By KENNETH TAYLOR

It is perfectly conceivable that if an instructor of this institution announced in class that the world had just come to an end, the students in his class would merely copy this bit of information into their already well stocked notebooks without a murmur.

Important Criticism
One of the biggest criticisms on the part of the instructors is a lack of, as they put it, "intellectual aggressiveness" by college students. It figures that something must be wrong when instructors have to practically beg students to open their mouths in class. It does not seem to me that all the students all the time consider the verbalization of their professors as gospel or that they completely understand all the ideas and conceptions put forth.

There must be a reason or reasons for the lack of enthusiasm and reasons more specific than the usual excuses about being "a silent generation" or the other favorite "What's the use we all are going to be blown up anyway?" Granting the universal validity of these claims then why go to college in the first place? Why not just stay home and be silent and wait to be blown up. No, these reasons are feeble to say the least.

Discounting Excuses
So, if we discount the general ex-

Union College Photographic Society Offers Invitation To Join Intercollegiate Contest

Attention: Camera Clubs and Photographers. The Union College Photographic Society extends an invitation to participate in the 1959 Northeastern Intercollegiate Photographic Contest. This contest is scheduled to close April 1 to allow more time for colleges to prepare an entry.

Awards
A trophy will be awarded to the winning college entry. Individual prizes for the ten winning entries, and honorable mentions, will include photographic equipment, materials, and photography magazine subscriptions.

The judges for this contest will

be chosen among prominent members of the photographic profession.

Rules of Competition

1. The Northeastern Intercollegiate Photographic Contest is open to all students.
2. The only official photo organization on State campus, the Photo Service, will be responsible for entering the State College entry.
3. A preliminary screening is necessary since only 10 prints may be submitted from the college.
4. Prints to be considered for entry should be submitted to the Student Photo Service at the State College News not later than March.

The selection for the final entry will be arranged by the Photo Service.

5. If the contestant desires, the Photo Service will assist in the preparation of the final print which is to be submitted.

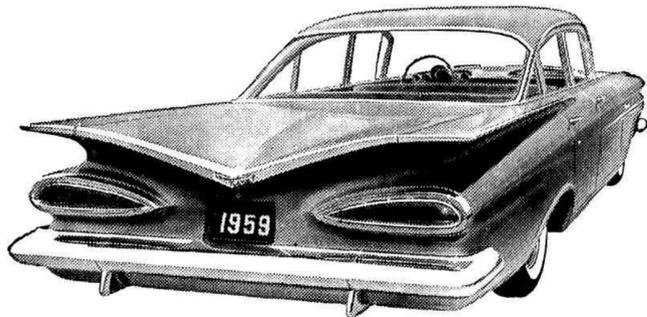

6. Complete Rules of the contest may be obtained from the State College News Office.

Exhibition

The date when the entries will be judged is scheduled for April 4, 1959.

The best entries will be exhibited for a period of one week following the contest at Union College, Schenectady, New York.

GOES AND GOES AND GOES ON A GALLON!

Biacayne 4-Door Sedan shows the Fisher Body beauty of Chevrolet's lowest priced series for '59.

CHEVY'S NEW HI-THRIFT 6

More miles are back in a gallon of regular-grade gas—up to 10% more—and Chevy's new Hi-Thrift 6 engine puts them there. It also gives you more "git" in the speeds you drive the most.

Here's an engine that always seems able to coax extra miles out of a tank of regular-grade gas. In fact, if you're one of those drivers who keep tab on things like gas mileage, you'll soon see for yourself that this new Hi-Thrift 6 gets up to 10% more miles a gallon.

Another thing you'll like about this 135-h.p. 6 is the

extra pep it gives you for passing and climbing hills. This is due to higher torque at normal speeds.

It may be hard to believe anything that looks and moves like this '59 Chevy can be such a stickler for economy. But—whether you pick the Hi-Thrift 6 or a vim-packed V8—this is just one more reason Chevy's the car that's wanted for all its worth. Stop by your dealer's and see.

The smart switch is to the '59 Chevy!

now—see the wider selection of models at your local authorized Chevrolet dealer's!

Second Inaugural Day Takes Place Tomorrow

Tomorrow afternoon, in Page Hall, at 2 p.m., the information concerning the election results of last week will be announced. A total of 999 students took part in this year's election for Student Association and class officers.

Tradition of Inauguration Day
The ceremonies will begin with the singing of the Alma Mater, John Yager '59, outgoing President of Student Association, will then announce the election results which concern the Junior, Sophomore, and freshman classes.

Myskania
Immediately following the individual class election results, the Myskania results will be announced individually by Constance Olivo '59, Chairman of Myskania, and President Yager. The new members of Myskania will then be escorted to the stage by the outgoing members.

