Applications for the Selective Service Qualification tests to be given December 4, 1952 and April 23, 1953, are now available in Milne, room 131, through Dr. R. S. Gardner, Supervisor of Mathematics in Milne, according to Edward J. Sabot, Coordinator of Field Service.

Eligible students who intend to take this test on either date should apply at once to Dr. Gardner to secure the application and bulletin of information. Applications for the December 4 test must be postmarked no later than midnight, November 1, 1952.

According to the Educational Testing Service, which prepares and administers the College Qualification Test for the Selective Service System, it will be greatly to the student's advantage to file his application at once, regardless of the testing date he selects. The results will be reported to the student's Selective Service Local Board of jurisdiction for use in considering his deferment as a student.

Press Bureau Sends Notices To Newspapers

The names of those students who made the Dean's List for second semester last year, and whose notices have been sent to their home town papers will be posted on the Press Bureau bulletin board today, according to Mary Jane Dewey '53, Director. Students who obtained the honor are asked to check the list. If their names appear, notices have been sent and announcements will be printed in the home town paper at the discretion of that paper. If they do not appear, the students concerned are asked to contact Miss Dewey and be sure that they have turned in their activities sheets.

the amount of government patronage. Soon the royal patronage system was out of proportion to an equitable taxation. As Dr. Hung observed, "Royal patronage is not an American innovation but a Chinese discovery." In this instance as so many others, the spontaneous wit and humor of Dr. Hung did not altogether conceal what was perhaps the main intent of the lecture—to show us that China does not stand alone in her follies.

The afternoon lecture concerning Tu Fu, Chinese poet of the eighth century A.D., subject of one of Dr. Hung's latest literary works, and the greatest Chinese poet in a culture renowned for its literary proficiency, dealt with China Proper, China Proper—productive China, contributed to the world, the arts of poetry, painting and cooking. Tu Fu, master of all Chinese poetry up to his day, innovated more colloquial forms in which he... interpreted the world and his own time," for all time.

Dr. Hung, one of the great intellects of a starving age, cautioned his audience to weigh the merits of the world's current ideologies realizing that, "... you cannot fight ideas with money or guns... Squares Stomp In Student Union

The booming melodious tones of the great brass band shocked every State student within hearing distance into bounding onto the Dorm Field.

As freezing rain drizzled and everyone welcomed the few happy bursts of sunshine, Hathaway's Hecklers, aided by Gerry "Cas;" McDonald and Peter Telfer trounced Garcia's Growlers and "Big Jaw" Al-lasio by a score of nine round trips to one.

A couple of live-wires from WPTR and WROW decrified the Chinese auction, while avid bidders walked off with such prized prizes as an album of "American in Paris."

For those in the mood for old-fashioned sparkle, Reuben Merchan's hand provided the fiddlin' for the stompin' of State "hicks," who proved they weren't squares, even if they were doin' that kind of dancin'.

'Ike' Emerges Victorious In State's Straw Vote

As the nation goes to the polls this Tuesday, State College will already have selected its presidential choice, having, for the fourth consecutive time, given the Republican nominee preference in the race for the top office of the land. In the political poll conducted last Friday, with 761 or 58.5% of the student body participating, Dwight D. Eisenhower, Republican candidate for the presidency, received 63% of the votes cast for that office. His closest contestant, Governor Adlai E. Stevenson, garnered 36% of the ballots cast for president, while the remaining 1% of the votes were divided among Thomas, Hallinan, Russell, and Taft.

Vote Continues Tradition

The vote this year is in keeping with the tradition that State College is Republican. Only once in the twenty-four years that the poll has been conducted has a Democratic candidate been given the margin of victory, this being in 1936 when, by a narrow margin, the Association chose the late Franklin D. Roosevelt.

Of the 58.5% of the Student Body participating in this year's poll, only 13.5% listed themselves as voters, this being an 8.4% reduction in qualified voters from last year. The Eisenhower-Stevenson fight, among the voters was relatively close, Eisenhower receiving 62 votes to Stevenson's 41. The non-voters, however, swung the percentages heavily in favor of the Republican nominee, granting him 413 of their votes, while casting 237 for the Governor.

Facts Show Reverse In Trend

Significant is the fact that Norman Thomas, who polled 8.7% of the student vote in 1948, could muster only two votes in this year's balloting, thus reversing the Socialist trend apparent in the last

Miss Rasey reached the quota on the first distribution, her closest contender being Madelyn Meier. Ingulis was declared the victor on the fifth distribution, with Olga Komunowski following closely in the last counting. Complete tabulations of the voting appear on page four.

The Sophomore class held the re-day, November 2, from 3 to 6 p. m. placement election for representative to Student Council to fill a vacancy created by the loss of James Lockhart. Le-Khart was drafted into service immediately after the completion of his freshman year.

SA To Select Campus Queen

Student Association will consider the Student Facilities Board budget in assembly today. Also on the agenda are the election of this year's Campus Queen and the election of freshman class officers. This week Student Council discussed membership in the National Student Association and an amendment to the Student Union Board constitution.

It has been recommended that the following lines of the Student Facilities Board budget be eliminated: the radio phonograph console line, the record line, and the record cabinet line.

