University Senate Meeting 9/14/22

- UAlbany needs to hold an election for two alternate senators by the end of September and report results to UFS.
- The UFS fall planning meeting was held last week, September 8-9, in Saratoga Springs. Kabel is on the UFS Operations Committee and attended the meeting.
- The UFS Fall Plenary is scheduled for October 20-22 at SUNY Purchase. We want to hear from SEC, Senate, and others ahead of this meeting. We have an opportunity to meet with the other University Centers to develop a list of shared concerns/issues/questions to take the Chancellor. Please start thinking of ideas; we'll have a form ready to collect concepts by the next SEC meeting.
