups based on type of exhibit, and lists the chapters that are members of the Conference, as well as the art show committee members, the officers of the conference, and the members

of the jury of distinguished artists. Eligibility to compete was limited to State, county and municipal employees in Rockland, Orange, Putnam, Westchester, Nassau, Suffolk, New York, Bronx, Kings, Queens and Richmond counties, except that NYC employees were ineligible.

## Employee Activities

### Rockland State Hospital

A LARGE GROUP of members and guests of the Rockland State Hospital chapter, CSEA attended the chapter's annual dinner at Mary Dormann's Club, Nanuet.

Main speaker of the evening was John Powers, 1st vice president of the Civil Service Employees Association, who spoke on be-

half of President Jesse B. McFarland, who was unable to attend.

Mr. Powers told the group that in the campaign for employee benefits waged by the Association throughout the year the number of letters sent to members of the Legislature by members of the various chapters had been impressive, and the organization had gained in prestige.

Mr. Powers also stated that the

### WHITNEY AND HOGAN ON BANKING BOARD

ALBANY, June 15 — Governor Dewey appointed John H. Whitney, financier, a member of the State Banking Board. The term is three years. Mr. Whitney, who succeeds Harold E. Talbott, now secretary of the Air Force, lives in Manhasset.

Carl T. Hogan, of NYC and Pawling, also was appointed a member of the board. He succeeds John Foster Dulles, who is now United States Secretary of State. Mr. Hogan's term will run until March 1, 1955.

efforts put forth by both officers and members of the CSEA will eventually bring results. The size

of the membership is an important factor, he said.

Other speakers introduced by Lewis C. Van Huben, master of ceremonies, were Dr. Alfred M. Stanley, director of Rockland State Hospital; Underwood Blaisdell, senior business officer, Assemblyman Robert Walmsley; Fred Krumman, president of the New York State Mental Hygiene Association; Francis A. MacDonald, president of the Southern Conference, and Charles Culyer, CSEA field representative for the Metropolitan District.

Other guests introduced were Paul Hayes, member of the CSEA board of directors; Laura Stout, president of the Middletown State Hospital Chapter, and past presidents Hiram Phillips of the Letchworth Village chapter; Doris Victor and Jim Nolan of the Rockland State Hospital chapter, and former secretary Margaret Merritt.

Emil M. R. Bollman, president of the Rockland State Hospital chapter, thanked the other chapter officers—Margaret James, 1st vice president, Fred Jaekels, 2nd vice president, Rebella Eufemio, secretary and Kenneth Gokey, treasurer—for the assistance they had rendered during the year.

Mr. Bollman also cited the work done by Rose Johnson, chairman of the sick and welfare committee; Marion Howell, chairman of the educational committee, Mr. Van Huben, chairman of the legislative committee, and Mrs. James and Mr. Gokey, co-chairmen of the membership committee. Thanks was also accorded Janice Tomson for her handling of publicity and Gertrude Frasier for stenciling.

For the first time, all of the winners of the contest conducted annually by the chapter were employees of the hospital. First prize of \$50 went to E. H. Simmons of Kitchen 39, and second, of \$10, to Babette Slazenger of the occupational therapy department. The three prizes of \$5 each went to Francis Armstrong of the garage; Eleanor Gokey, a stenographer, and Anna Martin, of Family Care in Sloatsburg.

Gertrude Krumrei of the occupational therapy department won the women's door prize and Edward DuBois of the Industrial Shop the men's.

The invocation and benediction were delivered by the Rev. Ernest W. Churchill, hospital chaplain and rector of St. Stephen's Episcopal Church in Pearl River.

During the dinner Mr. Bollman

congratulated Mr. and Mrs. Gene Perreault, who were celebrating their 23rd wedding anniversary.

### Middletown State Hospital

A RESOLUTION favoring publishing the voting records of each legislator on matters concerning State employees was passed at the recent meeting of the Middletown State Hospital chapter, CSEA.

