Levitt Talks Again of Bill On Supplemental Pensions Being Introduced This Year

State Comptroller Arthur Levitt has indicated that a bill granting supplemental pensions to retired members of the New York State Employees' Retirement System will be introduced at the coming Session of the State Legislature.

Speaking at the annual legislative conference of the Uniformed Sanitationmen's Association, in New York last week, Mr. Levitt said: "You are all aware as I that inflationary pressures have eroded the worth of the pensions under which many of your fellow-workers have retired. To correct this situation, I plan to introduce a supplemental pension bill which would restore some of the retired employees' lost purchasing power."

Tax Chapter's Doll Project To Brighten Christmas for Many

A brief, informal ceremony in the office of Commissioner Joseph H. Murphy marked the successful conclusion of the annual Christmas Doll Project of Albany Tax and Finance Chapter, C.S.E.A., on December 3 when Mrs. Genevieve Allen, Chairman of the project, presented the finished dolls to Mrs. Brigadier Paul Kaiser of the Salvation Army.

Present at the ceremony were Commissioner Murphy, Deputy Commissioner Norman Galiman, Mrs. Nelson Rockefeller representing the Governor, Salvatore Filippone, President of the Chapter, Mrs. Allen, Chairman of the project, Yvonne Merchant and Helena Tryon. The ceremony, of great general interest in the area, was televised and appeared on local TV stations later in the day.

Gifts To Needy Children

The project, an annual one, was sponsored by the Chapter, and Mrs. Allen, who was assisted by Miss Merchant and Miss Tryon, distributed almost 800 dolls to women members of the Tax Department to be dressed. The dolls are supplied each year by the Salvation Army, and, when dressed, are distributed as Yuletide gifts to needy children throughout the area.

An one day public exhibition of the dolls drew hundreds of visitors to Hearing Room III in the State Office Building, where the entire collection was tastefully displayed by the Committee.

ATTENDS CONFERENCE

ALBANY, Dec. 14 — Dr. Sol Kramer, associate professor of biology at the State College on Long Island, was a delegate to the International Ethnological Conference at Cambridge University, England, this fall.

"The supplemental pension would be based on date of retirement from the State System. Employees who retired in 1940 and before would receive 90 per cent increase on the first \$3,000 of their retirement allowances. From retirement year 1941 on, the additional sum would be based on a gradually decreasing percentage scale. I believe this bill is important as a means of meeting the continuing inflationary pressures on the retirees' monthly allotment and I intend to do everything in my power to assure its passage."

Discusses Investments

In his speech, the Comptroller also discussed the investment programs of the System. With regard to the bill enacted at the last Session of the State Legislature allowing the System to invest in high-grade corporate bonds Levitt said, "The higher yield of corporate bonds should hasten the time when the System can return to a 4 percent yield for all its members. At present only members who joined the System prior to 1943 enjoy such a return while all other members are guaranteed a 3 percent return."

In discussing public pension systems generally, Levitt said, "The changing economic and social forces in our world today make it imperative that we seek every means at our command to improve public retirement systems and to see to it that public pension systems keep pace with such changes. Not only is there a constant need for adjusting pension systems to serve its members, but also to evaluate what progress has been made."

Metro-Public Service Christmas Party Dec. 22

A Christmas Party for employees of the New York City office of the Public Service Commission, sponsored by the Metropolitan Public Service Chapter, C.S.E.A., will be held at the offices of the Commission, 199 Church Street, New York City, on Tuesday, December 22.

A luncheon with refreshments will be served. Dancing and Christmas carol singing will contribute to the good time.

Arrangements for the party are being handled by a committee under the competent co-chairmen, Lil Montag and Joe Holt, assisted by Anne Yacovone, Alice Dunleavy, Mildred Schmitt, Richard Powers, Mae Weisgerber, Florence Osinski, Phil Wexler, and Gus Mortara.

LECTURER TO NEW PALTZ

ALBANY, Dec. 14 — Fletcher Martin has joined the faculty of the New Paltz College of Education as a visiting lecturer in art.

CSEA Salary Report Nears Completion; Survey Results Again Indicate 10% Pay Lag

ALBANY, Dec. 14 — A preliminary report on the annual salary study of the Civil Service Employees Association indicates that State salaries again will lag at least 10 per cent behind private industry and some public jurisdictions.

The survey is being conducted by F. Henry Galpin, CSEA salary research analyst, in co-operation with the Association's salary committee, headed by Davis L. Shultes.

The report is expected to be completed this week and will then be placed in the hands of State Bud-

get Director T. Norman Hurd and his staff.

Presentation of its own salary surveys is one of the many moves by the Association to present concrete proof that the State's workers are heavily in need of a hefty pay boost to eliminate the "deficit finance method of living" that employees have been burdened with so many years.

Survey Proves Need

Mr. Shultes pointed out that there would be "more than ample proof" that the 1960 CSEA salary resolution, which calls for a 10 per cent, \$400 minimum across-the-board pay increase for all state workers, is accurate.

The Association's survey include comparative analysis between salaries in New York State and those paid in New York City, the Federal Government and in a wide range of private industry positions as well.

In addition, the report contains an analysis of the reasons for the large turnover in some areas of State employment and the resulting need for the State to indulge in the practice of hiring at dif-

ferent beginning rates to get sufficient recruitment.

Hiring at minimum rates has been taken in some quarters as the strongest evidence that low salaries have not only reduced recruitment but also is the reason for the attraction of a lower level of quality into State service.

Other Activity

The salary needs of public employees were carried directly to Gov. Nelson A. Rockefeller recently by the Association in a letter that cautioned the Governor at the same time against effecting budget and other economies at the expense of the State's workers.

In that letter, the Association reminded the Governor of his own words for the need to bring public employees to parity with their counterparts in private industry.

