Our Hearts

Reach Out To You . . .

DEDICATION

We the Class of '76 would like to show our appreciation for two of the most outstanding teachers who have helped us through these difficult high school years. They tried to make things easier for us; always showing their concern and inter-

est for students whether its lending an ear or a shoulder to cry on. They are always there when you need them. So this year's dedication goes to Mrs. Susan Losee and Mr. Gustave Mueller. With love and admiration, we thank you ever so much.

1916: The MILNE HIGH SCHOOL

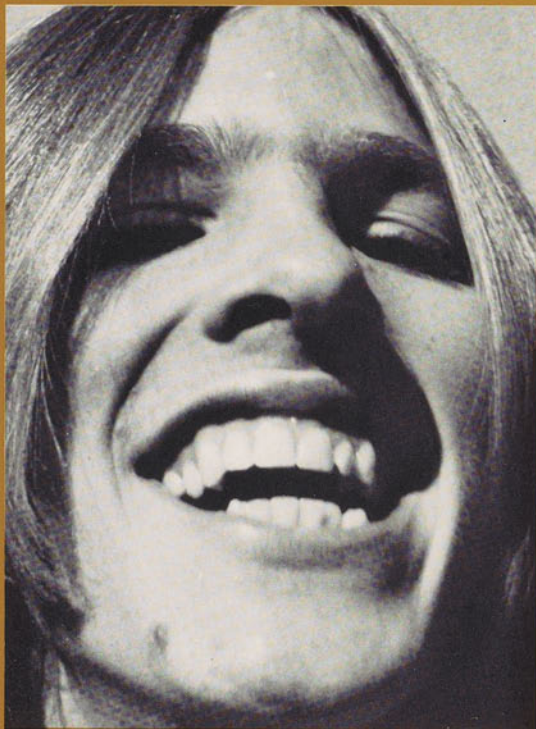

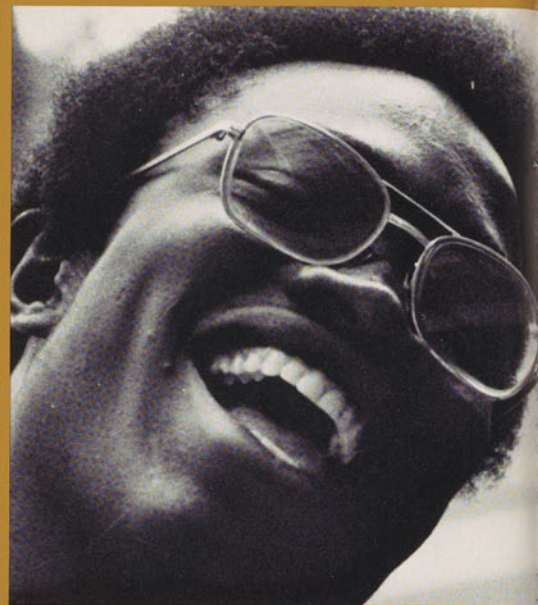

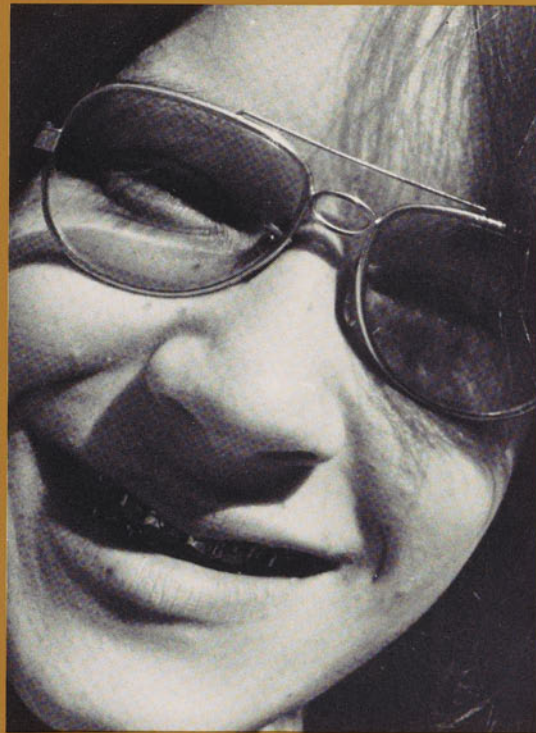

The name honored Dr. William J. Milne, who for a generation was the president of the college. In 1966 with the expansion of the college to a university center. The Milne High School retained its name as part of the School of Education of the State University of New York at Albany.

