OUR GRIPE FOR THE YEAR

This somewhat bitter, cynical feeling we have this week was brought background, on by a sneak pre-vue of Kiley's column in which he entitles the product of our creative genius Kippy's Krud. Our only answer to that is,-if he can write it we can. However, this chance remark is not the reason for this picture, however. In spite of year, said Miss A, and continued rooting for ye old class throughout our very dark outlook on life. It is in reality simply reflection on the the culture fanfare and the op- her sophomore year. Ye old class came through and won, which life of a columnist. The state conference will the boys who are really in the thick of it will know the truth—that in your every senior is now asking himself, in the best way you know.

They'll be proud to have known you, as I am. Goodnight now, Sal, and don't forget that samural sword you promised me!

Sincerely,

Sincerely,

Communications—

To the Editor:

I object very strongly to your classification of the students and potential graduates of State College as either "good average teachers" or "flaming patriots." I believe that I am neither and that the majority of students must have had the same reaction to your editorial.

There is no such thing as a "good average teacher." A person is either good teacher or a poor teacher. State College attempts to train students to be good teachers. This college administration certainly does not wish to bind people who are not person who is not a good teacher is completely free to get out of the pro-