The letter also told the Governor that "the need for parity is greater this year than it was last. Since last April the cost of living has risen continuously. The rise last month reached an 'all time high.' Thus public workers who were behind their counterparts in April, 1959, are further behind in December, 1959. Unless the picture changes rapidly it can be safely assumed their lot is not going to be bettered during the next few months."

Previous Meetings

The Association has already had previous meetings with members of the Governor's staff and the Budget office to present not only wage demands but the entire legislative program of the CSEA.

Numerous other meetings with state officials and legislative leaders are also scheduled and all of these activities will be reported in The Leader as soon as possible.

Herzstein Tells Dems Aides Feeling Very Strong About Pay Raise Action

Harold L. Herzstein, regional attorney for the Civil Service Employees Association, appeared at the public legislative hearing of the Democratic State Committee in New York City last week and told the group they should "be aware of the strong feeling among public workers in regard to the major requests they are making to the Legislature" this year.

Mr. Herzstein appeared at the meeting to present the committee with the 94 resolutions contained in the legislative program of the Association for 1960.

The attorney emphasized in particular the salary resolution, which calls for a 10 per cent, \$400 minimum across-the-board raise for State workers.

"These people justly demand the same treatment from the Legislature which employees in private industry have been getting during past year," Mr. Herzstein told the committee.

New NY Science Academy Fellow

DR. NATHAN S. KLINE

Dr. Nathan S. Kline, head of Research Facility at Rockland State Hospital, has just been elected a Fellow of the New York Academy of Sciences.

Election to Fellowship in the Academy is a rare honor, conferred upon a limited number of Members who have done outstanding work toward the advancement of science.

Dr. Kline was chosen for this distinction at the Annual Meeting of the Academy held on December 3, and an engraved certificate bearing his new title has been forwarded to him.

Ellis T. Riker Named Chief of State Tax Planning Bureau

ALBANY, Dec. 14 — Ellis T. Riker, chief of the Planning Bureau of the State Tax Department, has been named administrative director of motor vehicles, a \$13,680 a year post.

Mr. Riker is a career state employee and has been with the Tax Department since 1946. In his new job, he will be responsible to Motor Vehicle Commissioner William S. Hulls.

The new motor vehicle position was created to help in the modernization and mechanization of motor vehicle procedures. The position is in the competitive class. Mr. Riker's appointment is provisional, pending examination.

As head of the Planning Bureau, Mr. Riker has helped reorganize motor vehicle programs. The bureau was instrumental in setting up the Truck Mileage Tax Bureau and in reorganizing the Income Tax Bureau.

Mr. Riker is married. They have three children.

IN CITY CIVIL SERVICE

By RICHARD EVANS JR.

Social Sec. Options Re-Opens to Firemen

Firemen who have not previously accepted Social Security coverage may do so by Thurs., Dec. 31.

To be eligible, member of the Department must have been a member of one of the Pension Systems as of Dec. 30, 1957 and must still be a member on Dec. 31, 1959. He must still be a Department employee, must pay back taxes (not exceeding \$393).

The Feud Goes On

Probation Officers in Magistrates' Courts have been engaged with Chief City Magistrate Murtagh in a court case involving uniform time and leave rules for many months. The group is under special jurisdiction and has not been receiving the same treatment as the majority of city employees. After a hearing on Nov. 17, Supreme Court Justice Lupiano adjourned decision for thirty days. Last week, Chief Probation Officer Dorris Clarke issued an order regarding this group of employees: "Judge Vetrano (administrator of the division) has instructed me to recall all badges issued to Probation Officers and return them to his office."

The Probation and Parole Officers' Association of Greater New York, through its President, Max Pawl, has written the Chief City Magistrate, pointing out that Probation Officers are peace officers under Section 937 of the Code of Criminal Procedure and that it has long been a custom for them to carry shields as identification in the performance of their duties. He has asked for the reason for this break with tradition and for the singling out of Probation Officers in Magistrates' Courts for the dubious distinction of being the only ones in this City or State without badges, pointing out that Association members are uneasy about the action which comes so soon after the November 17th court hearing.

Criminal Division

The Police Department, plagued with charges of burglary, rape, mayhem, graft, et al, in the ranks got another shocker this week. Patrolman Cornelius Mahoney, 32, was charged with being part of a ring that stole money-orders, \$6,000 in stamps, and \$450 in cash from the Soundview Branch Post Office.

Departmental Recognition

To Correction Officer Earl R. Murphy, New York City Correctional Institution for Men, for rescuing a wounded inmate and apprehending his attacker Correction Officer Maurice Joseph, Brooklyn Branch House of Detention for Men, for apprehending a pickpocket while off duty Correction Officer Joseph Burns, Manhattan House of Detention for Men, while off duty, for saving two boys from attack by a berserk knife-wielder and when attacked himself, wounding and capturing the assailant. Officer Burns was also commended by Herbert L. Carlebach, Foreman representing the Second April Grand Jury of New York County.

Meritorious Service Award

To Assistant Deputy Warden Ralph Weinstein, Bronx House of Detention for Men, for the apprehension of an employee attempting to smuggle contraband into the institution Correction Officers James Ferriter and Walter Williams, Bronx House of Detention for Men, for discovering hacksaw blades, thwarting an escape plot and apprehending an outside confederate Correction Officer Isidore Weiner, Manhattan House of Detention for Men, for apprehending an armed zip-gun teenager while off duty Correction Officer Horace Duncan, Workhouse, Hart Island, for the detection and apprehension of a narcotics peddler, while off duty.

He Didn't Cash His Check

The Board of Estimate let Vincent Iarrobino cash his pay check dated June 30, 1949 last week. An employee of the Bureau of Construction, Board of Education, Iarrobino found "that the check for \$359.92, through inadvertence, was never cashed."

