

— DEAN'S LIST —

Elmer C. Mathews, Associate Dean for Administration announces the people who have made the Fall Semester's Dean's List. The following people are those who have made this coveted list: Aaron, June L.; Ablove, Paula D.; Altmore, Georgine M.; Allman, Nancy; Anderson, Bette M.; Andriette, Eugene A.; Anson, Burton M.; Asfoury, Joan M.; Ashbery, Helen V.; Austin, Elizabeth S.; Bachner, Andrea E.; Bacon, Stephen A.; Batchelor, Bonnie J.; Beck, Gretta D.; Becker, Kyla N.

Beloritt, Arlene M.; Bergen, Olivia A.; Bermann, Bette L.; Bivona, Jeannie S.; Blaise, Denis J.; Boehringer, Carolyn; Bonis, Alice Zappert; Bouvier, Adelaide J.; Bowman, Beverly Ann; Braich, Shirley; Braun, Edward M.; Brody, Jean M.; Broomfield, Sharon Farr; Brown, Evelyn G.; Brown, Lois U.; Brown, Roxana; Brush, James C.; Brush, Mary J.; Burkard, Stephen.

Butler, Mary R.; Byron, Susan; Cairns, Doris L.; Calderone, Mary Ann; Calkins, Henry L.; Camrata, Martin R.; Cambridge, Joseph M.; Carbin, James R.; Carey, Winona M.; Caulfield, Donna L.; Cerra, Patrick F.; Chesler, Sandra F.; Christie, Elizabeth; Churchill, Richard; Clark, Emery J.; Clifton, Carol D.; Cochrane, Judith P.; Cohen, Sandra P.; Colegrove, Gwendolyn; Compo, Milford E.; Compo, Sandra J.; Conti, Angelo; Coslick, Ronald T.; Cottone, Joyce D.; Course, Carol A.; Crecca, Linda M.; Curtis, Frederick R.

Dackerman, Gerald P.; Daniels, Deena G.; Daul, Eleanore F.; Dean, Alice; DeGennaro, Carol A.; Deller, Dorothy; Demtraek, Jo Ann; DePasquale, Linda M.; Dibble, Mary E.; DiCarolo, David; DiDonna, Mary E.; Dugan, Ann E.; Dunham, Russell W.; Dunn, Ross E.; Dyckman, Jan R.; Eaton, Carol A.; Edwards, Lawrence J.; Edwards, William H.; Egelston, Judy Cobb; Engel, M. Carolina; Engert, Joanne; English, Marcia A.; Fairchild, June E.; Falvo, Kenneth A.; Fancher, Patricia O.; Faubert, Victor M.; Fenton, Calvin D.; Fish, Judith R.

Flagg, Douglas W.; Forsee, James H.; Frankonis, William A.; Fruscione, Gaye F.; Gacek, Anne B.; Gallagher, John W.; Gardner, Dorothy; Gardner, Susan M.; Garoza, Baiba; Gates, Carol Moberg; Gavurnik, Ruth E.; Gianni, Lois A.; Ginnis, Aimee R.; Gittleman, Lenora S.; Glass, Emily K.; Golderberg, Shirley; Gomez, Alice M.; Gomez, Joseph; Goodrich, Brian F.; Gorgos, William C.; Gravel, Judith A.; Gray, Donald; Green, John A.; Greenwood, Judith A.; Gruber, Rochelle; Guglielmo, Mary C.; Habacker, Phyllis A.; Hanc, Lana C.; Hanev, Bruce R.; Hanson, Harold C.; Harris, Robert B.; Harter, Christine E.; Haswell, Bruce W.; Hayner, Marilyn A.; Heffron, Florence A.; Held, Felicia; Henderson, Donna Lee; Herbert, Joan E.; Herman, Patricia Richter; Hill, Robert F.; Hodge, Cynthia J.; Hoffman, Paul J.; Horton, Judith L.; Hoskin, Patricia A.; Hubbard, Betty Forbes; Hudson, Barbara Ann.

Iocca, John M.; Jadicik, Olga N.; Janes, Leigh R.; Jedrzejewski, Patricia; Jenks, David W.; Jessberger, William; Jewell, Patricia A.; Kelly, Barbara A.; Kelly, Edward H.; King, Karen O.; Klein, Robert; Kolster, Joan M.; Komarowski, Mary L.; Kopca, Doris A.; Krakower, Eileen; Kroll, Michael K.; Kresky, Valerie H.; Kuro-saka, Robert; Kutt, Piret H.; LaBrake, Barbara; Langer, Edward; Laorta, Grace E.; Laranjo, Phyllis A.; Lassell, Charles M.; Lawrence, Donald L.; Leibowitz, Eugene W.; Leveroni, Richard L.; Levine, David; Levinson, Linda J.; Lewis, Joyce A.; Liebhundguth, Harriet H.; Lucas, Brent A.; Ludwig, Joan E.; MacDonald, Patricia A.; Maina, Mary L.; Majewcz, Christine W.; Maloney, Joan; Mangelsdorf, Edward; Manlieve, L. C.; Man-ranville, Jack; Marcellino, Rita T.; Marquait, Maria T.; Marsh, Lilla Selig; Martin; Senzel, Sue Ellen; Marsh, David A.; Mason, John E.; Mathusa, Verne Ann; Mattis, Richard J.; McCarthy, Francis J.; Metzger, Margaret; Miller, Frances E.; Miller, Laure A.; Minarek, Alan C.; Mincar, Ross Marie; Mitchell, Nancy A.; Mohr, Claudia F.; Monroe, Allan H.; Moore, Nancy J.; Mudge, Charles R.; Muir, Louise P.; Muller, James F.; Mun-off, Carmen S.; Murphy, Susanne P.; Murphy, William J.; Nadel, Myrna; Neiderman, Andrew; Newton, Frederick A.; Nickel, Barbara E.; Nissim, Judith R.; Nowak, Adela G.; Pacelli, Donna P.; Pacianas, Arlene.

Parker, Mary J.; Parker, Victoria; Perryman, Kristine Lawrence; Peterson, Arlene; Petrick, Rosemary E.; Pettingill, Richard H.; Peukert, Gertrude; Phillips, Jane E.; Pihkin, Thomas A.; Plotz, Elizabeth J.; Prais, Paul K.; Pribis, Mary A.; Putnam, Ronald R.; Quinn, Arlene M.; Ripic, Carol S.; Ritzmann, Roger; Roberts, Samuel; Robertson, Phyllis C.; Robinson, Christine A.; Robotham, Patricia; Rogers, Bruce A.; Ross, Betsy Ann; Rowley, David A.; Ryan, Hugh D.; Scheimman, Karon S.; Schmidt, Lillian M.; Schmitt, Hannah; Scholl, Johanna R.; Schoonmaker, Janet; Schroeder, Rae C.; Scott, Bonnie Lee; Seaman, Robert G.; Seleznow, Nancy; Selig, Martin; Senzel, Sue Ellen; Shankey, John; Sherburne, Robert; Sherman, Carol A.; Smith, David J.; Simington, David; Simon, Evelyn A.; Slater, Karen L.; Smith Robert W.; Smith, Frederick G.; Spator, Gail J.; Steckal, Trudie; Steffens, Margaret A.; Steinhilber, Barbara; Stoughton, George; Strong, Judy A.; Sullivan, Francis; Sweeney, Robert A.; Tago, Vivian; Symula, David S.; Tarello, Corinne M.; Tarsani, Irene E.; Thompson, Anne; Todd, Susanne L.; Torres, Estela; Trebert, Lois E.; Tucker, Judith; Tyo, John E.; Under-lorraine; Van Buren, Linda; Van Delon, Judith; Vandy, Helen; Van Slyke, Joanne; Vanderbinder, Phyllis; Veltun, James; Vianese, Thomas A.; Von Boststein, Dorothy; Wagner, Mary; Wait, Gary E.; Walden, John; Walker, Leah E.; Walker, John P.; Wameling, Robert; Watski, Donna L.; Whelan, Virginia M.; White, Linda P.; White, Virginia M.; Whitehead, Dawn; Wienk, Dennis L.; Wilbert, Robert; Willower, Robert A.; Willoughby, Robert; Wolberg, Robert; Wolf, Edward N.; Wolf, Richard H.; Zappert, Anne; Zebroski, Carol L.; Zehner, L.; Ziegler, Robert J.