College Has New Registrar
Dr. Elmer G. Mathews, Associate Dean and Assistant to the President, announces that the new Registrar, Mrs. Esther Cook, will take charge of the Registrar's Office for Albany State College for Teachers March 30, 1959.

Previous Experience
The new Registrar, who resides in Preston Hollow, New York, obtained her Bachelor of Arts Degree from Skidmore University in Fine and Applied Arts. Before her appointment as Registrar for Albany State, Mrs. Cook was formerly employed at the United States Department of Agriculture in the Delmar office.

Diane Weber Davey, who served as Registrar, has already left her position in this college. Her work is now being done by Dr. Mathews.

Senate:

Senate Votes To Pay President \$200 Semester; Recommends Budget Appropriation For Next Year

By NATALIE LEMOINE

The Student Senate surprised many people last week by throwing tradition to the winds and voting the SA President a "compensation" of \$200 for this semester.

This could mean one of two things, either Senate has suddenly come alive and decided to use the power given to them constitutionally, or else they were lulled into taking a radical step by an old and apt debater. Actually, there were no solid arguments against the bill, and the ones for it were very convincing. No, John Yager will not benefit by the bill.

Appropriation
Besides voting a "Compensation" for this semester, the Senate also included in the bill a strong recommendation to the next Senate to include an appropriation of \$400 in the next Senate budget. This appropriation is for next year.

Big Four Fund
Senate is attempting to make money by combining the Big Four of the progress lies in the area of

Fund of \$500 to our present surplus of \$5,740, rounding it off to \$6,000 and depositing it in a Savings Bank, thereby collecting interest. At present the money is in a checking account, and as every good business major knows, earns not a penny. This is an intelligent proposal and is one that should be followed up by the new Senate.

Residence Council
Dolores Havens reported on the progress Residence Council has made in revising their rules. Most clarification. In a conservative stronghold like Albany, progress moves slowly and quietly.

The End
The final meeting of the '58 Senate was held Wednesday. The business at hand consisted of a finance bill to appropriate \$100 from surplus to send representatives to the Eastern States Teachers Conference in New York City.

A reminder do you really need to be reminded? of Inauguration Day, 2 p.m. at Page, and bouquets for John Yager.

In Memoriam
Mention of that name inspires this thought: ask for a lot, don't be disappointed with little, and never lose sight of your ideals. This seems to have been Mr. Yager's formula. It will take a big man to fill John's shoes, and whoever you may be, lots of luck.

Knotts Lectures To IC Today

"Liberal Arts in the Machine Age" will be the topic of Dr. Walter Knotts' speech to the members of the Introduction to College Course in Page Hall today at 1 p.m. Dr. Knotts is an Associate Professor of English at the College.

Guests Invited
It is expected that Dr. Knotts' speech will be of interest to members of the college other than those in the IC Course. Therefore, the balcony will be open to upperclassmen and faculty. Freshmen must sit downstairs.

Graduate of Harvard
Dr. Knotts earned his Bachelor of Arts degree at the University of British Columbia and his Ph.D. from Harvard University. He was first appointed to the faculty of State College in 1953.

This speech is one of the series being presented to the IC Course by members of the faculty and guest speakers.

College Theater Initiates Production Tonight; Slate Early American Play For Richardson

BETSY ROSS being proposed to by George Washington? No, Carol Stephenson and Robert Anderson in a scene from "The Contrast" opening tonight in Richardson Little Theater.

A new innovation is taking place in the State College Theater. For the first time in its history, the drama group will be presenting a play in the Richardson Little Theater. "The Contrast," an early American play by Royall Tyler, will be held tonight through February 28 at 8:30 p.m. There will be nine performances of this production, eight of which may be attended by students. The February 28 performance has been barred to State College students upon direction of Dr. Ellen Stokes, Dean of Women, who feels that this performance would detract from State Fair attendance.

The Director
Robert Harpur, Assistant Professor of English and a newcomer to State College, is the director of this play, which should prove still another treat for drama enthusiasts.

Harpur, the director of the Merry-Go-Round Summer Theatre in Sturbridge, Massachusetts, also directed a play off-Broadway last year. Harpur's direction of "The Contrast" should prove delightful to those interested in good theatre.

The Cast
The cast for "The Contrast" includes: Norman Shapiro, grad; Gail Anderson and Robert Anderson, Seniors; Donna Lee Anderson, Earlyn Chuck Huntress and Charles Weed, Juniors; and Arthur Jenkins and Carol Stephenson, Sophomores.

The Plot
"The Contrast" draws humor from the false follies and follies of young America. The nine characters in the play are reminiscent of a nation that was attempting to develop a culture and standards.

Some of the characters are affected and superficial, while others are natural and sincere. These are the people that one will not easily forget.