Half for the Employees

More than 50 per cent or \$1,102,296,906 of New York City's budget of \$2,174,946,957 goes for personnel. The City payroll includes 148,130 under the jurisdiction of the Department of Personnel, but not the 45,474 Public Authority personnel or 53,277 who work for museums, libraries, zoos, colleges, the Board of Education (43,614), the District Attorney's offices, or the State supported Courts.

Top New York City, State Civil Service Bills Await Jan. Opening of Legislature

ALBANY, Dec. 14 — With the 1960 legislative session three weeks away, the number of civil service measures ready for consideration has reached several hundred.

Senator Thomas J. Mackell, Queens Democrat, has submitted nearly 50 bills, all related to State or New York City employees, including police and firemen.

Assemblyman Fred W. Preller, Queens Republican, who once headed a legislative study commission on the Civil Service Law, has introduced a bill to set a two-year limit within which removal or disciplinary proceeding may be brought against civil service employees.

Senator William T. Conklin, Brooklyn Republican, wants payment of increments to State workers speeded up. In a bill, now in the hopper, he would require increments to be paid every six months, instead of once a year. Under the Conklin proposal,

State workers doing satisfactory work would reach the maximum of their grade within 2½ years. The bill sets Oct. 1, 1960 as the effective date.

Mr. Conklin also seeks a new section to the Retirement and Social Security Law, which would allow State and municipal workers to retire after 30 years service

at a minimum of \$1,500 or 50 per cent of their average salary.

The New York City senator also would set new requirements for appointment as director of a State school for mental defectives. One requirement would be at least five years of actual, experience in the field.

Bronx Democrat, Nathaniel T. Helman, wants State employees to receive cash payment for unused sick leave, if separated from service. The State senator also asks that retiring employees be given credit for the value of unused sick leave.

Promotion & Competitive Exams for Head Custodian: File Now Throughout State

Applications will be accepted until Dec. 28 for open competitive and promotion examinations in the New York State title head custodian, for positions in school districts throughout the State.

Appointments will be made at salaries which vary according to school districts, but are generally from \$3,500 to \$6,400 for promotion, and from \$3,640 to \$6,200 a year for the open competitive.

For the salary in a particular district contact the Board of Education.

A separate promotion eligible list will be established for, and certified to, each district. Each such list will consist of the successful candidates employed in that district.

The requirements in both examinations are two years of experience in building cleaning and maintenance, or one year of such experience and one year as a carpenter, plumber, painter, electrician or steam fireman. New York State residence is required of all applicants.

The written examinations will be held Jan. 30.

MENTAL HYGIENE MEMO

By A. J. COCCARO

... Of Action

Various school committees throughout the State have been successful in recent years in increasing State aid to education by obtaining increased appropriations in large amounts. Approximately one-half of the entire State Budget goes into assistance to the local communities. It might be wise for us to study how a committee on school finance prepares itself to insure a successful campaign and obtain funds for their program.

Long Island Group

The Long Island Committee on school finance met recently in East Meadow High school and made tentative plans to "March on Albany" in January when the Legislature is in session. They have invited citizens of all other counties in the State of New York to join them.

The march will be followed by meetings with the Governor, the Commissioner of Education and members of the State Legislature.

A separate, but coordinated drive, will be put into motion to obtain support of industry, labor, religious, civic and service groups.

Seek Bi-Partisan Support

The Committee will seek bi-partisan support and endorsements of its program from political parties, county executives, and from county and town boards. A goal of the Committee is to seek the endorsement of every political club in the area.

Parent Teacher associations will arrange discussion programs and all taxpayers will be urged to write to Rockefeller and Legislators to act on the school program.

The writer is impressed with this program. A great philosopher once said that it is not unwise to imitate the successful man or his program.

HOSPITAL SHOWS APPRECIATION

Mrs. Helen Zwissler (in uniform) of West Nyack, Red Cross Gray Lady, receives a certificate of award from Rockland State Hospital's Director, Dr. Alfred M. Stanley, far right. Mrs. Zwissler, who has given more than 400 hours of her time to visiting with patients in the hospital, was presented with the token of appreciation on her last visit before moving to Florida. Sharing in the small ceremony were Dr. Julius Reis, in charge of the building in which she served; and LaVonna Urquhart of Pearl River, Supervisor of the Volunteer Services Department through which the visits were arranged.

Hampton Training School Chapter with their presence.

One of the members at the Annex Training School was the lucky 50-50 Club winner.

The Chapter welcomes the opportunity to work with the Explorer Scout unit.

The enthusiasm for the Chapter's bowling league is evidenced by the large attendance at their bowling alleys.

Onondaga

The Onondaga County Chapter of the Civil Service Employees Association met December 2 at the American Legion, Post 41.

Following the business meeting more than 200 members enjoyed a delightful Christmas Party. A lovely program of Christmas music was played by Robert Feak and Dick Palladino, accordionists. Solo selections sung by Anita Kinsworthy and Larry Killoran.

A few lucky people were presented with turkeys from the raffle drawings, and needless to say Santa Claus made a hit with everyone.

Glad to hear that Sergeant William F. Muldoon of the Solway Village Police has returned to work after a serious illness.

Two New Appointments

Two new division chiefs in the U.S. Army Transportation Terminal Command, Atlantic (USATTC) data processing office were announced this week. They are Joseph P. Menello, automatic data processing division, and James P. Mone, EAM (Electrical Accounting Machine) data operations division.

The data processing office, recently reorganized to two divisions instead of three, is still headed by Howard J. Pratt.

Certificates and Check

A Department of the Army Performance Award Certificate recently was awarded Mrs. Lydia F. Fernandes, a clerk-stenographer in the Military Justice Division of the Judge Advocate Section, Headquarters, First U.S. Army, Governors Island.

