STATE UNIVERSITY OF NEW YORK AT ALBANY

September 18, 1972

Nursing, Music Add New Staff

Two new faculty appointments are of particular interest to the university community. Judith Whitaker, formerly executive director of the American Nurses Association, is associate professor of continuing education in the School of Nursing. Yehuda Hanani, described as "a brilliant cellist and pedagogue," has joined the faculty of the Department of Music as a lecturer in music.

Dean Dorothy Major stated that the appointment of Mrs. Whitaker would enable the school to initiate a comprehensive program of continuing education for employed nurses in eastern New York. It is anticipated that such a program will get underway by mid-1973.

Mrs. Whitaker, associated with the ANA for many years, more recently has served as associate professor of continuing education at the University of Vermont where she established a state-wide program for registered nurses seeking short-term training experiences through seminars, workshops, and conferences.

Mr. Hanani studied cello with Pablo Casals, Leonard Rose, and Bernard Greenhouse, and has attended classes at the Academy of Music in Tel Aviv, Juilliard School of Music, and Harvard University.

The musician, a recipient of many competition awards, has appeared in recitals and as soloist with symphony orchestras in the United States, Canada, and Israel, and in European countries.

His first appearance in the Albany area will be as soloist with the University Community Symphony Orchestra on Tuesday, Oct. 31.

Seminars Open

Members of the university community are invited to attend sessions of the seminar in journalism being offered on campus under the aegis of the SUNY journalism coordinated program. William Rowley, of the Department of English, is arranging the special series of guest speakers.

The seminar meets Tuesday evenings at 7:30 in LC 14. Future programs are expected to include Don Decker, news director of WRGB-WGY; the acting dean of the School of Journalism, Syracuse University; and area news reporters.

Cowling Named Associate Dean

Vincent F. Cowling, professor of mathematics and department chairman, will serve as associate dean of the Division of Science and Mathematics in the College of Arts and Sciences until the beginning of the 1973 fall semester. The appointment, recommended by Dean Moyer Hunsberger and approved by President Benezet, was endorsed by Vice President for Academic Affairs Phillip Sirotkin.

Professor Cowling already has begun his new duties. Soon a search committee will be named to find a permanent associate dean.

In 1966 Professor Cowling joined the faculty here. He came to SUNYA from the Institute for Advanced Study at Princeton, N.J., where he was visiting professor of mathematics for a year. Earlier he had taught at Rutgers University, the University of Kentucky, Lehigh University, and Ohio State University.

Dean Cowling has been the recipient of several awards. He holds a Bachelor of Arts, a Master of Arts, and a Doctor of Philosophy from Rice University.

Six Presentations Scheduled For University Lecture Series

"The Search for Humanity," the university series of lectures and presentations by prominent faculty members, will be continued on campus this year. Initiated last spring in an effort to share with the larger community some of the special talents at SUNYA, the series, which met an enthusiastic response, has been expanded.

Arthur Lennig, associate professor of art, will be the initial lecturer on Wednesday, Oct. 4, at 8 p.m. in the PAC Recital Hall. His subject will be "The Eloquence of Silence in Film Art." Professor Lennig will look at the development of the cinema, with emphasis upon the silent film and mores of early 20th Century America. Film clips will be shown.

Other programs scheduled in the series include "Can Intervention Be Ethical?," A.C. Higgins, associate professor of sociology, Wednesday, Oct. 25; "Control of Limb Development and Deformity," John W. Saunders, Jr., professor of bio-

Council Delays Action On Parking Regulations

The University Council delayed acting on the proposed parking regulations at its meeting Friday, Sept. 8. The regulations, which were to take effect today, will not be enforced until formally approved later this fall. The delay is caused by changes in SUNY Board of Trustee regulations giving responsibility to the council.

The council is asking all interested individuals and organizations to present, in writing, their reactions, suggestions, and recommendations relating to parking to Vice President John W. Hartley, AD 326, by 5 p.m. Friday. All responses will be reviewed carefully by the members of the council at a special meeting on Friday, Sept. 29.

In delaying action on the regulations the council expressed approval of, and admiration for, the thorough manner in which the Security Office had prepared the present proposal in response to the provisions of the new authorizing legislation approved earlier this year. Confusion arose when SUNY's Board of Trustees acted in late August to permit local councils to approve local parking regulations which followed trustee guidelines.

Student Association President Michael Lampert attended the meeting and presented a plea for wider consideration of the parking regulations. A specially appointed committee will review all responses and prepare a summary for the council's consideration at the special meeting. Members of the committee are Vice President for Management and Planning John W. Hartley, Vice President of University Affairs Lewis P. Welch, Director of Security James R. Williams, and Mr. Lampert.

Present regulations will remain in full force and effect until new provisions have been approved.

