Smith to Hide University Banner; Hunt to Begin From Draper Steps

Hunting for the official State College banner, beginning at 9 a.m. tomorrow, will be the last Rivalry event before Campus Night.

The boundaries for the banner hunt will be the east wall of Albany High to Robin St. and Washington to Western Avenues.

The banner may also be hidden on any individual who will remain in the same position during the hunt.

It will not be hidden inside any building or vehicle.

Regulations

The Rivalry chairman will announce the rules on the front steps of Draper before the search begins.

The banner hunt is worth two Rivalry points. The class to locate the banner first will win the hunt.

Other Rivalry Points

The Rivalry score now stands at Sophomores, 9, and freshmen, 3. Newspaper, cheering, sing and skit points will be announced on Campus Night, which will begin at 7:30 p.m., next Friday.

IFC to Begin Frosh Rushing With Smoker

Another kind of "Rivalry" will begin at 7:30 p.m., Monday with the annual Inter-Fraternity Council Smoker, the official beginning of freshman rushing.

Joe Zwicklbauer '63, of Edward Eldred Potter Club, will act as general master of ceremonies. He will coordinate the skits or acts presented by the five fraternities.

Each fraternity will also have its own MC to introduce the group's performances.

Fraternity MC's in order of appearance will be Al Di Caprio '64, Alpha Pi Alpha; Lance Anderson '65, Kappa Beta; Dick Middleton '63, Sigma Lambda Sigma; John Mason '63, Theta Xi Omega; and Marty Eppner '65, Edward Eldred Potter Club.

Smoker Purposes

Bill Leo '64, President of IFC, states that, "The primary purpose of the smoker are to introduce the men of the freshmen class to the five fraternities and to give the freshmen an idea of what fraternities are like and what he can expect from fraternities."

The evening is designed for entertainment purposes, but essential information regarding the serious aspects of fraternities should not be neglected by the freshmen.

Committees

Committees assisting with the IFC function are: arrangements and publicity, Alpha Pi Alpha; refreshments, Kappa Beta; setup, Sigma Lambda Sigma; and "Prospectus" (program), Theta Xi Omega.

All male undergraduates are welcome to the smoker; however, those males of the class of 1966 are especially urged to attend.

IVCF TO HEAR SPEAKER

The problems and power of prayer will again be the topic of discussion when the Inter-Varsity Christian Fellowship meets Thursday, November 8.

Senate:

Freshmen Keep Ballot; Letters To Be Sent

by Linda McCloud

Final action on whether freshmen should be allowed to vote for Myskania was taken at Wednesday night's Senate meeting.

Myskania feels the freshmen are part of the school, there is an attempt to know the upperclassmen, and they do not know personalities as do the upperclassmen.

Besides opportunity to vote during the week, students can vote Saturday and Sunday in the Student Union.

Senator Lenny Lapinski '64 asked if there were any provisions for keeping the frosh vote separate.

The proposed amendment that freshmen be allowed to vote only for class and S. A. officers was defeated.

Dippikill Trip

Sue Murphy, chairman of Finance Committee presented a bill allowing \$150 for expenses for Camp Dippikill. It was accepted.

The Senate trip to Dippikill will be tomorrow, with the purpose of inspecting the work done on the building.

Book sales in the Commons was then discussed. The only possible way to alleviate this would be to sell only books in the Co-Op.

Senator Stroud reported that Statesmen are asking senate to appropriate \$1500 for 30 college blazers and trousers.

Mary Margaret Welker made a motion to adjourn. It was seconded and passed.

Libby Stroud '64 opened the discussion about tuition. There will be a letter sent to parents urging them to write to their congressman protesting tuition.

Constitution Committee will look into formulating a policy for what kind of organization needs a constitution.

Shirley Blanchard announced that pictures of senate will be taken next week at 8:30 according to committees.

Recreation Reorganization Committee

A motion was made to accept the report of John Lilga's '64 Recreation Reorganization Committee. It was passed and will be tabled until next week.

The plans are either the faculty should be given separate dining facilities or they should be given a lounge and share the student dining facilities.

Don Allen reported on the radio station. The problem now is to lay a cable through the dormitories and trouble with the Brubacher electrical system.

Don Allen '63 reported that a 50 star flag has been here for some time; it just hasn't been put up as yet.