Dimple, the American who is trying to deflect the English, and Charlotte, who places excessive value on the fashions of the day, can never be forgotten. Nor can one forget "the true blue sons of liberty," Colonel Manly and his servant Jonathan, Maria, the sentimental female; Letitia, the chatty sophisticated; Jenny and Jessamy, servants; will all be remembered for their contrast and wit.

Schedule Frosh, Sophomore Class Banquets Tomorrow
In continuation with the original plans for Inauguration Day, the freshmen and Sophomores will hold their individual class banquets tomorrow evening.

Freshmen
Herbert's will be the scene for the Frosh Banquet which will commence at 7 p.m. The theme will be Mardi Gras.

Sophomores
The Sophomore Class Banquet will be held at Jack's at 6:30 p.m. It will feature dancing until midnight with music by the Starlighters.

Edward Haynes Sargent, Associate Professor of Education, will be the guest speaker.

Tickets for the banquet are \$1.00 per person. Unless more enthusiasm is shown for the event, it will probably be cancelled.

Inauguration Day Schedule

- Tomorrow, Page Hall, 2 p.m. Alma Mater

Bewitched . . .

Last year at this time the big push on campus was Inauguration Day. It needed big publicity and people had to be convinced to go. They were assured that it would be big, important, and impressive.

This year, we're glad to say, this campaign isn't necessary. Everyone is going. This year there were thirty people running for Myskania, and two fairly equally qualified candidates for president. Each class had ample nominees and good competition; as a consequence no one wants to miss Inauguration Day.

It's a far cry from last year's apathy and long lists of declinations. The student body, with some exceptions, seems to have come alive and we think it's great. See you tomorrow.

Bewildered . . .

Why do we have the 2.5 average clause in the SA Constitution? Originally, the 2.5 came about as a compromise between those students who thought it should be a 3.0 average, those who thought a 2.0 would suffice, and the minority of students who did not believe an average was necessary. Actually the average could have been set at any number.

In the elections last year eliminating the average became a personality contest between two potential candidates. This year Senate tried to eliminate it several times, however it remained in the Constitution. Our candidates for election were therefore limited, with probably the most capable candidate .03 away from the needed average.

When the average came up for a SA vote the last time, did you know what you were voting for? We feel that the wording of the resolution was confusing and perhaps the students did not understand what the amendment was saying. However, if you don't want the average completely eliminated from the Constitution, let's try another compromise in numbers.

A person holding a 2.0 average has no business running for the office and being elected if he plans to graduate with his class. This student apparently has trouble with his grades and should use his better judgment, devote his time to study, and graduate. However, let's face it, many people in trouble with their grades are tempted to run for office. If it is necessary for you, the student body, to keep this individual around for graduation, then we need the average clause. Is it really necessary though?

You have the right to think that we need the average clause. But, don't you think it should be lowered to something in the region of 2.25? With this average the person could get approximately one semester of "D" and still have a 2.0 at graduation. Remember, if the average had been set at 2.25, there would have been several more candidates for SA offices in the past two years. Blank ballots hit a record high this year! Dissatisfied with the candidates?

Tribute To John . . .

SENATORIAL RESOLUTION

Whereas, you have given inexhaustibly and unselfishly of your time and talent, and

Whereas, you have put your whole heart as well as your head into student government at NYSCJ, and

Whereas, you have remained personable and efficient even in moments of great political stress, and

Whereas you have invested in well over \$200 worth of aspirin to ease the pain for forty-eight hour-a-day activities, and

Whereas, you, in summary, have given your all to the betterment of governmental, environmental, and administrative causes on this campus,

Be it resolved that, the Student Senate of the 1958-1959 term, acting on behalf of all its constituents, hereby recognizes and extends official appreciation to you, JOHN YAGER, President of the Student Association, for in short, a terrifically hard job very admirably done.

The Student Senate
Seconded by Student Association.

Kapital Kapers

By GEBHARDT and PASQUERELLA

For those of you who missed Roger, we cast evil spells on you and deport you to work in the salt of Lower Slobovia, otherwise known as the downstairs library. Wagner was excellent and you could tell that the audience was intellectually by the way they tore the house down after such numbers as "Oh Dear" and "Oklahoma."

The actual program was in excellent taste, but Gregorian Chant and jazz combined, oh well, nothing is sacred any more. They have even made "Star dust" into a popular song. Wagner sized up the audience, and came to a very intelligent decision—walking to the side of the piano every time he was ready to receive applause.

PALACE

Tonka—Disney go home! You were doing such a fine job on TV, why must you spoil it with this garbage? Sal Mineo completely baffles the audience as he appears on stage dressed as an Indian, minus guitar, bongos, and echo chamber. Disney tries to rejuvenate the red man-white man conflict, but degrades it into a ugh-grunt-groan affair. This film could possibly win an Oscar as the most foul western of the year.