State Welcomes Alumni At 9th Annual Homecoming

State College News

ALBANY, NEW YORK, FRIDAY, OCTOBER 13, 1961

VOL. XLVI NO. 20

61 Myskania Adopts Plan To Initiate Mascot Tradition With Draft Rules

Several of the traditions of State College will necessarily have to be altered or forgotten in the future if the new campus, however new traditions will undoubtedly come into being with the move. It is the hope of Myskania 1961-1962 that the "practice" which they are beginning this year will eventually become part of the tradition of State College.

The practice involves the coming parade. Each year the parade will lead the parade along the campus. This mascot will be dressed in a penitentiary uniform, and will be chosen from the Senior Class, not a member of Myskania. The mascot will be chosen by the person who will be chosen from the school spirit in each class. In any case, four years, plus the ability to be a "gun" type person.

After this year, there will be no publicity for this tradition, except perhaps the parade itself. The mascot will be chosen from the Senior Class, not a member of Myskania. The mascot will be chosen by the person who will be chosen from the school spirit in each class. In any case, four years, plus the ability to be a "gun" type person.

ISC Outlines Rushing Rules

Joseph Kaminsky '62, President of Inter-Sorority Council, has released rushing rules according to the ISC constitution.

All rushing will be deferred until Saturday, October 15, at 7 a.m. Any rushing prior to this time will be considered an infraction by ISC. These rules to which sorority pledges, inactive and alumnae are subject shall be in effect until the time of the first regular pledge gathering.

In any discussion of sorority matters, a sorority may speak in its own name. No money is to be spent on rushes either by sororities or sorority members, except for the money spent on parties referred to in the Code.

With the exception of the events listed in the schedule of events after the beginning of rush, no entertainments, parties, or social events shall be held. The following entertainment will take place at all events listed in the schedule: playing of cards, playing of television, music, dancing, and activities approved by ISC.

No sorority member shall be allowed to have a date. There shall be no fraternization between sorority members and freshmen. All fraternization shall be reported to the following: the Inter-Sorority Council, the Student Body, the Student Government, the Student Activities Board, and the Student Activities Council.

All rushing will be deferred until Saturday, October 15, at 7 a.m. Any rushing prior to this time will be considered an infraction by ISC. These rules to which sorority pledges, inactive and alumnae are subject shall be in effect until the time of the first regular pledge gathering.

Senate Discusses Insurance; Kapner And Thorne Attend

The Senate met last night to discuss insurance matters. Kapner and Thorne attended the meeting.

The Senate discussed the insurance policy for the college. Kapner and Thorne were present at the meeting.

Notices

MU LAMBDA ALPHA
Ingo Wilfert '62, has announced that the first meeting of Mu Lambda will be held on October 11 at 7 p.m. in Draper 349. A film, *Le Rouge et le Noir* (The Red and the Black) will be shown. There will be no admission charge. Come one — Come all!

LAKE HOUSE OFFICERS
The 1961-62 officers for Lake House will include:
Pres.: Dale Westcott '62.
V-Pres.: Robert Ranieri '65.
Sports Director: Errol Fitzgerald '65.

NEWMAN CLUB
A Corporate Communion will be held this Sunday, October 8, for all Roman Catholics on campus, at the ten o'clock Mass in St. Patrick's Church (North Lake and Central). A Continental Breakfast will follow in the Parish Hall. The breakfast will be ten cents.

PHYSICS HONORARY
Sigma Pi Sigma, Physics Honorary, will hold an open meeting at Dudley Observatory, October 20, at 8 p.m.

WHO'S WHO
Elections for Who's Who will be held Monday and Tuesday from 9 to 3 in the peristyles.

IFC
Jack Lewis '62, President of IFC, announces that an IFC meeting will be held Tuesday, October 10, at 7:30 p.m. in Brubacher Hall. Check bulletin board on main floor for room number.

CHANNING CLUB
The Channing Club will meet on Sunday evening, October 8 at 7:30 p.m. at the home of Professor Paul Schaefer. Mr. John Jennings of the State Commission Against Discrimination (SCAD) will lead a discussion on the functions of the commission. Transportation will be provided from Brubacher Hall at 7:00 p.m. All interested students are cordially invited to attend.

PEDAGOGUE
WANTED: Interested People to work on the 1962 Pedagogue. Come to Bru October 12 at 7:00 p.m.

RADIO STATION
Hank Robinson announces that there will be a WCEA Radio get together, Wed. at 7:15 in Bru.

Dormitory Life Beats Tradition

By ED WOLNER
Ah! Dormitory life! It encompasses the student body's whims, caprices, and overefficiency. And where would we be without its stimulating environment? Life's pace would certainly decelerate and capitulate to the monotonous routine of the classroom schedule. However, the dorm lives through the student, and its animation can be seen in one of its more typical days.

The edifice's waking hours are anywhere from 6:20 a.m. to 8:00 a.m. Lights sporadically flick on, signalling the commencement of another hectic day. Alarm clocks echo through the corridors, and between 7:00 a.m. and 8:00 a.m., the dorm's stairs vibrate under the stampede of students for breakfast and early classes.

From 8:00 a.m. on, an atmosphere of modicum activity pervades the dorm. About 4:30, however, it braces itself against the onslaught for dinner. From 5:00 p.m. to 7:00 p.m., the blattness of the building is a conglomeration of Dion and the Belmonts, Broderick Crawford, ping pong, and "Please pass the salt".

Much of its excess energy now dissipated, the dorm settles down to some concentrated study, that is, until somebody starts blaring a trumpet for the sophomores. In that event, a little more energy is dissipated in the form of water thrown out the window on ecstatic members of the group.

The fun over, the soft glow of the lights in the window reflect the serenity that is possible only during quiet hours. One by one, though, each light is flicked off and the dorm becomes drowsy. The dorm's eyes are closed as the last light is turned off. It heaves a final sigh of relief evincing its thankfulness to have survived.

Book Lists Graduate Grants

The fifth annual edition of *Fellowships in the Arts and Sciences* was published September 15 of this year. This widely-used directory of the sources of support of graduate study and research lists awards available from over 100 private foundations, government agencies, professional societies, industries, and other sources outside the universities themselves.

It will describe nearly 156 programs listing over 15,000 individual awards. Paperbound issues of this edition may be purchased at \$3.00.