She also got an Outstanding Employee rating and a check for \$79.90. Colonel A.C. Bowman, First Army Judge Advocate General, presented the awards and check at a mock trial with Mrs. Fernandez' fellow workers sitting as the "jury."

Examples of inequalities that have developed between blue-collar and white-collar pay through the salary-fixing Classification Act covering white-collar workers:

A beginning blue-collar apprentice in the Naval Ordnance Plant in Charleston, W. Va., receives \$4,742 to start, yet a classified engineer with a B.S. degree starts in the same plant at \$4,490, or \$5,430 if he stood high in his class.

A mimeograph operator, employed by the Army Engineers in Los Angeles, with high school education plus three months' experience, gets \$4,534 to start and \$4,763 automatically in six months. A classified college graduate, in other than engineering and scientific fields, with four years of expensive education as background, enters the service at \$4,040, or \$4,980 if he stood high in his class.

The examples were cited recently by U.S. Civil Service Commissioner Roger W. Jones recently to the House Manpower Subcommittee. Mr. Jones said he could point out many more such examples and said they show the need for remedial action on the Classification Act.

Extra Day's Pay

An extra day's pay will be given many Federal employees who worked last July 3, according to a ruling recently made by Comptroller General Joseph Campbell.

Confusion arose when President Eisenhower declared July 3 a "non-work" day and ordered compensatory time off for U.S. employees who worked that day.

A law making the day a legal holiday was passed on Sept. 22, as a result of which, employees who worked became entitled to overtime pay. To clear up resulting controversies, the Comptroller ruled in Decision B-141222:

• That employees who were given compensatory time off before Sept. 22 will be charged with annual leave for that day, if they have accumulated leave to their credits, but they'll be given an extra day's pay;

• That employees who don't have leave to draw on won't be charged leave for the day they took off as compensatory time. They also will be given an additional day's pay, and,

• That those employees grant-

ed compensatory time on or after Sept. 22 must be charged with leave for it, even if it's leave without pay. But again, this group will be given an extra day's pay for working July 3.

Higher Mileage Pay

The United States Department of Internal Revenue has announced it will increase its mileage allowance to employees who use their autos on personal business from 8 to 10 cents no later than next July 1.

The raise was revealed by Commissioner Dana Latham to the National Association of Internal Revenue Employees, which had petitioned him for the higher allowance.

Janitor, Others Among Current State Exams Paying From \$3,680

The State of New York is offering a long list of desirable jobs paying from \$3,680 to \$9,408 a year to anyone who can meet the qualifications.

The last day to file is Jan. 4. The jobs follow, listed by number, title and salary. The ones with asterisks before the numbers do not require New York State residence. All other do.

Included in the list of jobs closing Jan. 4 are supervising janitor, draftsman and engineering technician, and there are separate stories on them elsewhere. They all pay from \$3,680 to \$5,560 a year. The complete list follows:

FD "Outside Job" Rule Relaxed

New York City Fire Commissioner Edward P. Cavanagh this week relaxed slightly the Department's regulations against firemen taking outside jobs.

"Where such activity may improve the efficiency and best interests of the Fire Department and safeguard the security of the people of the City," firemen may be permitted to take employment outside the Department.

Such jobs as security officer in a crowded public establishment were cited by Department spokesmen as the kind meant by the new ruling. Applications by fire officers to hold such jobs will be approved or denied at his "sole discretion," the Commissioner said.

Under certain conditions, teaching positions had been accepted by the Commissioner as outside jobs that fire officers might accept. The new ruling indicates that fire officers might teach at civil service schools, etc.

Awaiting the Word From Rockefeller

PUBLIC EMPLOYEES in the State are awaiting some word from the Rockefeller Administration on its position in relation to the salary needs of the State's workers in the coming year.

While to date there has been no word from the Capitol on this extremely vital issue, the Governor has said more than enough on this score in the past few months.

Prior to his election last year, Mr. Rockefeller spoke earnestly and ardently on the pressing necessity to place public employees on a par with their counterparts in private industry. He has spoken recently on the dangers facing government by the inability to attract high quality personnel to public service, with the statement that salaries offered were a cause for poor recruitment.

So far, these types of statements have been made at public gatherings or at seminar-type meetings on government problems. It is time the State's employees hear from their chief executive specifically on the salary problem at home.

Employees are waiting for the word, Mr. Rockefeller, and with the opening of the 1960 Legislature less than a month away they should get the word.

What do you intend to do about State salaries for 1960?

Is Clerical Upgrading A Sign of 'New Deal' or Merely a Stop-Gap?

THE New York City Career and Salary Plan's Salary Appeals Board last Friday moved swiftly to make the necessary recommendations for employee pay raises in long-neglected clerical titles. The Board of Estimate is expected to act favorably at its Jan. 17 meeting to make the recommended upgradings effective from Jan. 1, and although none of the new money will be forthcoming for the few months it takes the payroll people to bring the records up to date, raises will be paid from the 1st.

We applaud the Board for granting upgradings on 80 percent of the appeals it acted on at this meeting, and we especially applaud the quick action by both boards that will start the raises now instead of in six months or a year.

However, \$250 is still less than \$5 a week when it is spread out over a year. If the same amount is added to these salaries again next year, things will look good for the 18,000 employees affected, but otherwise, the one-step upgrading is little more than a stop-gap measure in a continuing downward slide of City clerical employee buying power, morale and dignity.

Questions Answered On Social Security

It is about two years that I am out of business and I am getting social security benefits every month. My wife is in business for herself. May I work for her for a salary and still receive my social security benefits?

