

Council on Research  
Report to the University Senate  
Wednesday March 9 2022  
Brian Rose, CoR Chair 2021-22

- The Council on Research met on 2/16/2022.
- CoR welcomed our new VPRED Dr. Kesh Kesavadas for a “meet and greet”. The objective was to give Kesh an orientation on the structure and function of CoR and its subcommittees.
- We gave a “heads up” to Kesh about two matters of research policy that CoR is looking to engage with the administration about:
  - Improvements to the FRAP program for internal research funding
  - Indirect Cost Returns: advancing the resolution drafted by CoR and passed by the Senate in 2019 (subsequently sidelined by pandemic issues)