President Condojani read a letter of formal resignation from Roz Ferrarra '64.

Mary Margaret Welker made a motion to adjourn. It was seconded and passed.

NEWS Lauded by ACP, Gains First Class Rating

The State College News has received a rating of first class by the Associated Collegiate Press, national critical service, for last semester.

The ACP, which rates newspapers from all sections of the country, judges on the general features of coverage, content and physical property.

Within these broad categories, the News received superior ratings for its editorial page features, sports coverage and sports display.

Excellent scores were received for inside news pages, headline schedule, typography, printing and masthead.

Judging Methods

Papers are judged according to the effectiveness with which they seem to serve their individual colleges compared to other newspapers with similar school enrollments and frequency of publication.

Rating distinctions are thus based on comparison with other student newspapers rather than with some mythical "perfect" paper or a metropolitan publication.

Suggestions

Each rating is accompanied by a guideline showing the bases for the score, references to good or bad journalistic techniques in specific issues, and suggestions and comments for improving effective service to the college.

NEWS involved such varied topics as more interpretation of speakers, more emphasis on student and faculty reactions to such issues as retroactive tuition, a continuing broadening of the editorial field, and more and bigger pictures.

Mr. Mencher, judge for the weekly publications of 2000-4000 circulation, commented, "All in all, you should be on your way to a fine newspaper."

Students To Hear Air Force Talks Tuesday in Draper

Students interested in obtaining information about a commission in the United States Air Force will have an opportunity to talk to Major Theodore Jablonski, area Officer Training School Selection Specialist, on Tuesday from 10 a.m. until 3 p.m.

Accompanying Major Jablonski will be Sergeant William J. Maier, the local Air Force Recruiter. They will be on campus at Room 08, Draper Hall.

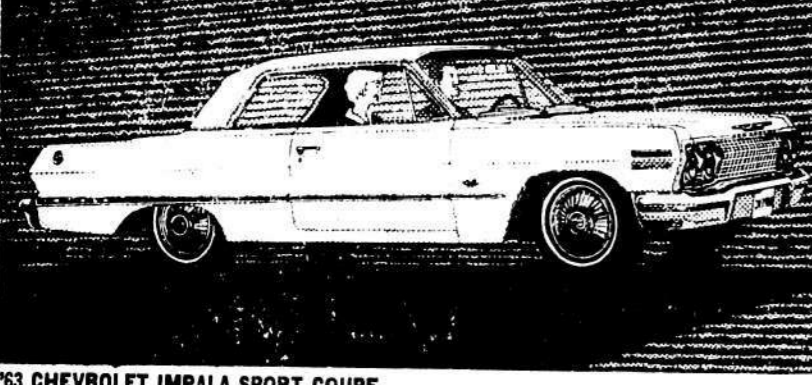

Though the Officer Training School program is designed for persons possessing a degree, college seniors can apply in their senior year and, if selected, may elect training after graduation.

Aside from this formal learning experience, we had an opportunity to meet student editors from all sections of the country.

We enjoyed discussing the problems of integration with students from Clemson College, which will be the first college to admit a Negro student in South Carolina.

Editors Report Experiences At ACP Detroit Parley; Look Forward To Try Techniques

by Blanchard, Petrick & Thusty

Having just returned from the Associated Collegiate Press Conference in Detroit, we are enthusiastically looking forward to putting the techniques and ideas which we learned into practice.

Aside from this formal learning experience, we had an opportunity to meet student editors from all sections of the country. There were 231 colleges and universities representing 37 states, District of Columbia and Canada.

We enjoyed discussing the problems of integration with students from Clemson College, which will be the first college to admit a Negro student in South Carolina.

Not all the benefits of the conference can be enumerated, for they are intangible, spirit, goodwill and a new perspective.

'2.0' Supported With Reservations

A week ago last Wednesday, the student Senate succeeded in mustering a 3/4 vote for an amendment to the Student Association Constitution. The amendment is subject to student body ratification in a referendum, which will be held in a few weeks.

If ratified this amendment will require all candidates for Myskania, SA officers, senators and class officers to have a 2.0 cumulative average.

We of the *State College News* believe that this amendment deserves the support of the student body. Although we believe there are serious drawbacks, it does seem better than having no standard written into the constitution.