If you are under 72 years of age and earn over \$1,200 a year, you would lose some benefit checks each year depending on how much you earn. This is true even though the wages you are paid by your wife are not taxable for social security purposes.

still have to limit my earnings to receive all my social security checks for the year?

No, that is not necessary. You can receive benefits for all twelve months of the year regardless of your earnings.

My husband reports me as his dependent on his income tax return. Since he is getting disability payments, why can't I get benefits as his dependent?

For you to receive benefits you must be age 62 or older, or have in your care a child entitled to benefits. If you meet either of these conditions, you should contact your social security office.

I will be 72 in January. Do I

SAYS SOLOMON SENIOR SHOULD FOLLOW GOLDEN RULE ON WCB DIRECTIVE

Editor, The Leader:

On Nov. 19, employees in the State Workmen's Compensation Board received a directive from the Board's chairman, Col. Solomon Senior, outlining prohibitive activities in reference to conflict of interest laws.

What I wish to write about here is that section of Mr. Senior's directive which says that, in essence, employees cannot even accept a meal from any person or firm doing business directly or indirectly with the WCB.

Now, Mr. Solomon was recently given a testimonial dinner, which obviously he attended. In that large audience there certainly were some persons doing business with the WCB and these same persons obviously contributed funds to the testimonial dinner by the simple expedient of just buying a ticket. Ticket sales were needed to make the dinner possible.

Mr. Solomon did not buy a ticket, of course, and therefore was technically accepting a meal from persons doing business with the WCB.

Let me say at once that I am delighted that Mr. Senior was honored by this dinner and I certainly feel it was his right to be there.

However, in his directive to us workers Mr. Senior said "we must observe these rules at all times and WITHOUT MODIFICATION OR RATIONALIZATION . . . this is not a question of degree."

This is exactly the way these rules have been administered to us; almost to the point of being ridiculous.

My main point, though, is that if Mr. Senior is entitled to a shade different interpretation to his own directive, so are all other employees in the WCB. If the top man qualifies a ruling for himself, he should see the fairness of allowing his workers the same privilege.

I do not necessarily feel that the prohibitions are wrong. I am saying that it appears Mr. Senior is ignoring that famous — and true Golden Rule.

LEADER THANKED FOR SUPPORT OF AMENDMENT 7

Editor, The Leader:

A belated but nonetheless heartfelt, "Thanks!" for your support of Amendment No. 7 in last month's election.

Informed writings, such as those which regularly appear in the Civil Service Leader, have aided immeasurably in our constant battle to provide increased job benefits for policemen.

Now, with the passage of Amendment No. 7, we look forward to the time when its enabling provisions can be converted into actual dollars for the needy widow and pensioner. In this coming campaign, we also look forward to the continued support of The Leader, without which many of our goals might never have been realized.

Investigations Chief Is on Alert to Protect the Public

How do you know you really get a pound of beef when you pay for it? The butcher's scale says so, but of course you don't know who has been adjusting that scale recently. But you do know who has recently been watching those who adjust such scales—City Investigator Louis I. Kaplan.

Judge Kaplan, besides the probe of short-weighting by City butchers, is currently investigating short rations served up by gas pumps of service stations, ambu-

LOUIS I. KAPLAN

lance-chasing by lawyers, and other activities detrimental to the welfare of the City and its people. Some of the current projects of the Commissioner and his staff are secret, of course, and may remain so for some time.

The commissioner is a very direct, outspoken man. He wears conservative double-breasted suits. He has thick black or very dark brown wavy hair, a rather prominent nose and a ruddy complexion. "My job," he told The Leader, "is to make any investigation I think is in the best interests of the City government and the City's eight million people."

Gets His Clues

He said he gets his clues as to what to watch for from four major sources: personal knowledge he picks up, complaints from citizens, Departmental studies and informers.

"There is no one immune to the process of this department," said Commissioner Kaplan, "including all City officials from the top down."

The Department of Investigation, he said, can issue subpoenas, compel witnesses to testify, administer oaths and examine witnesses under oath.

"Failure of a private citizen to testify before the Department," said the Commissioner, "is punishable by contempt proceedings. Failure of a City employee or official to testify results in the immediate termination of his job. This provision is in the City Charter.

"Failure of either City aide or private citizen to testify truthfully may result in perjury prosecution."

Besides investigating, the Commissioner is responsible for loyalty screenings of approximately 200,000 City employees designated by the State as members of agencies important to national security. Mr. Kaplan is thus top security officer of New York City government. This includes employees of Fire and Police Departments, Sanitation Department, Health Department, etc.

The Investigations Department is one of the oldest departments in City government. It was instituted in 1873 as the "Offices of the Commissioner of Accounts" to curb Boss Tweed.

"Tweed's ring at that time" said Judge Kaplan, "was getting

\$15 of every \$85 the City spent for paying bills, according to the record."

He said the department was designed originally to administer the whole executive branch of the City so as to free the Mayor from the administrative end of his job. The Commissioner of Accounts was more powerful than the Mayor then.

In 1938, with the new City Charter, the department got its present name. It can still best be thought of as an arm of the Mayor's office. It is a fact-finding agency, according to Judge Kaplan, and is not intended to conflict with law enforcement agencies.

"In the past year," said Mr. Kaplan, "the Department of Investigations has shed light in a number of dark places. We sent the District Attorney complete briefs on more than 100 fraudulent relief claims to the Welfare Department — claims that were costing the City money. We also proved that some proprietary nursing homes were failing to give relief recipients the care the Hospitals and the Welfare Departments were paying them to give.

"We had the private garbage collectors under surveillance for some time and the reorganization of the Bureau of Real Estate was a direct result of one of our investigations.

Electronic Law

But the Commissioner was most proud of the electronic data processing unit which now controls violations and removal of violations for the Department of Buildings. He says it was a direct result of his survey and his own court experience.