Contents of the directory include:

- Materials concerning the application process, postdoctoral fellowships, and loans.
- Fellowships in the Arts and Sciences may be purchased by writing to American Council on Education, 1785 Massachusetts Avenue, Washington 6, D.C.

Weekend Promises Soccer, Singing, Celebration!

Ted Dusanenko and Judy Johnson discuss Homecoming Activities.

Homecoming Co-Chairmen View Week-end Feature and Tasks

By TED DUSANENKO and JUDY JOHNSON

We, the co-chairmen of Homecoming Weekend are tired. We have had many meetings, written stacks of letters, and have spent more time in the offices of the various members of the administration than have even the students with a .04 index. From these hundreds of letters, we have received enough replies to hold in one hand — and yet we are not too discouraged. After this Thursday or Friday the majority of our work will be done.

If the bonfire is rained out, if the parade is plagued by flat tires, or if the dance is raided by the SLA (State Liquor Authority), we may then feel down-hearted — but we refuse to consider any of these possibilities; they are among the farthest things from our minds.

What we do worry about is the possibility that something else may happen. We feel that, tired as we are, we have arrayed most of the details — now it is up to you, the student body. The one thing over which we have no control is the attendance at the events of the week-end. The food, music, and schedule of events may be superlative, but if no one is there to enjoy them all, the worries of

preparation will have been wasted. We are looking forward to attending the week-end and hope to see everyone of you there too — dancing at McKowan's, listening to the "Checkmates" on Sunday, and cheering the soccer team.

Many student gripes concerning the calibre of jazz concerts featured on campus have been heard just in past weeks. In an attempt to remedy this, the band to be featured on Sunday is one which we are sure will meet with the approval of the students.

We realize that Veteran's Field is not a glorified replica of the Polo Grounds or Yankee Stadium. However, the atmosphere can be incomparable to either of these with the aid of "suitable" liquid refreshment, rousing musical accompaniment (F.IGHT Fiercely Harvard), etc. Spirit and attendance should be at its peak — particularly to make Homecoming a stupendous, colossal, spectacular, fabulous, and collegiate week-end!

As we retire to our respective residences Sunday night we hope to be able to look back on a successful (i.e., well-attended) Homecoming Week-end.

State College eagerly welcomes back its alumni as festivities start tonight for the 9th annual Homecoming Weekend. Grads will be flocking from far and near to recapture memories of both long ago and the not so distant past. The weekend, highlighted by a home soccer game, will also come alive with a parade, a bonfire, the Rivalry Sing and a jazz concert. Old faces will be combined with the new and "home sweet home" will be the password as State's first big weekend gets underway. The schedule for events is as follows:

Friday: 7:30 p.m.—The Rivalry Sing will take place on Dorm Field. This will be a competitive singing contest between the Sophomores and freshmen for Rivalry points.

8:30 p.m.—A bonfire and pep rally to prepare for tomorrow's game will begin immediately after the sing on Beverwyck Field.

11:30 a.m.—A luncheon for Alumni and Faculty members will be held in the Alden Dining Room.

Saturday: 12:30 p.m.—The frosh soccer team will meet Colgate's frosh on Veterans' Field.

1:00 p.m.—The Homecoming Parade will begin on Partridge Street.

5:7 p.m.—A Punch Party will be given for Alumni, Faculty and Seniors only in the Empire Room of the Sheraton Ten-Eye Hotel.

9:00 p.m.—A semi-formal dance at McKnow's Grove will feature Lenny Ricardi's Orchestra. The dance will end at 1:00 a.m. and women attending are to receive extended hours.

Sunday: 3:00 p.m.—The Checkmates will play at a jazz concert in the Alden Dining Room.

Parade
More floats than ever before are to be in this year's parade. Each float will be designed to indicate a theme, and a \$25.00 first prize will be awarded to the group house, sorority, fraternity or class having the best float. The criteria for float judging are: theme, originality, color and artistic design. Groups entering floats are: Waterbury Hall, Class of 1964, Sigma Phi Sigma, Sigma Alpha, Sayles Hall, Psi Gamma, Phi Delta, Madison and Lake Houses, Kappa Delta, Gamma Kappa Phi, Chi Sigma Theta, Brubacher Hall, Beta Zeta, and Alden Hall. This year marks the first year a class has entered a float in the contest.

Judges
Judges for the float contest are: Dr. Jack Deemer, Associate Dean of Academic Affairs, Dr. Morris Berger, Associate Professor of Education, Mr. Robert Lanni, Assistant Professor of Physics, Dr. Catheryn Sivers, Associate Professor of Education and Miss

Eliabeth Glass, Supervisor of Mathematics.

Last Year's Winners
Last year's float winner, Chi Sigma Theta, followed by Zeta and Waterbury Hall.

Homecoming Queen
Reigning over the parade is year's Soccer Queen, Rosalie Vroman. Attending her are Cindy Rydell '65, Sue Murphy, Mary Lou Eisenman '63, and Renee Scott '62.

Preparation
A great deal of effort and preparation has gone into making the weekend Homecoming a success for students, faculty members. The year's original funds have been used on a trial basis dependent on the turnouts at the various events.

Chairmen
Ted Dusanenko and Judy Johnson, Juniors, are the co-chairmen of the weekend. Assistant chairmen are the various committees: Fred Gressen '61, Dick Gressen '61, Sally Jones '62, Dal Pan '62, Quiek '63, and

61; Flowers, Game Programs, Game Arrangements, Banks '61 and 62; Dance, Joe LaManna '61, Party, Dave Nichols '61, and Miss Concert, Bob Fairbank.

Rosalie Vroman Reigns as Queen Of Homecoming

Rosalie Fendick Vroman, 1960-'61 Soccer Queen will reign as Homecoming Queen this week-end. Rosalie graduated with a B.A. and is now teaching junior high French in Lish Kill Central School where her husband, Dick, is teaching junior high mathematics.

Rosalie transferred to Albany State from Harper college in her freshman year. For two years she was a member of the staff of the State College News. A cheerleader for three years, Rosalie became the captain in her senior year. In the spring of that year she was selected Soccer Queen. A member of Kappa Delta Sorority, she was elected to "Who's Who of American Colleges."

Varsity Faces Plattsburgh; Frosh to Meet Colgate In Homecoming Soccer

Tomorrow at 12:30 the Albany Frosh Soccer team will start the Homecoming sports activity with the Colgate frosh. This game should be a good one with plenty of fast action. It will be the second home game for the Frosh, and will probably be the first time many State-men and women will see the team in action. The Colgate squad of last year held the Peds to a tie on their own field, so this game could even up the slate for the Frosh. Following the Varsity bouters will take on Plattsburgh at about 2:00. The Peds have been making a lot of noise about giving State a hard time, claiming big improvements whom we do not have to mention.

Some of State's best tomorrow game day. Following in the past year, the Varsity bouters will take on Plattsburgh at about 2:00. The Peds have been making a lot of noise about giving State a hard time, claiming big improvements whom we do not have to mention. Ed Broomfield, who was being seriously injured, Dave Garcia was at the hospital with a leg injury will be starting during the second half, back and a line captain.

