Seniors will meet in the rotunda, the juniors facing the rotunda, at the west door of Draper hall on the peristyle, the sophomores at the foot of the stairs by the annex in Husted hall, and the freshmen by the Co-op in the lower corridor of Draper hall. All classes are to assemble at 8:00 o'clock Friday morning.

There is no need for a lot of whangdoodle talk about cigarettes — just plain common-sense

When you stop to think about your cigarette—what it means to you—here's about the way you look at it—

Smoking a cigarette gives a lot of pleasure—it always has.

People have been smoking and enjoying tobacco in some form or another for 400 years.

Of course you want a cigarette to be made right. And naturally you want it to be mild. Yet you want it to have the right taste—and plenty of it.

In other words—you want it to Satisfy.

**Moving-Up Scenes To Be Re-Enacted**

Traditional Ceremonies Planned As College Awaits Events Tonight and Tomorrow

Suspense runs high among State students today as they anticipate the athletic events, colorful pageantry, and the tapping of next year's Myskania, which constitute the traditional program of Moving-up Day.

The annual inter-class athletic rivalry events tonight on the campus in front of Page hall will open the activities. The events will include the men's push ball contest at 7:30 o'clock and the track events between the freshman and sophomore women at 8:00 o'clock. Both of these carry inter-class rivalry points.

Tomorrow morning the classes will assemble at 8:00 o'clock. Myskania and the seniors will meet in the Rotunda and head the procession. The juniors will form behind the seniors on the peristyle west of Draper hall; the sophomores will line up in the lower corridor of Husted hall by the annex, followed by the freshmen who will meet in the corridor by the Co-op. The procession will then march through the main entrance of Draper to Page hall auditorium. Each class will be directed to its section by the class marshals.

Evelyn Staehle, '35, grand marshal, will be assisted by the class marshals Mildred Mosher, Carlton Coulter, and Alfred Lucas, seniors; Marjorie St. Amand, Sebastian Albrecht, and Eudora Farrell, juniors; Anne Rand, Robert Coutant, and Frederick Byrnes, sophomores; and Kathryn Hobbie, Richard Cox, and Marion Bisnett, freshmen.

**Track Meet Will Complete 1934-35 Intramurals Today**

Men from all the undergraduate classes will compete in an intra-mural track meet this afternoon on the field in front of Page hall. The meet will climax an extensive inter-class program directed by Al Jadick, '35, throughout the year.

The events will include, dashes, 100 yards, 220 yards, 440 yards. Middle distance runs, 880 yards, one mile, two miles. Track and field events, high jump, broad jump, pole vault, and shot put.

A large number of contestants has been drawn from the four classes, and the competition should produce several likely candidates for next year's cross-country squad, as well as determine the outstanding track stars of the school.

**There'll Be Sidewalks But No Planks Moving-Up Day**

"Those sidewalks will be completed by Moving-up day," promised Superintendent of Grounds John B. Hunt, when questioned by a representative of the News.

Previous statements carried by the News have indicated that the Emergency Relief workers would not complete the sidewalks' construction on the Page hall campus in time for the Moving-up day campus ceremonies.

Working longer hours with a larger number of men, Mr. Hunt assures us that there need be no fear of "plank-walking" as an innovation to Moving-up day.

Glenn M. Ungerer, '36, has been appointed to the post of associate editor. Ungerer will assist the editor-in-chief in the formulation of policies and will assist the news editor in the publication of the paper. He will also contribute editorials and book reviews.

Frederick Dexter, Harry Gumaer, and Virginia Stoel, sophomores, are promoted to the Board as assistant news editors. Their duties will include instructing freshmen "cub" classes, supervising assignments, re-writing, and editing. They will work under the direction of Miss Rogers.

**Edward E. Potter Club To Conduct Dance Saturday**

Members of the Edward Eldred Potter club and their guests will dance Saturday night at a spring-formal affair in the Commons of Hawley hall, from 9:00 to 12:30 o'clock. Richard Margison, '36, is general chairman.

Russ Newkirk and his orchestra will furnish the music in a Commons renovated with artistic decorations and subdued lighting.