"This is the first time such a thing has been done," he said. "It is a pioneering effort on the part of government to control enforcement."

Louis I. Kaplan was born June 1, 1914, in New York City. He received his law degree in 1941 from Brooklyn Law School and was admitted to the State Bar in 1942. He then practiced law privately with his brother, Arthur Kaplan.

Mr. Kaplan was appointed in 1949 as Assistant U.S. Attorney for the Southern District of New York, where he served until 1953. In this office he handled cases involving narcotics traffickers, gold smugglers and every conceivable type of criminal case involving Federal statutes.

In 1954 Mayor Wagner appointed Mr. Kaplan a Judge of the Magistrates Court, and in 1957, Judge Kaplan was named an Associate Judge in the Special Sessions Court.

On October 8, 1958, Judge Kaplan resigned from the Court of Special Sessions to become Commissioner of Investigations at \$20,000 a year.

Mayor Wagner in 1955 appointed him chairman of the Committee on Scholastic Achievement and chairman of the "Salute to Youth" program this year.

Mr. Kaplan is president of the Yeshiva University council, a member of New York Cardiac Home board of governors, honorary member of the Boys Club of New York Alumni, and a member of Elks Lodge No. 1, Justice Lodge No. 753, F & AM, Grand Street Boys Club and Park Avenue Synagogue. He is married and has two sons.—R. E. Jr.

MORE CIVIL SERVICE BILLS PUT IN STATE LEGISLATURE

(Continued from Page 2) are sought by Senator Mackell. Among these are:

(1) A bill to permit laborers, cleaners, caretakers, gardeners, maintenance and park foremen to retire after 30 years of service, regardless of age, on a pension of one-half annual salary.

(2) A measure to provide for accident, death and disability pension benefits for members of City teachers' retirement system.

(3) A proposal to give widow of member of New York City police force $\frac{3}{4}$ ths instead of $\frac{1}{2}$ of salary as an accidental death benefit.

(4) A bill to permit member of New York City Correction Department uniformed staff to retire after 20 years of service on half pay.

(5) An amendment to strike out provision for a three platoon system for New York firemen, subject to referendum at general election, and granting of rest period after two tours of duty of at least 72 hours, instead of 48 hours.

(6) A plan to provide free city pension to retired member of New York Fire Department, who becomes permanently disabled while serving in the armed forces.

(7) A bill to allow beneficiary of deceased New York Policeman his accumulated deductions as member of the police pension fund, if written application is made.

In other measures sought by Mr. Mackell, Transit Authority police could be transferred to city police jobs without further examination and appeals from civil service examinations would have to be decided within 30 days.

\$4,850 Engineering Job Open in City

The New York City Department of Health has a provisional opening for a civil engineering draftsman, paying \$4,850 a year. Requirements are four years of experience in drawing and layout or a Baccalaureate degree in engineering. Three years' City residence is required. Re: Professional Standards in H.I.P.

How They Protect You

When you want a job done well, the sensible thing to do is to go to the man best qualified to do it. This is the essence of H.I.P.'s approach to medical care.

When you joined H.I.P., you selected a group of physicians to take care of your health. Since your medical needs may be many and varied, your group of physicians must be skilled in all the major branches of medicine. They must be able to work as a team—making their combined resources available to you as a patient.

Doctors picked at random cannot make up such a team. True group practice requires that they be selected with care so that each can contribute a special kind of skill and experience to the operation of the group.

This explains why H.I.P. maintains professional standards for all its affiliated physicians—family doctors and specialists. This also explains why H.I.P., as the only group practice prepayment plan in the New York area, is also the only plan in this area to have such standards.

Every doctor practicing in an H.I.P. medical group must be approved in advance by a medical board of eighteen physicians distinguished in their profession. He must meet definite criteria. Is he thoroughly qualified by training and experience in the field in which he is to practice? Can he work with other doctors? Can he work as part of an organization that constantly reviews the quality of care provided by its affiliated medical groups? Can he be part of a plan in which patients have a voice?

The doctor must also meet the requirements of the physicians in the group he wishes to join. The group knows that its reputation and success depend upon the kind of service given by every doctor in the team.

In addition, the medical records of group physicians are periodically studied by the central medical department of H.I.P. and from time to time medical experts of national reputation are retained by H.I.P. to analyze the work of the doctors in their respective fields and to recommend changes where necessary.

Laboratory technicians and physical therapists who serve patients of the medical group are also required to meet H.I.P. standards.

Where to Apply For Public Jobs

The following directions tell where to apply for public jobs and how to reach destinations in New York City on the transit system.

NEW YORK CITY—The applications Section of the New York City Department of Personnel is located at 96 Duane St., New York 7, N.Y. (Manhattan). It is two blocks north of City Hall, just west of Broadway, across from The Leader office.

Hours are 9 A.M. to 4 P.M., closed Saturdays except to answer inquiries from 9 to 12 A.M. Telephone COrtland 7-8880.

Mailed requests for application blanks must include a stamped, self-addressed business-size envelope. Mailed application forms must be sent to the Personnel Department, including the specified filing fee in the form of a check or money-order, at least five days before the closing date for filing of applications. This is to allow time for handling and for the Department to contact the applicant in case his application is incomplete.

The Applications Section of the Personnel Department is near the Chambers Street stop of the main subway lines that go through the area. These are the IRT 7th Avenue Line and the IND 8th Avenue Line. The IRT Lexington Avenue Line stop to use is the Brooklyn Bridge stop and the BMT Brighton Local's stop is City Hall. All these are but a few blocks from the Personnel Department.

STATE — First floor at 270 Broadway, New York 7, N.Y., corner of Chambers St., telephone BArcley 7-1616; State Office Building, State Campus, Albany, Room 212; Room 400 at 155 West Main St., Rochester; hours at these offices are 8:30 A.M. to 5 P.M., closed Saturdays.

