## HYMN.....AMERICA THE BEAUTIFUL

O beautiful for heroes proved  
In liberating strife,  
Who more than self their country loved;  
And mercy more than life!  
America! America!  
May God thy gold refine,  
Till all success be nobleness,  
And every gain divine!

O beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears!  
America! America!  
God shed His grace on thee  
And crown thy good with brotherhood  
From sea to shining sea!

College of the Empire State,  
Mother of an army great,  
Thou the moulder of our fate,  
Thee we sing today.  
Thine the hand with clasp so strong  
Holding, tho' the years be long.  
Thou the burden of our song,  
Thee we sing today.

Ways of pleasantness are thine.  
Leading where in wisdom's shrine  
Joy and cheer, and hope divine,  
Ever dwell for aye.  
Thine the voice whose call we hear  
Thine the hand which holds us near,  
Thine the heart, so true, so dear,  
Cherished, loved alway.

## NOTE ON ACADEMIC DRESS

THE HISTORY of academic dress goes back to the medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are common and uniform throughout the country.

THE GOWN — The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short or long sleeves with square base and arc cut for the master's degree; and round full sleeves for the doctor's degree. The bachelor's and master's gowns have no trimmings. The doctor's gown is faced down the front with black velvet and three bars of the same material across the sleeves—or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD—Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. Hoods are lined with the colors of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP—The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, except that doctors' caps have gold tassels.
