

CERSprocedures response

Hi Jim,

The CERS webpage <http://www.albany.edu/senate/cers.htm> has two links: to the description of CERS in the Senate Charter and to a Procedures on Misconduct document that evolved over years and reached its current form when Suzanne Fessler was CERS chair (Elisa Lopez recently added the link to it.) I don't have anything to add to those documents. There haven't been any misconduct cases since I started as CERS chair in Sept. 2015.