Wednesdays only, from 9 to 5. 221 Washington St., Binghamton. Any of these addresses may be used in applying for county jobs or for jobs with the State. The State's New York City office is a block south on Broadway from the City Personnel Department's Broadway entrance, so the same transportation instructions apply. Mailed applications need not include return envelopes.

Applications for State jobs may also be made, in person or by representative only, to local offices of the State Employment Service.

U.S. — Second U.S. Civil Service Region Office, 641 Washington St. (at Christopher St.), New York 14, N.Y. This is in the south-west corner of Greenwich Village, just above Houston St. The nearest subway stop is the Houston St. stop on the IRT 7th Avenue Local.

Hours are 8:30 A.M. to 5 P.M., Monday through Friday. Telephone WAtkins 4-1000.

Applications are also obtainable at main post offices, except the New York Post Office. Boards of examiners at the particular installations offering the tests also may be applied to for further information and application forms. No return envelopes are required with mailed requests for application forms.

QUESTIONS on civil service and Social Security answered. Address Editor, The Leader, 97 Duane Street, New York 7, N. Y.

COMPLETING 25 YEARS OF SERVICE

Newark State Hospital employees completing 25 years of service (and their guests) are, from left to right: Albert F. Gallant; Mrs. Marylouise D. Hinchman; Bernard F. Wandersee; Mrs. Pauline J. Breen; Chester M. Pelis; Wayne County Assemblywoman Mildred F. Taylor; Edward H. Klahn; Dr. Frank R. Henne, director of Newark State School; Charles L. Gallagher; Mrs. Hazel Martin; James F. Carlyle; and Mrs. Mildred E. West.

ACTIVITIES OF EMPLOYEES THROUGHOUT NEW YORK STATE

Manhattan State

Officers of Manhattan State Hospital Chapter of the Civil Service Employees Association have been informed through local field representatives that better and greater effort is needed in securing new members. Potential membership numbers over 1,000 and there are just a few over 700 members enrolled at present. Any members who have ideas to help increase membership are requested to contact either the president or vice-president of the Chapter. It was emphasized that the C.S.E.A. is the one and only, respectable, all-year-round employee organization for civil service employees of the State of New York. The Chapter president urgently requested that every member make a sincere effort to secure new members to show that MSH is not asleep in the membership drive nor slack in trying to secure the free toll for non-resident car owners.

It is hoped that the following employees who are on the sick list will be back on duty in good shape very soon: James Grub, Mary Mullen, Mary Duncan, Rebecca Washington, Mike Samsok, William Magee, Matt Walsh, Con Downing, Osadee Webb and all others on the sick list at this time.

Best wishes are extended to Mrs. Anastasia Ovcienko, physio-therapist, upon her retirement from State service. A little party in her

honor in the near future is being planned. All interested employees are invited to contact John Wallace, Extension 408, for details.

The Hospital's bowling team is getting in shape these days with some heavy practice sessions. Dead-eye Carfagno is getting real rough, killer Magee is living up to his reputation, and O'Shea, Shanks and Weber are getting in their licks and will murder the opposition when the chips are down. Good luck boys.

The Chapter Officers and Members wish to thank the Metropolitan Conference for the kind remarks sent them recently by its Chairman.

Marcy State Hospital

Stuart E. Coultrip, safety officer, died after a brief illness on November 23. Mr. Coultrip was formerly a staff attendant, joining the safety department in 1947. He would have completed 25 years of service in March 1960. He was 45 years old. Condolences from the employees of Marcy go to his widow, a nurse at Marcy, and his three daughters.

Belle Richards, retired employee of Marcy, also passed away recently after a brief illness. Sympathy of the employees of Marcy go to the children of Mrs. Richards.

The Crestwood Golf Club held its annual dinner on Saturday December 5. Master of Ceremonies was H. C. Mason, president of the club. Principal speakers were Dr. N. J. Bigelow, director, and

Charles L. DeAngelis, chairman of the board of visitors.

Trophies were awarded to the following: Stanley Kozien, open champion; James Bilodeau, runner-up in the open; James Bilodeau, champion in the handicap; Walter Niziolek, runner-up.

Helen Slitz, winner of the women's open retired the trophy by being the winner for three consecutive years. Theresa Pernice was runner-up. Mary S. Bilodeau was winner of women's handicap with Marie Wengert runner-up. Following the dinner and presentation of trophies, dancing was enjoyed in the Crestwood Club House.

Newark State

The Civil Service Employees Association's Newark State School Chapter held their Thanksgiving party at the V.F.W. on Wednesday evening, November 18. About 180 members and guests were present. A word of welcome was spoken by Dr. Murray Bergman, assistant director. Honored guests included: Mr. and Mrs. Al Killian from Buffalo, N. Y.; Mr. and Mrs. Claude Rowell from Rochester, N. Y.; Vito Ferro from Gowanda, who is president of Western Conference CSEA; William Rossiter from Rochester, N. Y., president of the Mental Hygiene Employees Association; and Mr. and Mrs. Herbert Rupp from Dayton, N. Y. Mrs. Rupp is past secretary of the Western Conference of CSEA and currently employed at the State School in Industry.

Senior Medical students from the University of Rochester School of Medicine, visited the Newark State School on Thursday, November 19. Dr. Murray Bergman, assistant director and Dr. Harry Feldman, supervising psychiatrist, conducted a clinical presentation and a tour of the school for their benefit.

Michael Boyar, executive secretary of the Jewish Social Service Bureau, conferred with Dr. Edward Stevenson, clinical director, and the Social Service Department on November 12, at Newark State School.

