Proposals 2018-0375, 2018-0851

Dear Vice Provost Bringsjord:

I write in response to correspondence requesting the revision of an existing graduate program and the addition of the distance education format to the related registered programs in Information Science, leading to the Master of Science (M.S.) degree at State University of New York at Albany from proposals submitted in March and July 2018.

I am pleased to inform you that on the basis of our review the requested change has been approved as detailed on the attached listing from the Inventory of Registered Programs.

Sincerely,

Karoline Chrzanowski Sears