Faculty guests attending the dance include Mr. Carlton Moose, supervisor of science in Milne High school, and Mrs. Moose, and Mr. George M. York, professor of commerce, and Mrs. York.

Committees assisting Margison are: faculty, Leslie Knox, '38; decorations, Richard Cox, '38; music, Robert Margison, '37; floor, William McGraw, '37; and refreshments, John Cullen, '37.

**Norton To Star In "Death" Premiere Set For Thursday**

Members of the advanced dramatics class will present "Death Takes a Holiday" by Alberto Casella, rewritten for the American stage by Walter Ferris, Thursday and Friday in the auditorium of Page hall at 8:15 o'clock, under the direction of Miss Agnes E. Putterer, assistant professor of English. Students may secure tickets upon presentation of student tax cards.

The cast includes: Prince Sirkki, Hugh Norton, '36; Grazia, Barbara Clark, '36; Alda, Marjorie Wheaton, '36; Rhoda, Jayne Buckley, '36; the Duke, Cecil Walker, '36; Eric, Frank Harduever, '36; the Baron, Kenneth Christian, '35; the princess, Mary Kane, '36; Stephanie, Betty Griffin, '36; Cora, Evelyn O'Brien, '36; Corrado, Angelo Zannieri, '36; Major Withred, Paul Dittman, '38; and Fidele, George Taylor, '35.

**1936 Myskania Awaits 'Tapping' As Mystery Shrouds Ceremonies**

Moving-up day activities will commence tomorrow at 8:00 o'clock—but the high point of the morning's program will not arrive until shortly after 11:00 o'clock when, following the traditional "moving-up" of classes, the nineteenth Myskania will be tapped.

In solemn procession each member of the retiring body will move down the aisles of Page hall auditorium, stop at the end of the row where the member-to-be sits, and announce his or her name to the faculty and student body.

The 1935 Myskania numbers eleven members, six men and five women, the first ever to include more males since the organization of Myskania in 1917. Whether the 1936 Myskania will have a predominant number of men or whether the fair sex will outnumber the men is a matter of conjecture.

Whether the number will be eleven, twelve, or thirteen is unknown to anyone but the outgoing Myskania. Not more than thirteen have ever been tapped and

the 1918 Myskania numbered but ten members.

If the outgoing Myskania taps in alphabetical order, Wilfred Allard, '35, will be the first to announce the new member of the 1936 Myskania. If the same system of reverse-alphabetical order that has been followed for the last three years is used, then Dan Van Leuvan will be the first to tap. Should the first member-elect of the 1936 Myskania be a woman, then Harriett Ten Eyck, '35, or Dorothea Gahagan, '35, may be the first to tap. This system was used several years ago but not in recent years. Members of the incoming and outgoing Myskania will remain standing during the tapping.

The president-elect of the student association is a member ex-officio of Myskania. As a consequence, one of the four candidates for this office, Elaine Baird, Jayne Buckley, Paul Bulger, or Edward Kramer will be a member of the new group.

**Pedagogue Elects Editor And Board For Coming Year**

Virginia Chappell, '36, will be editor-in-chief of the 1936 *Pedagogue*, as a result of elections conducted by this year's board.

Miss Chappell will head a board of editors consisting of the following members, also elected by this year's board: business manager, Kathryn McCormack; literary editor, Emma Mead; photograph editor, Martha Martin; art editor, Florence Lawlor; sports editor, William Baker; advertising manager, Zella Winter; circulation manager, Helen Jones; feature editor, Ruth Edmunds. These board members will all be seniors next year.

As a reward for his work this past year, a special staff position has been created for next year to be filled by Thomas Breen, '37. This is the position of assistant business manager.

Keys will be awarded to the new board members on Moving-up day, according to Katherine Kearney, '35, editor of the 1935 *Pedagogue*.

### THE "NEWS" CARRIES ON

The last story has been written, the last page set up, and the last issue is now a part of history—the history of student journalism at State college. With this issue the 1934-35 News board and staff relinquishes its grip upon the pen and passes on its "nose for news" to the incoming board and staff.