The council also heard President Benezet report briefly on the SUNY Master Plan, reviewed the summary of the proposed 1973-74 SUNYA Budget, and received reports on research activities, student affairs, Community-University Day, and the Alumni Fund drive.

Members of the council also discussed plans for the second annual fall meeting of the Association of Council Members and Boards of Trustees of SUNY. The organization was formed last year to help council members perform their function better. Albany Council chairman J. Vanderbilt Straub is second vice president and council member Eleanor Posner is secretary. H. David Van Dyck, director of community relations, is executive secretary.

SA Opens Sale Of Tax Cards

Student Association is offering tax benefit cards to faculty and staff members at a reduced rate from that charged students under mandatory tax. The card admits the bearer to all SA sponsored concerts, plays, films, speeches, and other events at significantly reduced prices.

An undergraduate student is required to buy a tax card at \$60 per year. The same card is available to faculty-staff for \$25. The only restrictions on use of the non-student card are prohibitions on voting and holding elective office in student government.

SA is charging less for faculty-staff cards because "the program is tailored for the students, who are its greatest users" and because non-students supposedly "won't make use of all (the) privileges" awarded the bearer.

Cards may be purchased for the fall term only (\$15) or for the full academic year (\$25). Additional information is available from Student Association, CC 346.

Concerts Slated

Two concerts are listed among upcoming events on campus.

Friday evening, beginning at 8:30, there will be a Free Music Store program in the PAC's Laboratory Theater at no charge.

"Music for Oboe and Bassoon from 1577 to 1968," featuring Rene Prins, oboe; Ruth McKee, bassoon; and Sue Morton, piano, will be held next Monday, Sept. 25, beginning at 8:30 p.m. in the PAC Recital Hall. Mr. Prins has performed extensively in the New York metropolitan area. Ms. McKee has played bassoon with several symphony orchestras including those of Boston and Rhode Island.

Security Office Reports Three Arrests on Campus

Three youths - Gary Graffunder, Peter Benczes, and Paul Wehren - were arrested Sept. 4 when they were apprehended allegedly in the act of stealing electrical equipment from a construction site in Mohawk Tower. The men were arraigned in Albany Police Court and released on bail.

A continuing problem is thievery of bicycles on campus. There were three bikes reported stolen during the first week in September, following 11 such thefts in August. SUNYA police are taking steps in an effort to reduce the number of bicycles stolen and to increase the risk factor of the thief. Free registration of bicycles owned by students, faculty, and staff is among the new services.

Bicycle thefts were prominent in the August report of activities by the SUNYA police, accounting for 11 of the 29 reports of petty larceny. Among other reported crimes were four grand larcenies; three each criminal mischiefs and false incidents, two each assaults, burglaries, and leaving the scene of an accident; and one disorderly conduct.

Seventy percent of the 46 crimes reported during August occurred during the

last week, when school reopened for the fall term.

The first eight months of 1972 revealed a decrease in reported crimes in nearly all categories from the same period in 1971. Particularly striking were the decreases in burglary (106 last year and 32 this year), petty larceny (261 and 197), and criminal mischief (129 and 52).

The University Council has voted to extend the effective enforcement date of new parking rules past Sept. 18 to allow more time for written comments.

SUNY Awards Programs Open

The 1972-73 SUNY University Awards Committee/Joint Awards Council has announced three programs, a continuation of the Faculty Research Fellowship and Grant-in-Aid awards, which will provide support for projects in amounts ranging from \$100 to \$3,200. They include Faculty Research Fellowship stipends of \$1,600, Grant-in-Aid ranging from \$100 to \$1,600 to help defray costs connected with research or creative activity, and a combined Faculty Research Fellowship and Grant-in-Aid, the total awarded not to exceed \$3,200.

Faculty members may apply for only one of the three programs. Guidelines for the award programs and application forms are available from the Office for Research, AD 216, 7-4393.

Completed applications must be submitted to the Office for Research for campus official signature, local administrative approval, and transmittal to The Research Foundation.

The foundation has announced an absolute deadline date of Oct. 15 for receipt of all applications by the committee. Completed applications should reach the Office of Research by Oct. 6.