We do not believe the first semester index is an accurate judgement of the ability of an individual to participate productively in an office, or of this individual's ability to improve an index. Yet at the same time, there should be something to protect the student from himself.

We do not believe participation on student Senate, for example, necessarily lessens the chances of a person to get off probation. We know of no senator who has flunked out in recent years. We do know of people who entered Senate on probation who served actively and well and who are no longer on probation.

We do not believe that the marking system of our college is necessarily a fair judgement of a person's ability. We

all know of examples where a person actually worked in a course and yet failed. Either the person should not have been admitted or the marking system is faulty.

It should be noted that the 2.0 is not required to remain in the college, but in order to graduate, according to the catalogue, on page 46, b.

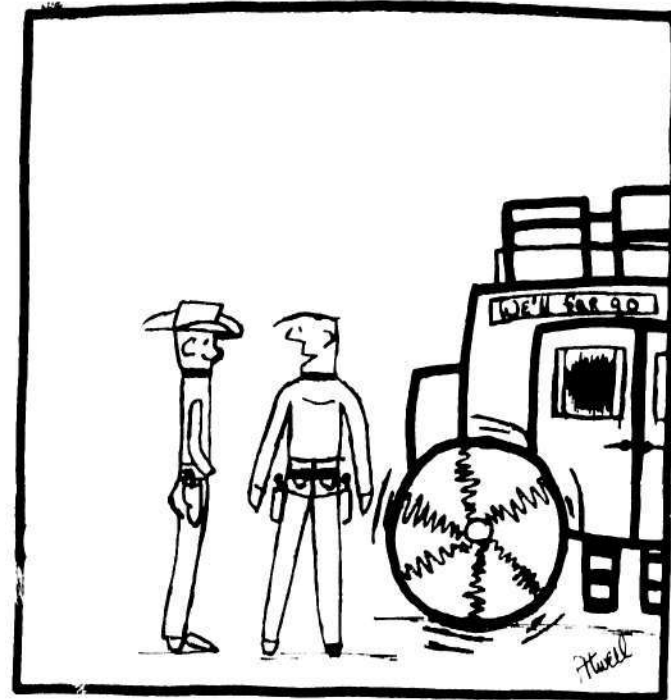

Myskania in stating its position did not say that it would oppose the amendment if it called for a 2.0 minimum. It did state its reservations.

These reservations included that the individual student has the right to decide if he is capable of assuming an office, that the students are aware of the situation and can vote accordingly and that people with less than a 2.0 can be outstanding leaders.

After voicing all of these doubts we want to restate our view that this amendment is deserving of student support. The student wishing to voice his or her approval of this change will cast a "yes" vote.

Since it considered that "in good standing" means with a 2.0, we favor a senate in good standing. We also favor having office holders take student teaching after their tenure, but we realize this is not always practical.

We hope that at least 2/3 of the student body supports this proposal and that at least 20% of the student body votes. JWG

Communications

To the Editor:

As a "verdant freshman," I came to State with my trusty handbook, already read and reread. I was very excited and a little scared about the start of all these new events. Reading about Rivalry truly be a part of college life that I would never forget. Unfortunately, I now want to forget it.

To me, the whole tone of Rivalry this year was very biased. I think that the Sophomores and their attitude toward the new freshmen decide the success or failure of Rivalry. The feelings shown by the Sophomores this year (as I observed them) were either ones of disinterest or contempt for the freshmen. Perhaps the reason for this lack of spirit was the disappointing score in last year's Rivalry.

I think it was very difficult for Myskania to keep the freshmen's interest in Rivalry up when the frosh have been either completely ignored or plainly ridiculed during the weeks of Rivalry. Friendliness and a true spirit of competition were missing. Myskania has done a wonderful job considering the lack of Sophomore spirit and enthusiasm show this year. I congratulate Myskania on a difficult task well done.

To the Editor:

Recently Senate went on record as approving a minimum requirement of a 2.0 average for student government.

As a Senator and as a member of the student body, I would like to offer my views on the subject. I am definitely in favor of the amendment. It seems to me that a person elected to student government who does not have a 2.0 must follow either of two courses:

1.) Because of the time he must spend on his studies, he will not be able to fulfill his duties as thoroughly as he should. Consequently, the school suffers.