RITZ

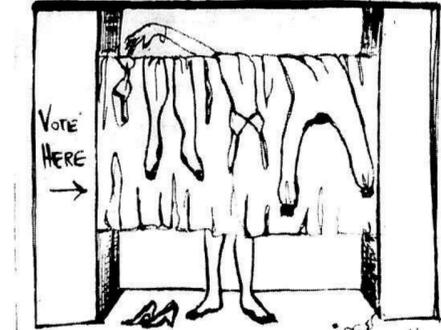

South Pacific—Congratulations, Ritz! We are pleased that you have dropped horror movies long enough to show this Broadway epic. Rossano Brazzi will never replace Ezio Pinza, but at least he has the accent. Have you ever heard "Some Enchanted Evening" sung by someone with a mouthful of pizza (with anchovies yet)?

STRAND

The Hanging Tree—Maria Schell, Gary Cooper, Ben Piazza. "Better than High Noon," says Hedda Hopper. That should in itself be enough to sell you on this keen flick, but you're not going to get away that easy. Never again will you have the opportunity to see the Montgomery Ward seed catalogue in living color and Todd-AO. Page by page yet!

MADISON

The Inn of the Sixth Happiness Ingrid Bergman, Curt Jurgens. Ingrid is featured as a school teacher advocate of progressive education. Her principles are thrown up in her face when several of her charges embark on an 0.25 of parental homicide in order that they may attend the annual W.C.T.U. orphans' picnic. She is forced to knock-knock, noddy-schuck her class halfway across China in order to escape the wrath of Jurgens, the sly crafty school board proxy. A must for those of you in either Ed. 20 or 21.

"The paths of glory lead but to the grave . . ." Oliver Goldsmith

ELATED ELITE

What with young hopefuls offering to take us to the polls and crying on our shoulders that they'd "never win" . . . yes, we voted.

Predictions:
SA President—can't you read vertically?
SA Vice-President—oh, dear, can't spell it!

Myskania—don't feel up to selecting a meager thirteen out of such a well-qualified thirty. Besides, we're superstitious. Do it yourself.
Class presidents—Hooker, Donato, and Brooker (see how they rhyme?).

INTRIGUE

We haven't been able to get all the details but we understand that we have the opportunity to get in the swim. How can we complain about not having swimming facilities when we have a place to go. So far passive resistance has worked well. If none of us go, we'll lose the facilities, and then we can complain again.

NOW YOU KNOW

There's a bright golden candy coating on the M&M's. Now ya see we figured that the M&M signs appearing like measles in the halls, were for State Fair. State Fair reminds us of Oklahoma. With a little imagination you can fit our first line to the melody of a song from the play Oklahoma. One of these weeks we're going to explain our whole column.

SUSPENSE

Will it rain on Saturday? Will he walk to Page Hall with her? Will we have honored guests? Will there be a star on my crown when the roll is called up yonder on the stage? Will you go for fun, even if the "Common-staters" didn't predict you?

TO THE THEATER

There are eleven hundred of us who can't. CONTRASTed to nine hundred who can. If the evening is worth nothing, the price is still fair. CONTRASTed to huge profit if the performances are as good as previous ones presented by this group. Sometimes our writing makes a remarkable CONTRAST to good writing.
EQUILIBRATE
We have yet to mention our Co-Eds. . . . Maybe Co-Eds are the solution to the world's problems. Ours are beautiful, gracious, intelligent, sometimes belligerent, lithe, conscientious, demanding, and so far efficient in addition to these many adjectives, they mentioned us in their column last week. Now the scales are balanced, which incidentally is what our lead line means.

INCREDIBLE

Page Hall was jammed Monday night. Thought that only happened at State College Revere or (in years past) compulsory convocations. Only eighty tickets went to outsiders, too—wonderful! During part of the program, we wondered how many had come to listen and how many to see and be seen, and . . .

Anyway, we'd like to say that the music was superb come again, R.W.

NICE TALK

It's killing us, but we gotta! "Let us pause to mark the passing of an era." Mistakes were made, inevitably. But honest effort counts for much, and this John gave us. He tried, harder than we had any right to expect, to make something out of nothing. This was no easy job but we sincerely respect the attempt.

Senate Of '58-'59

Posing for nebbishes? No, just culminating a confusing year on Senate. Take us to your leader, group—he was good!

Senate In Review

By CHARLES FOWLER

The second legislative session under the new constitution was called to order February 26 by the gavel of newly elected President John Yager.

Senate got off to a good start by firmly establishing its rules of procedure for all bills presented to them. Senate committees were set up to review the bills before being brought onto the Senate floor. It was felt that many time-saving points could be quickly summed up in a committee report rather than spending an hour or two on the Senate floor to bring them out.

April 23 the first of five attempts was made to introduce a constitutional amendment to change in one way or another the 2.5 academic requirement for the S.A. President. Finally passed in December and presented to the student body, it was decidedly defeated.