The resolution was one of six resolutions adopted. Others provided that the Association sponsor legislation for a 25-year pension plan, inclusion of all overtime for the purpose of computing final average salary, overtime meaning all time over the 40-hour week; after 5 years of service in grade 2, an employee should be promoted to grade 3 and an additional grade each should be given an employee at the completion of 10, 15 and 20 years.

The chapter also resolved that the Association sponsor legislation to provide that overtime work by employees of the State be paid for at the rate of time and one half; that the Association urge upon the Governor and Legislature an immediate study of working conditions and recommend an increase of at least 10 percent to all State employees.

The State should conform with the basic laws of private industry and adopt a true 40-hour week, or leave it at the discretion of the employee, another resolution provided.

### Personals

James Kilcoin, Sr., is convalescing at home after a recent operation.

Ruth Waters has returned to duty after a recent illness.

Lena Patterson, head housekeeper, retired after 27 years of service. Her department had a luncheon in her honor and presented her a gift.

Plans are under way for a picnic dinner at Fancher avidge Park, June 25. Fried chicken tops the menu. Tickets will be \$1.75 a person.

### Tompkins

THE TOMPKINS chapter held its picnic and installation of officers Saturday, June 13, at Stewart Park.

### JACOB A. DECKER NAMED

ALBANY, June 15 — A new member of the board of trustees of Washington's Headquarters at Newburg is Jacob A. Decker. Governor Dewey made the appointment.

The "Alley Cats," champion bowling team of the "B" league, Binghamton State Hospital. Seated, from left, Mabel Sutton, Captain Helen Gebo and Evelyn Hecox. Standing, Catherine Cavanaugh, Ruth Carner and Cathrya Baras.

DURYEA COMPLIMENTS CAMPSITE EMPLOYEES

ALBANY, June 15 — State Conservation Department employees were busy all spring making ready for another record-breaking campsite season. They did an excellent job, said Commissioner Perry B. Duryea.

Last year more than a million outdoors enthusiasts explored the trails, canoed on the lakes, fished and swam, and slept under canvas in the Adirondack and Catskill Forest Preserve.

This year the season opened on May 27.

OZANAM DANCE JUNE 10

The Ozanam Guild of Catholic employees of the NYC Department of Welfare will hold a social meeting on Wednesday, June 10, at St. Matthew's Hall, 214 West 68th Street, NYC. Supper will be served at 5:30 P. M. Square and round dancing and community singing will take place. Mary P. Feeley is president, Frank Keene, vice president. Rev. H. J. Pregenser is moderator.

LIKE FATHER, LIKE SON

Employees of the NYC Comptroller's office dined George Washington Weir, 77, a civil engineer who will retire on September 30 after 57 years in the City government. A dinner was held at Gasner's Restaurant.

Mr. Weir's father, the late James G. Weir, also served for 45 years as a City employee, retiring from the Department of Docks in 1915.

First Questionnaire Distributed In NYC Job-Pay Reclassification

Employee organizations, NYC departments and professional and civic organizations have received the first questionnaire dealing with the proposed reclassification of jobs. The questionnaire concerns the engineering and architectural service.

President Paul P. Brennan of the Municipal Civil Service Commission said that the questionnaire seeks opinions on (1) the existing engineering classification, (2) the one proposed by Griffenhagen and Associates, made about a year ago, and (3), a tentative reclassification of that service, proposed by the Commission itself.

Other Series Later Questionnaires on other NYC jobs will be distributed later. Finally, 80,000 employees themselves will receive questionnaires.

Besides the classification aspects of the engineering service the questionnaire has a section on compensation and another on working conditions.

The reclassification study is being undertaken by the Commission's new Reclassification Bureau, headed by Sidney M. Stern.

The tentative proposal for reclassification of engineering and architecture titles is for discussion purposes only.

Typical Questions

Typical questions asked are: "A-1. Has the present classification of engineering and architectural positions proved practicable? Yes...No...."

"A-2. Should the present classification of engineering and architectural positions be retained in its entirety? Yes...No...."

"A-3. Should the tentatively proposed classification of engineering and architectural positions be adopted in its entirety? Yes...No...."

