The Peds lost three from last season, including their number one and two men Bob Kampf and Ed Vesneski

John Royston was also lost to the Peds after holding down the fifth spot in 1959.

Austin saw action mainly as a doubles player. Myslinski saw some varsity action, while Wolner was fourth man and Penird played in the third position.

Penird and Welner should move up to the top two brackets.

Points Determine Winner

Tennis is played on a point basiwith the team gaining the five of nine possible points winning. Each match is worth one point, with a meet consisting of nine matches six singles and three doubles

Points to ponder: Did Baum have trouble handling his roommate's serve in a pre-seasaon practice game last year?

Wolner had to be re-educated so he wouldn't kick the tennis ball when it came over the net

Injuries Hurt

This team was plagued all year by an injury jinx with only six varsity wrestlers able to finish the season. Four times this season they outwrestled the opposition but lost the meet because of forfeits. Despite these heartbreaking losses, their spirit never wavered and they earned the respect of everyone, from their coach Joe Garcia, to this reporter and all the fans who followed

Diamondmen In Pre-season ** Workouts

Varsity practice went into full 5) swing for coach Bob Burlingame's varsity baseball team this week with a turnout of twelve of the sixteen men on last year's team as well as

one new man. The new diamond coach had his eye on a couple of battery prospects eded who were not on last years team, to augment his mound staff for the

5th touch season ahead. Oth Frosh hopefuls will begin to have 1th a chance to strutt their stuff, with yearling hurlers and catchers to be alled out for a meeting Monday at 1st 3:45 in Page gym. Just how much of 6th a known supply of talent wil appear is questionable, but the possibility emains that the Peds may sport a winning frosh team as well as an

outstanding varsity nine. Co-Captain Dick Lewis has been putting the varsity crew through the early season workouts scheduled to end when the weather gets good enough to go outdoors.

O State will open the season at 1 Bleecker on Friday, April 22, meetmy Willimantie and take the field the next afternoon against Potsdam 3 m a 2:00 game. Came time for the 4 opener is 3:00

Egelston At Opener

Mrs Martha Egelston, an assistant professor of history, will probably re ume her duties as State's number one baseball fan as she throws O out the first ball to open the season. 2 In 1959 she pitched a strike to open the season before Wes Brown took over the m and to beat Utica. Never able to come close to their potential, the Peds will be mainly the same team that was playing a high class brand of ball at the close

of the 1959 season State wound up with a 6-10 mark a season full of frustration as the Peds, while besting the opposition most of the time, second to cave in at crucial moments and drop the game.

Revenge Minded

With revenge on their minds, infielders such as Jerry Gilchrist, Bob Dzikowicz, Joe Burton, Lewis, and co-captain Ray Haver have let it be known that they have no intentions of letting games be given away on silver platters in 1960.

Notice

There will be a short meeting of all freshmen interested in playing frosh baseball this season. Report to Page gym at 3:45