Budget time rolled around and President Yager came up with an answer to the long time problem of approving organizations' budgets. All budgets this year were first presented to the cabinet ministers of the respective areas for their approval. After cabinet had approved the budgets, they were presented to Student Senate in book form May 7. The entire Senate was then divided into finance sub-committees which again reviewed the budgets before the total budget of \$39,759 was approved by the Senate as a whole May 23.

A completely revamped Rivalry program was also approved during the last days of the first legislative session. The major changes involved in the plan included the establishment of the Ped Kangaroo Court and the shortening of the Rivalry Later in October, suggestions and

complaints began to flow into Senate concerning areas under the jurisdiction of the Faculty-Student Corporation. Dean Hartley attended a Senate meeting and briefly outlined the function and activities of the corporation. This was followed by the appointment of a special Senate committee to meet with President Collins and discuss further the FSA and its function on campus. With the onset of a suit against the city and county of Albany by the FSA, President Yager requested Dr. Collins, also President of the FSA, to speak before a combined meeting of Senate, Myskania and Cabinet and try to clear up the many misconceptions resulting from publicity on the trial.

This Senate has made some mistakes, but these were far outweighed, I feel, by the progress it made in the direction of establishing its function in our new form of government, and in ironing out the procedures which future Senates will follow.

Roger's "CRKAL" was here and seats were as scarce as mice at a pussy cat convention. Einstein would have appreciated the harmonic applause of the audience (dressed like burros at a fair) showing their appreciation for a program (the first ball at least) about which I'm only as sure as I know little or nothing. Admit that? Not I. I'm cultured. It was great. What was it?

Don't get me wrong. I think it was good; the encore at least, for the rest of it was above me. It would have been NICE if we had a little more of an explanation as to what the music meant (the story behind it) not just the 63rd of Bach.

Affairs Of State

By ELAINE ROMATOWSKI

State College is getting up in this world—with voting machines, full scale campaigning, and posters of every size and shape proclaiming their wares to the pedestrians of the peristyles. If one didn't know better, one might think that this was truly a politically minded campus.

When election time at State draws near, the only students who give a thought to qualifications, averages, or experience are the candidates. The average student voter tends to base his decision on popularity, dates, and/or good looks. Or perhaps, if he is in a hurry, he will pull the lever near the name closest to him; sometimes, if he is in too much of a hurry, he won't bother to vote at all.

A further proof of disinterest in politics on the part of the student body lies in the fact that there is still only one political party organized as of now. Granted, of course, that most of the upperclassman candidates are well known

Language Profs To Speak For Pi Gamma Mu

The Delta Chapter of Pi Gamma Mu, National Honorary Social Science Fraternity, announces its sponsorship of a Social Studies Evening, Wednesday, 8 p.m., in the upper lounge of Brubacher Hall. The theme under discussion is work, study and travel abroad.

Speakers
Dr. Edward Shaw, Professor of Modern Languages, will speak on study opportunities abroad, while Dr. Wesley Childers, Professor of Modern Languages, will discuss foreign travel. Bruce Norton '59, who spent last summer serving the City of Albany as Community Ambassador to the Netherlands will also speak.

Colorful slides will accompany the speeches and there is time set aside at the end of the evening for questions. All State College students and faculty are invited to attend the program.

Garciamen Take On Lakers; Meet Union On Wednesday

By DAVE MILLER

A revamped edition of the team that lost to Farleigh Dickinson by a 22-10 score a week ago in Page Hall gym will go to Oswego tomorrow to face the strong Lakers in a 2:30 match that will pit the Peds against two of the section's best wrestlers in the annual mat meeting of the two schools.

The Lakers sport unbeaten Joe Farmer in the heavyweight bracket and 147 pounder Pat Augustine, who was decided by Charlie Kane two years ago, as well as a deceptive 2-3-1 record that includes a tie with RPI and wins over University of Buffalo and a Canadian school.

Creepers, KB, Terriors Take Hoop Honors
By MIKE COYLE

The AMIA basketball league is growing to a close with only one week of regular season action remaining. Championship teams are being rapidly placed.

Decide On Double Tourney
Commissioners Uprcraft, Barbegellata, and Shephard announce the championships to be decided by a double elimination tournament. The top two teams in each league will draw a bye on the first round. In a double elimination tourney, a team must lose twice in order to be disqualified.

Peepers Win
On last Wednesday, the Peepers of the third league, downed Jackson House, 94-22. High man of the game was Ron Graves of the Peepers with 24 points. Leading scorer for Jackson was Thomas with six sinkers.

Also on that same night, the Terriors beat the Creepers, 36-30. High man for the game was Dibble of the Terriors hitting 19. Altman led the Creepers with 11 points.