The following workers of the Social Service Department attended the New York State Welfare Conference at Syracuse, New York, on November 17: Miss Mary A. Hotchkiss, supervisor of social work;

Mrs. Eleanor M. Hart, senior social worker; Mrs. Kathryn Douglass, Mrs. Marjorie Mooney, and Mrs. Grace Livingston. They were very much interested to hear speeches by Commissioner of Social Welfare, Ray A. Huston and Mrs. Katherine B. Oettinger, chief of the children's bureau of the United States Department of Health, Education and Welfare. This is an annual state-wide conference, a voluntary organization of social agencies and social workers and was widely attended by representatives of the social agencies and organizations of the Upstate Western New York area. The previous evening at the conference dinner, the Honorable Senator Jacob K. Javits spoke on pending federal medical legislation.

Miss Mary A. Hotchkiss, supervisor of social work, met with the house and consulting staff of Monroe County mental health unit of the Monroe County Infirmary on November 11, to discuss common referral policy between this reception unit and Newark State School. Mrs. Ruth O. DeForest, colony supervisor, retired from State service on November 19, 1959. She was first employed on July 18, 1949, as an attendant assigned to the East Aurora Colony. On November 15, 1949, she was promoted to assistant colony supervisor and on September 25, 1958, to the position of colony supervisor, which she held until her recent retirement. For the past few years, Mrs. DeForest had been assigned to the Lyons Colony. The girls who have resided in the colonies under her supervision, as well as her friends and co-workers, join in wishing her many years of well-deserved leisure.

Leo Meath, who is a recent graduate of Willard State Hospital School of Nursing and is employed on Male Inf. I. was in Rochester on Thursday and Friday, November 19th and 20th, taking state board examinations for the licensing of Registered Nurses.

Joseph Collins has been vacationing in Pennsylvania hunting wild turkeys.

Roswell Park

The Roswell Park Memorial Institute Chapter of the Civil Service Employees Association held its first Fall general membership meeting Nov. 19 at Santora's Restaurant in combination with a dinner honoring Tom McQuade who worked at the snack bar for eleven years. He was presented by Margaret Speno with a purse and scroll that put in writing the feeling and appreciation of what he had done for the whole of R.P.M.I.

Other guests included Al Killian, first vice-president of C.S.E.A., and Mrs. Killian; Vito Ferro, president of the western conference, and Mrs. Ferro; Jack Kurtzman and Mr. and Mrs. Burke of Erie Chapter; Johanna Drummond of Meyer Hospital; Mrs. Mary Gormley of Buffalo Chapter; Mary Connell of C. S.; Mrs. Jessie Gates and Dick Mulcahy of Perrysburg.

Russell Ketchum, personnel director of R.P.M.I., guest speaker, spoke on sick leave at half pay and personal leave. Father Edward, R.P.M.I. Roman Catholic Chaplain, gave the blessing and benediction. A raffle of turkeys and fruit baskets made eight people very happy. The whole affair was enjoyed by all and a big hand was given to Miss Angie Buckowski, social committee chairman.

Various sales are going on now to benefit the Chapter. Toys, electric frying pans, griddles and

Christmas candy can be obtained by contacting June Thomas, secretary, or Bob Stelley or Paul Pellitere.

Get well wishes are extended to: Bill Hurley of Maintenance, George Nussstein of Maintenance, M. Cormack, RN of 5 West; P. Walters, RN of 5 West; C. Tuttleman, RN of Radiation Therapy; M. Barrett, RN of Radiation Therapy; and M. Sova, RN.

It was good to see Bob Case, pharmacist, as well as Sue Barr of radiation therapy, back on duty.

Congratulations are extended to Pat Boyle, business office; Joan Hurley, medical records; and Betty Forczek, medical records. Best wishes are also extended to Mrs. Joyce Karoczun, RN, on the birth of a daughter, and to Mrs. Bernice Finkbeiner, RN, and Dr. and Mrs. Harold Box of bio-physics who have acquired new sons.

Miss Helen Parker, instructor of nursing, has been invited to be a member of a committee to prepare a radiation nursing manual. This committee is from the Department of Health, Education and Welfare.

Condolences are extended to the family of John Karn who died recently. John was in the house-keeping department and his absence will be felt.

Tompkins

The membership committee of Tompkins Chapter is burning the midnight oil these days. They are all set to start an active campaign, reaching all civil service employees in the County. A special effort will be made to interest all non-teaching school personnel. We have much to offer them, as well as all other Civil Service employees.

Congratulations to Supervisor Harry Gordon, of Ithaca, on his coming retirement after so many years of service to the Town and County. Our chapter will lose a very doughty warrior in Harry. He has been a champion in his attempts to obtain better working conditions for the employees of his Township as well as the County. Most notable of these is Social Security and State Health Insurance. Harry, you may be gone but you will never be forgotten. Good luck, and our best wishes go with you and yours Harry.

The Ithaca water department is losing two long-time employees on January 1: Mr. and Mrs. Ollie Neigh of the filtration plant. After some thirty years of getting up at four A.M. it will just be wonderful to lay abed mornings Ollie. And Mildred, some folks sure will miss your Brownies and coffee, and the water just 'aint' going to taste the same. Your many friends wish you the best of good luck, and many happy days.

We also wish to congratulate our President, Kenneth Herrman, on his new position as of January 1. We hope you like it Ken, and that all our buildings will pass inspection.

Chapter members are urged to watch The Leader Calendar for chapter meeting dates. This is a new wrinkle in The Leader and should be of great benefit to members in reminding them of coming events in their chapter. Let's hope it helps increase the attendance.

All members are requested, 'nay urged, to send in the news. Our Chapter is active—let's keep it that way, new members, sickness, births or even loss of temper is news and we can't write it unless we hear about it. The phone number is 44601.
