RE: Townsend Park C-1 Revitalization Meeting

Dear Neighbors:

Last night I attended a facilitated meeting at the Central BID Office. The purpose of this meeting was to assess the wants and needs of the business/building owners surrounding Townsend Park.

So far there is \$300,000.00 earmarked for the Townsend Park C-1 revitalization Program. It is important that we all have the opportunity to give input as to how these funds are used.

It is unclear whether any formal minutes were taken. I have attached copies of the agenda, attendance, and 'rough' notes from the 'breakout session.' If you would like to make any additions to the breakout session notes, I encourage you to call the Central BID Office so that you voice may be heard as well.

Further more, conversations with any or all the business/building owners that attended the meeting will give you a better perspective of issues covered at the meeting, but absent from the attached notes.

Sincerely,

Kimberly C. Manning
