JUNIOR STUDENT COUNCIL REPORTS
CLUB FUNDS; FORMS TRAFFIC RULES

Friday, at the weekly meeting of the Junior Student Council it was decided to give the following clubs funds: The Glee Club \$.50 for a book; the Dancing Club \$1.00 for records; the Boy's Dramatic Club \$1.25 for books of plays, and the Ninth Grade Dramatics Club \$1.50 for books.

Junior Student Council formed a new traffic rule. Student Council members have the right to take names during homeroom periods because of the lack of traffic officers in the homerooms.

Several sections of the new constitution were read. The Constitution will be mimeographed and read in the homerooms for approval.

SCHOOL FOUNTAINS

While the school is making improvements in the locker room, we believe that it should also put in new fountains. One added to the first floor would certainly be appreciated. The fountain on the second floor, if fixed, would also add to the general satisfaction of the school. When we are on the ground floor to get a drink, and then what do we find but hot water in place of the cool water we expect. This is certainly irritating when you are thirsty and have only two minutes before class. If you do get near the fountain on the third floor, there are so many there with the same idea of getting a drink that you cannot possibly wait for your turn. We believe that this situation could be remedied by having more water fountains and cleaner ones.

INTER-SCHOLASTIC GAMES FOR GIRLS

There are not many girls' games in Milne High School; those that are played are practically unheard of. We believe that we have some exceptional girl athletes who are good enough to play with other schools. This would give them more experience and would make them well-known. If the boys can play with other schools, there is no reason why this should be denied the girls.

The girls' basketball classes have the choice of tennis or baseball for gym for the rest of this year.

TRAFFIC CLUB MEMBER REPLIES

Dear Editor:

The Traffic Club of Milne High has greatly improved the conditions in the school. We have done our best to keep order in the school during the lunch period, and think we have done very well. We believe that we keep the annex and cafeteria in good order; the students go through the halls and up and down stairs in an orderly manner.

The Student Council thinks that we can do better. However, Student Council overlooks the fact that four or five members of the Council belong to the Traffic club. We are always glad to receive any suggestions that students have to offer.

QUESTION BOX

Question: Should Traffic Club be discontinued?

Harriet Richter: No, because it has helped the students to keep better order than we could ever have without the Traffic Club.

Lois Nesbitt: No, because it doesn't do any harm and helps to keep Milne in good order.

Miss Bills: No, because of what would happen to the school if we did not have anybody to keep order.

Marion McCormack: No, because it keeps the pupils in order.

ETIQUETTE CLUB QUESTION BOX

Question: When getting off a bus or out of a taxi, who gets out first, the boy or the girl?

Answer: The boy gets out first and then assists the girl who is accompanying him.

Question: When is it proper for a boy to offer his seat in a street car to someone else?

Answer: When there are no seats left and an older woman or man gets on the car, a boy should always rise and offer his seat.

The Excursion Club visited Friehofer's Bakery last Friday afternoon. The club has elected the following officers: Dorothy Dey, president; Susan Poole, secretary; Jane Phinney, treasurer; and Miriam Freund, Sergeant-at-arms.
