STUDENT COUNCIL CHANGES DATE OF SENIOR HIGH SCHOOL PARTY

The date of the Senior High School party, originally scheduled for Friday night, January 18, has been changed by the Student Council to some Saturday in April. A majority decided that due to too many conflicting parties and dances the attendance would be affected sufficiently to warrant changing the date.

In the Student Council meeting Tuesday, Raymond Hotaling gave a report on the expenditures for the Student Council dance given December 22, 1934. The total amounted to \$59.00, and the profit was \$20.75. The Council also voted to back the new boys' society, Theta Nu.

MILNE THANKED FOR KINDNESS BY FAMILY WELFARE SOCIETY

Appreciation of the aid given by Milne to the poor people of the Hospital District was expressed Friday in a letter to Miss Helen Halter from Walter E. Young, general secretary of The Family Welfare Society. Mr. Young's letter is as follows:

My dear Miss Halter:

Will you express the appreciation of this Society to the pupils of the Milne High School who were responsible for sending out the baskets at Christmas time? We have heard from many of the people who received them, and they were most appreciative.

We trust that this fine work will be continued from year to year and that we may be able to help in selecting the families for the Christmas remembrances.

Again thanking you, we are

Sincerely yours,  
Walter E. Young

NEW BOYS' SOCIETY FORMED

Theta Nu, Milne boys' society, has been reorganized for the third time since its founding by several members of the sophomore class. Lowell Gypson is president of the society which plans to study economics and problems of the modern world. The society has secured the backing of the Student Council and will be admitted in the school on an equal status with Quin, Sigma, and Adelphoi.

The members of the Adelphoi Literary Society wish the best of success to the newly formed society of Theta Nu.

## PROGRESS

"Be content but never satisfied" -- this concise, dynamic phrase of five words should "ring interminable changes" on the brain of every clear-thinking young man and woman who wishes to make his way in the world. A wise and learned man gave us the above statement with the intent to urge us onwards, not discontented with our present state, but always anxious to progress to another.

This spirit of progress has been no more apparent anywhere in the world than in Milne this last month. Two contests, sponsored by separate student organizations, are being conducted in order to obtain new Milne songs and cheers. The boys' Hi-Y Club has announced that a valuable prize will be awarded the composer of the best Milne Alma Mater song received by them. This is an absolute indication, not that the present Milne songs are not well-liked, but that there exists a constant desire for improvement. The Girls' Athletic Club, also, has offered a prize for the best cheer submitted to them.

These two organizations do not find any fault with the Milne cheers and songs already extant but merely betray a healthy desire for progress. So, Milne, we uphold your attitude and beg you to "be content but never satisfied."

## DIARY OF A MID-YEAR FLUNK

1935-Jan. 6: Oh, what a swell week-end! Not a bit of History homework done! I haven't missed much, I'll do the review I planned for the Christmas holiday next week-end. (This is the first stage --procrastination.)

Jan. 13: Gosh! I could sleep for 36 hours. What a week-end! But, gee, life shouldn't be all homework. We need a little recreation. (Now our subject is indulging in that popular sport - rationalization of sins). And anyway, it will be better if I make up the History all at once, next weekend.

Jan. 20: If I hadn't gone this weekend I'd never have had another chance to visit my grandmother in Washington. Well, I'll make a thorough review of the History during exam week. My other subjects won't be bad. (Frankly making excuses now).

THE NIGHT BEFORE: Well, on the pre-final exam I got 75%, without studying. That's passing, so I'll probably get by on the test tomorrow afternoon. I'll take my book and study a little before it. (Now he's bolstering up his courage!) I can't go tonight because I've got a very important engagement. I'll get by.

THE DAY AFTER: Oh! That test was terrific! I know I flunked. Oh, why didn't I study? It wouldn't have killed me to miss a couple of movies or dances-and, oh boy, wait until mother finds out. (This is the last stage - useless recrimination).

