Proposal 2014-0533

Dear Provost Cartwright:

This letter is in response to Interim Provost Bringsjord's correspondence of April 22, 2014, with additional information provided on September 26, 2014, requesting registration of a proposed program in Global Health Studies leading to an Advanced Certificate to be offered by State University of New York at Albany, in the standard and distance education formats.

I am pleased to inform you that on the basis of our review the program detailed on the attached listing from the Inventory of Registered Programs is registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations for the State of New York) until September 1, 2015. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in this program.

We wish you and your colleagues success with the program.

Sincerely,

Kathleen F. Egan
Associate in Higher Education