2.) He will do a very good job in student government, but will not have the opportunity to bring up his grades. Since the main purpose of college is to get an education, the school and the student both suffer.

There are those who maintain that being in student government gives a person the incentive to bring up his grades. This may be true, but does it also make it harder for the person to carry out this plan?

Members of student government should be leaders, and this includes being a student in good academic standing.

The question of allowing the freshmen to vote for Myskania has also been brought up. At the risk of being labeled a "disgruntled loser" in last year's elections, I must say that I think that freshmen should not vote. Repeating my own experience as a freshman and having seen two freshmen classes since then, I do not think that the freshmen know enough about the candidates to vote objectively.

This will bring up the question of whether or not the upperclassmen vote objectively. I think they do to a large degree. If you know a candidate personally, you are bound to think he is more qualified than some one you do not know. Similarly, in the case of two equally well-qualified candidates, personality will play a part in determining your vote. I am sure that most people would not vote for a "brother" or "sister" if they did not feel him qualified.

Unless some way is found to allow the frosh to form a true appraisal of Myskania candidates, then I do not think they should vote.

CHEERLEADERS

In recognition of their fine services, the News is printing, below, the pictures of the varsity and frosh cheerleaders.

These girls, who have done so much in building both team and school spirit, may be seen at all home soccer and basketball games. They will be down front clapping, jumping, and leading State fans in cheering their teams to victory.

Don't let these girls get hoarse alone, stand up and shout right along with them; that's what they're there for so let's all go out and give them a hand.

AMIA Sets Up Keg Loop

The AMIA bowling league will begin its season next week. To date eight teams have registered for this intramural sport, one of the most widely participated activities that AMIA sponsors. This year's commissioner is Tony B. Severio, who can be reached at the KB house.

Seven teams will attempt to dethrone them this year, but only two of these will be from other fraternities.

Those teams who will be competing against Potter are the following: KB, captained by Tony B. Severio; Waterbury, captained by Don Haley; Madison House-EPG, captained by Bill Branick; the Sophes, captained by Arnie Johnson; the Linkwons, captained by Phil Thomas; and the Newman Club, captained by Steve Burgess.

Potter Defending Champs

The defending champions are the men from Potter Club, who edged out KB in a thrilling race last year.

Ped Bowlers Defeated By Owls, 4-0

by Bill Branick

In their second consecutive match with A.B.C. last Monday night, the State bowlers finished second to a determined bunch of Owls who were seeking revenge for last week's crushing 4-0 defeat. Led by Ed Westermann's 235-621, A.B.C. reversed the score of their last match with the Peds, who just couldn't seem to get the ball rolling. Jerry Wigler fired a 221 to insure an eight pin victory in the first game. The second game told much the same story as Westermann's big game, backed by Chuck Brown's 194, more than offset Bill Branick's fine 230 to give the Owls the game by 37 pins. In the third game, Westermann and John Demkowski combined games of 198 and 203 to inflict an 18 pin loss on the men from State.

Leading the Statesmen were Bill Branick with 230-505 and Paul Benudin with 172-509. Splits again meant the difference, but all was not lost as Dave Hoegmer again showed his split-making ability by converting three of the more difficult ones. State couldn't string the strikes together while the Owls came through with some great clutch bowling. Strange as it may seem, A.B.C. will be next week's opponent. This is explained by the fact that the C.D.L.C. league has a place round every other week, which gives some teams a chance to pick up points on the leader, R.P.I. at this time. During a place round, the first-place team bowls the second-place team, the third-place team meets the fourth-place team, and the team in fifth place battles the cellar-dwellers.

WAA Ends Soccer Season Next Tuesday

by Paula Dulak

On October 25, Sigma Alpha diveded soccer, 6-2, while the Sigma Phi and Bridge game was double forfeit. Thursday's league will finish up on November 6 when Sigma Phi plays Sig Phi. Yesterday Sig Phi and Sig Alpha, the first place team, met.

In the Tuesday League, the Psi room Alden game, which had three forfeits, determined the number one team of that league was postponed because of rain. A playoff between the Tuesday and Thursday leagues is scheduled, but the dates are not known at present.

Playday Tomorrow

The schedule for state playday with Sigma Phi, Borys and skidwons is as follows:

10:00 Registration in Potter Gymnasium, Devils in Page and Psi in Union at Art Field.

