Resolution 2

Following the [report](#) of the Governance Council Task Force created in response to Senate Resolution 1112-03R, the Senate finds that the President, as chair of the faculty, violated Article 1 Section 2.4.1 of the By-Laws by failing to provide a particularly detailed written response to the Senate comments in response to deactivation of programs of 11/15/10, including Senate Resolutions 1011-01 and 1011-02.