"A-4. Should the classification of engineering and architectural positions proposed by Griffenhagen and Associates be adopted in its entirety? Yes...No...."

"A-5. What features of the Griffenhagen classification proposals do you consider preferable to the present classification?"

"A-6. What features of the proposed plan do you consider preferable to the present classification? The pay section sets forth:

"The present salary grades for engineering and architectural positions are listed in Part 3, the Engineering and Architectural Service, and in Part 34, the Administrative Service. These are basic salaries to which should be added the cost-of-living adjustments now in effect. These adjustments range approximately from \$550 to \$750 a year for the various positions. Please note that the following questions are intended to cover only engineering and architectural positions. Your comment should be restricted, therefore, to these positions exclusively.

"B-1. Should the present compensation plan be retained in its entirety? Yes...No...."

"B-2. Should the compensation plan proposed by Griffenhagen & Associates be adopted in its entirety? Yes...No...."

"B-3. Do you think a different compensation plan for these positions would be more practicable than that now in effect? Yes...No...."

"B-4. Do you think a different compensation plan for these positions would be more practicable than the current plan and the plan proposed by Griffenhagen and Associates? Yes...No...."

The section on Working Conditions asks, among other questions addressed to City agencies:

"C-2. What is the general overtime policy in your agency with respect to employees in these titles?"

"C-3. Are any persons employed in these titles in your agency on a maintenance basis (e.g., lodging, laundry, medical service)? Yes...No...."

"C-4. Do any persons employed in your agency receive any supplementary compensation for work performed during their regular employment in these titles? Yes...No...."

"C-5. Are any persons in your agency employed under any of the titles listed in Appendix I? Yes...No...."

"C-6. If your reply to Question C-5 is Yes, please list names, titles, and dates of appointment on Form CL-6." Space is left for comment in each instance.

An appendix lists levels of re-

sponsibility and examples of typical tasks performed by five ranks from assistant engineer to chief engineer.

Survey Shows Plight Of Post Office Clerks

Forty-nine percent of postal clerks must work at another job to supplement their income, while in 32 percent of the cases wives must work, a survey conducted by the New York Federation of Post Office Clerks shows. In some cases the postal clerk works a second job and his wife also works. The average family consists of 3.9 persons. Other facts brought out by the survey show the burden of debt

postal clerks have incurred, said Ephraim Handman, president. The questionnaires reveal that the average debt amounts to \$511 and more than 75 percent of those who replied are saddled with loans. Most of these debts were accumulated to meet the living costs, buying clothes and in a few cases meet medical expenses. Only 71 out of the first 1,000 were able to decrease their debts in the past year.

# Activities of Civil Service Employees in N. Y. State

## St. Lawrence

OGDENSBURG members were hosts at the May general meeting of St. Lawrence chapter, County Division, at the George Hall School cafeteria, Ogdensburg.

Theodore Montroy was elected delegate and Jane Wallace, alternate. Both are from Ogdensburg.

Following the business meeting, refreshments were served. Motion was made to adjourn all general meetings until September 17.

Lawrence J. Hollister CSEA field representative, spent May 27 and 28 in St. Lawrence County.

E. Stanley Howlett, 1st vice president, attended the Board meeting of the Association as proxy for Philip White, executive representative, who was unable to attend on account of illness.

## Cayuga County

CHESTER M. NODINE was elected president of the Cayuga chapter, CSEA, at a recent meeting. Other officers elected were Stephen Androsko, 1st vice president; Raymone Wise, 2nd vice president; Ramon Pultz, 3rd vice president; Marie M. Harwood, secretary; and Mrs. Ruth U. Curtiss, treasurer.

Named to the board of directors were John Clifford, Mrs. Helen Wiley, Holdredge M. Sinclair, John Failey, Mrs. Alyce J. Bogert, Raymond Giannone, Herman Beyer and Douglas A. Hart. Albert L. Clark was appointed chairman of a committee for an August picnic for members, their families and friends.

## Rockland State Hospital

A SURPRISE retirement party which really surprised the guest of honor was given for Mrs. Jessie Bull, housekeeper at Rockland State Hospital, by the housekeeping department, in the basement of Home 11.

