1984-85 ORGANIZATIONAL
UNIVERSITY SENATE
MINUTES
April 30, 1984

The meeting was called to order at 3:40 p.m. in the Campus Center Assembly Hall by the Chair, Patricia Rogers.

1. Announcements

The Chair reported that the Faculty Forum was to begin immediately following the Organizational Senate meeting.

P. Rogers announced that the following materials were available at the door:

- a) 1984-85 Senate Meeting Schedule
- b) 1984-85 Council Membership List
- c) 1984-85 Senate Membership List

She noted that all regularly scheduled Senate meetings begin at 3:30 p.m. and are held in the Campus Center Assembly Hall.

2. Approval of Council Membership

B. Lanford moved that the recommendation for the council membership for UAC be returned to the Executive Committee. He explained his objection to the staffing of the council was on the basis of propriety and the sparsity of returning senators. The motion was seconded.

P. Rogers pointed out that she had announced at the April 23 Organizational Senate meeting - to permit objections if there were any - that C. LaSusa would sit with the new Executive Committee. C. LaSusa then explained that after meeting with P. Rogers and others earlier in the month, it was agreed that she be allowed to sit on the Executive Committee meetings since there was no other representative from the students. She further explained that the best interest of UAC and the Senate was taken into account in any suggestions she made to the committee. She also gave a brief background of the staffing of UAC.

W. Hammond noted that three of the UAC members were from Social & Behavioral Sciences. He stated that since it was not a good balance from the schools and colleges, he would support the motion to return the membership to the Executive Committee.

The motion to return the nominations for UAC to the Executive Committee was then voted on and failed. The nominations stood as submitted. Senator Cannon moved acceptance of the nominations for all councils.

A vote was taken on the motion to accept the nominations of the Executive Committee for the Senate Councils for 1984-85. It was approved with one vote in opposition.

3. Next Senate Meeting

The Chair announced that the first meeting of the Senate in the Fall was scheduled for September 24, 1984.

4. Adjournment

The meeting was adjourned at 4:00 p.m.

Respectfully submitted,