11:00 Psi vs Phi in Potter Gymnasium. Kickoff in Page Gymnasium. Bowling at skidwons.

12:00 Lunch in Potter Gymnasium. Chairman of the day will be Phil Thomas, who will be in charge of the day. The game will be held at 1:00 p.m. and the first game will be played at 1:30 p.m. The game will be held at 1:30 p.m. and the first game will be played at 1:30 p.m.

Those that did not get a game will be able to see the first game football between Sigma Phi and Psi tonight.

Notice

Varsity and frosh wrestling practice began last Monday. Any man who is interested in going out for either team, please contact Coach Garcia in the Page Gym. No experience is necessary. Transfer students, who have wrestled previously, are especially welcome.

State College Football Schedule

- Nov. 1 Siena
- Nov. 5 Oneonta
- Nov. 8 Cobleskill
- Nov. 10 Hudson Valley

No reader, yours truly hasn't gone over the top, and you aren't having Hedrick's Hallucinations. We admit that we did sort of stretch things in the title a night, State College being exchanged for Potter Club. But we enacted our little subterfuge to ram home our point—for the first time in its history, State College has a football team competing with other schools on a regularly scheduled basis.

Once again the men from Potter have made a shambles of the AMIA football league, winning the title behind a machine-like offense, and an especially stingy defense. Last year Potter, after winning the local title of course, marked a first here at State by playing the winners of the R.P.I. intramural grid loop. Not to have their winning ways short-circuited by a band of computers, the men of EEP rolled to a 15-0 victory. This year the Club has enlarged its off-campus schedule to five games, making for one whale of a season. EEP has already played one of these games, against the Cobleskill Barons, and emerged with a 24-0 runaway triumph.

Can You Imagine?

Now let your imagination run away for a minute. Picture teams from other colleges marching onto the College Playing Field, only to be devoured by the Potter machine. Picture the flags waving, the band playing, the cheerleaders cheering, and the booze flowing. Siena today, Ohio State tomorrow!

Okay, now that we've built you up to a mad frenzy, forget it. Like it or not, there won't be any more football games at State this year. Not that Potter hasn't tried its best to get a few games set up here. But like Murphy said, anything that can go wrong, will go wrong. In this case plenty has gone wrong, and it can all be summed up in one word — insurance. Yes, insurance has another meaning besides the Pavlovian response of \$27.50 on registration day. In the simplest terms in regards to State football, it means no insurance, no football.

Now, State students are insured up to their ears for any disaster that might befall them during the year. But, what about the men from Oneonta or Siena? Well the answer is obvious. If Minerva herself speared them, they still couldn't collect a dime of insurance. Now the administration takes the view that men engaging in a tough football game might just suffer something more serious than a stubbed toe (though we hope nothing as fatal as a spear wound). There's just no way Potter can get around this ruling. There are no other suitable fields in Albany to play on. So, EEP will be forced to play all of its games away from the eyes of most State students. So maybe next year?

Booters Home Against RPI In Night Game at Bleecker

State's varsity soccer team will face its oldest rival, RPI, next Wednesday in a night contest at Bleecker Stadium. It will be the Peds' second straight night game, and it is hoped that a large crowd will turn out.

In a similar night game last Wednesday, the Peds evened their season's record off at 4-4, by clipping the highly-rated Hawks from New Paltz 2-1. A cold rain turned the field into a quagmire, slowing up the offense of both teams.

The first half was particularly rough on the Peds, who were unable to move the ball at all, while falling behind 1-0 on a goal by Al Cotze. The second half witnessed an entirely different story, however, as the Peds dominated play from the opening kickoff.

The third quarter was only two minutes old, when Luis Espina broke loose from a wild melee twenty yards in front of the goal and blasted the ball into the net to tie the game. The Peds continued to press the tiring visitors, just missing goals on several occasions. Then five minutes into the final stanza, Al Henrekson moved in from the left wing and boomed the ball into the upper right hand corner. This proved to be all the margin State needed to ice the game.

Peds Bow to Bridgeport 3-1

Last Saturday at the University of Bridgeport, the Peds played one of their best games of the season, but were nevertheless forced to bow to their undefeated hosts 3-1.

