Congratulations to colleagues in our Department of Educational Policy & Leadership in the School of Education on the final New York State approval and registration of a **Master of Arts (M.A.)** Degree Program in **International Education Management & Leadership (with distance education delivery authorization)**! Formal State approval correspondence is attached for your reference, along with the program proposal and a short amendment to it. The faculty are now authorized to promote and deliver the new program to prospective students.

As illustrated in the proposal, it may be expected that students will be able complete the 30 credit M.A. program in 2 years of year round part-time study, or the equivalent. I ask that responsible colleagues receiving this notice, as appropriate to responsibilities, take actions as warranted to establish the new M.A. program listings in the Grad Bulletin and University administrative systems. Thank you and successful implementation to all involved.
