Subject	Input requested -- UAlbany policy on Freedom of Expression
Attachments	1.2 Freedom of Expression Umbrella Policy signed 8-24-18 FINAL INTERIMdocx

Colleagues:

I am reaching out to ask for your feedback on UAlbany's interim policy [1.2 Freedom of Expression](#). Interim policies are currently in effect, but need to go through the full process for institutional policies within 6 months to be approved as permanent institutional policies.

Per the University at Albany policy 1.1 A§A3-4, the process of developing a permanent institutional policy includes an opportunity for key stakeholders to review and comment on the proposed permanent policy. You have been identified as a stakeholder for the proposed UAlbany Policy [1.2 Freedom of Expression](#), which is attached to this email. Please submit your advisory feedback within thirty (30) calendar days of receipt of this email to me at alippold@albany.edu. All feedback received by Friday February 8, 2019 will be provided to the Responsible University Official for this interim policy for consideration.

Sincerely,
Anette