The third attraction of the night featured the Aces' win over the Huns, 63-55. High man of the Aces, displaying a remarkable scoring ability was Healy who hit 38.

KB Over SLS
On Tuesday KB met and outscored SLS, 48-33. This game marked an important event for both teams since it decided who would hold second place in the first league.

Continuing our series in predicted basketball scores, we feature the State vs. Plattsburg game. Winners of last week's predictions will receive word through student mail on how to collect their cigarettes. Entries must be in before four o'clock today in the State College News mail box on the bulletin board by the Co-op. State. Plattsburg.

Sauersmen Set Sights On Cardinals In Main Attraction At Plattsburg

By DAN LABELLE

Another long trip awaits the squad as they travel north tomorrow to meet Plattsburg State. The Cardinals, upholding a 9-5 record, will be paced by Jack Potter, towering a short 5'8". Short men and hustle will prove to be a major asset to the host as they face a tall local live. On the starting lineup for the afternoon game will be Holway, Bearden, Cohen, Baughan and Baumes.

Team Spirit At Best
The return of Don Bearden proved to be an omen to the Sauersmen, as team spirit rose to its peak last week in the Pratt game. "Don's presence has certainly done something to better the team's attitude" stated Sauers. "If we can keep up our spirit to where it is now, we will prove to be tough opposition at the tourney next week."

Devils Dampers Peds
On Wednesday night the Ped squad took on a 12-5 record as they succumbed to a powerful New Britain team, 76-67. The Sauersmen suffered a cold hand in the first half as they hit 8 for 33 to bring the 20 minute score to 44-21. The quintet however bettered themselves in the second half, hitting fifty per cent and coming up to six points behind the Connecticut Teachers College. Cohen who is "finally living up to his promises" took honors, hitting 23 points and taking 14 rebounds. Don, usually playing on the inside, switched his offense and took seven of the nine sinkers from the outside of the circle. Holway seconded with 18 points and 11 rebounds.

Peds Powder Pratt
The Cannoniers left Albany still in a daze after losing 99-64 to a hot Penguin squad last Saturday on the home hardwood. Cohen took hoop honors with 21 points and 10 rebounding. The Brooklynites, hit-bounds; Gary seconded with 19 points and 13 rebounds. Eric paced by Dick Witt who totalled 21 points. The JV's won the preliminary, centered his action in shooting, has swamped Rotterdam Teachers, concentrated lately on defense and 107-69.

"Rat" from Pratt falls Don Bearden's try for loose ball in Saturday's game. Peds overwhelmed the Brooklynites, 99-64.

From This Vantage Point:

Sauersmen Travel North
By JIM DOUGHERTY

The bulk of the present national basketball talk concerns itself with league championships and tournament invitations. On this campus we don't belong to a league for which we can win a championship, but we do have a tournament invitation. Coach Dick Sauers and his Peds are setting their sights on the New York State Teachers College Invitational tourney at Oswego.

Sauersmen Go North Next Week
State has been notified that it will be one of the eight teams to participate in the event to be held Feb. 26, 27 and 28. At this time, the high-flying Peds will seek to better last year's fifth place finish. Host team Oswego is the defending champion and Cortland is favored to cop this year's honors. Cortland was the victor of the inaugural tournament in 1957.

State Seeded Near Top
The eight teams to appear in their present order of seeding are: Cortland, Oswego-Albany (tie), Buffalo, Plattsburgh, Geneseo, Brockport and Oneonta. The final seeding will be based on the Dunkel ratings for this week. By Monday, the Sauersmen should know who will be their opposition in the opening round.

Opening round games will pit those teams seeded as follows: 1-5, 2-6, 3-7 and 4-8.

Big-Time News: Oscar Robertson, a Cincinnati Junior and 1958 All-American, has established a new school scoring record. In his last outing the "Big O" scored 43 points to surpass the all time school record held by NBA pro star, Jack Twyman. Robertson has scored 1612 markers in 47 games for a 34.3 average. Twyman's record was 1598 points in 90 games. The books show how it was Robertson that made the Bearcats an overnight national powerhouse.

L&M is Low in tar with More taste to it

Don't settle for one without the other!

©1959 Liggett & Myers Tobacco Company

"L&M is kindest to your taste," says James Arness. "There are two good reasons why I know you'll like 'em. They're truly low in tar, with more exciting taste than you'll find in any other cigarette."

LOW TAR: L&M's patented filtering process adds extra filter fibers electrostatically, crosswise to the stream of smoke... makes L&M truly low in tar.

MORE TASTE: L&M's rich mixture of slow burning tobaccos brings you more exciting taste than any other cigarette.

LIVE MODERN... CHANGE TO MODERN L&M

The Facade

By DAVE FELDMAN

Maybe I am getting mellow with age, but I have been looking for the good things at this school.