1st ROW—Erwin Seimon, Al DiCaprio, Dave Shryer, Ed Reid, Borys Kozielecki, Phil Shaw, Stu Nicholson. 2nd ROW—Bill Smith, Ed Broomfield, Cliff Tyrone, Gary Smith, John Laga, Ron Milewski, Bob Seaman, Ron Coslick, Al Ciejka, Franz Zwicklbauer, Carl Gerstenberger, Gary Penfield, Joe Garcia, coach.

Rivalry Sing and Bonfire Welcome Our Alumni

The Rivalry Sing will be held tonight at 7:30 on Dorm Field. Claudia Mohr '63 is in charge of the event.

Points to be Withheld
Because of the lopsided Rivalry score, the results of the Sing will be announced on Campus Night, November 11. In this way, no class will be declared the winner before the skits have taken place.

4 Songs
Both the Sophomore and freshman groups have been rehearsing assiduously in preparation for the competition. Each group is required to sing the following songs: the school fight song, the class fight song, the Alma Mater and one original song composed by the class groups.

Leaders
Helen Vanderbilt '64 is chairman of the Sophomore group while Myskania member, Pat Jones '62, is advisor to the freshmen. Don Weintraub '65 will be leading the freshmen in their actual singing.

Alma Mater
A rendition of the Green Green in Alma Mater will be presented by the Junior class. The music and lyrics were written by Walt Peters and the song aided the

Homecoming Chairmen Try Alumni Poll

Upon the suggestion of Dr. Evan Colby, President of the College, the Homecoming chairmen, Ted Dusanenko and Judy Johnson, have decided to find out how many alumni were really interested in attending Homecoming week-end this year. Ted and Judy decided that the best method for this was to send out a survey to as many alumni as possible.

Surveys Mailed
Two hundred surveys were mailed and the co-chairmen received responses covering a random sample of forty out of each class from 1947-1961. Most of the replies were received from the classes of 1950-1961.

Favorable Replies
More than two to one were in favor of attending the weekend. The most popular idea of a buffet dinner to be held between the soccer game and the dance was overwhelmingly received.

Other Activities
Other activities which were in question were: Varsity Sing, Pep Rally, Banding, Alumni Faculty Luncheon, Homecoming Parade, Soccer game, Dinner at a party or training house, a pep party, and a jazz concert.

Buffalo Sextet Plays Sunday

The Buffalo Sextet will play at 8:00 p.m. on Sunday at the Albany State College. The group consists of six members: Frank Gattipa on trumpet, John Focarta on saxophone, Jack Gattipa on saxophone, Eddie Crosson on piano, Happy Gattipa on trombone, and Frank Gattipa on trumpet.

Classes Announce Attendants; Four Girls Will Attend Queen In Annual Homecoming Parade

"I didn't expect it," replied Cindy Rydell '65 when questioned about her reaction to the announcement that she had been elected homecoming attendant. Cindy joined the Smiles Club and the D&A Council on Activities Day.

Rivalry Cheerleader
Captain of the freshman cheerleaders during rivalry, Cindy hails from Jamestown High, Jamestown, class of '61 New York.

Sue Murphy '61, entered SUCEA as a chemistry major, Bio-physics minor upon graduation from Elizabeth Seton High in Yonkers.

Lenny Ricardi Serenades Us

This year's Homecoming Dance will probably be the college's most successful in years. It will be held Saturday at McKnow's Grove. The music will be supplied by Lenny Ricardi's band, which has been booked at previous school activities.

The choropones will be Dr. Paul T. Schroder, Professor of Mathematics, and Mrs. Schroder and Dr. Ralph Therrian, Associate Professor of Mathematics, and Mr. Thornton.

The dress for the occasion will be semi-formal. There will be late permission for the women until 2 a.m. It must be received from the dormitory directors.

This is the first off-campus Homecoming Dance. In previous years the dances were held on campus and the Alumni went elsewhere. This year a good turnout is expected. McKnow's Grove is located on Western Avenue, just before the Lou Sawyer Motel, on the same side of the road.

News Editor

Mary Lou Eisenman '63 is the State College News Editor. She is a member of the Phi Kappa Phi Honor Society and the Phi Sigma Chi Honor Society.

Class Of '62

Members of the Class of '62 are: Frank Gattipa, John Focarta, Jack Gattipa, Eddie Crosson, Happy Gattipa, and Frank Gattipa.

Members of the group are: Frank Gattipa, John Focarta, Jack Gattipa, Eddie Crosson, Happy Gattipa, and Frank Gattipa.

Engineers Propose Possible Camp Dippikill Appearance

In past years the problem of Camp Dippikill has been a prominent one here at State. It has been the topic of student discussions in and out of school, particularly with members of Student Association, the student governing body. As many students know, Dippikill was one of the main points in the President of Student Association election platforms during '60 and '61 elections.

Although the Camp Dippikill problem has not been completely settled, definite plans for student facilities have been proposed. These proposals are more complete and definite than any plans which have been previously drawn up and presented to the student body.

During last year several groups organized trips to Dippikill in order to secure material which would aid any concrete plans. This past summer the Camp proposal was developed even further when engineers were engaged. They surveyed the campsite at a cost of \$680

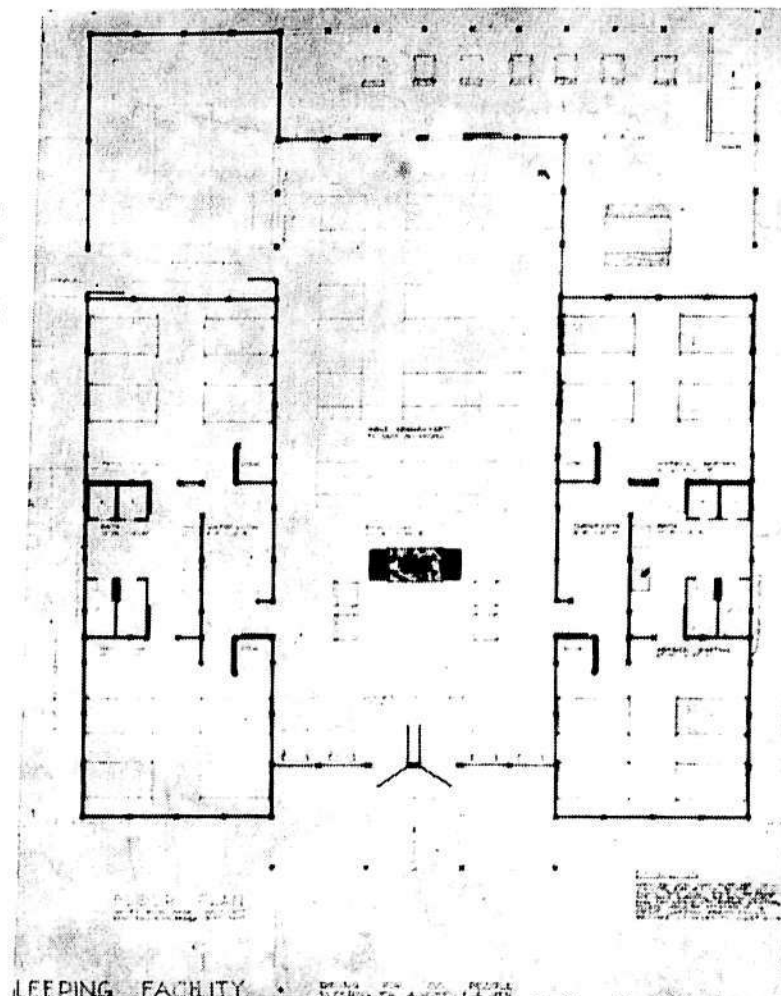

and produced a topographical map showing location of the lake shoreline, and surrounding plant growth.