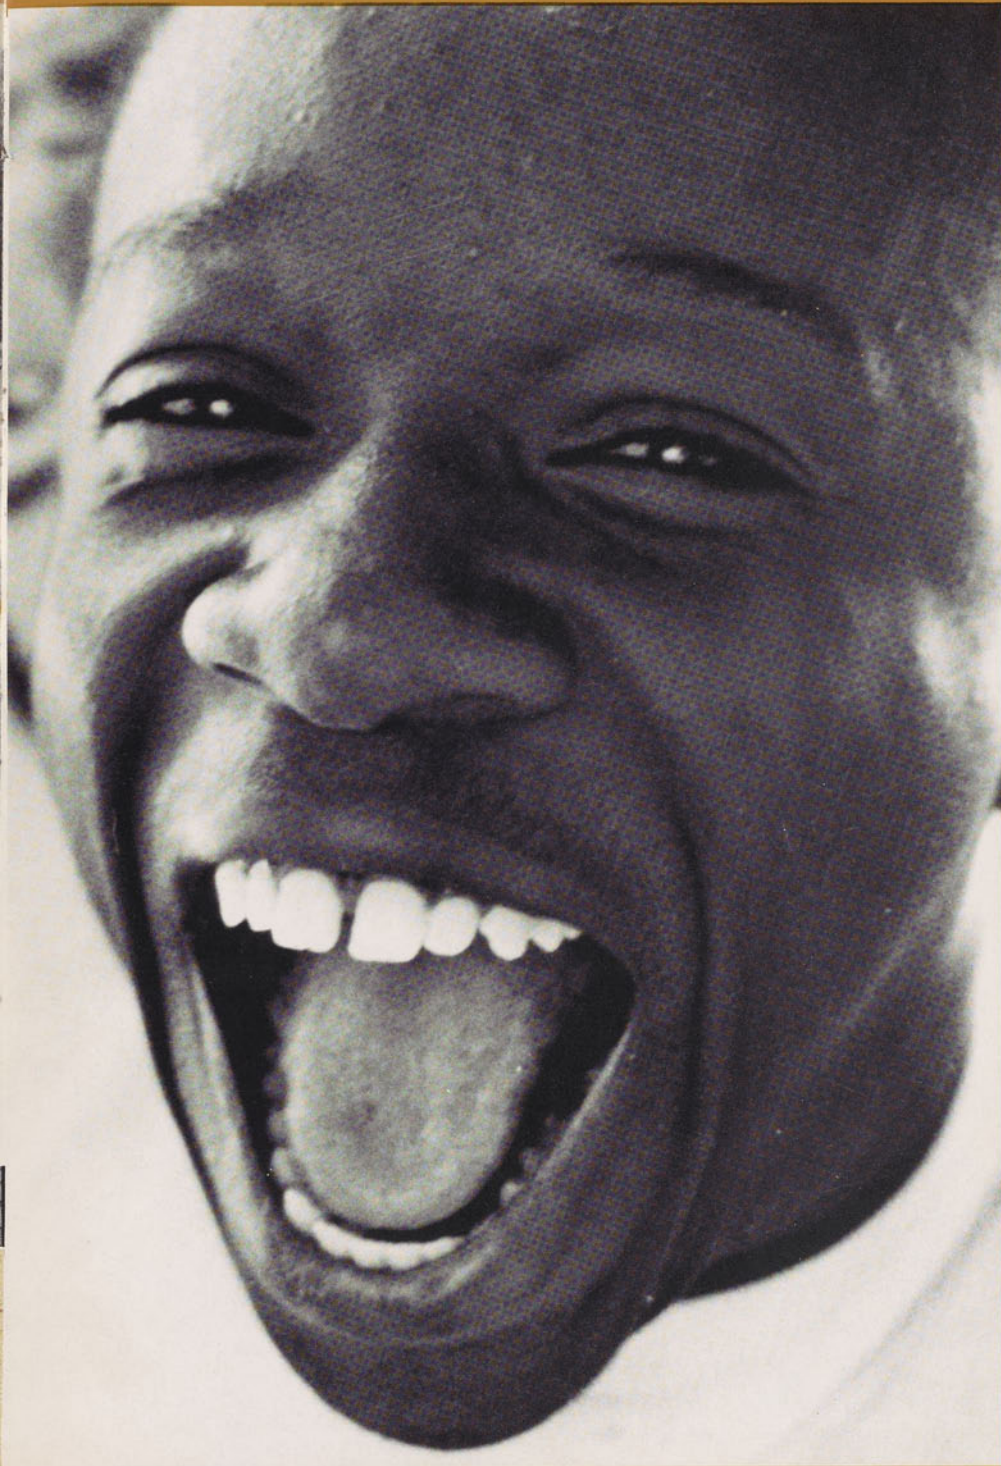

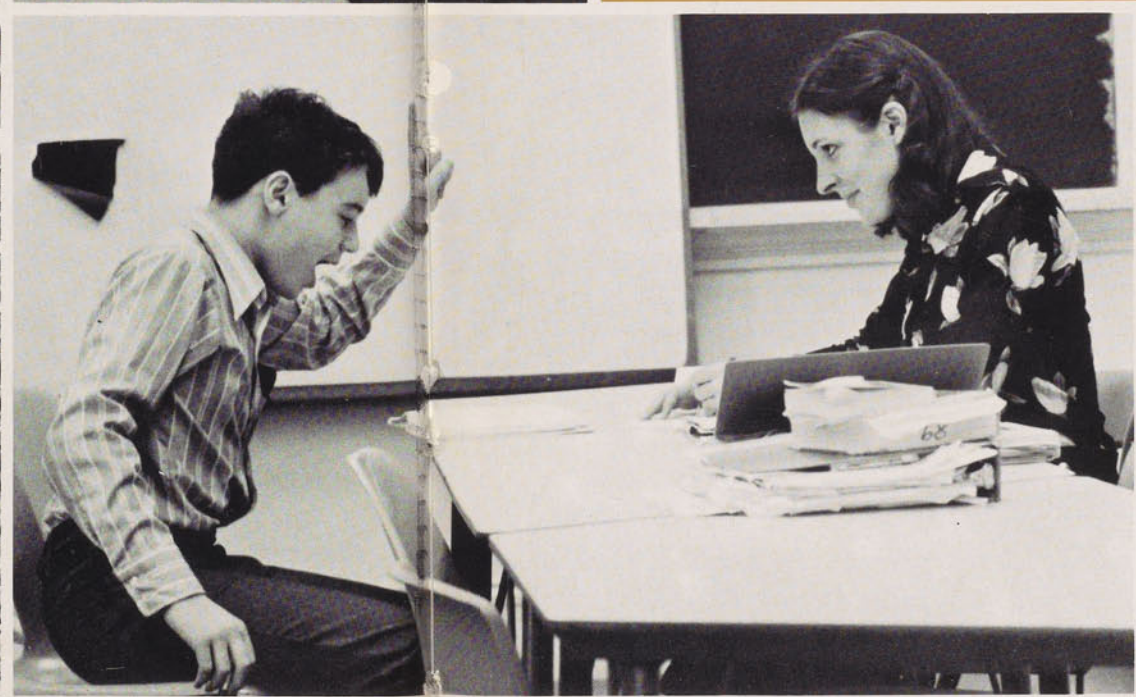

Entering a two-year phase out period, Milne is winding down a distinguished career of more than 130 years. Victim of the state financial crisis and changing currents in the University, the school received a re-trenchment notice in May 1975. The faculty was re-

duced from about 30 to 20 and the enrollment from 450 to 160 students as no new ninth grade was admitted and many students entered other schools. About half the student body will graduate in 1976.