Year-End Survey

Perhaps it is apropos at the end of a "political year" to make a survey of such things. At any rate it may serve as a reminder to those whose elections will be revealed tomorrow.

Do not look for any laughs or chuckles this week (if you ever did find any, that is) and if this gets too overdone, just stop. You really will not be missed.

I wonder how many freshmen and Sophomores realize that they are witnesses to the end of an era of sorts.

The first full year of this government will culminate tomorrow. If we are not overly appreciative of the job that has been done perhaps the fault lies in the human fallacy to gripe about mistakes and to expect things to be well done, no matter what the circumstances. It is a truism that we are not content with the good until it is taken from us. Perhaps this is good. At any rate the picaresque of the gripes stand as a testimonial rather than as an accusation.

And The Administration

This year has also seen the completion of one dormitory and the continued construction of another.

IFC Schedules Journalist To Appear At Two Movies 'News' Cub Class Tuesday In Draper Hall

Machines take over tonight at 7 and 9 p.m. in Draper 349 when Kathryn Hepburn and Spencer Tracy star in the comedy "Desk Set." The cinemascope production is being presented by the International Film Group.

Battle Of Sexes

The plot revolves around the battle of the sexes as the girls in a T.V. Studio office are threatened by the installation of an electronic brain. Female scheming and con-ning lead to romance and deletion of the electronic brain.

Jay Leshner, President of International Film Group, also announces that "Treasure of Sierra Madre" will be presented Friday, February 27.

In conjunction with the Cub classes now in progress, the State College News has arranged for Ann Olson to speak in Brubacher Hall, Tuesday at 7:15 p.m.

Miss Olson is currently with the Knickerbocker News, Albany's evening newspaper. She is a former editor of the Syracuse Daily Orange, of Syracuse University. Her topic will concern news writing and newspaper work in general.

Cub Classes

Although this is part of the Cub Classes the News is conducting, anyone who is interested in the paper work in general is welcome.

The classes are intended for undergraduates who are considering joining the staff of the News, and are held each Tuesday in Brubacher. They are followed by actual writing in the office, and are conducted by the Editors of the News.

Need For Cops

The Cub Classes and Miss Olson's talk were instigated by new report-ers who have joined the paper, and

ACS Chapter To Hear Talks

Dr. Joseph F. Bunnet, Associate Professor of Chemistry at Brown University, will be a guest speaker for the Student Affiliate Chapter of the American Chemical Society.

During his visit, his first lecture will take place Tuesday in Husted 250 at 3:30 p.m., on the subject "Some Aspects of Benzene Chemistry." "The Importance of Research in Undergraduate Curriculum" is the second lecture to be presented, which will also be held in Husted 250, Tuesday at 8 p.m. at the Jr. American Chemical Society meeting. He has conducted research on problems of organic reaction mechanisms.

STUDENT VOTE SELECTS HELWIG

Juniors Elect Paul Hooker As President

The Presidency of the Junior Class will pass from Robert Helwig, the new Student Association President, to Paul Hooker, Jr. of Draper 349, who has been elected President of the Junior Class. The Class will elect the new Secretary and Treasurer for once again they are Donna Harris and Catherine McLaughlin, respectively.

ROBERT HELWIG, newly elected Student Association President, receives the gavel, indicating his office, from John Yager who has served as President since February, 1958.

Senators

Four of the seventeen candidates for senate were eliminated by a Myskania preference. The following ten were elected: Elizabeth Aceto, Robert Battaly, Rose Carbone, Ann Foley, Charles Fowler, Patricia Genovese, Audrey Hurd, Jean Knapp, Joyce Donohue, Nancy Rishel.

Voters

There were 207 ballots cast for Junior class officers. This made the quota 31.

Honorable Mention

In the race for President, Vice-President, Secretary and Treasurer the following deserve mention: Douglas Penfield, David Mead, Josephine Petrucci, and Rose Carbone, respectively.

Don Donato Will Head Class Of '61

The Class of '61 elected Donald Donato as President by a total of 108 more votes than his nearest opponent, William Pasquarella.

Louis Wolner won the Vice-Presidency by a total of 47 more votes than his nearest opponent, Bradford Mundy.

Gail Kasparian was elected Class Secretary, and Lucille Jacobson was elected Treasurer.

Senators

The ten Senators for the Sophomore Class are: James Chavell, Sandra Doster, Barbara Gladysiewicz, Joan Heywood, Susan James, John Johnson, James Kelly, Jack Lewis, Mary Jane Shepherd, John Sullivan.

Statistics

The quota for the class was set at 41. This is 19 per cent of the voting members of the class. The number of voting members was 273.

The Sophomores had four candidates for President, six candidates for Vice-President, four candidates for Secretary, six candidates for Treasurer, and thirty-three candidates for Senate.

