REPRESENTATIVE OF A. B. DICK CO. COMES TO MILNE

Last Thursday during club period, a representative from the A. B. Dick Co. gave a demonstration for the benefit of the Junior Crimson and White. The demonstration was on the use of the Microscope. The Crimson and White uses the Microscope to do the cartoons and drawings in. The demonstration drew quite a crowd. It was very interesting. The Crimson and White gets some stencils from the A. B. Dick Co. The representative showed us quite a few pointers on the use of the Microscope.

COOKING CLUB MAKES SANDWICHES, DRAMATICS CLUB PLANS FOR PLAY

The people in the arts and crafts club are making bowls and animals out of clay. The boys are doing metal work. The sewing club is planning a party... The game club has two new members. They are Harvey Holmes and Donald Lape... The girls' sports club played softball. They have three new members. It seems to be one of the most popular clubs.

The cooking club made broiled sandwiches. In them were cheese, bacon, and lettuce and tomatoes... The science club made chlorine gas. Robert Lee and Walter Austin were in charge of the program. John Cheesebro and George Perkins will be in charge of next week's program.

Those in charge of helping the dramatics club play are: props, John Morrison and Thomas McCracken; costumes, Laura Dancy and Joyce Hoops; make-up, Vilna Lee Tubbs, Jean Douglas, Felita Schain, Eleanor Yaguda, and Syralie Brown.

MRS. ROOSEVELT TO BE AT STATE

Mrs. Eleanor Roosevelt, wife of the president, will speak at State College's assembly next Friday, Armistice Day. Mrs. Roosevelt is well-known for her slum clearance and social welfare work. Thursday night, Mrs. Roosevelt will speak at Chancellor's Hall; Friday afternoon she will be at Union College.

*
* VACATION ON FRIDAY *
*
* Dr. Sayles announces that we *
* will have November 11, Armistice *
* Day, off; also November 14 and 15 *
* of the following week. Having *
* this short vacation will take a *
* day off our Christmas, Easter, and *
* Lincoln's Birthday vacations. *

MONDAY'S ASSEMBLY WILL FEATURE PROGRAM ON STATE'S ELECTIONS

Next Monday, November 7, something new will be done in Milne. At 11:45 there will be an Election Assembly in the auditorium. On the platform there will be Bob Gardner, Miriam Fletcher, Betty Borden, John Gulnac, Ben Douglas, Miriam Fround, Don Geisel, Esther Stal-maker, Una Underwood, Ruth Rasp, and Charles Kesbob from the Junior High. The program will begin with four five-minute speeches. Bob Gardner will talk on the Republican viewpoint at election, and John Gulnac will give the Democratic viewpoint. Miriam Fletcher will tell us of the Republican viewpoint on the National Issues. Discussion by the other people on the platform will follow. Don Geisel and Una Underwood will summarize the discussion. Benjamin Douglas will be chairman.

On Tuesday, the following day, there will be held a straw vote, when the students of Milne will vote for their choice in the election.

NINTH GRADE'S HOCKEY TEAMS

The ninth grade played hockey again. Jane Eave's team, which is 9-1, played 10-1. The score was 3-0 in favor of the tenth graders. Jane's team is doing better, because last week the score was 4-0 when they played the same team. Miriam Boice's team, which is 9-2, played 10-2. The score was 3-1 in favor of the ninth graders. Dorothy Signer made two goals while Miriam Boice made one. Last week when 9-2 played the same team, the score was 4-1 in favor of the tenth graders. Miriam's team took quite a jump in view of last week's score.

DON'T BE LATE

Everyone knows we have five minutes between classes. Why should it take us over five minutes to go from one class to the other? So many people are just a half minute late and have to go to get an excuse. It really isn't necessary. There are only three floors in Milne and we have ample time to walk from one class to another, get a drink, and still be on time to our class.

We are usually on time to all classes except homeroom. Now why should this be. There is really no excuse for anyone being late for any classes. Every time you are late it is recorded. Try not to have a bad record. Be on time to your next class for your own sake.

BANKING AND SAVING

During the past few years, Milne has developed a banking system. This year we have noticed a lack of interest in it.

Don't you ever go by a shop window and see a bicycle standing there? Wouldn't you like this bicycle? If you had a savings account you could get it.

Even a nickel a week in the bank is a saving. After a year or so it amounts to quite a lot. In case of emergencies this comes in very handy.

Of all the banks in Albany, you can certainly pick out one to save your pennies in. Remember the bicycle in the window of the shop. You can help to get our percentage up to a higher standard.

REPORT CARDS

Can you sit down? After this first report card period a lot of people will have to settle down and get better marks. After the autumn is over, we all spend more time on our homework. It gets dark early so the temptation to go out and play will not haunt us. Let's all settle down and work hard.

Last Thursday, the Sub-Deb club of Milne Junior High gave a fashion show and tea in State College Lounge for their mothers. The girls modeled dresses from Whitecays'. The models were Marie Edwards, Eleanor McFee, Janice O'Connell, Arline Palatsky, and Natalie Mann. Mariel Welsh, Jane Curtis, and Patricia deRauville served. Ruth Salter told about every dress as it was presented. Each girl modeled three outfits. They had a large variety in garments, ranging from sweaters and skirts to evening dresses. For school and sport wear plaid skirts or jackets seemed to be the fashion; for afternoon and church wear velvet diradls, and for formal and semi-formal evening wear taffeta dresses of all shades. One of the prettiest dresses I've seen for evening this season was modeled by Eleanor McFee. It was black taffeta built along simplified Marie Antoinette lines. The skirt was full and made to stand out by a stiff underskirt of Tarlatan. Its only trimming was black and rose combined ribbons on the bodice, two rose flowers and a small piece of the rose-pleated underskirt in the front where it was held up with another rose.

The fashion show was very interesting, and the tea was delightful. Everyone enjoyed it.

COMMUNICATION

I am referring to your article in last week's issue of the paper on the naming of the guinea pigs in the Biology room, 320. I have a suggestion for the name of the brown guinea pig. I think "Cocoa" would be very appropriate.