Smiling Faces

STUDENT TEACHERS
 Milne is known for having undergraduates come down from the State University of New York at Albany for an eight week period. During this time the student teachers gain experiences and learn to cope with the different types of students in a class. While teaching they also took part in the school's activities as the faculty-senior basketball game and the faculty vs. the volleyball team. It's like them going through high school all over again.

CONTENTS

Two bench-warmers look at sports

The '75-'76 sports scene went exceptionally well. But not only the athletes who starred in sports competitions enjoyed phys. ed. Gym class was a place to relieve ourselves from the demanding school year and generally have a helluva time.

Who's on First?

The diamond is everybody's best friend in springtime

Above and top right: Jim Poletto makes another home run.

Center and bottom: The bench looks on.

Milne's baseball team won 13 of their 17 games. Doug Phillips led with 9 home runs. Paul DiLello had a 3 hit game to top his pitching season. This was Milne's first winning season in four years. Team members are: Mark Freedman, Dean Myers, Paul DiLello, Guy Drew, Ken Hasselbach, Doug Phillips, Hal Welch, Tracy Elliot, Paul Malinowski, John Tenny, Jim Poletto, and Dave Kramer.

Rugby Emerges

New kick for old school

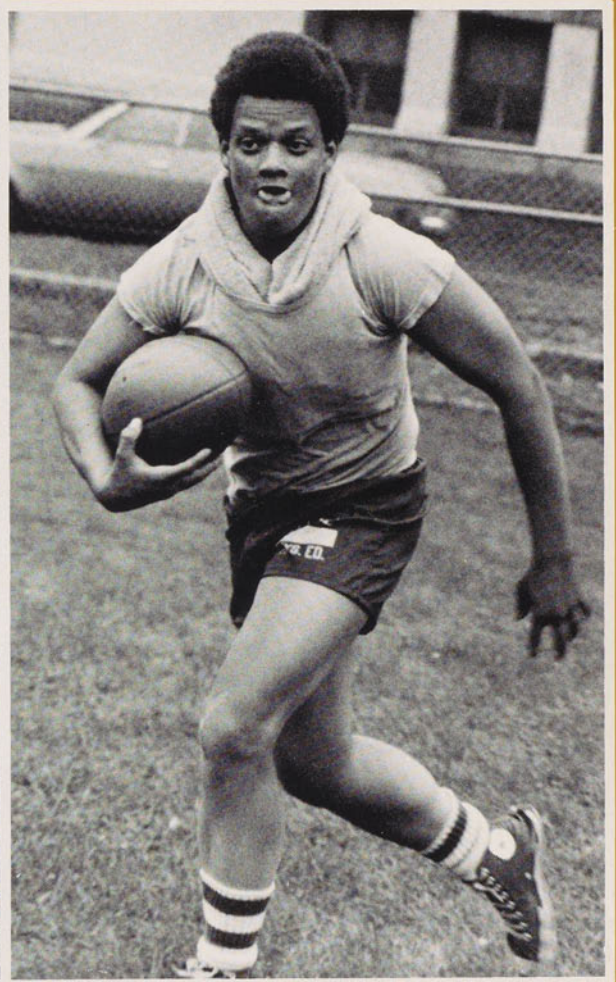

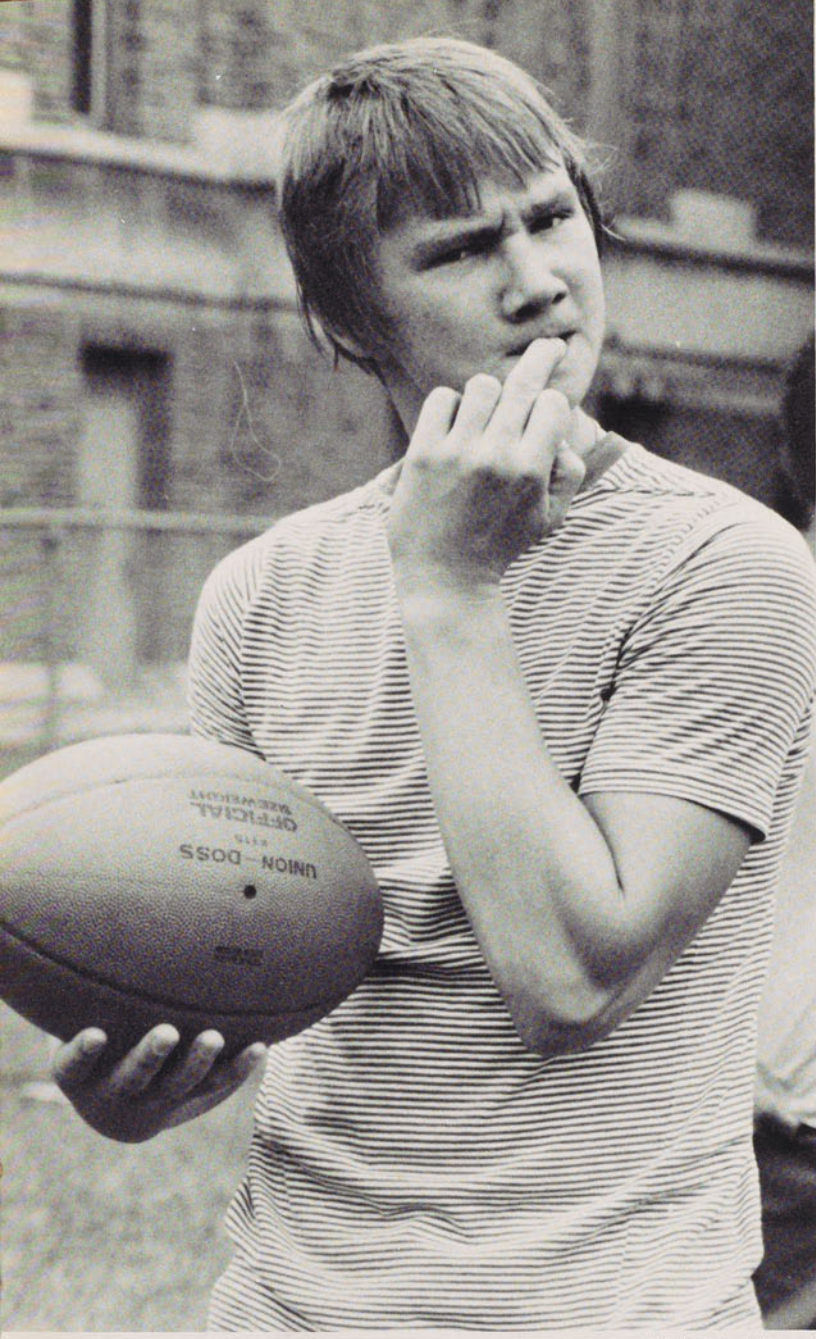

Above: The scrum kicks the game off.

Top center: Matt Geleta shows the tension of the game.

Far right: Robert Board tries to score.

Bottom center: Action continues in spite of fumble.

Rugby was introduced to gym classes by Mr. Jones at his first year at Milne as coach. The high action game turned into a high casualty game as the bruised and battered players made a daily line to the nurses office.

Girls Volly and Serve

The girls' volleyball team endured a hard season. Flanked by a small turnout and injuries they barely managed two victories. Led by co-captains Paula Emory and Sharon Windom, the team played hard in defeat. Also on the team was: Mary Beth McManus, Michele Henry, Sarah Hammet, Karen Hickey, Pam Mills, Fifi Poole, Debbie Williams, Lori Greenberg and Nancy Heisman.