The surveyors proposed that larger trees remain standing for purposes of conservation and overall appearance of the entire campsite.

Thus, plans have been and are being aimed at making Dippikill more beautiful for student use. Aims are such that the facilities will be as favorable as possible in such a camp.

One of the drawbacks of many State students in taking advantage of our camp has been the feature of lack of facilities and organization. However, if tentative plans become reality, Dippikill will have much more to offer than it has already. Appearance of the camp will certainly be a feature which will benefit it, and make trips there even more enjoyable than they are at present time.

Certainly, Dippikill will prove an asset for student activities.

The architect's sketch of what the proposed Number One Building will look like.

SA Forms Dippikill Camp Board

In February, 1956 Student Association formed a temporary Camp Board to handle the affairs of the newly acquired camping site near Warrensburg, New York.

The purpose of the present Camp Board is to plan and operate the camp. The present board includes eight members, four students and four faculty members.

Faculty members include Mr. Merlin Hathaway, Associate Professor of Physical Education, Dr. Thomas Gibson, Professor of Safety and Health Education, Dr. Arthur Long, Associate Professor of Chemistry, and Dr. Richard Hauser, Associate Professor of Biology.

Student members of the board include Barbara Pozcanzer, '62, Richard Walker, '62, Lawrence Coleman '63, and Alden Pierce '64.

In order that the property may be better enjoyed by all, the board has set up some rules. Some of the important rules are: all activities that take place at the camp are subject to approval of the board; all rules of conduct which govern the conduct of students on campus will be extended 50 yards unless other wise excepted in the rules; general rules of camp safety will be required; violators of any of these rules may have their privilege of camp use revoked. This applies to groups as well as individuals.

Camp Includes Activity Space

Camp Dippikill, the college's new camp has a great deal of activity for all.

For those who enjoy the thrill and adventure of outdoor sports there is archery, outdoor shooting and hunter safety. These activities will provide many hours of pleasure for the men and some ambitious women, of the college.

Those who enjoy water activities will find fishing, swimming and boating offered. The scenic lake will certainly be a beautiful sight for many.

The camp will also sponsor numerous outings, which should prove to be educational as well as enjoyable.

Club meetings, outdoor freshman orientation, and the Summer Biology Seminar will be a few of the scheduled special events for the camp. The Student Government groups will also meet there.

A field campus and an outdoor center will have limited space. The outdoor laboratory will be used for the Physical and Social Sciences, Conservation and Recreation.

A Tree Farming and conservation area will be used for a graded tree lot, a Christmas tree farm and many fruitful conservation demonstrations.

A resident camp available to cooperative programs with other agencies will be used for handicapped children, and other activities and others. The camp counselor training will also be given.

Camp Dippikill will certainly be beneficial to the students of the college and to the entire community.

Camp Board members are from left to right seated: Alden Pierce, '64; Barbara Pozcanzer, '62; Lawrence Coleman, '62. Standing: Dr. Houser, Dr. Long. Missing from photo are Richard Walker, '62; Mr. Gibson, and Mr. Merlin Hathaway.

Warrensburgh Site Planned For Use of College Students

The Representative Assembly will decide today when a Student Association vote will be taken on the college camp issue. Two weeks ago, a motion was passed which would have had a SA vote on the Warrensburg site today and Monday. In last week's session, the delegates passed a motion to reconsider this. An amendment was also passed which would permit a vote to be taken on two days in January.

The administration of the college has put a down payment on the Warrensburg site for the student body. If SA is still undecided by December 31, the site will probably be no longer available for purchase.

Discussion on three available campsites began last night in a special SA Assembly at Brobacher. This discussion will be continued today in Draper 319 and at another SA assembly Tuesday evening. These three sites have been thoroughly investigated and the following data has been compiled by Bruce King '56, Chairman of the Surplus Committee.

The site near Warrensburg is approximately 80 miles from Albany and is priced at \$10,000. The 700-acre site features one small heavier pond, the size of which is about one-half mile by three-eighths of a mile. A natural horse shoe-shaped ridge surrounds the pond, with the open end facing the Hudson River. At present there is one building on the land, a barn building. The structure could provide temporary shelter for small groups until other buildings are constructed. A definite advantage is that the lake is entirely within the proposed property lines, which would give the college exclusive rights to the body of water. This proposed site is accessible to winter sports regions.

State College Proposes Future Camp Dippikill Site

The location of Building Number One and surrounding facilities in relation to Dippikill Pond.

Architect Proposes Finances For Completion of Dippikill Multipurpose Building To Be First Constructed On Camp Site

An estimate of the approximate costs for the completion of Dippikill has been prepared as of September 14, 1961, by architect, Donald J. Stephens of Loudenville, N.Y.

The minimum cost for the dining and sleeping facilities totals thirty-five thousand dollars — the maximum is forty-one thousand. The extension of a road to the building is estimated at the least five hundred dollars, at the most seven hundred. Electrical service installation costs will run from seven thousand, five hundred dollars to eight thousand, five hundred dollars. Charges for the setting up of the telephone system will range from one hundred to five hundred dollars. Installation of a water

supply for the camp will amount to costs from four thousand five hundred to six thousand dollars. Kitchen equipment plus installation will run from five thousand to eight thousand dollars.

Architectural fees will total from four thousand four hundred dollars to five thousand three hundred dollars.

The minimum cost for the above totals fifty-seven thousand dollars — the maximum is seventy thousand. The entire estimate, however, is not complete. It does not include any un-specified construction costs of furnishing, water line development and item installation along with appropriate additional site work.

Proposed Site Aids Comfort

After the completion of the central part of Camp Dippikill, called Dippikill Pond, facilities will be steadily available for lodging, parking, and enjoying the outdoors.

The waterfront, which is in this area also, will provide the visitors with a choice of various sports. Swimming, fishing, boating, and canoeing are only a few of the many activities in which one will be able to participate.

When winter arrives the ski trails will be accessible to the many ski fans who enjoy this exciting winter sport.

But roads will be constructed in order that this college site can be easily reached by all. Besides the main building, four other dorms will assist in lodging the visitors.

Multipurpose Building To Be First Constructed On Camp Site

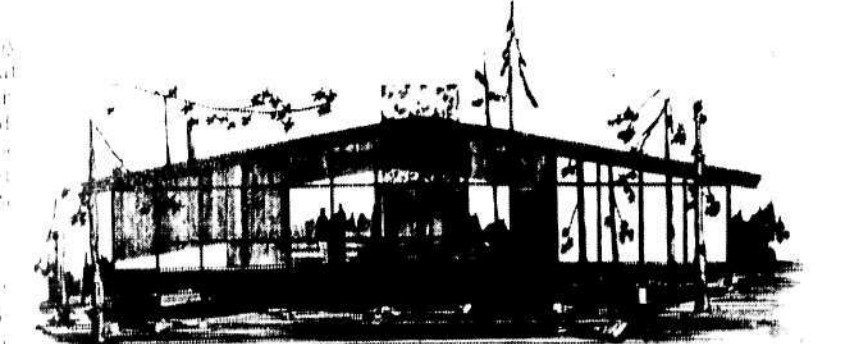

The primary and foremost project of Camp Board is the completion of the proposed Building Number One.

