MILNE DROPS GAME

TO HEATLY 24-22;

J.V. WIN 21-16

by David Conlin

Milne dropped another close decision to Heatly High School in the Green Island gym last Saturday night. The "Red Raiders" maintained a clear advantage over Heatly for the first three quarters. At the end of the third quarter the score was 21-15 in favor of Milne. The Green Islanders came sweeping through in the fourth quarter, and the tired Milne team was unable to penetrate the Heatly defense for more than one point. The final score was 24-22.

Our amazing J.V. came through again with their fifth victory in six starts. The score was 21-16. This game was close and hard fought throughout with Eckel and Game as high scorers with 8 points each. Considering the fact that there isn't one letter man from last year on the J.V. squad, we think they deserve a word of praise; so, here's to them and may they continue on their victorious way.

"RED RAIDERS" TO PLAY

HYDE PARK TOMORROW

by Donald Summers

Milne plays Hyde Park tomorrow night on our court. According to Milne's last game, this might prove to be a hard game, but on the other hand, knowing nothing about Hyde Park, it might prove to be a breeze. To date, Milne has been having a hard fight to play ball in the five hundred position.

The trip is a very long one for the Hyde

SENIOR HIGH WILL DANCE

SOPHOMORES INITIATED INTO GIRLS' SOCIETIES

The initiation to the two girls' societies for the new Sophomore members was the cause for the increased amount of laughter in the halls on last Tuesday. However, the formal initiation started at 3:20 with the Sigma girls in the Little Theater and the Quin girls in the library. In both cases, the sophomores were reported to be very good sports, and both societies had an abundance of refreshments to celebrate the final acceptance of the new members.

These new Sophomores will receive their society pins at the installation teas.

SENIOR HIGH HAS MOVIES IN WEDNESDAY ASSEMBLY

An interesting and educational motion picture on "The Miracle of Milk", distributed by the State Department of Agriculture and Markets, was shown in the Senior High Assembly Wednesday afternoon. The picture was brought to Milne by Dr. Carleton A. Moose.

Park men totaling about seventy-five miles.

The Danilwitz men have been drilling on the zone defense in recent practices and are ready for any circumstances.

The first game is scheduled to begin at 7:30, and there will be dancing until 11:00 P.M.

The Senior High party will be tonight from 8:30 to 12:00 P.M. in the Page Hall Gym.

The Sub-deb Club has charge of the arrangements and has done all the committee work with a few other students assisting with the decorations.

The music will be supplied by Bill Gratten and his ten piece orchestra.

"Florida" is the theme of the dance and will be featured in the decorations.

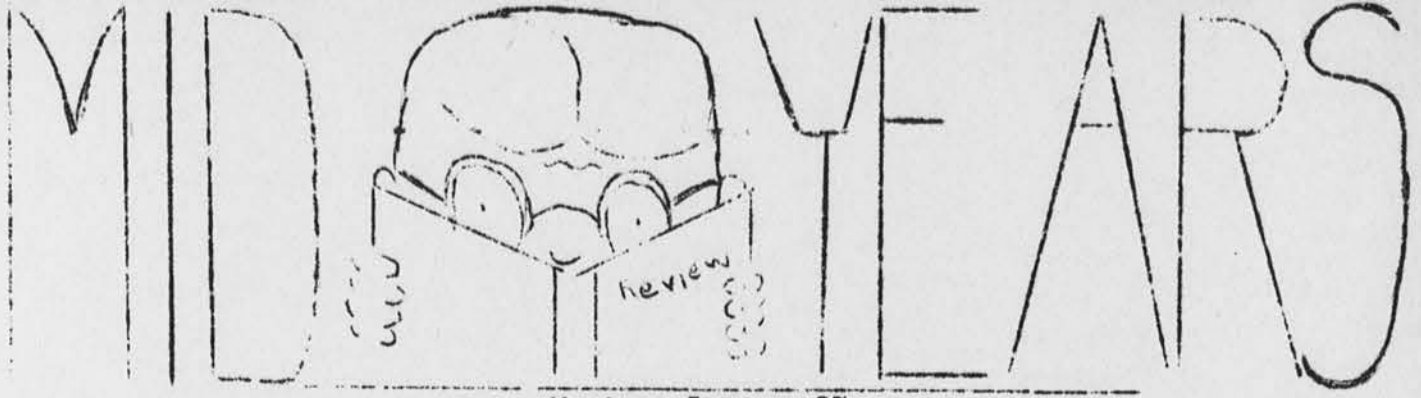

Miss Anna Palmer, Miss Margaret Betz, and Mr. Daniel W. Snader will be the chaperons.

A WORTHWHILE ESSAY ON NATIONAL UNITY

A worthwhile essay contest has come to the attention of the Editors of the Crimson and White. The essay is sponsored by the National Unity Essay Contest Committee, of which Governor Herbert H. Lehman is a member. Grand prizes are fifteen hundred dollars in scholarships, or cash. Medals are also being awarded.

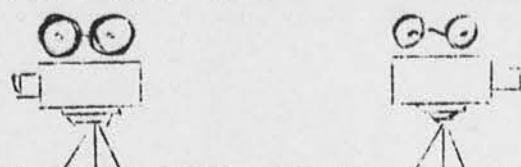

The subject is "Why National Unity is Important to My Country." This appropriate topic should be quite easy to write on in times such as these when everyone has his own ideas on defense.

