1. Approval of Minutes

The minutes of the February 28, 1994, Senate Meeting were approved as distributed.

2. President's Report

President Swygert reported on the State Budget that the State Operations Budget was approved by the Legislature. This provides stabilization of SUNY.

Dean Judy Genshaft has assembled a University-wide committee to plan the Excelsior High School, the President said. Currently we do not know if the School will be part of the final budget.

The President reported this year's Budget Panel, chaired by Helen Desfosses, provided priorities on how resources should be distributed throughout the campus. The Budget Panel also provided Vice President Hitchcock with recommendations and she will try to bring new resources onto the campus.

The President reported on the computer resources to the faculty. Department chairs have submitted departmental computing priorities. Various systems have been installed for communication between schools/colleges. A dialogue on computing for the campus needs to be developed, the President said.

- h. SAC: There was no report.
- i. UCC: Senator Goldstein had nothing to report.

6. Old Business

There was no Old Business.

7. New Business

- a. Election of 1994-95 Chair-Elect and Secretary. Chair Champagne noted that the Senate Executive Committee proposed the nominees.

Cyril Knoblauch is proposed for Chair-Elect. Chair Champagne asked for further nominations. There being none, Senator Bosco moved that nominations be closed and that Professor Knoblauch be elected by acclamation. The motion was seconded and passed.

Shirley Jones is proposed for Secretary. Chair Champagne asked for further nominations. There being none, Senator Bosco moved that nominations be closed and that Professor Jones be elected by acclamation. The motion was seconded and passed.

Referring to the UAC report, Senator Gibson asked if the English program was a restricted one. There was some debate and the English Department, after the requisite research, stated it would be restrictive.

President Swygert noted that the Collins Fellows Award has been made available only to teaching faculty. It is viewed as the highest citizen accolade at the University at Albany. A suggestion has been made to extend this award to non-teaching faculty, he said. This is not a governance issue, but it is important in raising this issue for your guidance, he said. There would be two awards -- one for teaching faculty and one for non-teaching faculty. The Collins Fellow Award is our own award and is not subject to external review. President Swygert asked for comments/recommendations before a decision is made.

There being no further business, the meeting adjourned at 4:15 p.m.

Respectfully submitted,

Shirley Jones
