Rationale

In response to a request from the 2014-15 Senate Chair Joette Stefl-Mabry that each Senate council examine its section of the *Senate Charter* and propose any updates as warranted, the GAC met on October 21, 2014 and recommended by a vote of 12-0-0 to propose the above changes. These changes were endorsed by the Governance Council on May 6, 2015.

The editorial change to X.4.6.2 **removes** unnecessary procedural references while maintaining the Council's authority in supervising graduate education on the campus.

The editorial change to X.4.8.3 **adds** clarifying language regarding the need for the Senate to take action to **both establish and modify** graduate academic policies.