Many changes have been necessitated and made in the News since the first volume was published. The year just closing has brought about several decided changes. At the beginning of the first semester the Board carried out the policy of publishing the issues weekly, but the finances were so curtailed due to the reduced budget that some action had to be taken in order to meet the crisis. Publication of the News every other week met with much disfavor among both faculty members and students. It was then that the Board decided to reduce the size of the News to its present form. Seemingly this may have been a retrogression, but we do not consider it as such. Although the quantity was reduced, the staff strived to maintain the quality, and we hope that we succeeded.

This issue is the twenty-fourth to be published this year. There will be one more before volume 19 is placed among the annals. The budget, although cut to approximately 57 per cent of its original size, has been worked over and made sufficient. With the new plan for student tax collections and the efficiency of the leaders who will determine the policies of the News next year, the present Board feels that, in moving out, it is leaving the traditions of the News in worthy hands for the promotion of all that the News stands for, "to be the mirror of State college life ever reflecting true sentiment, regardless of bias and prejudice."

### WHAT IS "MOVING-UP"?

Tomorrow morning, the traditions of moving-up will again be re-enacted. The verdant frosh will become the dilettante sophomore; the sophomores will find psych (not of the Painter variety, though); the juniors will meet Milne—and conquer or be conquered.

In addition, officers of associations, publication boards, student council, will be announced to the faculty and students. The 1935 Myskania will tap their successors and once again we shall all feel the poignant realities of Tennyson's oft-quoted: "The Old Order Changeth, Yielding Place to New."

This moving-up—what is it? After four years, it is still too soon to attempt a definition or an answer. There can be but an interpretation—as it comes to us: "We lisp in numbers, For the numbers come."

In past years, we have deplored the fact that the utter significance of moving-up day has been subverted to the tapping of a new Myskania. The whole spectacle, it seemed to us, centered around the fact that eleven, twelve, or thirteen juniors were tapped to the senior society. To be chosen to Myskania is a great honor, one of the greatest which State college can bestow. We do not dispute this sentiment. We do, however, feel that there should be a greater, more-inclusive meaning to the moving-up. It should inspire all to greater heights, renewed efforts, greater respect for State college, her traditions, customs, organizations,—College of the Empire State, "Sapientia Non Sua, Sed Docendi Causa"—a brave resolve, a strong purpose,—service to our Alma Mater.

associate business managers. Carolyn Simonet, '36, will serve as business manager and Laurita Seld and John Deno, sophomores, will assist as associate business managers.

Members of the incoming Board will receive the gold key awards at the Moving-up day ceremonies tomorrow morning. The awards will be presented by Dr. A. R. Brubacher, president of the college.

Elizabeth Gooding and Robert Margison, sophomores, will continue as desk editors for the remainder of the year. Revision of the editorial department involves dropping the posts of senior and junior associate editors.

The editorial staff will thus consist of the following:

Rosella Agostine, Phyllis Bosworth, Loretta Buckley, Elsa Calkins, Hulda Classen, Ruth Edmunds, Jaqueline Evans, Ruth Gillespie, Marie Geesler, Mary Hudson, Aubrey Kalhauch, Margaret Woodruff, juniors, and Helen Clyde, Effrieda Harit, Elizabeth Herr, Mary Lam, Mary Plank, Elinor Smalley, and Phyllis Vermilye, sophomores.

Forty-two freshmen "cubs" are promoted to the editorial staff as reporters. These freshmen enrolled with the News on Activities day in September and since have been attending classes where they have learned the fundamentals of journalism. Those promoted are:

Isabel Davidge and Joan Kaplan, sophomores; Betty Appeltoorn, Rose Berkowitz, Mildred Bodin, William Bradt, Anne Burr, Frances Cahill, Helen Callenius, Kathryn Carlson, Richard Cox, Alvena DeLong, Warren Denamore, Antoniette Don Vito, Elizabeth Driscoll, Jeanne Edgcombe, Ruth Frost, Ella Gifford, Muriel Goldberger, Merriam Gould, Marjorie Johnson, Phyllis Johnson, Rose Kurkhill, Charlotte Libman, Jean Lichenstein, Josephine Maurice, Mary McClung, Lillian Mosher, Ruth Muller, Helen Oski, Theresa Palmer, Dorothy Robinson, Mae Rosenbeck, Adelaide Schmitz, Jean Shaver, Martha Sheehy, David Smith, Muriel Stewart, Ruth Thomson, Mary Tobin, Ramona Van Wie, Sophie Wolzak, freshmen.

