

## **TRANSFER ARTICULATION AGREEMENT**

### **SUNY COBLESKILL AND THE UNIVERSITY AT ALBANY**

This Transfer Articulation Agreement is the result of thoughtful cooperation between the faculty and staff of the University at Albany and SUNY Cobleskill.

Academic programs at SUNY Cobleskill provide strong preparation for and ready access to baccalaureate programs at the University at Albany. Therefore, we have developed an agreement with SUNY Cobleskill that will provide the maximum number of transfer credits applied to 33 different degree programs at the University at Albany. We strongly believe that many students in a two-year program of study at SUNY Cobleskill will benefit from the information, guidance and transfer course equivalencies this agreement provides.

The University at Albany is delighted to continue our longstanding, close relationship with SUNY Cobleskill and we are proud to offer each student the opportunity to earn both an Associate's Degree and Baccalaureate Degree within the State University of New York System.

James R. Stellar, Ph.D.  
Interim President  
University at Albany  
State University of New York

Darrell P. Wheeler, Ph.D.  
Interim Provost and Senior Vice President  
for Academic Affairs  
University at Albany  
State University of New York

The attached University at Albany and SUNY Cobleskill Transfer Equivalency Table represents the required and suggested elective courses that are similar and parallel to those completed by degree-seeking students at the University at Albany. SUNY Cobleskill students who complete the program as outlined in these arrays will be awarded full transfer credit and afforded the opportunity to complete the Bachelor's Degree in four additional semesters of study at the University at Albany.

SUNY Cobleskill students pursuing programs that do not conform to those specified herein will be considered for admission on an individual basis. The Transfer Course Equivalency Table in this agreement will be amended or expanded with mutual consent through an annual review by both institutions.