Most of the first half was a see-saw affair, with neither team able to find the nets. It was not until 15:45 of the second period that Bridgeport halfback Al Cuylo tallied the game's first score on a nearly perfect cornerkick, which he headed past State goalie, Gary Penfield.

Rally in Second Half

The determined Peds rallied at the start of the second half, scoring almost immediately on a goal by Luis Oepina. The score was set up on a beautiful assist by State co-captain Ed Broomfield, and knotted the game up at one all. The rest of the third period, and the start of the fourth saw many attempts by the winners to break the tie. The tremendous goal keeping of Penfield stopped them cold, as the Ped star came up with 12 saves during this time.

The tie was finally broken by Bridgeport on a very controversial play with just eight minutes remaining. On a corner kick Penfield leaped high and speared the zooming ball. On the way down he was pushed into the goal, and Bridgeport was awarded a score. Penfield said after the game, "I didn't even have a chance to hit the ground, before I was hit."

This goal had a demoralizing effect on the Peds, and five minutes later Bridgeport left wing Joe Checchio got away from his defender and blasted the last point of the game into the upper right hand corner of the nets.

Frosh Booters Drop Another Close Game

The freshman soccer team, still looking for their first victory, fought hard against North Adams, but still went down to defeat—their sixth of the year — 2-1.

Freak Goal

The Peds fell behind 1-0 in the first half on a freak goal, a shot which won't be seen to often. An Albany fullback attempting to get the ball back to his goalie, so he might clear it, accidentally kicked the ball past the startled net-minder, who wasn't quite prepared for the kick. With this assistance from the Albany team, North Adams clung to the lead for the remainder of the first half.

Guddat Again

The frosh kickers got back into the game in the third period on a goal by, who else, George Guddat; all of the Albany goals this year having been scored by Mr. Guddat. The game remained tied until the last minute of play, when with fifty seconds to go, North Adams scored the tie-breaking goal and pinned a tough defeat on the froshman.

Again, as has been pointed out in previous issues, the Peds were hampered by the lack of a well coordinated scoring attack. The whole scoring attack seems to be centered around George Guddat, and in no sport can one man carry a team to a successful season. With only one game left to play (the frosh played Tuesday against Orange County) time is really growing short and it is hoped that the Peds will be able to salvage a victory out of the season — a season which has been rough for all.

Potter Club Wins Football Title; Defeats APA In Last Tilt, 18-0

In the final week of the A.M.I.A. football season, Potter Club finished the year with a pair of victories, beating S.L.S. 33-0, and topping A.P.A. 18-0 to clinch the league championship.

In the bit game of the season Monday, Potter Club ground out a convincing 18-0 victory over A.P.A. As usual, the weather failed to cooperate, as a cold wind whipped across the field and early darkness made the ball hard to see late in the

game. On A.P.A.'s first play from scrimmage following Potter's opening kickoff, Pat Spencer poked off a pass on the 13 yard line. After a six yard loss, Potter QB Mike Camarata passed to Vito D'Angelico for the TD. The PAT try failed, and following the kickoff, A.P.A. was forced to punt.

Starting from their own 32, Potter ground out yardage to A.P.A.'s 34, from where D'Angelico took a lateral and passed to Spencer on the way, and on the final play of the period, Camarata swept the end for the score.

In the second quarter, Potter again controlled the pigskin, but failed to score when A.P.A.'s Charlie Hunter intercepted a Potter aerial and ran it back 45 yards to Potter's 42 yard line. After an exchange of punts following the second half kickoff, Camarata teamed up with D'Angelico again, this time on a 58 yard pass and run play for the icing on Potter's championship cake.

The fourth period was marked by the increasing cold and several fumbles as the ball became harder to see in the increasing darkness.

EAT, SLEEP, AND MATRICULATE

The trouble with early morning classes is that you're too sleepy. At late morning classes you're too hungry. At early afternoon classes you're too lopy. At late afternoon classes you're too hungry again. The fact is—and we might as well face it—there is no good time of day to take a class.

What shall we do then? Abandon our colleges to the ivy? I say no! I say America did not become the hope of mankind and the world's largest producer of butterfats and tallow by running away from a fight!

If you're always too hungry or too sleepy for class, then let's hold classes when you're not too hungry or sleepy: namely, when you're eating or sleeping.