Building Number One, as it is referred to at the present time, will be supported by concrete pillars, rising from two-foot to four-foot off the ground. The building was constructed in this fashion because it would be more economical.

At the rear of the structure, is located a porch, which will be supported in glass and screening. The porch on the north side of the building could serve as a social area for parties and dances during the warmer months. Located in the center of the lounge area is a fireplace, which is supported by a brick chimney.

Building Number One will be the only structure on the Dippikill Pond site for some time, it will be used for dining and to feed the guests in this building. Dining room, kitchen, sleeping quarters will accom-

modate 100 persons, sixteen sleeping quarters, a kitchen, a dining room, a lounge, a fireplace, a porch, a telephone system, a water supply, and a road to the building.

Architect's drawing of Building Number One. Sleeping quarters—either side. Dining area—center.

ERASE WITHOUT A TRACE ON EATON'S CORRASABLE BOND

Typing errors never show on Corrasable. The surface of this paper made of perfect fibers, erases away with just an ordinary pencil eraser. It dries in a blink, perfectly typed paper. No smudges, no ink stains at the keyboard, make no mistake. Type and erase again!

APA Rolls Up Two Wins; EEP, SLS Each Take One

APA Gets By SLS in Defensive Battle

Aided by a solid defense, APA was able to defeat a tenacious SLS squad, 6-0. A 60 yard touchdown pass-play from Ron Crowell to Chuck Hunter in the first quarter turned out to be the only counter in the contest and provided APA with its margin of victory.

The initial quarter produced a flurry of good defensive backfield play, as SLS intercepted a "Rocky Crowell pass, only to have Mike Goldstein of APA return the favor. Within a matter of minutes the winners had their first score of the contest as Chuck Hunter snared a toss and outran the defenders to the goal line. SLS then put on an offensive drive which threatened to tie the score, as quarterback, George Anastas, fired twice to Jon Starks for gains of 45 and 20 yards, but the drive fell short as the APA defense tightened.

The game see-sawed until SLS again threatened to score late in the third quarter as Anastas hit speedy Faye Richardson on a 40 yard pass-play, but again the TD attempt was thwarted. At the final whistle the score still stood 6-0, with APA the victors.

Potter Club Downs Waterbury Hall

Monday, Potter put together a fast-moving offense which rolled over the forces from Waterbury Hall 38-7. While Waterbury's defensive line, led by Gary Jones and hard-hitting freshman Stan Krivo, put an excellent rush on quarterback Camarrata, Men's defensive backfield could not cope with Potter's intricate pass patterns and Mike constantly found receivers in the clear.

EEP drew first blood during the first quarter as Chuck Recesso grabbed a Camarrata pass for a TD. The Potter men kept rolling in the second quarter as Pat Spicci grabbed two passes for a pair of TD's, one covering a distance of 65 yards.

Casey Earns Finals In ECAC Tourney As Peds Take 6th

The quartet of golfers that represented State in the qualifying round of the Second Annual ECAC Fall Golf Tournament acquitted themselves very well in their first experience in this tourney. Led by Roger Casey's sparkling 71, they finished 6th in the 12 team field, posting a team medal total of 306. Casey's steady round earned the Delmar better the right to represent Albany in the tourney finals at Bethpage, Long Island on October 21. The home team found the tricky nine hole course no problem as they waltzed off to an easy 13 stroke team victory over second place Syracuse. The Hamilton team averaged only 68.5 strokes for it's four men. Jon-Kinne of the host school edged out teammate Leon Kanter for individual Medalist honors by firing a brilliant 61.

SLS OVER TXO

Tuesday SLS took on TXO in a "football" game. Cleverly disguised (or maybe not so cleverly disguised) as a football team, the men of Sigma Lambda Sigma clowned their way to a 28-0 victory over an improving TXO squad. An interception, carried for a TD by Jim Neering, started the scoring for SLS and two Anastas to Starks touchdown passes left the score 20-0 at the end of the first half.

In the second half, a safety, and a touchdown by Jim Haedlin on an end run produced 8 more points for the "garnet and gold." TXO looked much improved this week, especially with the addition of quarterback John Barthelmas. John hit Pete Peltz with passes of 55 and 15 yards that took TXO to the five yard line, but they were unable to gain the remaining few yards as the "hooting" defenders held.

KB LOSES TO APA

Wednesday, APA won its second game of the week, this time from Kappa Beta, 18-6. Not a spectacular game, both teams ground out yardage bit by bit instead of taking to the big play. "Rocky" Crowell again showed the way at quarterback hitting on 12 of 20 passes for a very creditable 60% completion average. KB put on a good defensive show the entire game, and in the final quarter hit for a TD.

APA stuck to its ground attack the first quarter and hit the scoring column as quarterback, Crowell covered 30 yards in three carries for the touchdown. Bill Burnett snared a pass in the corner of the end zone for another six pointer before the half ended.

The second half saw Chuck Hunter grab a Crowell toss for a 50 yard TD. KB led by Ed Warner's quarterbacking and Jeff Millard's and Andy Cibulsky's pass catching, put on an excellent offensive show this half and provided a six pointer on a Warner to Millard pass play.

Notice

Varsity basketball practice will begin Monday, October 16 at 3:30 in the Washington Avenue Armory. All players should have taken a physical and picked up their practice equipment prior to this time.

Freshman basketball practice will also begin Monday, at 3:30 in Page Gym. Players of both teams are requested to watch the AMIA Bulletin Board in case of a last minute change of plans.

All those who are interested in Frosh or Varsity wrestling should contact Joe Garcia and then obtain a medical examination. Equipment will be available in Page Gym.

Peds Romp Rockland CCC; Frosh to Meet Colgate Sat.

The State Frosh soccer team was handed its second loss of the season at the hands of R.P.I. last Wednesday at the latter school's field.

State, now one and two on the season, got off to a fast start at the kickoff of the game. They dominated the play throughout the first quarter of the game but were unable to get off any good shots. The second quarter was controlled mostly by the Engineers, as they out-buffed and outplayed the Peds. B. Ranzini scored midway through the period, his first of two goals. After the half time the Peds were again outplayed, and B. Ranzini scored his second for R.P.I. The fourth quarter saw little change in the pattern of play. However, near the end of the game State again pressed for a goal, but was unable to score. The game ended with R.P.I. a 2-0 victor.

The Frosh will play their second home game at the Colgate field Saturday, October 14, as part of the Homecoming Week-end. The game will start at 1:00 p.m. and will be a preliminary game for the State Frosh team.

State seemed to lack the fine teamwork it demonstrated against Rockland C.C. The team on the whole was much slower and was easily beaten at the ball.

Frosh Cop Rivalry Football to Increase Lead Over Sophs

The freshmen have done it again. Last Saturday they captured two more rivalry points by winning the football game with a score of 6-0. The game was well fought, with both teams playing an excellent defense. The frosh offense was really spectacular however, and it was because of this that the freshmen were able to win.

The high point of the game was when Tom Brubacher made a spectacular play, taking the touch down.

The players on the frosh team were all stars on the offense. Tom Brubacher was the star and Don Jurek was right guard. The other stars were Tom Brubacher and Don Jurek. Tom Brubacher was the star and Don Jurek was right guard.

