**UNIVERSITY AT ALBANY ANNOUNCES FOOTBALL PROGRAM
WILL FORFEIT THREE VICTORIES FROM 1995 SEASON**

ALBANY, N.Y. -- The University at Albany will forfeit its three victories from the 1995 football season following a self-report to the National Collegiate Athletic Association (NCAA) which detailed a secondary rules infraction by a team member, as Director of Athletics Dr. Milton E. Richards announced today.

The Albany student-athlete participated in nine football contests while enrolled in less than 12 credit hours, which is contrary to the provisions of NCAA Bylaws. The University's action to forfeit its three victories from a team which posted a 3-7 record last fall was deemed "representative and consistent" with NCAA policies. In a letter dated March 13, the NCAA required no further action by the University in this self-reported case.

"When it became clear that the student-athlete in question did not enroll for the appropriate amount of courses during his season of competition, we acted quickly to inform the NCAA," Richards said. "Although we are disappointed to forfeit victories on the field of play, our athletic department is committed to competing by established NCAA rules. With the addition of a full-time academic adviser and upgraded computer information systems, I feel confident this situation will not occur in the future."

"The University will always maintain the highest ethical standards with regard to its intercollegiate athletics program," Vice President for Student Affairs James Doellefeld added. "This situation highlights the need to monitor student-athlete eligibility prior to each contest. Dr. Richards is to be commended for his vigilance and for a timely and appropriate action."

The Albany football program competed at the NCAA's Division II level for the first time last season.

An experienced infielder with 52 career starts, she hit a team-leading .388 as a sophomore. Amodeo was a softball and volleyball standout at Baldwin Senior High School, and helped the Bruins to the 1992 New York State championship game in volleyball.

An East Quogue, N.Y. native, Gaudiello was a 26-game starter at second base in 1995, and batted .261 with 17 runs scored and 12 RBI. Gaudiello has been a regular in the lineup over the last two seasons, including 13 starts as a pitcher in 1994. Indianapolis, Ind. -- University at Albany's Mary Ingram, a graduate of Albany High School, finished seventh in her heat with a time of 8.55 seconds, and failed to qualify for the finals in the 55-meter hurdles at the 1996 NCAA Division II indoor track & field championships on Friday morning at the RCA Dome.

Ingram chose to compete at the NCAA meet despite Wednesday's tragic automobile accident which claimed the life of teammate Kimberly Toone and injured sprinter Xiomara Diaz. Toone would have competed at the NAAs in the long jump and 55-hurdles, while Diaz had qualified in the 55-meter dash.

Meanwhile, funeral arrangements for Toone have been finalized. Viewing hours at the J. Foster Phillips Funeral Home in Queens, New York are Sunday from 2:00-6:00 p.m. The funeral will take place on Monday morning with an 11:00 a.m. service scheduled at the Maranatha Baptist Church in Queens Village. The University is providing a bus to take administrators and team members to the funeral.

In addition, head coach Roberto Vives was named the NCAA Division II East Regional Women's Track Coach of the Year, after he guided Albany to the Collegiate Track Conference indoor title and a second-place finish at the ECAC championships in the program's first Division II season.

In game two against Walsh, Heslin recorded three hits, scored twice and knocked in one run to lead the Albany attack. Senior Will Rosenzweig belted a three-run homer in the fourth inning.

UNIVERSITY AT ALBANY TRACK & FIELD STANDOUT KILLED IN AUTO ACCIDENT

ALBANY, N.Y. -- **Kimberly Toone**, 22, an All-America track & field athlete at the University at Albany, died in a tragic auto accident on Wednesday afternoon while returning to campus from the New York City area for a practice. Toone was scheduled to compete in this weekend's NCAA Division II indoor track & field championships in Indianapolis, Indiana.

Toone lost control of the automobile she was driving northbound on the Taconic State Parkway near the town of Milan in Dutchess County, when the vehicle skidded on ice, spun sideways, and struck another car that was pulled off to the side of the road. She suffered a fractured neck in the fatal accident. Toone's teammate Xiomara Diaz, a passenger in the car who had also qualified for the NCAA meet, was knocked unconscious by the collision, but has since been treated and released.

"Yesterday, the University and our athletic family suffered a devastating loss," Director of Athletics Dr. Milton E. Richards said. "Kimberly was not only a tremendous athlete, and a committed student, but a special person, who although she appeared reserved and quiet, cared deeply about the world around her."