SA members will select the Campus Queen today from among the five Seniors who received the highest number of nominations in assembly last week. Prior to the voting the candidates will be introduced by the President of SA, John Lannon.

The following amendment to the SUB constitution was approved by Student Council: Article 3, Section A has been deleted, and the statement that SUB shall consist of 6 seniors, 5 Juniors, and 4 Sophomores inserted. This increases the membership by 2 Seniors and one Sophomore.

It was voted not to join National Student Association because the concrete benefits are not sufficient to justify the expenses.

If you're to elect a capable official, forget the beauty and the personality and vote for the one or several who are qualified to undertake the task.

In our preferential system, some people seem to think that they must put a number before every name on a ballot. This should not be the case, for you should select the people you think qualify for the office and are interested in fulfilling that position to the best of their ability.

The youngsters who live in the Baby Cottage would like someone to read to them or take them for walks between 3 and 5 p. m. on Sunday. One student will be responsible for two children from three to eight years old.

The procedure for visiting the older children is as follows: sign up on the Smiles bulletin Board in lower Husted and report to Coach Huddleston upon reaching the Home.

A Woman's View

By DORIS DOHERTY

This year MAA wished to inaugurate an intramural swimming program. The Jewish Community Center gave them a choice of one night for their swimming—the same evening WAA had contracted the use of the pool.

When the proposal went before WAA Council it was vetoed on the grounds that:

1. The pool would be too crowded.

2. Since diving had become more popular with the women and since it is popular with the men, the single board would limit individual participation.

3. The presence of men would discourage the women from taking part in the program.

Taken point by point we feel that WAA Council's attitude is selfish and immature.

Schedule Announced: The Varsity Basketball schedule for the 1952-1953 season has been released by Coach Hathaway.

Probably the novelty of a co-ed swimming program would draw near capacity attendance for the first session or two.

We feel that WAA's third veto argument is least valid. The women of State, are in our opinion, adult enough to swim in the same pool with men without feeling self-conscious in bathing suits or embarrassed over their swimming ability.

In conclusion, we feel that WAA should reconsider its veto of MAA's proposal for co-ed swimming.

GOP Landslide In Straw Voting, Nixon, Ives Win

(Continued from Page 1, Column 1) The remaining three write-ins were divided, one each being cast for Hallinan, Russell, and Tait. In the vice-presidential race Republican victory was even more apparent, the totals reading 512 for Nixon and 243 for Sparkman. Once again, the vice-presidential berth was more closely contested among the voters than the non-voters, the former giving Nixon a 60 to 42 margin of victory. Write-ins on the ballots for vice-president included two for Douglas, and one each for Bass, Eisenhower, Thomas, and Margaret Chase Smith.

The polling for senator produced a landslide victory for Republican candidate, Irving Ives, who received 80% of the votes cast. The present senator's heavy margin of victory may be accounted for by the fact many students voted a split ticket. Stevenson-Sparkman-Ives, combination. John Cashmore, Democratic candidate, polled only 14% of the 742 votes cast for the office. In the write-in column Dr. George Coums, Liberal candidate, received six votes, while Harriman and Lamont polled one each.

It is evident that straw polls at State have very little in parallel with the outcome of the national elections, since Student opinion has traditionally selected the losing candidate. Only once in our records, in 1936, has the outcome of the College poll, coincided with the results as a whole. Complete tabulations of the poll results appear on page four.

Stokes To Hold Lead Auditions, For 'The Mikado'

Tryouts for the leads in the annual operetta sponsored by Music Council will be held on November 14 and 21, as announced by Dr. Charles F. Stokes, Professor of Music. The operetta this year is "The Mikado" by Gilbert and Sullivan. The selections required and schedules are posted on the bulletin board for Music Council on second floor Richardson. Both tryouts are to be held at 4:30 p. m. in Room 23 Richardson. This production is being staged by the Operetta Class.

One Man's Opinion

Last Tuesday evening saw the presentation of the second set of AD Plays. Fran Hopkins and Jack Jacobus gave the audience an evening of thoughtful, well-balanced entertainment. The tragedy was that type of play where the characters, action and setting must contribute to a dominant mood, a mood of complete disgust for all concerned. Each character is, in his own way, thoroughly no good. This mood was capably transmitted to us Tuesday evening. A few minor defects, such as needless pacing or the lack of proper buildup for the entrance of Luke, did not detract too much from the overall effect. That the mood was

sustained despite an unfortunate technical mishap is a credit to both director and cast. The second play was introduced as a farce. The end result was a cross between a farce and a burlesque. I personally thought that the play cried for a totally burlesque treatment, but the enthusiastic response of the audience seems to place this critic in a minority of one. As the farce it was intended to be, the play was a complete success. I have neglected to mention the actors for a particular reason. The AD stage was never meant for "star" performances.

