University Senate Meeting 10/12/22

- The UFS Fall Plenary will be October 20 – 22 at Purchase College.
- Albany's UFS Senators will meet with other University Center senators on Thursday, October 20 to discuss issues, concerns, and questions relevant to the U-centers, as well as generate a statement to the Chancellor that captures our shared concerns. We would like feedback from SEC and Senate ahead of that meeting, so we can best represent our colleagues here at UAlbany. Please reach out to individual UFS senators or use our form (<https://forms.office.com/r/QBVZKCVkg4>) to share your thoughts with us. We would appreciate responses by Monday, October 17.