### ARE CO-CAPTAINS

Edward Reynolds, '38, and William Fullagar, '36, were elected co-captains of the cross-country team for next year, as a result of elections conducted this week by this year's lettermen.

## Sophomores Regain Rivalry Lead As Classes Await Close Of Contest

A fight to the finish—the freshmen were leading eight and one half points to five in sophomore-freshman inter-class rivalry—then along came the '37 mascot, to gain five points for the red and white by hiding in the almost invisible caverns between the ceiling of the gymnasium and the floor of the auditorium of Page hall for seven long days and nights. Now the sophomore class leads ten to eight and one half points. Twelve and one half points remain in the offing in the five events scheduled for tonight and tomorrow, besides the five points awarded to each class retaining its class banner until midnight tonight.

At midnight last Saturday, Myskania, supervising the mascot hunt, declared the hunt officially ended and called upon the sophomore committee, Robert Margison, William McGraw, and William Young, to retrieve the mascot in accordance with rivalry rules. Margison, in spite of his formal attire, was the only one able to crawl under the numerous ventilators, penetrate the depths of the caverns and finally reach a wire connected to the mascot wrapped in canvas from the blackness of the crevices.

No great odds were offered on the rivalry outcome as the News went to

## Annual Moving-up Ceremonies To Be Week-end Highlight

(Continued from page 1, column 4)  
The ceremonies in the auditorium will begin with the singing of the Alma Mater, led by Gertrude Morgan, '35, college song leader. The four class speakers, Paul Dittman, '38, Irwin Stinger, '37, Angelo Zannieri, '36, and Dorothea Gahagan, '35, will then address the student body.

The presentation of keys and prizes will follow the speeches. Dr. Milton G. Nelson, dean, will award the keys to members of Signum Laudis; Mr. Donald C. Bryant, instructor in English, will present the debate keys. The keys for members of the News board will be given by Dr. A. R. Brubacher, president. Mr. Bryant will also award the Lion keys and Mr. Louis Jones, instructor in English, the Echo keys.

Among other announcements are the Echo prizes for literary compositions, the Potter club award to the man who has done most for State, the officials for next year's Young Women's Christian Association and the Girls' Athletic association, and the members of the honor council of the latter organization.

Proceeding the moving-up ceremony, the senior class will sing its farewell song, "We, '35, Salute You."

Directly after the classes have moved up, the present Myskania will tap its successors. Announcement of results of student association elections will conclude the activities in the auditorium.

The four classes, headed by the old and new Myskania, will then file out on the campus for the traditional planting of the ivy and the formation of class numerals.

The freshman-sophomore debate contest carrying two and a half rivalry points, will begin in the afternoon at 2:15 o'clock in the Page hall auditorium. Class stunts will follow.

The step-sing will open the evening activities at 7:30 o'clock in the court of Draper hall. Announcement of the winners of the prize song, prize stunts, and games will be made during the evening, and the inter-class rivalry cup will be awarded to the winning class. The senior and junior step songs, "Great Fires," and the recessional of the seniors will terminate the activities.

## State Nine Downs Oswego In Opener

John Cullen, '37, Pitches Entire Game Which Brings State Ragged 10-9 Victory

Ending a two-run rally by Oswego Normal school in the ninth inning, State squeezed out a 10 to 9 victory in the first baseball game of the season for the Purple and Gold. John Cullen, '37, former Kingston high school star, pitched the entire game, allowing the visitors twelve hits but struck out ten of the opposing batters.

Aided by four errors, Oswego took the lead several times, only to lose it again. The visitors scored first but could not keep their lead when, in the fourth inning, State, with the help of two errors, scored four runs. Cullen weakened in the fifth and sixth to permit Oswego to gain a one-run lead. In the last half of the sixth, State chased two of the Normal school pitchers and five State players crossed home plate.

In the last inning, Martin, pinch-hitting for Oswego, drove in one run, and Cloonan, with his second hit of the afternoon, scored Woodruff. Kirkpatrick, the last man up, grounded to Cullen and was thrown out at first to end the game.

