Dear Mr. Paetel:

There has been a little delay in tying up the Committee of Foreign Writers with the proper government agencies. But this has now been accomplished.

Work is now being organized and we hope to find ways of utilizing your services and talents for the war effort. But we would like very much to know you better so that we can plan the work with more intelligence.

Next Wednesday afternoon, September 30th, from 2:00 to 5:00 P.M. our committee members will be in our office, room #802, especially for the purpose of meeting writers. We hope that sometime during this afternoon may be convenient for you. Please come in and talk with us.

Sincerely yours,

Manuel Komroff