(Continued from Page 1, Column 1) line and an orchestra made up of members of the Sophomore class. In the cast are Dolores Montalbano, Charles Beckwith, John Orser, Donald Lein, Nadine Watson, Arthur Lemis, Robert Landergeran and Robert Ogan. Committee heads are Arlene Yanks, props, Evelyn Ruben, costumes, Nancy Evans, make-up, and Evangilia Verven, lighting. The freshmen skit, suggested by Roberta Stein and completed by the script committee, concerns a Broadway show that finally lets love triumph. Ross Hack is director and Judith Wilen is in charge of costumes.

NOSE, THROAT, and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough

examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

Frosh Will Sing, State Students Receive Challenge Will Entertain Before Assembly In VA Hospital

The agenda for today's assembly includes a soccer program, the annual frosh sing of traditional songs, a Sophomore challenge to the frosh, freshmen apologies, and announcements. The soccer program will include cheerleading, a talk by Joe Garcia, Soccer Coach, and honoring the Unit is interested in having all singers, dancers, masters of ceremonies, musicians, dramatists or any other talent to audition for acts to go to TB and Veterans Hospitals in the area.

The Albany Red Cross and Jack Dugan and Bill Bennet, local disc jockies, have offered to provide transportation to the hospitals. It is planned to work the acts on a rotation system. Under this system each act would probably be called on only once or twice a year.

The freshmen will sing the songs they are required to have learned while marching through lines formed by the Sophomores on either side of the aisles. Four freshmen who have each received three warnings will give apologies. These include Nicholas Cassevooy, Morton Katz, Sheila Millard and George Neville. Student Council passed a financial motion Wednesday night concerning the purchase of an addressograph which will be brought before student association today.

A committee to work with the faculty on the problems of academic standings was appointed. The committees for which sign-up sheets have been posted on the bulletin board were discussed and these committees will begin to function soon. Next week is American Education Week and the college will be open to the public Thursday. Classes will be open for inspection. Members of Student Council and Press Bureau will act as ushers.

The mailboxes will be moved again soon into the Commons. Dancing will be held from noon to 12:30 p. m. as soon as the phonograph is repaired. Banners will be hung in the Commons in the near future.

Geneseo-Albany Game, Dance Will Terminate Soccer Season

The soccer season will come to a close at State College tomorrow when the Albany Teachers play Geneseo State for their last game of the year. To punctuate this successful season, the Soccer Dance, "Autumn Whirl," will be held in Brubacher Lower Lounge. The crowning of the Soccer King and Queen will be the highlight of the evening. Tomorrow afternoon Geneseo State will invade Beverwyck Field for the final soccer game of the season. State who has yet to lose a game on the friendly confines of Beverwyck will be aiming for their fifth consecutive victory and their sixth of the season, their present record being 5 victories against 4 defeats.

Last Saturday, State downed Plattsburg for the second time this year and by the identical 4-2 score. George Wood pulled the "hat trick" by scoring 3 of State's 4 goals. This is the first time a State player has scored more than 2 goals in a single game this year. Bill Adams scored for State's other tally. State, playing the game without the injured Tom King and "Rebel" Hockmuth, had to wait until the second half before they could nail down the victory. The halftime score had found State and Plattsburg tied at 2-2. Pete Telfer's goal tending again was a determining factor in the game. On several occasions Telfer stopped shots that, if they had scored, might have turned the tide of the game in the Burg's favor. Telfer did not confine his defensive work to the goal area but advanced at times to distances which seemed dangerously far from the goal.

Some of the real veterans of the squad will be playing their last competitive soccer for State this Saturday. Such standouts for the year as Dean Strickland, "Red" McCormick, Pete Telfer, Bill Adams will be hard to replace in next year's lineup. Tom King, who because of injury will not be able to play Saturday, is also a Senior, and would have been playing his final game. Bob Massey and his Orchestra will provide the music for "Autumn Whirl" from 9 p. m. until midnight. The Queen was chosen by the Soccer team. To further honor our fighting team, the King of the evening will be the Most Valuable Soccer Player, introduced by Coach Garcia. The Geneseo team has accepted an invitation to attend the dance. General Chairman of the evening is Beverly Prantis '53.

AD To Produce Fantasy, Comedy

The program for the week will include a film Wednesday night, "Passion for Life." Students and visitors are invited to attend. The program will continue until Thursday when the public is invited to visit classes at State College from 9 a. m. until 3:30 p. m. State students will act as guides for the public. An art exhibit of Modern Art prepared by Ruth E. Hutchins, Assistant Professor of Art, and a display of Peruvian art objects donated by Dr. Walter Stuart will be featuring at that time.

At 4 p. m., a tea will be held in Brubacher for visitors only. In the evening, entertainment will be provided by Mixed Chorus and a speaker will address the public. A television program will be broadcast from 11:30 a. m. until 12 noon. The program will have the format of a panel discussion. The general topic will be "What questions would you ask your school principal?"

The State College faculty who have prepared this program for National Education Week are Don Orton, Director of Education, Vivien Hopkins and Perry Westbrook, Assistant Professors of English, and Matthews.

Union Board Requests Recording Preferences

In order to have a more balanced selection of recordings on the jukebox in the Student Union, a list has been posted for students to sign for their favorite record requests and also for the records which they wish to have deleted from the machine. Reports Rudolph DeSantolo '53, Chairman of the Student Union Board. The list will be on the side of the juke-box.