Varsity Basketball

This year's Varsity Basketball Team had a pretty fine season. Lead by Captain Dave Leichenauer's 21.5 p.p.g. and 17.0 rebounds per game and Ricky Frazier's 16 p.p.g. average, we finished 2nd in the C.H.V.L. 'Lake' produced the 4th best average in the Capital District, thus bringing

recognition to Milne. Sam Ford handed out the most assists, while Robert Davis pulled down an average of 15 rebounds a game. Finishing with an 11-7 record, we ran into perennial powers Cairo and Catskill. Milne was the top offensive team of Section 2 with an average of 75 pts. per game. Other members of the squad were; Tracy Elliot, Artis Kitchen, Wally Irby, Mike Anton, Travis Yarbrough, Russell Piper, Boonie Haizlip, Spike Gallard, and Mark Ford.

The Junior Varsity had another outstanding season. Ending with a 15-1 record, our 42 game winning streak was broken while finishing a 4 year record of 53-1, our team was considered one of the best in the area. Going over the century mark 4 times, we had the highest scoring team in the district. All of the J.V. players were excellent, and none really stood out. Every J.V. player ended the season with varsity experience. This years team members were: Mark Ford, Travis Yarbough, Boonie Haizlip, Russell Piper, Spike Gallard, Eddie Romeriz, Anthony Brooks, and Dwane Calwell.

J.V. and Cheer- leaders

Cheerleaders: Captains: Yanna Buchanan, Carol Hills, Yolanda Jones, Carlise Lovelady, Pam Mills, Debbie Johnson, Donna Ray, Terry Marsh and Sarah Hammet.

The Yearbook Team

Yearbook Editors: Margaret Ray, Coordinating; Gregory Brown, Co-layout; Carol Hill, ads; Jay Donnelly, Art; Mike Shenkel, Photography; JoAnn VanSlyke, Writing.

Typing: JoAnne Salerno, John Jabbour, and Sara Hammet. **Missing:** Terry Marsh, Mary Marsh.

Ads: Cheryl Hills and Carol Hills. **Missing:** Dawn Johnson, Lori Greenberg.

We, the yearbook staff, have worked long hours in school and on Saturdays to meet deadlines the next day. We have had great unity this year as we shared the work, play, joys, and anxieties. This year the yearbook had no faculty advisor, it has been entirely run by the students of Milne. The one of our last yearbooks is really special to us and we have tried to reflect the memories of the past and moments of the present in us.

Co-Layout & Editor: Above: Sue Buech.

Lay-out: Middle: Susan Gerdin, Cherly Hills, Jay Donnelly, Gregory Brown. **Missing:** Sue Buech and James Dees.

Photography: Mary Beth McManus and Mike Shenkel. **Missing:** Saul Aronson.

Senate: Mr. Delong, Mr. Mueller, Mr. Speilman, Rolf Shauer, Sanford Hausler, Glenn Goldman, Robert Mac kay, Mary Beth Himes, and Margaret Ray.

Bowling: Mr. Johnson, Mike Shenkel, Mike Aveyark, James Bayer, Steve Cooke, Judy Henkin, Lisa Mondor and Glenn Goldman.

Senators, Bowlers, and Athletes

While the senate kept eye on our school activities, the athletic associations watched over our body building and physical well-being. One of the best times offered to the school community was the MGAA Carnival. There any organization could purchase the use of a booth to raise money for a worthwhile cause. The assemblies arranged by the Milne Senate were very entertaining.