George Finnegan and Frank Minisci, seniors, each hit safely twice, and Cullen, Robert Rifenberick, and Kenneth Drake, captain, also hit safely once.

The line-up for State was Finch, 2b; Finnegan, ss; Cullen, p; Rifenberick, c; Drake, 3b; Amyot, 1b; Quigley, cf; Murray, rf; Young, rf; Minisci, lf.

## Fraternity To Mark 20th Anniversary

Sunday afternoon the members of Gamma chapter of Kappa Delta Rho will observe the 20th anniversary of the founding of the chapter. June 10, 1915, was the date of the founding of the chapter, but the date for the anniversary has been advanced so as not to conflict with examinations.

## State To Oppose Hartwick Saturday At Ridgefield Park

The Purple and Gold baseball team will continue its schedule Saturday afternoon when it meets Hartwick college at Ridgefield park diamond. The game will begin at 3:30 o'clock.

Coach Baker has conducted several strenuous practices this week in an effort to iron out some of the more outstanding misplays of last week's game. Several of the players may be changed to other positions. Paul Schmitz, '38, will see duty on the mound if an emergency arises in this week's game.

Robert Rifenberick will be behind the plate again. Gerald Amyot, George Finnegan, Dan Finch, and Kenneth Drake will complete the infield. The outfield will be patrolled by Frank Minisci, Bob Murray, and Jim Quigley. William Young and George Bush may also see service.

Hartwick was defeated by Oswego Normal school 6-5 Friday at Oneonta.

Hallelujah!!! Yeah man! Etc!! The city fathers have finally opened the tennis courts. Now the team won't have an alibi for their next match. Maybe they won't need one. We hope so.

In spite of the three o'clock ruling, the boys weren't so alert against Middlebury last Saturday. The Vermonters had our boys saying "nice shot" from beginning to end. At least, our lads can lose gracefully.

If the boys only had courts to practice on, they might be able to do something. For instance, they always do well in the doubles. They use their singles for practice sessions. It's the only practice they have had so far. (We repeat this for emphasis—forgive us.)

As this pillar of truth goes to press, the mightiest of our men are girding their loins for combat in the family track meet. The race is to the swift, my mates. Happy days! We still think the sops will make good. We'll be glad to be wrong. Loyalty is a wonderful thing.

# Rivalry Trophy Disappears During Potter Club Dance

It appears, according to campus rumor, that the inter-rivalry cup has not yet decided with whom it wishes to permanently reside, the reason being that it disappeared from the Potter club dance Saturday night, at which function it was the guest of honor.

It seems that the silver cup was conspicuously displayed by the exuberant freshmen, much to the dismay of their rival class. Accordingly, during the course of the evening, the lights were mysteriously doused, in the middle of a dance number, and when they came up again after no little procrastination, the cup and three sophomores were A.W.O.L. The trophy is at the present time in the custody of the freshman class, having been returned before the dance was over.

# Assembly Program To Feature Budget

### Finance Board Estimate Calls for Total of \$13,113.87 With Ten Dollar Tax

The Student Board of Finance will present a budget to the Student association in the 11:10 assembly today calling for \$13,113.87 to pay for next year's student activities. Although the new budget is almost a thousand dollars in increase over last year's, the finance board will again ask the association to pass a ten dollar tax, according to Glenn Ungerer, '36, member of the board and member of Myskania, senior honorary society, for 1935-36, who will present the budget.

Myskania will announce this morning the results of the preference ballot conducted on budget items a few weeks ago. If not enough items are eliminated by the ballot to bring the budget down to \$12,000.00, the finance board will make the following recommendation to the student body:

- The finance board recommends that the tax be placed at ten dollars per person. Since a \$13,113.87 budget presumes a per capita tax of \$10.85, the board feels that the eighty-five cent difference be taken care of in one of the following ways:
1. By dropping some activity or activities from the budget by a majority vote of the student body, so as to bring the budget to \$12,000.00.
  2. By having each activity share proportionally in cuts from the budget.

The major item which contributed to the increase in the budget was football, which calls for \$750.00. Activities which took cuts were the Dramatic and Art association, Myskania and the News.

The board urges that the budget be passed this week or next in order that the new board may begin collections during registration week in the fall.
