Society of Indian Psychologists

August 7, 2016

Dorothy and Clarence Jolley
1435 Iron Port Drive
South Jordan, Utah 84095

Dear Mr. and Mrs. Jolley,

I am writing on behalf of the executive committee and the members of the Society of Indian Psychologists to express our heartfelt appreciation for your extremely generous donation of two checks totaling \$30,000. Your donation will significantly further the Society's purpose of advancing psychology as a science and a profession in service to Native peoples of the Americas, reducing health disparities and related challenges facing indigenous people. As you are aware, the Society is deeply involved with promoting culturally responsive education and training of American Indian and Alaskan Native students in psychology and related disciplines, psychological research, and psychological services in Native communities. You have made an invaluable contribution to our efforts in the areas.

In recognition of your significant support, and in recognition of our ongoing relationship with you as Dorothy continues with her education and preparation to join the field of psychology, the Society is pleased to extend to each of you a lifetime membership in the Society of Indian Psychologists, with all the rights and benefits that such membership affords.

Again, thank you for your kind and generous support. We look forward to a long and productive collegial relationship.

Sincerely,

Art Blume, Ph.D. (Cherokee/Choctaw)
President, Society of Indian Psychologists