The game was a big improvement over their performance against Orange County Community College a week before.

Peds Top Oneonta State For 4th Straight Victory

State's Varsity Soccer Team continued on its merry way last Wednesday night, romping a determined Oneonta squad 3-0 and extending its season's record to four wins and no defeats. This, the first Ped home game of the 1961 campaign, served as sweet revenge for Coach Joe Garcia's booters, who suffered a 7-2 defeat from Oneonta last year when seven State starters were forced to remain home because of injuries and academic difficulties.

Erwin Seimon, Gary Penfield, and Karl Hanz Gerstenberger all played key roles in the State victory. Seimon's excellent ball handling, even while double-teamed, paced the Ped attack, and he scored the second State goal of the game early in the fourth quarter to bust the game wide open. Goalie Penfield made a total of 21 saves, and repeatedly booted the ball more than halfway down field, to help keep the ball at a healthy distance from the State goal. Gerstenberger, in addition to his fine all around play, contributed the final Ped goal with about five minutes left in the game, and assisted Seimon's score.

Dave Schyer came off the bench early in the first period, and with an assist from Seimon, kicked the first State goal just a few seconds later. That proved to be the main difference between the two teams until the fourth quarter, as Oneonta's defense proved to be a particularly hard nut to crack. During this time, most of the action was in the State section of the field, as Penfield's fancy goal tending was a large factor in holding Oneonta score-

less.

The State soccer team continued to roll along in high gear this past Saturday as they tore into Geneseo. In the first quarter, State jumped to the offensive scoring a total of four goals. Boris Kozleski and Ron Coslick, both newcomers to the scoring column, scored 2 and 1 goals respectively. Erwin Seimon added the fourth goal. Our defense, which has sparkled in the past games, kept Geneseo from scoring.

Geneseo regrouped their forces and put up a staunch defense. However, Erwin Seimon once again poked the ball through, giving us the halftime lead, 5-0.

Geneseo tried to regroup their scoring punch, but it was to no avail. Al DiCaprio, another newcomer to the scoring ranks, scored one and Erwin Seimon added his third goal of the day. In the waning minutes of the third quarter, Seimon scored giving the only goal of the day to Geneseo. The fourth quarter saw only one goal scored and that was done by Erwin Seimon giving him a game total of 4 and a season total of 8. This extra goal made the final score 8-1 in our favor.

Even though this game was a victory, we did not go away unscathed. Both Ed Broomfield and Gary Penfield sustained injuries which will keep him out of the Oneonta game. However, Dave Shruyer, Ed Walsh and Bob Seaman have, in Coach Garcia's opinion, made vast improvement which will strengthen our bench.

Tomorrow, State plays the Homecoming Weekend game against the team from Plattsburgh. Although this team has only won one game, they will undoubtedly give us a battle.

Look to HAUSEN'S for the Look you Like! Men's Fine Suits and Accessories. HAUSEN'S 215 CENTRAL AVE. OPEN 10 A.M. to 9 P.M.

House Howls

Chi Sigma Theta
Mary Ann DiRuscio announces that Claudia Spas and Noreen Budini were pledged October 2. Joyce Girillo is the W.A.A. representative.

Gamma Kappa Phi
Beatrice Heath '62, President, announces that Margaret Smoyer was installed as vice-president at last Monday's meeting.

Elaine Alve '64 was elected corresponding secretary and Jan Arnold, alumni secretary in a replacement election.

Beta Zeta
Buffet for Alumni after Soccer game, Saturday.

News Notes

ATTENTION ALL WOMEN
Extended hours until 2 a.m. will be given to all women residing in State College residence halls for tomorrow evening's Homecoming Dance.

SENIORS

Pictures will be taken in Bru rooms four and five, October 18 and 19, from 9 a.m.-5 p.m., and October 20 until 1 p.m.

WCEA MEETING
There will be a meeting of the WCEA Radio station, Wednesday at 7:30 p.m. in Bru.

DROPPING COURSES
The last day to drop courses is officially October 27.

GRADUATE ENGLISH MAJORS
Mr. Clinton J. Roberts in the Teacher Placement Bureau has announced that all Seniors and Graduate students who are English majors should report promptly during the week of October 16 to Room 172 for required interviews.

CHEMICAL SOCIETY
The student affiliate of the American Chemical Society will hold its meeting at Bru, Wednesday, Dr. W. M. Cashin will speak on "Wines, Beer, Whisky".

PIPE SMOKERS
Mr. R. K. Munsey has agreed to act as sponsor of a pipe smoking club. Any details about membership can be obtained either from him or Dick Parce in the Student Mail.

IVCF Plans Fall Assembly

The annual Fall Week of sponsored by Inter-Varsity Christian Fellowship will be on Friday night, October 20, and last day, Sunday afternoon, October 22. It will be held at Miracle Camp at Perth, N.Y.

The purpose of the weekend is to offer an opportunity to establish friendships with students from other colleges as well as to grow in the often neglected spiritual aspect of life. All students at Albany State are invited to participate.

The cost is \$7.00 for the whole weekend. Transportation will be provided. Everyone who is interested in attending should contact either Alan Pierce, '63 in Waterbury Hall or Nora Bennett, '63 in Sayles Hall.

College Press Lists Speaker

The SUNY Collegiate Press Association announces its paramount speakers for the forthcoming conference starting October 28.

Mr. W. R. Hearst, Jr., Editor-in-Chief of Hearst News will address the members at the Saturday luncheon. The Thursday banquet will feature Mr. Paul Miller, the Editor-in-chief of the Rochester Times Union.

Mayor Corning will greet the student editors, writers and faculty advisors in attendance. Dr. Harry Porter, Provost of the State University will deliver the keynote address.

The eighteen workshops will start on Friday morning, according to Irene Wister '63, Director of the '61 Dynamic Experience in Journalism. Mr. A. W. Bromley, editor of the *Conservationist* Magazine and Dr. Edmund Arnold, Chairman of Syracuse Graphics Arts Department, are among the visiting moderators.

A faculty workshop convening on Thursday will be directed by Dr. Paul Bulger, President of SUNY CE at Buffalo.

Communications

To the Editor:

We would like to compliment Miss Stroud and her company for the excellent letter which appeared in the News on October 6.

"One juice, one juice, one juice . . ." these are truly the words heard throughout Alden-Waterbury dining hall at mealtime. The quantity of the food is meager; for example, one very small slice of roast pork was served to us on October 9.

The quality is usually good; however, the Salisbury steak did taste like hamburger cooked in Oxidol; the Sunday steak was delicious; yet, it was the size of an expectant shoestring.

Let us examine the cost of one of the meals served in the A-W dining hall: two hot dogs at 15c at most lunch stands, one scoop of beans at 5c (maximum), left over salads, pie at about 15c, one juice at 5c.

Mouldy bread is nice if you have a cold - free penicillin. And now let us comment on the living conditions. The halls and bathrooms are dirty. Algae-like

stuff is growing in the sinks. A collection of razor blades, etc. has been on one bathroom shelf since the beginning of school.

Lounges - how can you lounge in a furnitureless lounge? The is rather hard. Sayles wasn't so bad after all. Was it, guys?

SIX EX-SALUTEM

To the Editor:

I am pleased to see the campus commission cleaning up the hallways, etc. However, I would like to see free advertisement in the campus. I am sure that places which continue his liberal attitude of interest to student activities.