Classes while eating are a simple matter. Just have a lecturer lecture while the eaters eat. But watch out for noisy food. I mean who can hear a lecturer lecture when everybody is crunching celery or mazon or like that? Serve quiet stuff—like anchovy paste on a doughnut, or steaming bowls of lamb fat.

And kindly observe silence while lighting your post-prandial Marlboro Cigarette. Don't be striking kitchen matches on your

jeans. Instead carry an ember from the dormitory fireplace in your purse or pocket. Place the Marlboro against the ember. Light it quietly. Smoke it quietly. Oh, I know I ask a great deal! I know that one's natural instinct upon encountering Marlboro's fine flavor and filter is to throw back one's head and bellow great, rousing cries of joy. But you must not. You must contain your ecstasy, lest you disturb the lecturing lecturer. You can, if you like, permit yourself a few small shudders of pleasure as you smoke, but take care not to wear garments which will set up a clatter when you shudder—like taffeta, for example, or knee cymbals.

Let us turn now to the problem of learning while sleeping. First, can it be done?

Yes, it can. Psychologists have proved that the brain is definitely able to assimilate information during sleep. Take, for instance, a recent experiment conducted by a leading Eastern university (Stanford). A small tape recorder was placed under the pillow of the subject, a freshman named Glebe Sigatoo. When Glebe was fast asleep, the recorder was turned on. Softly, all through the night, it repeated three statements in Glebe's slumbering ear:

1. Herbert Spencer lived to the age of 109 and is called "The Founder of English Eclectic Philosophy."
 2. The banana plant is not a tree but a large perennial herb.
 3. The Archduke Ferdinand was assassinated in 1914 at Sarajevo by a young nationalist named Mijlas Cvetic, who has been called "The Trigger of World War I."
- When Glebe awoke in the morning, the psychologists said to him, "Herbert Spencer lived to the age of 109. What is he called?"
- Glebe promptly replied, "Perennial Herb."
- Next they asked him, "What has Mijlas Cvetic been called?"
- Replied Glebe, "Perennial Herb."
- Finally they said, "Is the banana plant a tree?"
- But Glebe, exhausted from the long interrogation, had fallen back asleep, where he is to this day.

Glebe sleeps, but you, we trust, are up and about. Why not improve each waking hour with our fine product—Marlboro Cigarettes? You get a lot to like—flavor, pack or box.

Homecoming and Campus Night Head Weekend Events Rivalry to End With Campus Night; Campus Queen to Receive Crown

Rivalry officially will come to its close tonight at 7:30 p.m. in Page Hall with the presentation of the freshman and Sophomore skits. Campus Night also marks the start of the annual Homecoming Weekend.

This year's Campus Queen ceremonies, which open the evening's program, will be more elaborate than ever before. Class attendants and usherettes will be presented first. In a routine similar to that used in the Miss America pageant, the four runnerups and the queen will be presented. Shelly Kellerman Pollero '63, last year's queen, will crown the lucky girl. Connie Thorne, daughter of Dr. and Mrs. Clifton Thorne, will serve as crown bearer. Original music composed for the queen by Walt Peters '64 will be heard during the processional of the royal court.

After the processional, the frosh skit, "My Fair Coed," directed by Jim Lobdell will be presented. Two special acts featuring Roz Ferrara, Art Putnam, and Libi Stoud will follow. The Soph skit, "Julie and Cleo," written by Pat Fasano and directed by Lee Liss will then be presented.

When the two skits, Fred Smith '64, Rivalry Chairman, will present the members of his committee; Pat Cerra, Bob Fairbanks, and Marilyn Weink, Juniors, will then be presented. The coronation of the forty-first Campus Queen will highlight tonight's Campus Night ceremony in Page Hall.

The five finalists from the Senior Class competing for the coveted crown this year are: Pam Carter, Connie Crowley, Mary Lou Eisenman, Geri Schliefer, and Pat Wolinski.

The 15 points to be announced Campus Night may prove to be most crucial as the score now stands: Sophs-9 and frosh-5.

NOTICE
A talk will be given on "Missiles and Space Navigation" by Mr. R.A. Welch of the General Electric Company at 8:00 p.m., Thursday, November 15, 1962, in the Faculty Dining Room, lower Husted.