Large bouquets of flowers were arranged around the room and baskets of spring flowers decorated the tables, which were lighted by tall, delicately colored candles.

Mrs. Holloway, supervisor of the housekeeping department, pinned a corsage of red roses on Mrs. Bull's dress, and Emil M. R. Bollman, president of Rockland State Hospital chapter CSEA, led the large group in a toast to her future happiness.

Dr. Alfred M. Stanley, director, stated that recent gatherings at the hospital all seemed to be in celebration of someone's retirement.

"People who have been here for many years," he said "are the backbone of the hospital. I only hope they will send us new blood. We are looking for people to come into State service and to carry on for those who have stayed with us for many years."

Mrs. Holloway presented Mrs. Bull with a gift of money from her many friends at the hospital, and Mr. Bollman gave her an Association pin.

As a memento of her many years as a housekeeper, Mrs. Bull received a toy set of cleaning utensils, including a broom, dust-mop, carpet sweeper and dust pan, from Mrs. Mary Edmans.

Mrs. Bull said she had enjoyed every minute of the twenty years she spent at Rockland State Hospital.

A dinner, served by members of the housekeeping department, was followed by singing and dancing.

## Industry

THE spring meeting of the Genesee Regional chapter, International Council for Exceptional Children, was held at Industry. John B. Costello, superintendent, addressed the group on the topic, "Education of the Potential Delinquent."

The officers elected were: Edward Brayer, State School for the Blind, Batavia, president; Arthur D. Roberts, State School, Industry, president-elect; Teresa Snyder, State School, Industry, secretary, and Ellis Hyde, Dansville, treasurer.

The Industry chapter is entertaining the Western Conference on June 27. All are welcome to attend. There will be a tour of the institution at 1:30 P.M. The business meeting, including election of officers, will start at 3 P.M.

At the evening meeting, Professor William Evitt of the University of Rochester will give an illustrated talk on the geologic history of Western New York. The

Special honors went to 149 Civil Service employees at the second annual dinner of the Broome County chapter, CSEA. Among those honored were, from left, Gilbert Chaffield, Superintendent Louis Green, of the Town of Union Highway Department; Mrs. Lula Williams, chapter president; District Attorney Robert E. Fischer, toastmaster; Joseph F. Feily, 4th vice president, CSEA; and Charles W. Curtis, who presented the awards.

boys' chorus from the school will sing.

## Laboratories and Research, Albany

THE LABORATORIES and Research chapter, CSEA, joins the laboratory staff in wishing the best of luck and good health to Dr. Frank Maltaner and Horace Creble on their retirement from State service.

Dr. Maltaner, principal biochemist, joined the staff in 1917, and after two years of military service, rejoined in 1919. He developed the quantitative complement-fixation test as an aid in the diagnosis of many diseases to which man is subject. The reliability of this test has led to its application as an aid to the diagnosis of many diseases not found in this country but prevalent in many countries. His contributions to the study of blood clotting and the immunology of cancer have earned him wide recognition. Dr. Maltaner will be sincerely missed by all.

Mr. Creble, supervising laboratory caretaker, came to the laboratory in 1930, and after his many years of loyal service, will most certainly be missed, not only by those with whom he worked but by all the members of the staff.

Richard Davis, chapter president, called a special meeting of the social committee to elect a new chairman. Karl Vetter, who was elected unanimously, began discussion of a laboratory staff picnic and the forthcoming clambake of the Health Department. He called for volunteer workers for these events and assured all that any assistance, suggestions, or aid would be appreciated.

Pauline Mackenzie, of the virus laboratory, will be married on June 20 to William I. Staples, a senior student at the State Medical Center, Syracuse. She will be employed at the Center, working on virus research.

Mrs. Wilhelmine Lawson, also of the virus laboratory, is resigning from State service. All her friends wish her the best of everything.

Harold Hyatt, of the diagnostic laboratories, is leaving to study for his master's degree at Duke University, Durham, N. C.

