JUNIOR NEWS

NUMBER 19

SUPERVISORS TELL OF VACATION TRIPS

Before vacation, several supervisors told CRIMSON AND WHITE reporters of the vacations to which they looked forward. During the week, they have been nabbed by reporters who were anxious to see how the plans worked out.

Miss Waterbury had a "very enjoyable time" in Florida. When her son was commented on, she replied, "That's proof positive."

Miss Palmer promised herself and reporters that she would spend her time sleeping. She did, and had a "wonderful time." When asked if she ate, she responded, "Not unless I was asked out."

Dr. Moose spent his free time taking automobile rides through the country and taking in a movie or two.

Miss Wells enjoyed her vacation by "taking life easy."

Dr. Kinsella kept his promise about the fishing trip. He said, "Caught plenty of trout!"

Miss Fillingham had a grand trip through Virginia and parts of Washington, D. C. She visited many old historical spots, and such colleges as William and Mary, University of Virginia, and Western Maryland.

Mrs. Barsan went to Washington, D. C. She said, "I started to thaw out, after a while."

Miss Martin took a little jaunt to New York and Coney Island with Miss Hitchcock. It was a "first time" for Miss Martin.

MILNITES MAKE USE OF EASTER RECESS

Milnites took advantage of spring recess and journeyed far and wide to get school off their minds.

Morton Swartz was one of those lucky people who went to see Henry Bersey at the Paramount in New York. Some other New York visitors were Margaret Koch, Barbara Russell, Kay Schull, and Soapy Congor.

Elsa Butron went to Utica. Report Rinn to central Pennsylvania. Sally Hunt, no. 330, is in trouble again. This time she only spent three days in Sing Sing. (Getting better today)

"SWING FEVER" FOLLOWS TODAY'S CLASSES

The Sub-Deb Club is sponsoring a Tea Dance, Swing Fever, this afternoon in the little gym. Dancing will be from 3:30 until 5:00 o'clock to the music of the Milne Orchestra. Punch and cookies will be served. Admission will be ten cents per person or fifteen cents per couple.

Committees for "Swing Fever" are as follows: Music--Malba Levine, Marjorie Wright, and Jane Curtis; Refreshments--Norma Silverstein, Patricia de Rouville, Marion Steinhardt, and Helene Keller; Advertising--Eleanor McFee, Elizabeth Mapes, Elaine Fite, and Phyllis Comstock; Door--Barbara Hewes, Harriet Hockstrasser, and Roberta Smith.

JUNIOR HIGH DRAMATICS TO PRESENT PLAY

The Junior High Dramatics Club will present its first play of the semester, Refund a Comedy, on May 22 in assembly. Miss Genova will direct the play.

Members of the cast have been selected by tryouts.

CLASSIFIED COLUMN

WILL SWAP: hard school-desk for comfy, easy-chair, for use in Homeroom period. Apply to M. Horton, anywhere, or phone Albany 2-4759.

BASEBALL SEASON OPENS

The baseball season is in full swing (with Milne boys, anyhow). The boys have been bringing their mits to school. Early last week they were playing in the alley between Albany High and Milne. The seventh and eighth grades have already organized teams.

BALLET 330 PRESENTS PLAY

The students of junior high enjoyed a play on March 27, which was put on by Honorable 330. Grandma Pulls the String was played by Gertrude Paul, Friscilla Smith, Gretchen Phillips, Sally Hunt, Alice van Gearbeck, and Robert Silverstein. We are sure everybody praised it and we hope that they will put on more plays.

"Hey, Jane, have you your pocket-book, Will you stick this candy in it for me so I can eat it later when we get to class?"

How familiar this and other statements are to our ears. Where have we heard them? Where else but in the Annex?

We have been told time and time again not to take ANY food out of the Annex or Cafeteria to our class rooms. But we are persistent in not carrying out this request.

Ample time is given us in which to eat our lunch, and we have two definite places in which to eat it. There is no reason why candy, peanuts, cookies, etc. should be eaten after the lunch period in the class rooms.

Let's see if, from now on, we can eat ALL of our lunch in the Annex or Cafeteria--the really proper places.

 * INFORMATION WANTED *

Dear I. W.,

How about the "Junior Crimson and White" starting a column like "Gardinas and Garlic" in the Senior section? I've thought of a name for it, if you can get someone to write it. How about "Cabbage and Candy"?

Hopefully yours,
 A Faithful Reader,
 P. S. I just detest cabbage, don't you,

Dear Faithful,

I think it's a swell idea, and until we can get a column organized I can "sling out" the "Cabbage and Candy"---if no one objects.

I.W.
 P. S. I dislike cabbage, too.

Dear I. W.,

How about having a regular "feature page"? Just one page with only features on it.

ME or I (whichever you prefer)

Dear YOU, (I like that better than ME, don't you, I'm really not conceited.)

The feature editors would love to have a separate page and with more requests such as this one we might be able to persuade the "powers that be" that one would really be an asset, so how about more letters like this one?

I.W.

Dear I. W.,

We the students wish to hand out some of that "Candy" to Miss Waterbury and also our best wishes for her forthcoming marriage.

We, the Students.

 LET'S GET BUSY

Now that our pleasant vacation is over and we have come back to school again, let's not waste valuable time in getting down to work.

Don't forget that there are not many weeks left in the school term. We should try to make the most of these weeks by doing our work better, and by not talking so much about it. We shouldn't begin by putting things off.

Let's show ourselves how much we can accomplish if we want to.

 SUPPORT THE TEAM

Every year Milne has a baseball team which plays games with the neighboring schools. During the baseball season, the boys work very hard to keep up the reputation of the school. Because of this we should try to support the team at every game.

Some of these games are played at our field, at the dormitory, after school.

If we try to help the players by supporting the games they will surely turn out a better team, a better score, and there will also be better baseball spirit.