State To Present Eliot Play At All Saints

The play relates the story of Thomas A. Becket, archbishop of Canterbury in 1170. Thomas, against the union of church and state, had refused the King's offer of the Chancellorship. After a period of exile in France, he returns to England and resumes his position as Archbishop. Although Thomas is overtly reconciled with the king, he realizes the danger to his life. The King has him killed to maintain his own power. His death becomes a symbol of a strong devotion to God and a willingness to die for one's beliefs.

MURDER IN THE CATHEDRAL'S cast rehearses a scene at All Saint's Cathedral.

New at State
Murder in the Cathedral is the first State production held outside the school. It will be presented in the Cathedral of All Saints, at the corner of Swan and Elk Streets, behind the State Education Building. Suggestion for the play came from Reverend Frank Snow, the Campus Minister. Dr. Burian and Dr. Pettit arranged for the production with Dean Ball of the Cathedral.

Non-secular
To those finding it hard to conceive of a play enacted in a place of worship, it must be remembered that the service itself is a play with a prescribed script and actors. The production carries a message for all denominations.

Admission is the student tax or \$1.50.

The Homecoming Committee: standing (left to right) Barb Waite, Marlee Sorenson and Bob Fairbanks, Co-Chairmen, Donna Skinner. Seated (left to right): Dick Pierce, Lenore McCabe, Dick Stammer, Piret Kutt, Fred Smith, Kneeling, (left to right): Ron Riehley, Scotty Mangini, Ed Budnikas, Gary Leonis.

Parade, Game, Party, Dance Mark 10th Homecoming

Homecoming Weekend will be three fun-packed days for Albany's students and alumni. This year's activities include Campus Night, the traditional climax of Rivalry; the biggest Homecoming parade yet, in which all the fraternities and sororities are participating. There will also be a soccer game against Brockport, a Homecoming Dance, a jazz concert, and a new-reigning queen.

Schedule
The schedule will be as follows. Tonight, at 7:30 at Page Hall, Campus Night will mark the end of Rivalry and the beginning of Homecoming. One of the high-

lights of the evening will be the crowning of the Campus Queen who will, for the first time, reign over Homecoming Weekend.

Saturday at noon, the faculty and alumni will meet for a luncheon in the Alden-Waterbury Dining Room.

This year's parade includes a number of firsts—a new route which will start at Thurlow Terrace and move down Western Avenue to Partridge Street; a Queen's float; prizes for three float categories, the most beautiful, the most humorous, and a special judge's award for the most original.

Judges
Judges are Miss Alice Hastings, Head Librarian of the college library, Mr. William Wilson and Mr. Edward Cowley of the Art Department, Mr. Knowse of the Business Department, and Dr. Daniel Odell of the English Department.

Soccer Game
The scheduled kick-off time for the soccer game between the Peds and the Eagles of Brockport State is 2:00 at University Field. At the Inn Towne Motor Court from 5:00 until 7:00, a punch party will be held for Alumni, Faculty, Administration, and Seniors only. Herbert's Restaurant will close its doors to the public this year from 9 p.m. until 1 a.m. during this year's Homecoming Dance. Chaperones will be Mr. and Mrs. McKinnon and Dr. and Mrs. Pol-sander. Invited guests include President Collins, Dean Derringer, Dean Matthews, Dean Stokes, Dean Hartley, Dean Thorne and the Secretary of the Alumni Association.

Jazz Concert
The jazz concert will be held Sunday in the Brubacher Lower Lounge from 3 p.m. to 5 p.m. Music will be provided by the Bob Cedar quintet.

Committee
The Homecoming Committee is headed by Marlee Sorenson and Bob Fairbanks, Juniors. Assisting them are: Mary Pat Donovan and Dick Pierce, Juniors, Registration and Communication; Helen Mandeville and Donna Skinner, Juniors, Alumni-Faculty Luncheon; Monica Caulfield and Jerry Hyland, Juniors, Parade; Pat Cerra '64, Game Arrangements.

Also, Piret Kutt '64, Punch Party; Barb Waite and Gary Leonis, Juniors, Dance; Lenny Lapinski, Jazz Concert; Ed Budnikas '64 and Ron Riehley '63, Publicity; Dick Stenard '65 and Tim Wisniewski '64, Alumni Contacts, and Scotty Mangini '64, Programs.