## Letchworth Village

A RECENT meeting of the Letchworth Village chapter, CSEA, with the newly-elected officers at the helm, resulted in steps being taken to increase membership in the Mental Hygiene Association.

After hearing a report, from Mrs. Sarah Collins, delegate, and Secretary Ruth Gage, of a meeting at Middletown State Hospital, the chapter decided to support Robert Soper of Wassaic State School and others interested in forming a regional conference of Mental Hygiene chapters.

A letter of thanks was tendered to Allyn Stearns, 3rd vice president of the CSEA, for his interest in the chapter and for his offer of assistance.

The chapter secretary will investigate an insurance complaint brought by a member.

The payroll department in Albany will be contacted regarding the late arrival of pay checks in Letchworth and the slow method

of refund checks for meals.

Ray Shultze, president, and Mrs. Sarah Collins, delegate, will attend the annual meeting of the Southern Conference at Poughkeepsie on June 20.

The following committees were appointed: Ray Shultze, chairman, entertainment; Anthony Dombroski, chairman, athletic; Mrs. Sarah Collins, legislative; Thomas Hanlon, publicity. All group representatives are members of the membership committee.

## Utica State Hospital

FRESHMEN students of Utica State Hospital presented "Stardust," a semi-formal dance, on June 12 from 9 P.M., at the Club Monarch. Music was provided by Lawrence Luzzi and his orchestra.

Eleanor Bartlett and Marion Auriemma were co-chairmen. The following students comprise the various committees: Entertainment, Teddy Setzer and Rose Talerico; decorations, Joan Yager, Fanny Putrello, Marcell Schradler, Beverly Green, Joselyn Troxell; advertisement and tickets, Julie Hughes, Joyce Selden, Goida Johnson.

## Brooklyn State Hospital

THE BOARD of directors of the Brooklyn State Hospital Chapter, CSEA, met recently for its first business meeting of the fiscal year. Emil Impresa, chapter president, was in charge.

Committees appointed include: Grievance — William J. Farrell, chairman; Arnold Moses, Harry Blake.

Auditing — Larry Gamache, chairman; Frank Cole, Dr. L. Second Palmer.

Constitution and bylaws — Frank Cole, Harry Blake, Catherine Sullivan, William Farrell, Clara Straker and Mae Rebhan.

Publicity — Henry Girouard, chairman; Charles Pearson, Frank Cole.

Social — Mary Bussing, chairman; Mary Accardi, Stella Ochab and Catherine Sullivan.

The board has accepted the resignation of John Walsh.

Tickets for the annual Jones Beach affair to be held by the Metropolitan Conference June 27, may be obtained from Mary Bussing, chairman of the Chapter's social committee, in the staff dining room. Reservations \$2 a person, must be received by June 20.

The Brooklyn State Hospital Alumni Association held its first annual dinner in the Terrace Room of the Hotel New Yorker. Among the guests were Dr. Nathan Beckenstein, director of Brooklyn State Hospital; Florence Unwin, principal of the School of Nursing; Mr. and Mrs. John McCauley; and Barbara Sweet, 2nd vice president of the Chapter. The senior class of the School of Nursing attended as guests of the alumni.

A total of 116 persons enjoyed the ice show, dinner and dancing. The committee for arrangements consisted of Joseph Munn, R. N., secretary of the alumni, Lois Cohn, R. N., and James J. Dunaway, R. N.

The officers of the Alumni are Arthur Schultz, president; Clara Straker, vice president, Joseph Munn, secretary; and John Staffa, treasurer.

## Personals

Mr. and Mrs. Frank Mullane thank their many friends on the surprise housewarming given to them recently on the purchase of their new home. Frank is with the Division of Parole and his wife is with the Department of Mental Hygiene. They were presented a vacuum cleaner as a gift from the group and from all reports a gay time was had by all.

We congratulate Stephen Abramson who is being graduated from Long Island University with a B.S. in biology.

We welcome the following new employees: Donald Wojtalewicz, elevator operator; Sonia Grossman Serber, social service, transferred from Central Islip Hospital; Norma Smith, clerk; Eugene Singer, X-ray technician; and Paul Capaccio, maintenance man.

