Proposal 2011-2284 Graduate Level Clinically Rich  
Graduate Teacher Preparation Pilot Program

Dear Provost Lavalley:

I write in response to your application for registration of a Pilot Graduate Level Clinically Rich Teacher Preparation Program (GLCRTPPP): a proposed Master of Science in Adolescence: Special Education Generalist, leading to initial / professional certification in Students with Disabilities Generalist 7-12, Special Education 1-6, and Childhood 1-6 to be offered by the State University of New York at Albany.

I am pleased to inform you that the program detailed on the attached listing from the Inventory of Registered Programs is registered for teacher education purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York). This program will remain registered as a pilot program until June 30, 2014. After that date the pilot program's registration ends. If the institution wishes to register a program comparable to the pilot program, the institution will need to submit an application to this office.

Candidates must complete the program by June 30, 2014. If a candidate cannot complete the program by that date, the institution must make arrangements for the candidate to complete a teacher education program that leads to an equivalent teaching certificate.

Consistent with the Questions and Answers provided in the December 17, 2010 GLCRTPPP Webinar, the attached Inventory listing records this program as ineligible for financial aid.

The pilot programs were reviewed and awards were granted based upon the terms submitted in the applications and in follow-up communications. Changes to these programs will not be considered.

Please direct questions regarding the GLCRTPPP to Elena Bruno, Project Coordinator, at [ebruno@mail.nysed.gov](mailto:ebruno@mail.nysed.gov).

We wish you and your colleagues success with the pilot program.

Sincerely,

Barbara D. Meinert  
Coordinator