A native of St. Albans, N.Y., Toone would have been a competitor in both the long jump and 55-meter hurdles at the NCAA Division II championships. She captured the ECAC indoor long jump title last Sunday, and was a member of the winning 4x200-meter relay, which set a school-record with a time of 1:45.46. Toone had also won the Collegiate Track Conference (CTC) indoor long jump and 55-hurdles events in February. In a triangular meet on January 13 at the Recreation and Convocation Center, she established the school's indoor long jump record and qualified for nationals with a leap of 19-feet, 2-inches.

Toone did not compete on the high school level in track & field at Bronx High School of Science, and became a collegiate track athlete just two years ago. Under the supervision of head coach Roberto Vives, she qualified for both the NCAA Division III indoor and outdoor championships in 1995. Toone, a two-time Albany captain, was a three-event CTC outdoor champion in the long jump, 100-meter hurdles and 400-hurdles last year, and claimed the conference's indoor long jump and 55-hurdles crowns.

An outstanding student, Toone received her undergraduate degree in criminal justice from the University at Albany last spring, and was working on her master's in the same discipline. She received an ECAC Merit Medal as the school's top senior female scholar-athlete during the 1995-96 academic year. Toone, who had a 3.76 cumulative grade point average as an undergraduate, was selected to the 1995 GTE/CoSIDA Academic All-America District I At-Large Team. A Presidential Scholar and Phi Beta Kappa student, she had hoped to attend law school.

Funeral arrangements for Kimberly Toone are pending. She is survived by her parents, Walter and Gwendolyn, and one sister, Kira.

**GOVERNOR PATAKI ANNOUNCES NEW YORK GIANTS COMING TO ALBANY
Agreement calls for team to stay for up to five years**

Governor George E. Pataki, University at Albany Interim President Karen R. Hitchcock and New York Football Giants Executive Vice President and General Counsel John K. Mara today announced the Giants will hold pre-season summer training camp at the University at Albany beginning in July.

"Bringing the Giants back to New York State, if only for practice, is a huge boost for the state and the Capital Region," Governor Pataki said.

"This is a victory we all share, particularly the local community, because of the tremendous groundswell of support and effort to bring the Giants to Albany," the Governor said. "The training camp will not only help the local economy, it makes the region more attractive because it adds to the quality of life.

"I know many parents today are making plans to bring the family to watch the Giants practice," Governor Pataki said. "With any luck, Libby and I will be out there with the kids as well."

In addition to President Hitchcock and John Mara, Governor Pataki was joined at today's announcement by Giants Chairman Robert Tisch, Giants Coach Dan Reeves, Senate Majority Leader Joseph Bruno, SUNY Board of Trustees Chairman Thomas Egan, Senator Michael Hoblock and Albany Mayor Jerry Jennings and the varsity football team from Amsterdam High School, the reigning Class B State High School Boys Football champions.

"We're excited about the opportunity to hold our training camp at the University at Albany," Mr. Mara said. "We have been absolutely impressed with the response from Governor Pataki, the University and the government and business community in Albany. We appreciate their support and look forward to a mutually beneficial relationship."

"We are delighted the Giants will make their summer home at the University at Albany and in the Capital-Saratoga Region," President Hitchcock said.

New England Collegiate Conference Tournament Semifinals
#2 Massachusetts-Lowell 75, #6 Albany 43

BRIDGEPORT, CONN. -- Sophomore forward Shelia Knower scored 18 points to lead four players in double figures as Massachusetts-Lowell downed Albany, 75-43, in the semifinals of the New England Collegiate Conference Tournament on Friday evening at Hubbell Gymnasium.

With the score knotted at 21, Massachusetts-Lowell ran off eight straight points to take the lead for good. Maureen Jennings, who had 17 points and 10 rebounds off the bench, made four straight free throws to start the spurt, and Knower's baseline shot ended it.

The River Hawks opened the second half with a 12-2 run, capped by Knower's basket at 16:26 for a 43-25 UMass-Lowell advantage. Henderson and Kristine Gorski keyed the stretch with four points apiece.

"They just blew us away in the second half," said Albany head coach Mari Warner, whose club finishes its first season in NCAA Division II at 13-14. "They played a complete game with their defense and transition, and we turned the ball over way too many times."

UA forward Katie Zeglis grabbed a career-high 20 rebounds and established a new single-season school record with 269 boards. Ikeuchi Franklin previously held the record with 252 rebounds in 1992-93. Samantha Ginsberg totaled 14 points to lead the sixth-seeded Great Danes, who shot just 25.4 percent (17 of 66) and committed 20 turnovers.