Vacationers are Margaret Jeronsky, Von Carswell, Joseph Gouke, Lois Tynes, Genevieve Neary, Ellen Cunningham, Mr. and Mrs. George Fyffe, vacationing in sunny California. Walter Bennett, entertaining guests from Tucson, Arizona, and Joseph Rutkowski recently returned from Chicago and points west.

Returned to duty from recent illness is George Farrell.

Employees in sick bay are John McCoy, Emily Feminella and Flora Perryman.

## St. Lawrence State Hospital

JOHN E. GRAVELINE was recently elected president of the St. Lawrence State Hospital chapter, CSEA, for the 1953-54 fiscal year. Other officers are Frank DeJulio, vice president; Helen Dilcox, secretary; Frederick Kotz, treasurer; Hugh Story, delegate; and Leon Haley, alternate. Members of the Executive Council elected to two year terms are Irene Cunningham, Margaret Creighton and James Legault.

Anna Holland, of Collection, former secretary to the Chapter, has retired from State service.

An executive board meeting will be held June 22 at the Blackstone Hotel.

## Pilgrim State Hospital

Mrs. VIRGINIA McALLISTER is the new assistant in the school of nursing at Pilgrim State Hospital. The chapter extends its welcome to her.

Mrs. Mae E. Dealing, R.N., is principal of the school of nursing, succeeding Mrs. Kazamier K. Firth, R.N., new chief supervisor of the Edgewood division.

Eleanor Shaken, R.N., Building 10, has returned to her job after being ill.

Mr. and Mrs. Vincent C. Angelo returned from a vacation at Potsdam, N. Y.

Vacationers this month are Fred C. Woelber, Samuel Green, John Higney, Antonio Armada, and Frank Campbell. We wish them all good fishing.

The Pilgrim chapter is engaged in a fund-raising drive and offers cash awards for results. Get in touch with Edward J. Kelly, Building One.

Mr. Kelly will attend the meeting of the Association in Albany in July. Any one who has problems may communicate with him and he will be glad to bring the topics before the meeting.

## Manhattan State Hospital

THE CHAPTER officers and members were sorrowed by the news of the death of August Krauss, Gus, as he was known to many, had 35 years of State service. Deepest sympathy is extended to his family.

Reallocation of all maintenance men for a two-grade salary increase is an objective of the Middletown State Hospital chapter, according to a letter to the MSH chapter president. Manhattan State chapter is offering full support.

Horseshoe teams of the shops and power house continue to show great promise. With such pitchers as Dead-Eye Bob Magee, Wipem Burfield, Slippery Sopagee and Ringer Moran, the competition is terrific. "Wayup" Sullivan is telling the boys how he used to do it 20 years ago.

An annex to the Community Store is expected to open for business shortly.

## Monroe

MONROE CHAPTER was busy with plans for the annual picnic which took place June 16 at Willow Point Park. A large share of the membership was present. Invitations were extended to officers and members of the Erie chapter. Jack Kurtzman, our field representative attended.

Ballots for the election of officers have been mailed to all members, and the returns are now coming in.

James Campione is passing out cigars and candy. Congratulations on your new son, Jimmie.

We are sorry to hear of Kathryn Shaw's illness. All the members of the chapter wish her speedy recovery.

Walter Redden has retired and will make his home in Florida. Members of the Engineering Division, with which he served for many years, gave him a party and a farewell gift. Ruth Vetter did most of the work getting the party under way; and everybody, including the guest of honor, had a good time.

We are glad to hear that Virginia Dannahe has returned to work. She was in a hospital for a short while.

Angela Ricotta and Mae Kelly have left for a trip to NYC. May Cohen has a new car.

## Central Islip

ALL OFFICERS were unanimously reelected at a meeting of the Central Islip State Hospital Chapter, CSEA. They are Thomas Partell, president; Michael Murphy, vice president; Mrs. M. Miller, recording secretary; and Mrs. E. Kleinmeier, treasurer.