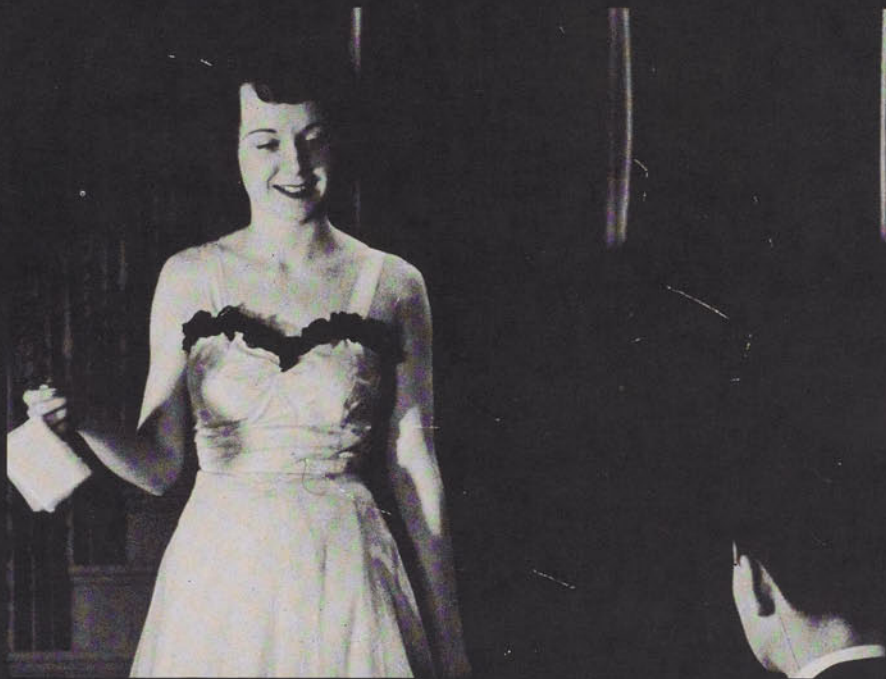

M.B.A.: James Bayer, Mr. Jones, Mike Aveyard, Brian Durr, Ion Fields, and Glenn Goldman.

M.G.A.A.: Barbara Laven, Paula Emory, Mary Beth McManus, Mary Marsh, JoAnne Salerno, Margaret Ray, Mary Beth Himes, Yolando Jones, and others.

OLD MOVIE COUPLES

A Stairway To The Stars

This year's Alumni Ball theme was "Old Movie Couples"—honoring the great movie stars and starlets of the 20's and 30's. The star-studded banquet hall created a magic evening. There the sophomores, juniors, seniors and alumni forgot about the winter outside and enjoyed the warm and fulfilled social event of the year.

The class of '77' would like to thank all those who attended and we hope they had an enjoyable evening. We would also like to give thanks to the T. Marsh family, The N. Vogel family, the J. Donnelly family, and to the faculty who helped by giving their time and effort.

Although the faculty was decreased immensely, the ones remaining worked very hard to help the students in whatever way they could. Along with teaching they supported and participated in student activities, making the year a lot easier to endure. To all faculty we say Thank-you.

A Senior Reflects

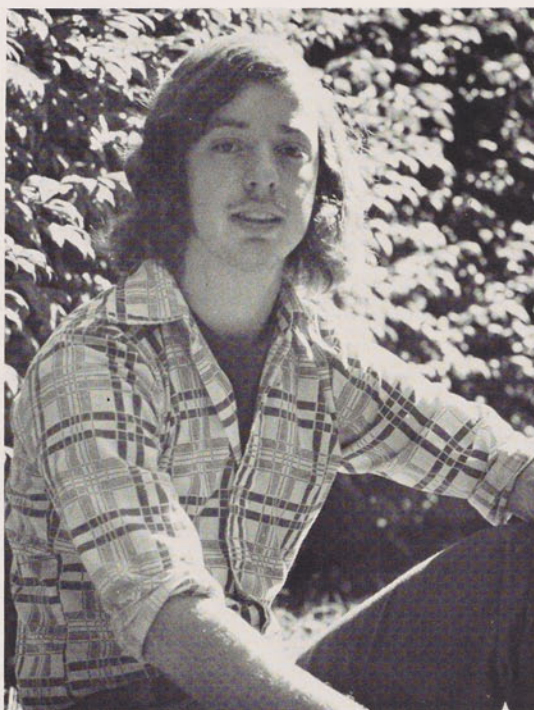

We are happy, happy to move on. Yet sad to be ending six years of waking up in the early morning, catching a ride, or just trucking to school; seeing the same faces and the same building; hating, loving and growing together to form the graduating class of 1976. We are Seniors, and for one brief year we are on top. Then on June 2, 1976 at 8:00 p.m. we will leave, to blend ourselves in with the adult world.

We the other students, not hampered with many pressures, although searching for the necessary credits, found plenty of time for fun and play. Messing and jivin' around has helped ease the burden and has become mandatory to relieve the pressures of everyday life.
