September 13, 1873.

The committee met at the call of the chairman,

Present, The Chairman,

Mr. Woolworth,

Mr. Peery.

The minutes of the last two meetings were read and approved.

The Chairman stated that in consequence of the crowded state of the school on the opening of the present term and the continued indisposition of Mrs. Paylor which renders her return to the work of the department very doubtful, the President Dr. Alden has represented to him the necessity of a teacher to supply her place, & has recommended the appointment of Miss Carrie Bishop. Whereupon it was resolved that he be authorized to engage Miss Bishop for the present at a salary of six hundred dollars per annum.

The committee then adjourned.
