JUNIOR AND SENIOR DRAMATICS CLUBS PRESENT ASSEMBLY PLAYS

Last Wednesday, May 4, we had an assembly in Page Hall auditorium. Two plays were given. The first, "Pearls", was presented by the eighth grade dramatics club. It was excellently done, and was well received by the audience. The play was directed by Miss Smith and Miss Sims, seniors in State College. The characters were Douglas Mc Harg, Della Call, Alice Wander, and Winton Ferrill. The second play was presented by the Senior dramatics class. It was quite different, and the two together made a delightful program.

Between the plays we were entertained by the school orchestra. Kendeall Getman was awarded the three dollar prize for selling the most tickets for the Q.T.S.A. dance.

PETITION GIVEN TO COUNCIL

Monday, May 2, a piece of paper was passed around home room 320. All those who wanted to sign the petition, which we hope will bring us the permission to play on the lawn, signed the paper. It was given to one of the Student Council members. This paper will be joined with other sheets, one from each home room. The other Junior High homerooms expect to sign a sheet before today.

ACCEPT LOST AND FOUND PLANS

The plans for having students take care of lost and found articles instead of Miss Nicos have been accepted by the Student Council.

The complete plans for obtaining lost articles and returning those found were published in last week's issue of the CRIMSON AND WHITE.

COMMITTEE INFORMS PUPILS OF INFORMATION DESK DUTIES

The information desk committee has decided to have a meeting of all the people having charge of the desk. This meeting is for the purpose of telling the people where the critic's offices are and also where the schedule cards are.

A larger sign will probably be made for the desk. There will be a sign at the other end of the hall pointing to the desk.

The committee also thought that the people should sign up every day that they are at the desk. Miss Shaver will send all visitors to the desk. Miss Halter will check up on the pupils who stay at the desk.

These plans were passed by the Student Council and will soon go into effect.

CLUB HAS NEW OFFICERS

Last Thursday, the Excursion Club had a business meeting at which they elected new officers. Betty Sanford was made the president, Betty Leitch was made vice-president, Ruth Nelson secretary, and Marion Fales treasurer. They also suggested several places to go in the next few weeks. This week they went to a laundry.

PLANNING CONSTITUTION

There is a committee of three working on a constitution for Student Council. There has long been a need for this, and Student Council feels that a constitution will be a help to the Council.

The members of the committee are Richard Masterson, president of Council, Sara Kessler, secretary, and Alvin Neef.

NOISE IN CONFERENCE ROOM

As everyone probably knows, there is too much noise in the conference room. This room is set aside for people who want to study or work together, and not for people who wish to have a social gathering. It is impossible to study when there is a continued bable about other things.

However, we do not like the present plan of having everyone go in for about ten minutes to give everyone a chance to use the room and still not have too many in at once. With this plan no one can really accomplish anything. People will hurry through their work to get it done in the ten minutes and therefore will not do it as well. We think that there must be another solution for this problem.

LET'S HAVE A CONSTITUTION

We are thinking of having a constitution for Milne Junior High School which we think will help very much. There are people who object greatly to Student Council, and in this way we think it would help to make the persons change their opinion of Student Council. The idea of this constitution is to have the points or rules they pass in Student Council written down. Now in Student Council if they want to find out about a rule they have passed, the Secretary has to look up in the minutes what the rule said, and this is not so very good. It would be so much better if they had a constitution so

they could just look at this and see what the rules are.

This also benefits the pupils because some people say they don't know what goes on at Student Council, and in this way they can see what has been passed.

GO OUT FOR BASEBALL

Milne has had a good baseball team for many years. In other years enough boys went out for the team. Baseball is a very good sport and is good recreation. Milne has an excellent field where we can practice. More Junior High boys should go out for the team. This will help them to get on the team when they get in the upper grades, and it will help make our team better if more boys come out so that the coach will have good material to work with.

BOOK REPORT

Jock, the Scot by A. G. Rosman, is the story of a Scottie dog. His mistress dies, he is stolen by a chauffeur, and escaping is recaptured by a boy. He is nearly killed by the boy's father and is allowed to drag himself away. He is adopted by a girl who hides him in a deserted hut on the property of Robert Pierce. There he recovers. The girl entrusts him to the care of Pierce. It is rumored that Pierce is keeping a fierce dog at his estate. The girl flees with Jock, but Pierce brings her back, and everybody is happy.

Who is so jolly every day?
Laughing all the hours away.
Who is it that giggles at all?
Who can it be but -- Ginny Hall!

Who has little dimples sweet
When he laughs? On each cheek!
They cause my doom when I go by.
Who has these dimples? Normy Frey!

Who worries about his lovely
curls
That captivate all pretty girls?
Some say he's full of the juice
of a prune.
Now whoe can it be? Bobby Kuhn!

Who is it shines in citizenship?
Who is it whose lessons never slip?
Who never has, for honors, to seek?
Who can it be? Dorothy Hoornbeek!
