Congratulations to colleagues in our College of Art & Sciences on the final New York State approval and official registration of a multi-award **BA/MA program in English/Liberal Studies**. Formal approval correspondence is attached for your reference, along with the program proposal itself. The faculty are now authorized to promote this new initiative to students and prospective students.

I ask that responsible colleagues receiving this notice, as appropriate to responsibilities, take actions as warranted to establish the new BA/MA program listing in the Undergraduate and Graduate Bulletins, as well as University administrative systems. Thank you and successful implementation to all involved.