'Round the Campus

Michael Lampert, Student Association president, and Lois H. Gregg, associate dean for student affairs, are *inviting all members* of the university community to the Art Gallery Thursday, Oct. 5, from 3:30 - 4:30 p.m. to meet Harvey Bates, Harold Baum, and Andrew Smith, the clergymen who have been appointed by their respective religious bodies to serve in the campus ministry. The event is being sponsored by Student Association and the Student Affairs Division. . . *Helen E. Hobbie*, recipient of a SUNYA Distinguished Alumni Award and the Alumni Association's Bertha E. Brimmer Award for outstanding teaching in New York State, has been named to the search committee seeking a dean for the College of General Studies. Miss Hobbie, principal of Bethlehem Senior High School, is the first alumna to serve on a SUNYA search

committee. . . A *Welcome Ball* will be sponsored by the International Student Association Friday at 9 p.m. in Brubacher Hall. Tickets are \$1 with tax card, \$1.50 without. . . The library will be *open* today until midnight. . . A mandatory meeting of SA group *treasurers and business managers* is set for Saturday from 10 a.m. to noon in CC 375. . . University community members are *requested* to consult directories for telephone numbers before seeking assistance, if necessary, from the operator. . . *Viewpoint 1972-73 correction: Trailways* telephone number is 436-9651. . . Dean for Student Affairs Neil Brown last week addressed the Delmar Rotary Club. . . Peggy Mann, U.S. Lawn Tennis Association umpire, *officiated* at the Goolagong-Krantzke match at Forest Hills. . . *Alliance Francaise* meets Wednesday at 8 p.m. in the Assembly Hall.

The Albany chapter of the State University Professional Association (SUPA) is inviting new members to join for the remainder of calendar 1972 at half the regular dues fee. The dues for an entire calendar year are \$10; new members may join now and pay only \$5 for membership through Dec. 31.

SUPA was founded three years ago to serve the needs and interests of the professional staff member. It is concerned with the personal and economic welfare of the SUNY professional and with recognition of its constituency within campus and statewide governance.

Further information may be obtained from SUPA, SUNYA, Box 1063AA, Albany, 12222.

Student Guides Set for C-U Day

"Our committee feels that probably one of the most important aspects of this university is its students; therefore, we really hope that they will actively participate in some way in the day's program." Aralynn Abare expressed a goal of her subcommittee, co-chaired with Ronald Daniel and concerned with services on Community-University Day Oct. 21.

Students will man four tour booths on the podium on the day of the open house. They also will conduct walking tours and bus tours for guests on campus. Anyone interested in helping is asked to call 7-7716 or 7-7796.

Events for the day are continuing to shape up. The library will display a collection of recently published works of faculty members as well as some items from the rare book collection. There also will be tours of the library.

The Department of Classics will present an archeological display which will include artifacts, replicas, and photographs. At the Physical Education Building, the Department of Women's Physical Education will offer a display in gymnastics and synchronized swimming.

Tower Tribune

Published weekly when classes are in session by the Community Relations Office as a service to the university community; carries news of campus-wide interest for and about students, faculty, and staff. Submit items in writing 10 days in advance to AD 235. Name and address must be included. All material is subject to editing. For further information call 7-4901. The "Tower Tribune" is printed on recycled paper stock.

Great Dane Sports

Freshman John Bertuzzi will be at quarterback Saturday when the football club begins its third season with a 2 p.m. game at Stony Brook. Coach Bob Ford calls his young signal-caller "a leader. He moves the team and the players believe in him."

The Great Danes will be quite young, with as many as eight freshmen and seven sophomores among the 22 starters. There is more talent on hand than in previous years, however, and the team should show steady improvement throughout the season.

Joining Bertuzzi in the offensive backfield will be returnees Lonnie Davis and Carvin Payne, and either Noel Walker or Marvin Perry, both freshmen. Bernie Boggs, Albany's record-breaking runner, has had his career ended a year early by a back injury.

Big Ed Perka (6-4, 220) returns at tight end and freshman Bob Baxter probably will start at split end. The interior offensive line, from tackle to tackle, reads Ty Curran, co-captain Kleon Andreadis, John Ewashko or Andy Lee, Rick Duell, and Bill Adams.

On defense, Frank Villanova and 6-4, 270 "Tiny" Holloway are back at the tackles, as is Vinnie Pierce at one end. The other end will be Rudy Vido or Ron Gardner.

Co-captain Arnie Will and Don Mion will start at linebacker, but the situation

at the corners remains unsettled. The secondary most likely will have Jeff O'Donnell at safety, flanked by Vic Giulianelli (if recovered from an injury) and Bruce Cummings.

The Danes' home opener is slated for a week from Saturday at 2 p.m. against Rochester Tech.

New soccer coach Norm Wingert and his team open their season at Geneseo Saturday. Tri-captains Larry Herzog, Uzi Haimoff, and John Taylor head the 19-man roster.

Wingert has installed a diamond defense he thinks will cut down on opponents' scoring. Key men in the formation are fullbacks Herzog, John Streeter, Mark Solano, and Greg McMillan. Karl Haeusing and George Keleshian are half-back starters, with Haimoff, Jerry Garlick, Leon Sedefian, and Carlos Alvarez up front. Henry Obwald will start in goal for the injured Thayer.