MORAL: Do your homework regularly, my dear children, and spend your Easter vacation free from History review.

## THE JOLLY MILNER

WHOOOPS!

"I shall now illustrate what I have in my mind," said Mr. Van Leuvan as he proceeded to erase the black-board.

SUMMER FUN, EH SPORT?

This being the season of snow and rain reminds me of a very opportune witticism:

Jo: I want to cut the grass; what you got?

Jojo: Oh, I got a sycle, a rake, and a pair of scissors.

Jo: Izzat all?

Jojo: Zat's all, there ain't no mower.

SURPRISE!

I'm giving you an original joke, composed at the State Ed Library.

Frommie: How do you like my new hat?

Gib: Swell; it fits your personality.

Frommie: How's that?

Gib: Why, 'cause it's felt!

FRENCH CLUB TO PRESENT PLAY  
IN ASSEMBLY ON FEBRUARY 20

Le Cercle Francais is busy working on their French one-act play, Nous Ver-rons, by Emma L. Simpson. The play will be presented in assembly February 20. It is under the supervision of Mr. Wilfred Allard, a State College senior and sponsor of the French Club. Everyone in the club will take part. At the last club meeting, the first and second scenes of the play were rehearsed. Miss Barbara Allen, president, presided.

DRAMATIC CLUB MAKES PROFIT OF  
\$30.70, CHATTERTON ANNOUNCES

The Dramatic Club held a joint meeting this week. Clarence Chatterton, gave a report on the money received from the Christmas plays and also discussed the bills. A profit of \$30.70 was made and deposited in the bank with the rest of the club's funds. The subject of a new make-up box was brought up and discussed. The Make-Up section was empowered to consider the situation and decide what to do about it.

QUIN:

A joint meeting was held with Sigma to find out whether or not refreshments should be served at the Sigma-Quin dance. It was decided that punch should be served at the dance.

The question was again brought up whether the members of Quin and Sigma should let Adelphoi join in the Sigma-Quin dance. After a discussion, it was decided that Adelphoi should join Quin and Sigma in the Sigma-Quin dance.

SIGMA:

At a joint meeting of Sigma and Quin, the coming dance was discussed. It was decided to allow Adelphoi to join. The presidents and vice-presidents of the three societies will decide the division of tickets, proceeds, and cost. Barbara Bladen acted as secretary in the absence of Emily Buchaca.

ADELPHOI:

Kenneth Snowden gave an interesting talk on the life and career of Floyd Gibbons. A discussion was held on having the annual Adelphoi banquet.

Another committee was appointed to see the girls' societies on holding a joint dance. The committee made the report that the girls' societies accepted this.

MR. MOOSE LEADS DISCUSSION  
AT ATHLETIC COUNCIL MEETING

Mr. Carleton A. Moose, supervisor of General Science, led a discussion about the budget and the guest admittance plan at last week's meeting of the Athletic Council. He expressed satisfaction in the way these were working out.

"The budget is working out fairly well," said Fredrick Dearstyne, president of the council, in an interview last week.

The guest admittance plan is working better than it has been. It has been announced that State College students cannot get into Milne games, and that Milne students cannot get into State games without paying the admittance price.

"Because of parents' coming to get their children, a man will be at the front door of Page Hall auditorium all the time during games," said Dearstyne. "The door will be locked, but they will be let in by the man. This will eliminate trouble and discomfort to the parents."

G.A.C. DISCUSSES HI-Y-G.A.C. DANCE,  
ENTERTAINMENT, AND LETTER AWARDS

The date for the dance of Hi-Y and Girls' Athletic Club was discussed. The final date was not decided upon.

A discussion was carried on concerning a bridge party or some kind of entertainment to raise money for the club. The bridge party was voted out. It was decided that it would be more successful if it conducted something for the benefit of the girls of the club.

An award for people who have 10 or more letters was discussed. A silver basketball and a chain was voted on, and Ruth Campbell was appointed to go downtown and price them.
