Society of Indian Psychologists

MINIMUM STANDARDS FOR AFFILIATION

Components of national Society of Indian Psychologists

Binding Agreement. The Society of Indian Psychologists of the _____ (local chapter), is chartered by the Society of Indian Psychologists, conforms to the purposes, policies, standards and the financial support plan of the Society of Indian Psychologists (SIP).

Local Affiliates.

Full Chapter Status. Local organizations that are capable of meeting all standards of affiliation, including organizational, programmatic, and financial support to SIP, shall be granted a charter as an “Affiliated Chapter.”

Provisional Chapter Status. Local organizations, which are able to comply with some, but not all standards of affiliation, may be granted certification as a “Provisional Chapter.”

Community Committee Status. Newly developing local organizations may be affiliated as units of SIP, and are allowed to temporarily operate under direct supervision of the Executive Council and SIP’s Chapter Development Committee.

The Society of Indian Psychologists shall not approve the organizing or functioning of any entity or the utilization of its name or logo by any entity, unless otherwise sanctioned by due process in accordance with the stipulation as specified in these standards for affiliation. Geographic boundaries for chapters should be specified under these standards.