Eliminations

Donato was eliminated from the Senate race by preference. Also, Miss Shepherd was eliminated from the race for Treasurer by a Senate preference.

25 Votes Decide Presidency; Dougherty Serves As Veep

The race for the Presidency of Student Association was won by Robert Helwig by a total of 25 votes. Out of the 939 votes cast, Helwig received 412 and Douglas Penfield received 387. A total of 140 blank ballots were cast. It should be noted that the number of votes cast was only two more than the number cast in the Hinck-Tate election in 1957. Since then the student body has increased in number, but apparently decreased in political enthusiasm.

Vice-President

James Dougherty won the election for the Vice-Presidency with a total of 538 votes against a total of 401 blank ballots. Dougherty served as a member of Senate for the past year and as Sports Editor of the State College News.

Helwig has served his class in the position of President in both his Freshman and Junior years. He is active in dramatic productions here on campus.

Cabinet

Because of a renewed enthusiasm for Myskania both Helwig and Penfield did not name the members of their respective Cabinets. The Junior Class, apparently remembering the prestige of Myskania in their freshman year, as a rule, preferred to run for that office than to serve on Cabinet. The trend last year involved competition for Cabinet posts. The appointment to Secretary of Student Association has not been made. Last year it was an appointment in the freshman class, but this is not a precedent that must be followed. It should also be pointed out that Cabinet need not be composed of Juniors as it was this year.

Old Myskania Taps Thirteen Successors; Seven Women, Six Men Receive Honor

Seven women and six men were tapped to Myskania this morning by the old members of Myskania that were on campus or able to return to the event.

The new members of Myskania include: Catherine Antonucci, Treasurer of the Junior Class, Cheerleader, Co-Chairman of Campus Chest, Chairman of Social Calendar; Joan Cali, Vice-President of the Junior Class, Chairman of Parents' Day, Junior Prom Queen; David Feldman, Student Guides, Fresh Handbook Editor, Poetry Editor of the State College News; Donna Harris, Finance Chairman of State Fair, Treasurer of WAA, Secretary of the Junior Class; Paul Hooker, Student Senator.

Student Guides, Chairman of the Homecoming Week, State College Review, Junior Weekend Committee; Steve Hoover, SMILES, State-Senator, Collegiate Singers, Rivalry Assessor, Publicity Director of Junior Weekend; Frank Krivo, Debate Council, Class President; Nancy McGowan, Senate, Senate Constitutional Committee, Co-Chairman of Campus Chest; David Mead, Senate, Freshman Class Guardian, Junior Guides, Ped Ped Party; Katherine O'Connor, Senate.

Douglas Penfield, Senate, Acting Chairman of Ped Political Party, Varsity Club; Marian Silverstein, State College Review, Co-Chairman of State Fair, D.N.A. Council, Student - Faculty Committee, Collegiate Singers, Co-Chairman of Advertising for Winterlude; Rosalie Walsh, Senate, State Fair, Election Commission, Co-Guardian of Class of '62, Co-Producer of Albany State Radio Group, Homecoming Parade Committee.

Yager Addresses Assembly For Presidential Farewell

A year ago today, I stood before you and took the oath of office as President of your Student Association. At that time I outlined my proposed program for the coming year. Since that memorable day, I have seen parts of that program become reality. Yet, there is still a great deal to be done by future Student Association Presidents.

I'd like to thank my Cabinet members for their patience and aid in helping to solve student problems. To the weekly Wednesday night class, Student Senate, my sincere and appreciative thanks for your long hours and hard work. To our judicial body, Myskania, your continued interest and assistance helped me tremendously. Our college administration was always anxious and helpful in dealing with the various areas of student interest.

I would like to pay special tribute to four people who really made my job so much easier and enjoyable. I found this to be true in every aspect of college activity. To those of you who sat on desk, counted bal-

Frosh Choose Dave Brooker For First Year

A total of 344 freshmen went to the polls to decide the future of their class. These voters elected the following officers for the coming year: David Brooker, President; Susan MacFarlane, Vice-President; Patricia Jones, Secretary; Madeline Rutledge, Treasurer.

Arthur Bryant, Susan Byron, Mary Ann Calderone, Frances Cicero, Jon Curtis, Patricia Kadick, Richard Nottingham, Sally O'Connor, Anne Smith and Elizabeth Timney were elected to Senate.

There were 46 members of the class running for the Senate positions. Only one of these nominees was eliminated by preference.

Runners-Up Because of the great number of candidates for office this year it is felt that the second place candidates for the various offices should get honorable mention. These are: Robert Steinhauer, Paul Turse, Rochelle Kellerman and Mary Ann Calderone, for the offices of President, Vice-President, Secretary and Treasurer, respectively.

Honorable mention on the Senate slate should go to: Natalie Clark, Clifford Demorest, Rosalie Paterniti, and Robert Pollero.
