### Myskania Taps Eight Men; Spotlights Varsity Athletics

A male majority will characterize the 1950-51 Myskania judiciary body. Eight men were elected, with only five women chosen from the candidates.

The traditional and solemn Myskania tapping ceremonies began after the classes, linked and swaying back and forth, had sung the "Arm in Arm" song. As the song died away, all present in the Assembly were seated and hushed. Myskania of 1949-50 filed to the second row of seats on the stage, leaving the first row empty. Christiaan Theodoor Lievestro acted as the speaker, announcing the names of the new members, while Earle Francis Jones, President of the retiring group, pinned the new members with purple and gold tassles.

WILLIAM HOWARD ENGLEHART was the first member of the 1950-51 Myskania to be chosen by tapping. His name boomed out as Rhoda Joanne Riber and William Albert Dumbleton stopped in the aisle beside his row in the Assembly. Englehart led the Junior Class this year as its President. and will serve on the new Student Council.

# Major Nathan Adams, Auburn 40 Personnel Manager, U.S. Air Force

A top scholar and ROTC Honor Graduate Cadet Lt. Col. Nathan Adams enjoyed his final military ball in 1940, soon left for Fort Sill's Field Artillery School,

Following a three month course. Lt Adams decided the Air Force was the place for him. He applied for pilot training, was accepted, proceeded to Maxwell Field.

He won his wings and reported to the 36th Fighter Group in Puerto Rico. The group soon returned to the States, giving Adams a chance to marry his college sweetheart.

Within months Adams was overseas, flying 'rhubarbs'' (missions against enemy transport). He flew 63 P-47 missions within seven months, returned to the States late in 1944 for rest and recuperation.

V-J Day came, and Adams decided to make the service a career. He choose personnel work as his career field, was assigned for training to the Adjutant General's School at Fort Oglethorpe, Georgia.

Now a regular Air Force Major, he heads 32-man section at Bolling Air Force Base. He advises his Commanding Officer on selection, assignment and promotion of all officers and airmen in the command.

If you are single, between the ages of 20 and 261/1, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Att: Aviation Cadet Branch, Washington 25, D. C.