I do not disapprove of a charming place, but I would like to know just who is planning the advertisements anonymously.

Aren't the walls of State College reserved for the advertising of State College activities? Let's State Lena be supported by an organization or individual connected with State College. A ghost poster poster. A. L. R. V.

Stock Holds New Position

The position of school dietician, a recently created position at State, is presently held by Mrs. Elizabeth Stock.

This is a new position which has been formed on State campus.

Dietician Activities

Mrs. Stock, who has been here less than a month, is general overseer of the cafeteria and kitchen employees. She also plans the daily menus of the cafeteria, one of her more important duties.

Another of Mrs. Stock's duties is handling financial affairs of the cafeteria.

Past Experiences

Child's Hospital in Albany was Mrs. Stock's last place of occupation. In the past, she also worked as a dietician at Skidmore College. During the summer for the last eight years, Mrs. Stock has been employed at Camp Andree Clark, a girls' summer camp in Westchester County.

Mrs. Stock studied at Cornell, which features a school for study in this particular field, and at Rutgers College. When interviewed she said that she has always stayed at home in order to continue to keep abreast of the latest developments in her occupational field.

ISC Outlines Rushing Rules

Judith Kaminsky '62, President of ISC, has announced the rules governing sorority rushing.

1. No freshman girls are allowed at sorority apartments at any time during the rushing period.

2. No more than three sorority girls are allowed in freshman rooms at the same time.

3. Non-residents of a dormitory cannot frequent rooms only between the hours of 7 and 8 p.m. (This applies seven days a week.)

4. It is permissible to phone a computer for a sorority pizza party in cupboards where there are primarily freshmen, such as tables; sorority girls may enter freshmen between 2 and 4 p.m. A freshman may be asked on the day of the party from 7 to 11 p.m. on Friday, and from 4 to 8 p.m. on Sunday.

5. Freshman girls cannot be invited anywhere but to a sorority party between the hours of 7 and 8 p.m. except on Wednesday.

6. If a sorority girl is the driver of a car pool, the ISC president must be contacted if she has a freshman girl as a passenger. However, if an independent is the driver, a sorority girl and a freshman may be passengers in the same automobile without the permission of ISC.

7. The silent period on December 9 has been changed from 7 p.m. to 8 p.m.

8. If a sorority girl wants to visit an upperclassman in one of the dormitories and the upperclassman is entertaining freshmen girls before the sorority girls enter, the sorority girl may not enter.

Pledges, inactive, and alumni are subject to rushing rules.

ALBANY, NEW YORK, FRIDAY, OCTOBER 20, 1961

VOL. XLVI NO. 21

Reserve Tickets For 'Othello'

Tickets will go on sale Monday, October 23 for the State College Theatre's production of *Othello*. Students may reserve the tickets with their student ID card but they may be purchased for \$1.50.

Tickets may be purchased from 7:30 p.m. at the State College Theatre office on the night of the performance. If students participate in the arrival, they may purchase tickets to serve on their tables. All tickets which are not called for will go on sale at 7:30.

The play will be presented by the State College Theatre on Saturday, November 4.

His 1961 production, *Othello*, Dramatic Arts Association, announced that the production is directed by Jay Blumenthal. The play is being presented at the State College Theatre on Saturday, November 4. The production is being presented at the State College Theatre on Saturday, November 4.

Mr. L. J. Sullivan, the State College Theatre's Technical Director, is the production's Technical Director.

Reports of Committees Prove Informative for All Students

Reports of committees prove informative for all students. The Student Union Board has organized some of the talent at State College. A number of students who have been presenting impromptu performances will be presented in a five listening room Sunday afternoon in the Student Lounge from 2:15 until 3:30 p.m.

The first performer will be Tomasz Kreszowski, a Polish expatriate student. Tomasz, who has been playing the piano for four years, has shown his talent to the faculty of Waterbury Hall on many occasions. Tomasz has remarked that Chopin reminds him of music and music reminds him of Chopin; therefore, Tomasz will present a number of Chopin selections, including "Mazurkas," and "Nocturne in A Major, Opus 9, No. 1."

The second portion of the program will feature Paul Coltrane, a student who has been playing the piano for four years. His talent has become well known at State College. He is probably best known for playing "Blue Bossa," which will be included in his program. Paul will also present "Fifth Street Rag," "Waraw Concerto," and George Gershwin's "Rhapsody in Blue."

A third performer from State will be Jay Blumenthal, Jay, who has written his own composition while still attending high school entitled "Blumenthal's Sonata," which is in three movements. Jay also wrote the score for the "Teenies' Concert." Probably the most well known known piece is the "Teenies' Blues." Jay is also a member of Statesmen and Collegiate.

Blumenthal's "Blumenthal's Sonata," which is in three movements. Jay also wrote the score for the "Teenies' Concert." Probably the most well known known piece is the "Teenies' Blues." Jay is also a member of Statesmen and Collegiate.

State Holds New Name

The State University Board of Trustees has announced that the University's eleven Colleges of Education have a new name as of Friday, October 13. Albany State's official title is now the State University College at Albany.

The Trustees' action follows approval last month by the Board of Regents of the University's plan to establish undergraduate curriculums in the liberal arts and sciences at the teacher education colleges. A program of gradual and orderly transition of these colleges to multi-purpose institutions will be initiated.

Since non-teacher education students eventually will be admitted to study general programs at the colleges over a varying schedule of dates, from 1962 to 1965, the Trustees determined their names should be changed to reflect this departure from their previously highly specialized nature.

Please Clean Our Commons

Pat Benedetto, Grand Marshal of Campus Commission, has commented on the closing of the Commons. Because of the condition in which the Commons has often been found, Campus Commission suggested closing it the day after it is found untidy.

Although Senate has approved the rules and regulations of Campus Commission, including locking the Commons, the student body has protested it. If the Commons is closed in the morning, it will be open in the afternoon so that students will have access to Student Mail.

If anyone desires an open meeting with Campus Commission, that meeting will be held.

Dr. Hatfield To Lecture

Dr. Henry C. Hatfield, Professor of Germanic Literature at Harvard University, will present a series of lectures for the Comparative Literature department here at State.

Dr. Hatfield is one of the most distinguished authorities on Thomas Mann in the country today. He has written many notable and scholarly exegeses on the works of Mann, including *Death in the Late Works of Thomas Mann*.

Winklemann, the great German author, has also been a subject of a scholarly study by Dr. Hatfield. Winklemann and His German Critics, another highly lauded treatise, has permitted Dr. Hatfield to enjoy a reputation of being a diversified literary critic.

Last year Dr. Hatfield was a visiting lecturer in the American Free University in Berlin, where his lectures proved both stimulating and challenging for the students.

Dr. Wallace, head of the Comparative Literature department, said, on behalf of the entire department and student body, that we are all certainly proud and honored to have such a savant and distinguished person as Dr. Hatfield lecturing at State.

"Tareyton's Dual Filter in duas partes divisa est!" says veteran coach Romulus (*Uncia*) Remus. "We have a saying over at the Coliseum: 'Tareyton separates the gladiators from the gladioli'. It's a real magnum smoke. Take it from me, Tareyton delivers de gustibus - and the Dual Filter does it!"

Product of The American Tobacco Company