Judging is based upon soundness of ideas and originality of thought as much as literary ability. Therefore everyone of us will have an equal chance to win.

More details about the contest may be found on the bulletin board of Room 233, or by addressing the National Unity Essay Contest Committee, 657 Broadway, New York City.

Every member of the student body should take advantage of this prize-winning opportunity to foster nationalism in this country.

TALKING OF TALKIES

C and W's Film of the Week

Key to Rating:

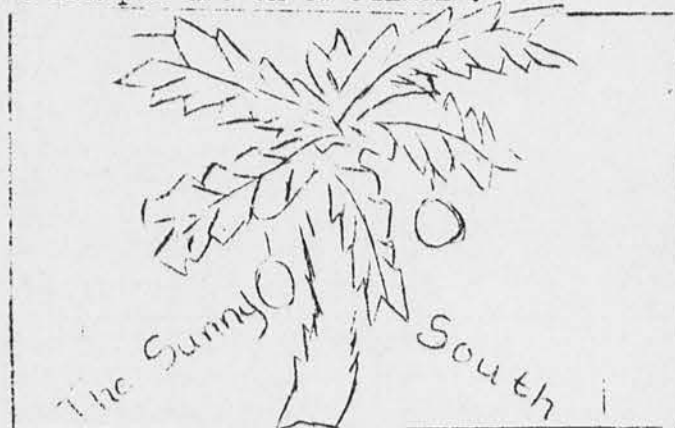

- * Poor
- ** Good
- *** Excellent
- **** Outstanding

**** KITTY FOYLE

Christopher Morley's best selling novel, "Kitty Foyle", is at last on celluloid! In the title role is no other than Ginger Rogers, which makes us believe that the story and Miss Rogers were "made for each other."

The picture is a tale of the modern "White Collar Girl" of today. Miss Rogers plays the part of a poor Philadelphia girl who becomes an office worker in a metropolitan city, meets Dennis Morgan, and to make things more complicated, later meets James Craig.

Sam Wood's direction, Dalton Trumbo's fine screen version of the story, and the excellent performances of such members of the supporting cast as Eduardo Ciannelli, and Gladys Cooper make "Kitty Foyle" an outstanding piece of motion picture entertainment.

GOING SOUTH TONIGHT?

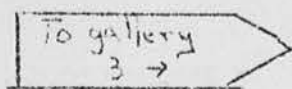

Yes, it's a mid-winter excursion to the sunny south for all Milnites who board the S. S. Page Hall this evening, Friday, January 17, when Student Council's Mid-Season Dance rolls 'round.

Members of the Sub-Deb Club under the sponsorship of the Council are working hard to make this party a real success.

Your only ticket of admission is your Student Tax card. Come stag or come "drag" and get out of the Mid-Year Cramming Muddle for an evening of real fun.

Will we see you there?

F E A T U R E S

THE MID-YEARS ARE COMING
OR
YES, THIS MEANS YOU

WHAT GOES ON

Now that it is almost exam time, we notice several people doing queer things such as studying. There are many ways to go about this strange habit.

Some people really attempt it in the library. Of course, it takes a lota whole lot to get in the mood for such strenuous exercise.

Duncan Crook wrapped around a chair and a half, and getting inspirations from the ceiling, is indeed a spectacle.

Then there is the Hunt-Bissikammer method. This employs the use of a good technique of note passing. Probably not last night's homework either.

The more direct method of the Hunt-Bissikammer method is that displayed by Alton Wilson. This is taking a walk around the library, and stopping off here and there to see how other people are getting along.

David Conlin has the easiest way of all. He simply sleeps during his library period, and then dreams about his algebra problems, and why $x-y=2$.

Seriously, we all better buckle down and start studying. We can't cram the last night.....or can we? Usually, it just won't work.

HOW TO SEE THROUGH MEN
OR
IT'S AS CLEAR AS MUD

Some girls just have the gift of reading minds when it comes to men, but most of you probably find them as deep as the Atlantic and as thick as a slate of marble.

Sometimes they're apt to treat you as if you aren't around. In this case, we give you a word of warning.....don't be around!

Men are quite a bit like a pack of cards, the king, the ace, the jack and the joker. The king is the one who is true, and the ace is the boy who is the big man of sports, etc. The jack, of course is the boy with money; he's alright in his way, but he hardly tips the scales. And the joker...well, need we explain his type?

We just can't understand how Bob Saunders can be so nonchalant in History class and yet get results. Just ask him to give you the speech he's made famous, "Why I Am A Success."

One of our Senior gals, Laura Lyon, is quite taken up with a certain CBA lad.....need we mention his name? Did you notice that pin a week ago?

Our graduate, Bill McGregor, (you remember Bill.) has been seen here and there with that very cute Helen Culp.

With the permission of Doris Mogatske and Ruth Van Geestek, your reporter would like to know from the rest of the class which name they prefer.... Ambrose or Nizer. The girls find it a very interesting argument.

Dor Sommers wants to know the difference between "fictitious and non-fictitious books."

During the last senior class meeting, appointments were made to have the yearbook pictures taken. At the end of the meeting, when David Full, who was chairman for the time being, called back the different times for appointments, he called Elaine Becker for two different sittings. She immediately exclaimed.... "I realize I'm big, but they don't have to take me in installments."
