nected with our position. The following things are a few of our obligations to the school:

1. In selecting school officers there ready should be no favoritism for friends and the best candidate should be voted into office. As the school officers are to represent the school, they must be the best.

2. Support the tennis, basketball, and baseball teams of the girls and boys.

3.Attend all the school, social and other activities.

4. Obeying all the traffic and noise rules of Milne.

5.Doing our best to boost the school's standing in newspacer work, scholastic standing, and sport standing among all outsiders.

'Come out one and all to the Junior Travel Hop'. This is the slogan of the Junior Class and their first public endeavor to raise funds for next year's senior class treasury.

We strongly urge the support of the entire school for this dance. The Juniors headed by their President Russell Jones and Frank Hewes, general chairman, have taken great steps to make the dance a universal success.

# CALLING DR, KILDARE

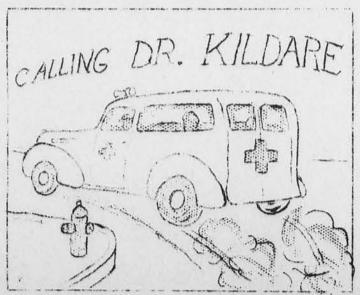

Calling Dr. Kildare is a Metro Goldwyn Mayer production and boasts such stars as Lew Ayres, Lionel Barrymore, and three beautiful damsels, blond, brunette, and a red-head.

The plot of the story continues on from the last Kildare picture and is a-bout a young hospital physician and his struggles through medicine and women.

Lew Ayres as Dr. Kildare has as an able supporter Lionel Barrymore, who plays . a magnificent part as the head doctor at a New York City hospital.

Young Dr. Kildare gets into trouble when he "patches up" a criminal and purposely forgets to report it. He believes that the lad is innocent and fights for him. Round Town

with FIFI

The activity of these last few weekends is almost overwhelming!!! This one was certainly no exception.

Thursday afternoon while I was finishing a soda at Wagar's, four excited school-girls rushed in and sat at the booth in front of me. Their voices, filled with excitement, led me to believe that there is an election soon. They discussed the possibilities of each candidate for president. Evidently, as only masculine first names were mentioned, it's in the bag that the next Milne president will be a gentleman. They were <u>GigSling</u> over the cuteness of one and another as I took leave.

A Nother and Daughter banquet was held at one of the churches; from all I've heard, Mrs. Cross took Ginny Nichols as her daughter. (A glimpse into the future, I might **s**ay)

Thursday evening, just to do as many others were doing, I carefully pushed the button on my alarm clock deep into the old chrom; consequently, I snoozed until nearly eleven. Such a glorious feeling! (Quite a contrast to the hour George Scovill had to arise--somewhere around dawn, to be more exact.)

Friday evening, I, with about seven thousand others, reviewed the drill of the C.B.A cadets. Seated in the reserved section were quite a few gay Milne debs. -My, they do get around a bit.

Just glancing toward the section where the parents of the senior boys were to be seated, an unusually cheery face met my gaze. You've probably guessed to whom it belonged--Duckey Dey, of course. She had a good seat, anyway.

Following the drill, the young ladies were excorted to the ballroom where many a feminine heart fluttered anxiously as the girls waited to be claimed by their white-clad escorts.

The Scout Horseshow was among the activities of the weekend. These 'orse shows are definitely gaining popularity with the smart younger set.

Bouquets, or rather blue ribbons, to Milne boys, Gif Lantz, Dick Swift, and Len <sup>B</sup>enjamin, who captured three-fourths of the honors in the best set of fours; the fourth member was John Allyn, an ex-Milnite. All in all, Milne did quite well.

> Betty Tincher and Doris Mochrie (Con't in next column)

(Continued from column 1) breathed sighs of joy when winners were proclaimed; Posy Freund didn't feel too badly about it, either. The fourth person? Well, I won't mention her.

"Soupy" Selkirk dashed in during the show with none other than that man about town W.W. Branche.

Also noted at that affair were that sparkling couple, Marcia Wiley and Ken Ford. Is this a steady affair?

I was very sorry to hear that an athletic freshman, Ethel "Mickey" Baldwin, met with a calamity over the weekend. Ethel was playing a vigorous game of softball when she collided with another player; The result - a broken collarbone. Here's hoping she recovers soon.

Whom did Miss Jansing step out with Saturday evening? None other than Stanley Eddison. A bashful boy? No more!! It might be said that Jan's charming ways are responsible for those extra grins this week. Could be!

The Junior Jig, an informal which looms up for this Friday, has me a bit puzzled as to who's going with whom. At least "Varsity Guy" Childs can no longer be classified among the stags. Marilyn Smith is the lucky lady, in case you're wondering.

Eddie Langwig, the drummer boy, is contemplating buying a couple tickets, but refuses to commit himself as to whom he is escorting.

Memorial Day is next Tuesday; another vacation is in store for all Milnites. With this day, however, come the morades. If you see some of the ardent admirers standing on a far-away street corner anytime from 7:50 in the morning until afternoon, don't be too surprised.

> With that I bid you Farewell FIFI

So many people question whether or not the Feature Page is improving that we have decided to publish some of the humor printed in the Crimson And Mhite from "way back when" and let you be the judge. May the best man win (and we hope we're the best man).

### THE SONG OF THE MILNE GIRLS

Milne girls really sing this song, but we are led to believe that they would like (both animal and slipper types included). to, if they don't already.

Excitement !! Where? At the Milne Horse Show, of course. Quite a group of Milne horse lovers or Milne lovers (interpret it as you may) turned out last Friday afternoon to see the Horse Show at Troop B Armory. Admiringly they watched the horses with colleagues (our colleagues) perched atop. That the ef-fects are still prevelant in the minds 'who were present we offer the fact that Natalie Mann is still singing: "Give A Mann a Horse She Can Ride"! Matalies horse is a rhumba enthusiast and attempted to give a dancing exhibition the other day. . . 2. 12

We imagine that Johnny Allen, that C.B.A'er, is quite a hand at "4,5,6-Pick Up Stix" because he certainly picked up the rods knocked off of the hurdles with the greatest of ease. Of course, we all know that he has a great fondness for horses, but it is rumored that there is a profound yen in his heart for that little, blue-eyed terror Sally Devereux.

Glenna Smith we noticed was seated between those two "live wires" Fred Regan and Robert Pfeffer. Also among the watchers were those stand-ins for the "Lone Rangers" : Al Metz. Bob Stevenson and Stanley Eddison(and they can't even ride).

All the spectators marvelled at We're not sure whether or not the off with all the first prizes. She e girls really sing this song, but we surely knows how to manage her mules After proving her ability with the horsies in the afternoon she "went to town" in the evening at the C.B.A. dance

### EXCHANGES

The Sider Press from Oceanside High School presents this reasoning:

To prove: If you love a boy, that proves he loves you.

Proof: You love the boy, You are a lover, All the world loves a lover, The boy is all the world to you,

Therefore: The boy loves you.

Also from The Sider Press is this bit of philosophy: One minute of keeping your mouth shut is worth an hour's explanation.
